**Sub: Structured Training Module (STM) on Cloud Computing, Cyber Security and Digital Forensics**

Madam/Sir,

It is to intimate that this office shared STMs on three topics (i.e. Cyber Security, Digital Forensics, and Cloud Computing) in year 2020. But, due lack of support by Adobe from January 2021 onwards, the flash player files (swf) in earlier sent content became non-functional from 2021.

These STMs are now updated into HTML5 format and uploaded at OIOS for OIOS users.

**(Path: Enterprise>Communities of Practice>Information Systems Audit>Structured Training Modules)**

These STMs are also available at google link mentioned below:

You are requested to circulate these content to officers/officials.
This issues with the approval of Principal Director, iCISA.

Yours faithfully,

06/05/21

Sr. Administrative Officer (R&I)
