

Office of the Pr. Accountant General (Audit-1) Madhya Pradesh, Gwalior

No.SMU/F- 30/CDMA/Third Party Data/O.O.

Date :

Office Order No. 39

Subject: Access to CMIE Databases for Supporting Audit Planning and Execution.

In order to strengthen data-driven auditing and facilitate the use of third-party information, the Centre for Data Management and Analytics (CDMA), at Hqrs. Office has procured an annual subscription to the Centre for Monitoring Indian Economy (CMIE) products as below :-

- **Prowess on Web**
- **Industry Outlook**
- **Economic Outlook**
- **States of India**

Login credentials for these databases have been obtained and may be shared by CDMA with field offices on a request basis.

Actionable Points:

1. Field Office Engagement:

All Wings are encouraged to explore the CMIE website at <https://www.cmie.com/> to familiarize themselves with the available data.

2. Request for Access:

Wings requiring access to CMIE databases for supporting audit planning and execution may forward their requests to CDMA for login credentials through IS Section.

3. Optimal Utilization:

Wings are expected to make effective use of the CMIE data to enhance the quality, depth, and relevance of their audit work.

4. Capacity Building:

If required, CDMA will arrange online sessions in collaboration with CMIE. These sessions will provide expert-led demonstrations on navigating the platform and extracting relevant information. Request for capacity building to be sent through Training Section.

5. Feedback Mechanism:

Wings are requested to share feedback on the utility of the CMIE data in audit assignments to help improve future data support initiatives.

This initiative aims to strengthen the audit process through the integration of reliable third-party data sources and quality and effectiveness of their audit work.
