

OFFICE ORDER

In view of the ongoing restoration work of Gorton Castle building and the perpetual risk from falling debris/material/machinery, movement in/through the paths around Gorton Castle on both north and south sides is hereby strictly prohibited with immediate effect as the area is not safe.

For the safety of employees, a safe passage into & out of the building has been created. It is directed that all employees should access the Gorton Castle building through the following path till further orders:

- Entry/Exit at Gorton Castle through the front gate (Gate no. 1) at east end.
- Access to 1st floor through the spiral/round staircase in the front portion (opposite Room no. 02).
- Entry/Exit at newly renovated portion through the north side corridor of 1st floor.

Issues with approval of Deputy Accountant General (Admn.)/Estate Officer.
