**Madam/Sir,**

As you may be aware, the Central Training Advisory Committee (CTAC) headed by the Dy. Comptroller & Auditor General is the apex committee to oversee the training activities of Central and Regional Training Institutions in the Department. In the 49<sup>th</sup> meeting of the CTAC held on 9th April 2025, the Committee accepted the proposal of the Academy to publish an academic Journal and accordingly, NAAA, Shimla will now publish the Indian Audit & Accounts Department's Journal. The frequency of the journal will be bi-annual.

In order to ensure the highest standards of academic integrity, neutrality and scholarly excellence, the articles of the authors are to be reviewed by professionals with relevant expertise and experience. The peer-review process for journal is proposed to follow a double-blind review system in which authors will not be informed of the identity of the reviewers and reviewers will also remain unaware of the authors' identities.

Accordingly, we are preparing a panel of reviewers after taking the willingness from the IA&AS Officers and other officials with relevant expertise and having interest in participation in the review process. Reviewer will be paid nominal remuneration (to be decided) for their efforts. We are writing to seek your willingness for the assignment. We have prepared an indicative list of sectors/areas for your reference. A guideline for the reviewers, in case you would be interested, is also attached. You may indicate your areas of interest to us by May 15, 2025.

भवदीय,
