P R E F A C E

Treasuries are important institutions of the State, through which all the cash transactions of the Government are carried out. Treasuries are required to adhere to the codes, manuals and administrative procedures prescribed by the State Government from time to time and any deviation there from will adversely affect the system of financial accountability.

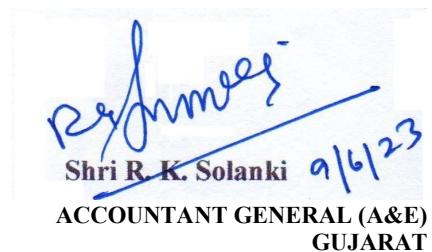

The Annual Review on working of Treasuries in Gujarat State is prepared by the Office of the Accountant General (A&E), Gujarat, Rajkot as per instruction contained in Para 20.17 of C.A.G.'s M.S.O (A&E) Vol.-I. The purpose of the review is to highlight the important and recurrent irregularities/deficiencies noticed in maintenance and submission of accounts and in the functioning of the Treasuries/Sub-Treasuries. Out of 33 Treasuries 5 PPOs and 2 PAOs, 32 Treasuries, 5 PPOs and 2 PAOs inspected. Observations are based on test checks and records provided to us.

This annual review is prepared in four parts as Part one contains general information regarding organizational set-up and computerization of treasuries, Part two contains defects noticed in preparation of accounts, Part three contains defects and other irregularities noticed during inspection, Part four contains IT Controls and IT security.

There is a scope for improvement in the maintenance and submission of accounts by the Treasuries/Sub-Treasuries. Remedial actions are required to be taken by the State Government to remove the deficiencies/irregularities pointed out in this Review.

I hope this Annual Review Report will help in improving the working of all Treasuries/Sub-Treasuries which will in turn ensure improvement in the preparation, maintenance and submission of monthly accounts to the Accountant General (A&E).

I welcome views and comments from the readers, on this publication, which would help to increase the utility of the review.
