Date: 07-05-2018

Office Order

As per recommendations of the Committee on transfer & postings, the Accountant General has been pleased to determine the following criteria to entrust additional charge / link charge to the officials of Divisional Accountant cadre :-

1. Allocation of link charge should be considered in the matter where an official of Divisional Accountant cadre is allowed to proceed on any kind of leave.
2. Additional charge shall be considered for the divisions falling vacant during a year either due to retirement or where no regular incumbent has been posted in the said division.
3. A two tier link charge for each station should be prepared so that the same may be circulated and followed as and when any official of Divisional Accountant cadre proceeds on sanctioned leave.
4. If a division falls vacant due to unforeseen reasons, Sr.DAO/DAO/DA of the link charge shall immediately take over the charge of said division till the order of additional charge/regular posting is issued by this office.
5. Additional charge of more than one Division to one official of Divisional Accountant cadre should be avoided unless absolutely essential under the circumstances.
6. The additional charge, as far as possible, should be allocated to the officials of Divisional Accountant cadre posted at the station where division falls vacant.
7. The additional charge should be invariably allocated to the officials in order of their seniority in Gradation List. However, if any division falls vacant due to retirement or any unforeseen reasons and the senior officers at that station are already holding additional charges then appropriate changes would be made, if required, to ensure the compliance of other criteria.
8. The official against whom any disciplinary or vigilance case is pending or any penalty is in currency may not be considered for additional charge.
9. The link charges should be allocated among the divisions of appropriate grade and if appropriate divisions are not available at the station then link charges should be allocated to the divisions of next higher grade and so on. If higher grade divisions are also not available then to the divisions of next lower grade and so on.

Dy. Accountant General/DACC
