ACCOUNTANT GENERAL'S SECRETARIAT

Aug. 03, 2023

Subject:

Delayed submission of claims.

It has been observed that various claims like Medical Reimbursement, T.A., LTC, Tuition Bills, etc. are being submitted after the prescribed limitation of days. While this results in violation of specified rules and instructions which needs relaxation from the competent authority times and again, ITA/DOI have also been raising paras in all such cases.

The Competent Authority has therefore, directed that henceforth, all such claims must be submitted within in the respective prescribed time limit of each claim and debarred claims may not be entertained. The concerned claimant shall himself/herself be responsible for forfeiture of his claim in future.
