The Government approved the National Program for Civil Services Capacity Building (NPCSCB) – Mission Karmayogi on 2nd September 2020. NPCSCB aims at lay the foundation for capacity building for future generations. Under Mission Karmayogi, an e-learning platform, namely **iGOT Karmayogi**, is being designed for providing necessary digital infrastructure to upload courses and conduct online trainings. This will allow the departments to provide training resources and opportunities to their employees at a hitherto impossible scale. The experimental BETA services of iGOT Karmayogi digital platform have become functional on which various types of learning courses are being uploaded by various eminent organisations.

2. **Program details:** iGOT Karmayogi platform enables officials to explore, acquire and certify their competencies that are critical to discharging their duties. The platform also helps them connect and collaborate across silos and become more efficient in the execution of their responsibilities.

Every competency will have assessments attached to it and only after passing the assessment with minimum required score, the official will be able to acquire the competency and attach it to his/her competency list.

3. Accordingly, DoPT has enabled that all government employees, with nic.in or @gov.in or @cag.gov.in email ids, can register and onboard themselves on iGOT Karmayogi platform directly through the URL

<https://igotkarmayogi.gov.in>.

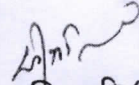

4. **Course Topics:** The portal presently hosts around 150 courses under various broad themes such as E-Governance & Information & Communication Technology, Economics, Information & Communication Technology and Digital Governance, Law, Management, Public Administration etc.

5. **Content Providers:** The portal has a mix of online trainings designed by the World Bank, IIM Bangalore, Capacity Building Commission, Indian Institute of Public Administration, Sardar Vallabhbhai Patel National Police Academy, Ministry of Power, National Telecommunications Institute and Department of Expenditure.

6. **Registration Process:** Employees have to register with their name based official mail ids with domain cag.gov.in. Further, employees, while registering, have to select "Indian Audit &

Accounts" under Ministry/Department /Organization. After registration, iGOT will send an activation email to start the learning journey.

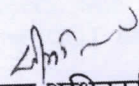

7. All employees are requested to register on this portal, enroll for relevant courses and undergo online training to augment their skills.
