All Heads of Department (As per mailing list)

Sub: Nomination of Information Security Officer (ISO) and System Administrator (SA) in field offices.

Sir/Madam,

The National Information Security Policy and Guidelines, 2014 issued by Ministry of Home Affairs mandate that every Ministry/Department should have an Information Security Officer (ISO) and a System Administrator (SA) for each location of the Ministry/Department. Senior Management in its meeting on 8<sup>th</sup> October 2021 also reiterated the requirement of designating Information Security Officer in each of our field offices.

In this regard, the competent authority has approved that the Group Officer in-Charge of EDP/IS Management (GO-Admin or GO-IS Wing) may be designated as Information Security Officer (ISO) and the Branch Officer in-charge of EDP/IT assets may be designated as System Administrator (SA) in the respective field offices.

The Heads of the Department may issue necessary order in respect of designating ISO and SA in the Office.	
	Yours faithfully,
