परिपत्र सं. 58/CIRCULAR No. 58

विषय/Sub: - Upgradation of staff quarters Branch Office Kochi -reg.

Detailed proposal for upgradation of quarters at Branch Office Kochi has been submitted by this office to the headquarters for administrative approval and expenditure sanction. In this regard, headquarters has directed to review the requirement with present demand for quarters considering that seven quarters are lying vacant and there is no waiting list for the same. HQs has sought **willingness from eligible and interested officials/officers who are willing to occupy the quarters once upgradation works are completed.**

Hence, it is requested that, all officials/officers of Branch Office Kochi who are eligible and interested for Type-II, Type-III and Type-IV quarters after upgradation may submit their willingness through the respective Section. This is purely to ascertain the demand for Type-II, Type-III and Type-IV quarters at the station and is not a formal call for application for allotment of quarters.

Section heads may compile the demand and forward a list before 04th February 2022 for onward submission of details to HQs office to facilitate administrative approval and expenditure sanction of the upgradation work of staff quarters at Branch Office Kochi.
