GOVERNMENT OF SIKKIM

PREFACE

This edition of Annual Review on the Working of Treasuries prepared by the office of the Sr. Dy. Accountant General (A&E) Sikkim is a report on the working of the Director of Treasury/ Pay & Accounts Office (HQ), four District Chief Pay & Accounts Offices, Director of GPF, GIS & Pension Office and Pay & Accounts Office of Sikkim Legislative Assembly for the year 2021-2022. Treasuries/CPAOs constitute an important financial organ of the State Government and act as a bridge between the Drawing and Disbursing Officers (DDO) and the Finance Department. A review of working of treasuries in Sikkim is conducted every year as the treasuries are part of the State Government through which transactions of the Government are carried out. The aim of this review is to bring to the notice of the State Government the performance of the above mentioned offices in maintenance and rendering the initial accounts of the Government. This report is based primarily on the findings as noticed during the course of compilation of accounts and the findings of inspection conducted by the Office of the Sr. Dy. Accountant General (A&E), Sikkim.

This review also suggests recommendations for modification of system of accounts wherever applicable to increase the efficiency and accuracy of accounts of the Government of Sikkim.

Constructive suggestions, if any, to increase the utility of the review are always welcome.

INTRODUCTORY

1.1 Introduction:

The Treasuries/CPAO function under the administrative control of the Director of Treasuries, Sikkim. There are six accounts rendering units headed by the following officers who render initial accounts relating to civil, public works and forest divisions to the office of the Sr. Dy. Accountant General (A&E) Sikkim, Gangtok.

1. Secretary, Pay and Accounts Officer, State Legislative Assembly
2. Director of Treasury/ PAO, Headquarters, Sikkim, Gangtok.
3. Addl. Director, Chief Pay and Accounts Office, East Sikkim, Gangtok.
4. Chief Pay and Accounts Officer, Gyalsing, West Sikkim.
5. Chief Pay and Accounts Officer, Mangan, North Sikkim.
6. Chief Pay and Accounts Office, Namchi, South Sikkim.

1.2 Organizational Setup

There are four district Chief Pay & Accounts Offices (CPAO) viz., East, West, North and South and one Pay & Accounts office, Head Quarter, under the control of the Director of Treasury. Each of the CPAOs acts as non Banking Treasury. The District CPAOs and the CPAO, Hqr. in the Office of the Pr. Director of Treasury are the basic units through which all kinds of

authorization of Payment of the State are carried out. C.P.A.Os and P.A.O. Sikkim Legislative Assembly Sectt., maintain the accounts of the Government and submit those to the Office of the Sr. Dy. Accountant General (A&E) with reference to the instruments as received from the State Bank of Sikkim. Unlike in other States, Reserve Bank of India does not have operations in this State in Government business till date as no agreement exists between RBI and the Government of Sikkim in terms of Section 21A of the RBI Act, 1934. The State Bank of Sikkim acts as the Government Banker and collects the receipts of the Government (Government own revenue) revenues through its branches around the State. All the inter Government transactions with the State of Sikkim are settled by means of Cheques/Bank draft as per provision of Para 8.20 of Civil Accounts Manual.

In addition to above, the Directorate of Pension, GPF & GIS has been given responsibility of maintenance of GIS, GPF, Pensions and CPF/NPS of the State Government employees including the GPF of Judges of High Court. The Directorate of Pension also makes payment of Central Pension (Civil & Defence) and pension relating to other State Governments' Pensioners who are residing in Sikkim and opted to draw their pension from the treasuries of Sikkim. The functions of GPF and Pension are regulated by the GPF and Pension Rules framed by the Finance Department, Government of Sikkim.

The Office of the Sr. Dy. Accountant General (A&E) Sikkim prepares only the Monthly Civil Accounts and Annual Finance and Appropriation Accounts of the Government of Sikkim, after compiling the instruments viz. Vouchers, Challans/Bank Receipts and compiled accounts relating to works/forest divisions as received from the different CPAOs.

No other function on entitlement is performed by this office unlike the offices of Accountants General in other States. This system was introduced ab-initio in this State.

PART-II

DEFICIENCIES NOTICED DURING COMPILATION AND VERIFICATION OF ACCOUNTS

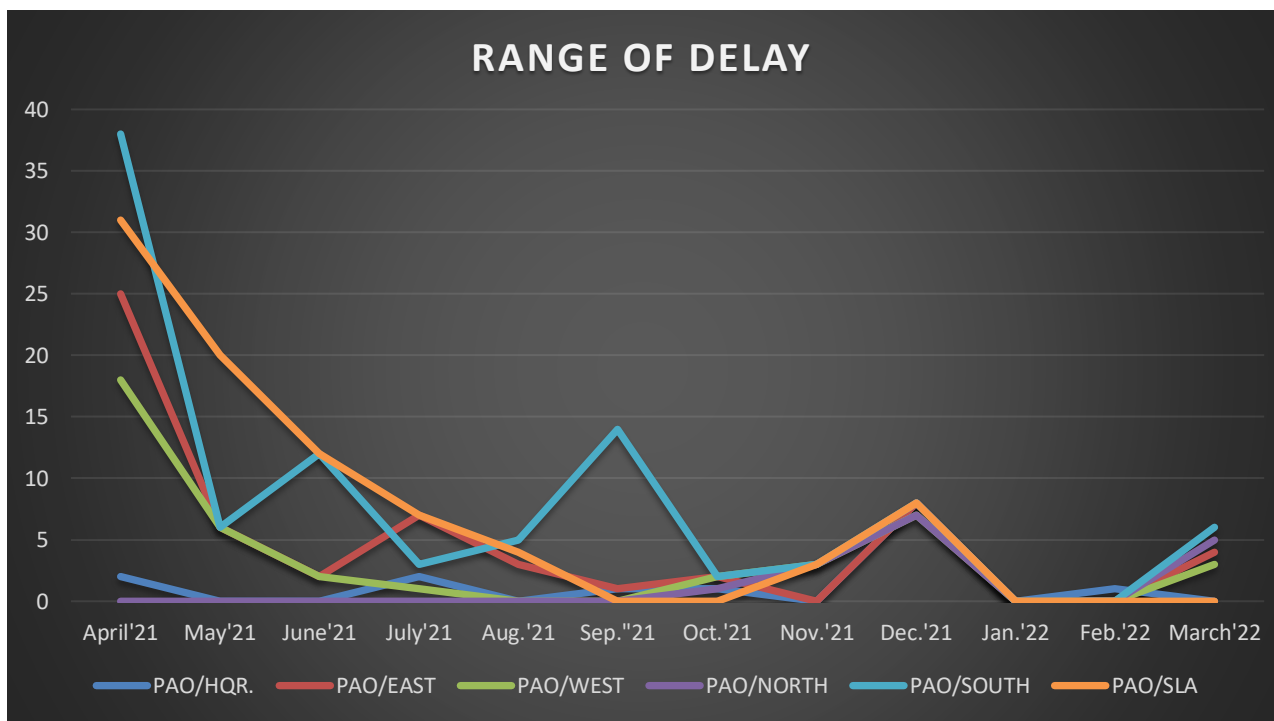

2.1 Delay in rendition of Monthly Accounts.

Timely completion and submission of Monthly Civil Accounts to State Government by the Office of the Senior Deputy Accountant General (A& E) depends on the rendition of initial accounts by the Chief Pay and Accounts Offices by due dates. As per the extant arrangement, the Monthly Accounts from all the CPAOs should reach the O/o the Sr. D.A.G. by 10th of the following month to which the accounts relate and in respect of March accounts shall be submitted by 15th April. During 2021-22 we, however, observed that all the CPAOs failed to render monthly Accounts within the due date.

The extent of delays in submission of the Monthly Accounts by the CPAOs during the year 2021-22 ranged between 01 day and 38 days as detailed below:-

Month of Accounts 2021-22	Delays in days					
	CPAO/ (Hqtr)	CPAO/ EAST	CPAO/ WEST	CPAO/ NORTH	CPAO/ SOUTH	PAO/ S.L.A.

It is advised to achieve the cent percent target set in the coming financial year account.

2.2 Disparity of Cash Balance.

State Bank of Sikkim (SBS) being the banker to the State Government is vested with the responsibility of receiving money on behalf of the Government and making all payments and keeping custody of the balances of the government Account under Major Head 8999 as well as cash balance investment.

SBS, Gangtok, issues a Statement showing Government Receipts and Payments at the end of every month. This statement is divided into two parts viz. (i) Statement of Government Accounts for the month (ii) Statement of Government Accounts up to the month.

During the course of cross checking of these statements with the figures worked out by various Pay & Accounts Offices under the MH 8999 – Cash Balance, it revealed that:

- The Cash Balance of Pay & Accounts Office, Mangan with SBS are equal in all months (2021-22) except for the month of June 2021 where there is a difference of Rs. 72,000/-.
- The statements with worked out by Pay and Accounts Office, Sikkim Legislative Assembly (SLA) under the MH 8999 – Cash Balance, the following difference was revealed:

Cash Balance Difference – Month wise for the year 2021-22

Month	State Bank of Sikkim (SBS) figure under M.H.8999	SLA figure	Difference
4/21	2,96,43,913	2,89,72,029	6,71,884
5/21	1,33,98,721	1,33,98,721	Nil
6/21	1,52,80,617	1,52,80,617	Nil
7/21	1,83,21,333	1,83,21,333	Nil
8/21	1,98,11,322	1,98,11,322	Nil
9/21	2,17,44,287	2,17,44,287	Nil
10/21	1,79,64,461	1,79,64,461	Nil
11/21	2,43,66,815	2,43,66,815	Nil
12/21	1,88,14,476	1,88,14,476	Nil
1/22	1,61,19,370	1,61,46,260	-26,890
2/22	1,76,88,545	1,76,88,545	Nil
3/22	1,50,53,124	1,49,66,739	86,385

In view of the above, PAO, North and PAO, SLA are advised to conduct a special reconciliation to cross check the differences aroused in Cash Balance in the books of State Bank Sikkim and Treasury/PAO.

2.3 Unadjusted A.C.Bills and pending Utilisation Certificates against G.I.A. bills.

As per the Financial Regulation adopted by the State Government, Abstract Contingent (AC) Bills need to be adjusted by submitting Detailed Contingent (DC) Bills within a time of three months. According to Para 7.6 of Government of Sikkim's Instruction under Chapter XV of

Sikkim Financial Rules (SFR), 1979 (Third Edition), the Advance Register should be reviewed by the Head of Department/Office at frequent intervals to ensure that the advance do not remain outstanding for more than the period stipulated for settlement.

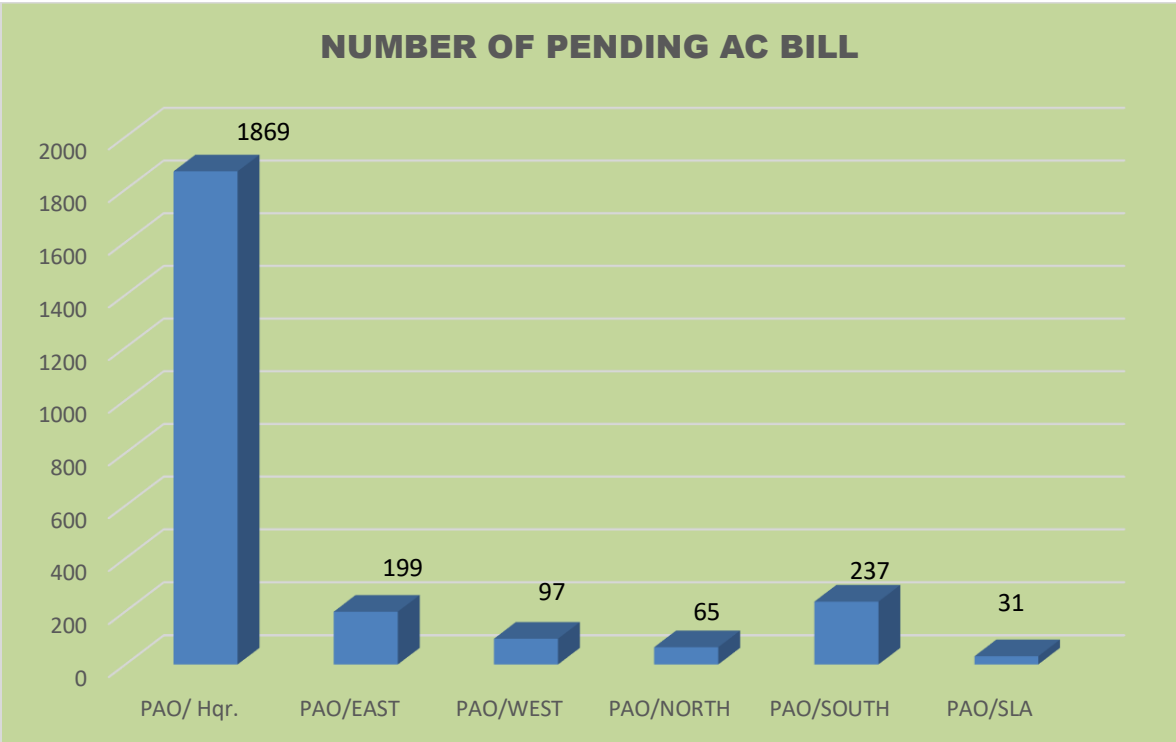

As per Para 7.19 under Rule 227 of chapter XV Sikkim Financial Rules, 1979 (3rd Edition), states that Pay & Accounts office shall not entertain any proposal for drawl of advance received from the Department concerned unless the status of unadjusted advances are recorded.

Para 19 of Government of Sikkim, OM No. 01/Fin/Acctt/2013-14, dated 10.04.13 also states that Finance Revenue & Expenditure Department/ Treasury, Pay and Accounts Office (Treasury/P.A.O.) shall not entertain any proposal for drawal of advances received from the Department concerned unless the status of unadjusted advances are recorded.

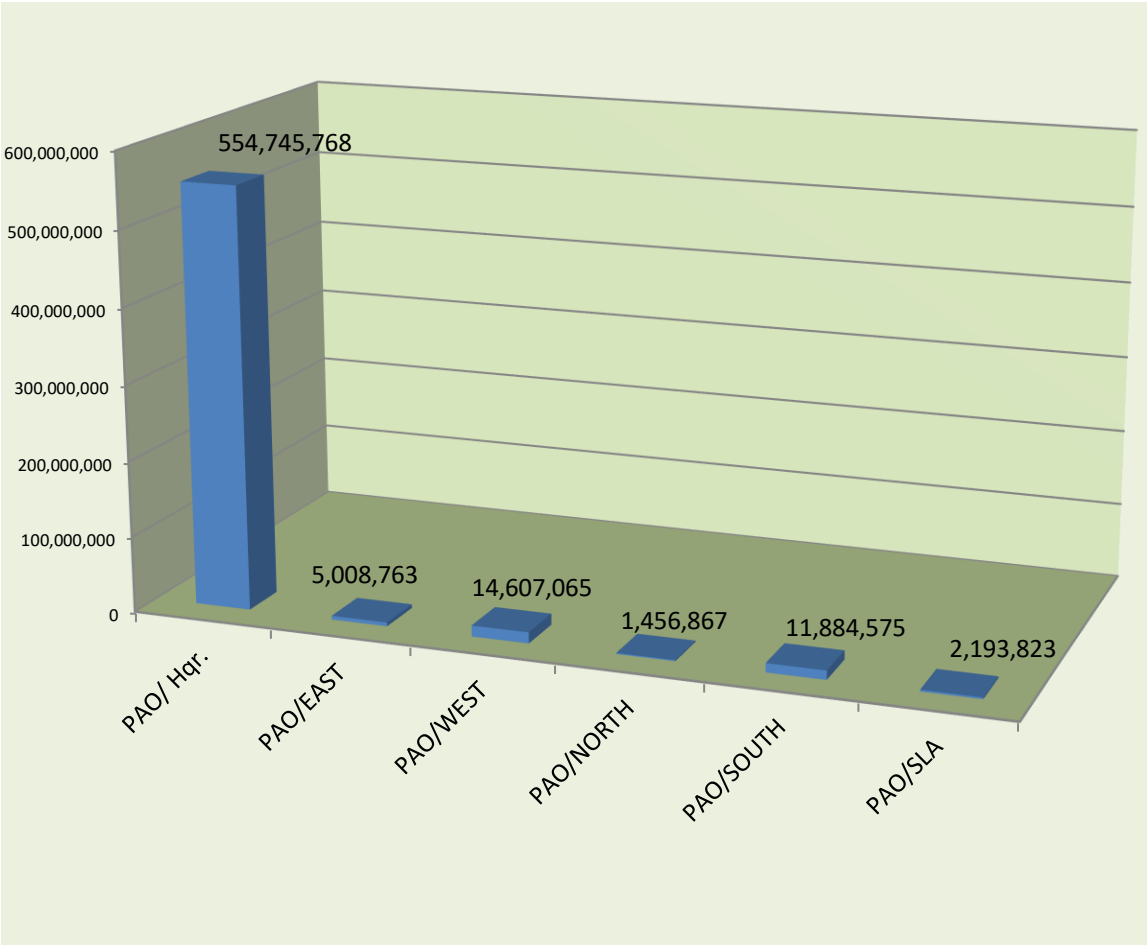

For want of DC bills, AC bills submitted to the Office of the Sr. Dy. Accountant General, Sikkim through CPAOs have remained unadjusted in the accounts for long period. As on 31.03.2022, AC Bills amounting to ₹59.97crore drawn between 2001-02 and 2021-22 had remained outstanding. The CPAO-wise break up of these outstanding AC Bills are given below:

Non submission of detailed account causes non-transparency in expenditure reporting system as money which were drawn from Government exchequer does not get properly accounted for as the purpose for which it was drawn cannot be vouched by Accounting and Auditing Authorities. Non-settlement of advances also carries with it the risk of fraud and misappropriation of public fund. The Controlling Officer should ensure that every effort is made to get the DC bills against the advances expeditiously.

Treasury/PAO	Amount in ₹	Items	Period of AC Bills between
PAO/Hqr.	55,47,45,768	1869	2001-02 and 2021-22
PAO/EAST	50,08,763	199	2005-06 to 2021-22
PAO/WEST	1,46,07,065	97	2004-05 to 2021-22
PAO/NORTH	14,56,867	65	2005-06 to 2021-22
PAO/SOUTH	1,18,84,575	237	2004-05 to 2021-22

TOTAL	58,98,96,861	2498	

RANGE OF OUTSANDING AMOUNT(₹)

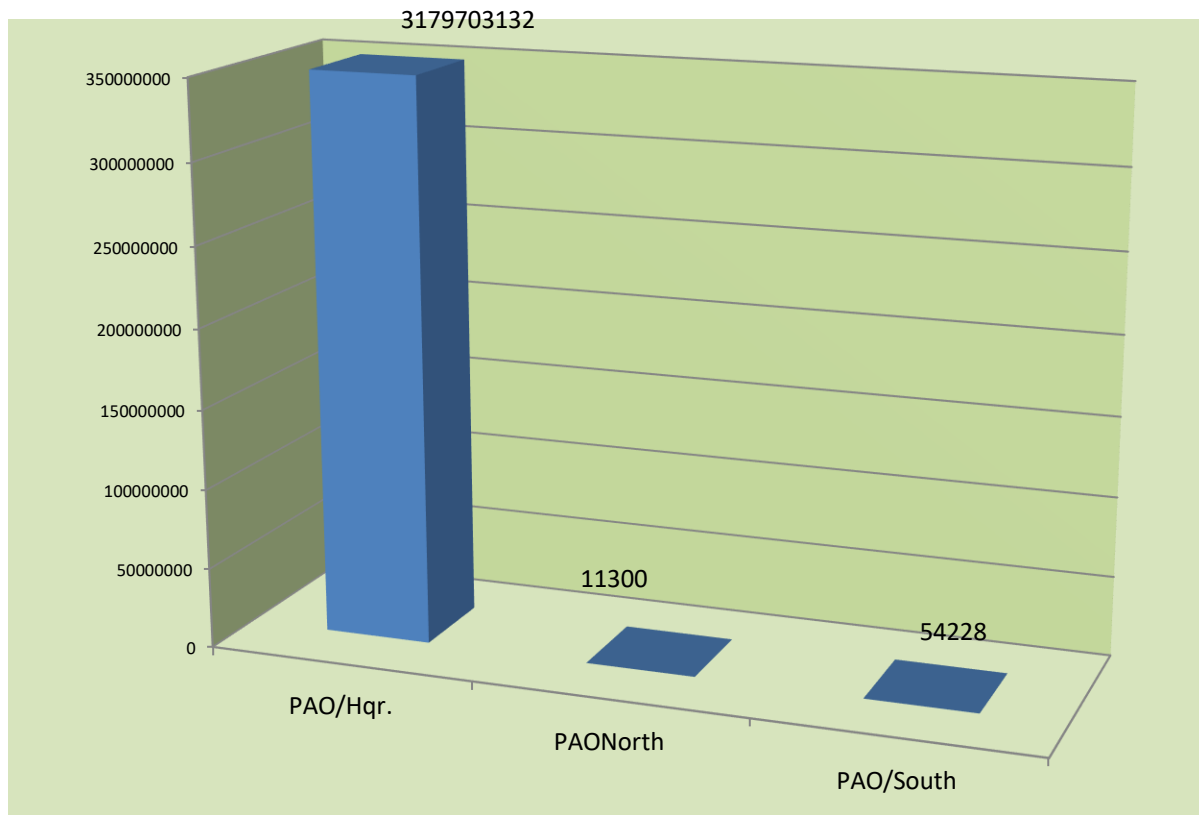

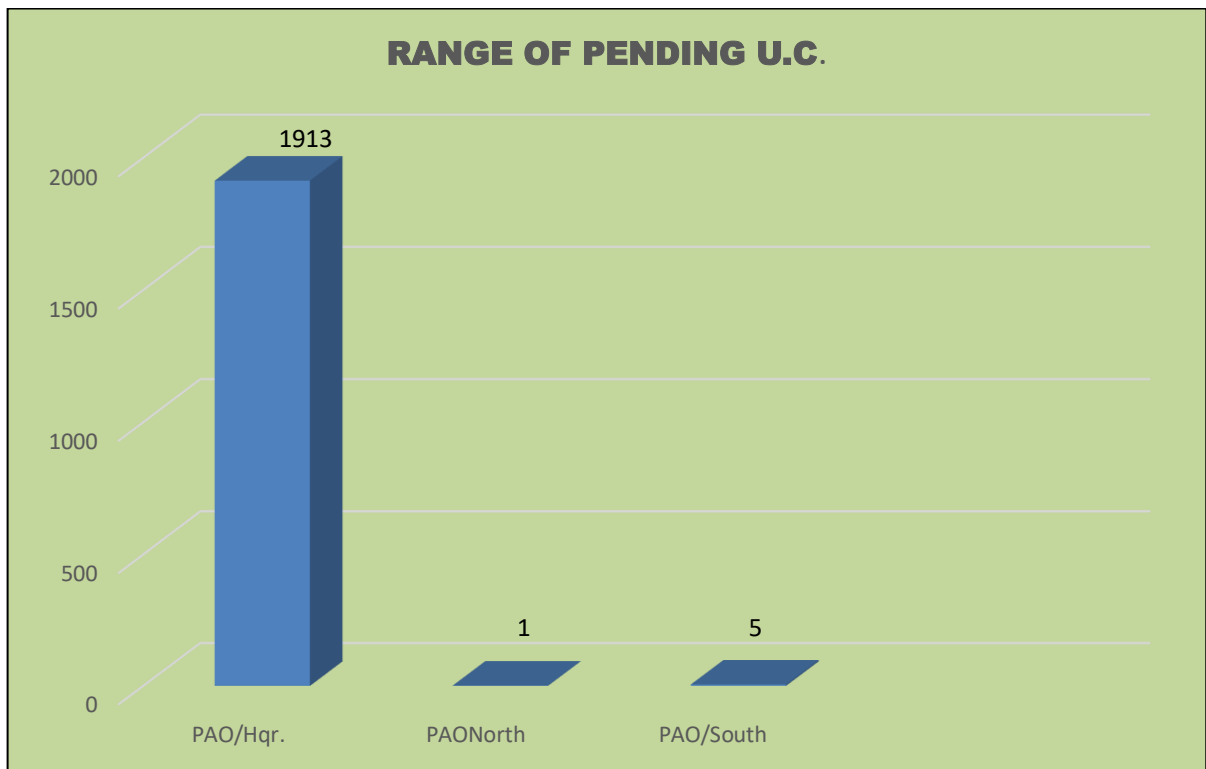

Submission of Utilisation Certificate (UC) against expenditure made out of the Grants- in-Aid by the respective drawing & disbursing officer within the stipulated time authenticates the objective of expenditure. As per the report generated through the database system of the office of the Sr. Dy. Accountant General (A&E), Sikkim, Utilisation Certificates against Grants of ₹317.98 crore provided between 2002-03 and 2021-22 had remained pending as on 31.03.2022. The CPAO wise position of these figures are given below.

2.3.1 Pending Utilisation Certificate (GIA).

Treasury/PAO	Amount in ₹	Items	Period of Grants-in-aid expenditure between
PAO/Hqr.	3179703132	1913	2002-03 to 2021-22
PAONorth	11300	1	2018-19
PAO/South	54228	5	2005-06
Total	3,17,97,68,660	1919	

RANGE OF OUTSANDING AMOUNT(₹)

Details of unadjusted AC Bills and pending UCs are given in **Annexure-A and B** respectively.

A time bound strategy may be framed by the Department for adjustment of the old outstanding AC Bills and pending UCs against Grants-in-Aid

2.4 Misclassification in Voucher and Challan /B.R.

2.4.1 Irregularities noticed in submission of vouchers.

As per para 4 says that every voucher must bear a pay order signed or initialed by the Disbursing Officer, specifying the amount payable, both in words and figures. All pay orders must be signed by hand and in ink. Rule 39 of SFR says that An Accounts Officer of the Pay & Accounts Office may correct an arithmetical inaccuracy or an obvious mistake in any bill presented to the Pay & Accounts Office for payment, but shall intimate to the Drawing Officer of any correction which he makes.

During the test check of Voucher submitted by the PAO/South following irregularities was observed

Sl.No	MH/Department	Vr. No / Date	Nature of Accounting	Amount (in ₹)
1	2501Rural Management	861/S 17-03-2022	Different classified in Contingent Vr. and	12,300/-

	2401-Agriculture	609/S 14-03-2022	Sanction order.	3,640/-
2	3054-Roads & Bridges	45/S 27-10-2021	Signature of CPAO missing	14,57,250/-
3.	2501-Rural Management	863/S 17-03-2022 862/S 17-03-2022 883/S 17-03-2022	Cheque No. not found in Voucher -do- -do-	9,750/- 16,435/- 7,344/-

1. Contingent Voucher was passed under salaries head 2501-01, where in sanction it was classified in 13 – Other Expenses. Where in other case, it was found that Travelling Expenses passed under Salaries head 2401-01.
2. Signature of Pay & Accounts Officer was missing in the Voucher No. 45/S in the M.H. 3054.
3. Cheque No. not recorded in the Voucher under M.H. 2501.

In the above instances, it is seen that neither the Drawing & Disbursing Officer fulfilled the standard of Financial Propriety.

The Pay and Accounts Office was suggested to scrutinize the issue and to ensure that such irregularities may be avoided.

2.4.2 Wrong booking of Deduct Refund.

The accounting of all the expenditure and receipts are guided by the Demand for Grants and Estimate of Receipts passed in the legislature. Depiction of Proper classifications in the vouchers or receipts reflects precise accounting business of the government.

(i) During scrutiny it was found that a bank receipt under the classification of Major Head **0217** marked as deduct refund was submitted to the Accountant General which was tagged in the cash account as a normal receipt bearing bank receipt no 22024 dated 07/07/2022. It was suggested to PAO, Namchi that the classification marked by the State Bank of Sikkim could be booked under a wrong classification which has to be scrutinized by the Pay and Accounts and treated accordingly and regularized it in the correct classification treating it as a deduct refund and subsequent entries made in the cash account or list of payment.

It was also suggested that such irregularities may be avoided.

(ii) During Test check of pre-check register maintained by PAO/SLA pertaining to Major Head 2011-02-103-63-00-01 revealed that there were 06 No., of refunds whose details are as under :

Sl No	BR No.	BR Date	Amount (₹)	Head of A/c. mentioned.
1.	9475	20.07.21	1,06,294	2011-911
2	10967	13.01.22	2149	2011-02-103-63-00-01
3	12392	13.08.21	50,000	2011-911
4	10969	13.04.22	45,684	2011-02-103-00-01
5	11541	15.02.22	4884	2011-02-103-00-01
6	13393	21.03.22	10,000	2011-02-103-00-01
		Total	2,19,011	

Although, the refunds were mentioned in the pre-check register, however these refunds were never mentioned in the Monthly Accounts submitted to Accountant General office, Gangtok. Due to non rendition of Deduct Refund data in the Monthly Accounts, the accuracy in accounting cannot be vouched for.

It is advised that henceforth such data may be mentioned in the Monthly Accounts so that the same is booked in the VLC system.

(iii) During test check of some challans, deduct refund submitted by PAO/Eastin respect of Education department, improper classification under sub-major head were observed as given below:

Challan no.	Classification	Amount(₹)
754	2202-00-911	5,804
692	2202-00-911	1,57,592
847	2202-00-911	27,496
4687	2210	12,000

In the case of above three refund transaction to the expenditure head of Education department, Sub-major head viz. 01-Primary School,02-Secondary School or 03-Higher Secondary school has to be shown instead of '0' as observed in the challan.

Besides this, one deduct refund in respect of Health Department was recorded only major head 2210 for amounting ₹12,000/-.

It is advised that the above irregularities may be rectified with the coordination of department concerned before closing of annual accounts for the financial year 2021-22 in the Office of the Sr. Dy. Accountant General.

2.5 Wanting vouchers and challans.

The Office of the Sr. Dy. Accountant General (A&E) Sikkim, Finance and Appropriation Accounts of the Government of Sikkim, after compiling the instruments viz. Vouchers, Challans/Bank Receipts and compiled accounts relating to works/forest divisions as received from the different CPAOs.

The non submission of vouchers/Schedules and challans along with the Monthly Accounts by Treasury/CPAO are booked under suspense accounts i.e., 8658-00-102-02 objection book suspense till the document received.

(i) During the close of March (P) 2022 accounts it was noticed that O/o C.P.A.O., Mangan (North District) have not submitted voucher bearing Vr. No. 496, dated 03/2022 amounting to ₹4,31,850.00.

(ii) While compiling the accounts of CPAO/Hqr. The vouchers, bank receipts accounted for in the treasury schedules but not submitted amounting to ₹1,33,80,673/- under Receipt and ₹1,42,65,683/- under Payment is placed in the Objection Suspense.

The process of providing copies of the Vouchers and Challans may please be expedited so that the figures booked under 8658-00-102-02 O.B. suspense can be properly credited/debited against the concerned major heads.

2.6 Discrepancies in various viz. Form-79, 51 & 65 of works accounts.

2.6.1 Improper maintenance of Schedule of Deposits-Form-79.

Para 227 of Sikkim Public works (SPW) code states that a monthly extract known as schedule of deposits (Form 79) showing each item i.e., opening balance, credit during the month, debit during the month and calculating the closing balance should be prepared and submitted to the Accountant General.

(i) On test check of Form-79 (Schedule of Deposits) in respect of Urban Development Department, following opening/closing balance deficiency was observed.

Month	Opening Balance(₹)	Credit	Debit	Closing Balance
July-21	7,53,19,100	-	31,81,241	7,21,37,859
August -21	7,53,19,100	-	-	7,53,19,100
Sept -21	7,53,19,100	13,38,382	6,22,782	7,60,34,700

The above statement shows that the payment made by the PAO,East in the month of July 21 for ₹ 31,81,241/- was not accounted for and brought forward in the subsequent month.

The above omission may be scrutinized.

(ii) During a test check of monthly works accounts of PAO/Namchi, South district for the year 2021-22, the under mentioned discrepancies were observed.

Department	Month/Year	Opening Balance	Closing Balance(₹)
WR&RD Form-51	August'21	1616786	1616786
	Sept.'21	377286	5696773

Forest Form -51	August'21	1122845	3078015
	Sept.'21	2328215	2516190
Power Form-79	Oct.'21	826254192	829272590
	Nov.'21	874698313	874710003

It was suggested that PAO, Namchi should look into the above variation with proper internal reconciliation.

(iii) During test check it was observed that the monthly works accounts of PAO/Geyzing submitted is not found to be precise. Closing balance arrived under a particular month of schedules are not depicted correctly in the subsequent month's opening balance. Following differences have been observed during test check of schedule of statements:-

(a) Form-79 Schedule of Deposit pertaining to the Building department shows the closing balance of ₹23949286/- (₹2,23,69,229/- + ₹15,80,057/-) for the month of January 2022 whereas the opening balance in the month of February 2022 shows as ₹19432521/-. Which differs the deposit amount by ₹1580057/- .

(b) Form-51 Schedule of monthly settlement with Bank (Cheque issued/encashed) pertaining to the LR&DM Department for the month of February, 2022 shows ₹31,10,014/- as closing balance and the opening balance in March, 2022 is ₹29,64,499/- .

The detail examination may be carried out in order to get the correct information for rectification.

(c) Schedule of deposits under works division of PAO/West depicts the financial position of the work as assigned to a work division. On test check of a monthly accounts in respect of Power department, it was observed that the total amount depicted in form-65 Schedule of deposit works (scheme wise) is not agreed with the amount reflected in form-79 schedule of deposits. The total scheme wise amount shown under form-65 was ₹4,08,40,430/-. Differs with the total amount exhibited in form 79-Schedule of deposits i.e. ₹3,46,19,172/- with difference of ₹62,21,258/-.

(iv) On scrutiny of monthly works accounts in respect two departments viz. Land Revenue and Building & Housing (North District), discrepancies noticed in Form 51 submitted along with the compiled Works account as detail below:

Name of Department: Building & Housing.

Month of Account	Detail of Difference (Closing balance)	Month of Account	Difference brought forward from last month. (Opening balance)	Difference
April 2021	₹1,31,796/-	May 2021	₹1,69,426/-	(-) 37,630/-

Month of Account	Detail of Difference (Closing balance)	Month of Account	Difference brought forward from last month. (Opening balance)	Difference
October 2021	₹4,26,374/-	November 2021	₹10,54,884/-	(-) 6,28,510/-

(v) During test check of works monthly accounts of CPAO /Headquarter pertaining to Agriculture and Tourism & Civil Aviation Department for the year 2021-2022 following discrepancies was found.

Department	Month	Class of Deposit	Opening Balance	Credit during the year	Total	Debit during the month	Closing Balance
		1	2	3	(2+3) 4	5	(4-5)6
Agriculture Department (Gangtok/Hqrs)	Oct.2021	2.Cash Deposit of Contractor	0	20000	0	0	0

2.7 Clearance of Suspense under various Heads

It was observed in the book of O/o Senior Deputy Accountant General (A&E), Sikkim, Gangtok, substantial amounts were outstanding for adjustment under Suspense Heads under M.H. 8658-101-PAO suspense, 8658-135-Cash Settlement Suspense and 8658-123- AIS Suspense as on date of closing of accounts of March 2022 (P) as shown in the following paragraphs.

2. An amount of ₹50,47,594/- is outstanding under the M.H. 8658-101 PAO Suspense. The outstanding suspense is against CDAs\ Patna, Allahabad, etc. on account of non-adjustment of retirement benefits paid by Government of Sikkim to the Defence personnel.

3. An amount of ₹.2,67,000/- is outstanding under M.H.8658-123-AIS Officer Group Insurance Scheme, which needs to be paid by the concerned Ministries.

4. Further, under the M.H. 8658-135-Cash Settlement Suspense, an amount of ₹ 8,68,002/- is lying outstanding due to non-adjustment of transaction on account of pension payment etc. from the various states, whose pensioners draw pension from Government of Sikkim.

If immediate actions are not taken to adjust these balances, their clearance becomes difficult as the records may lose with the passage of time. Therefore, immediate action for adjustment of suspense balances is required.

2.8 Un-encashed cheque in respect of Works & Forest Divisions.

Receipt & Payment rules stipulate that a cheque issued is valid for three months from the date of issue unless it is cancelled or re-validated. As per para 21 (v) of Hand Book for Payment and Accounting instructions under the Pay and Accounts System if a cheque remains unpaid for any reason for twelve months after the month of issue and no request along with the time-barred cheque is received from the payee for issue of a fresh cheque, a non-payment certificate should be obtained from the bank and the cheque should be cancelled.

(i) On scrutiny of cheques detail in the office of the Sr. Dy. Accountant General, it was revealed that cheques issued on behalf of works divisions of PAO/West are lying un-encashed to the tune of ₹17,97,227/- (till December 2021 accounts). Such un-encashed cheques pertain to financial year 2003-04 to 2021-22. List of un-encashed cheque is appended as **Annexure C**.

(ii) As per the records (Works/Forests) maintained in the office of the Sr. Dy. Accountant General, a total no. of 323 amounting to ₹13,25,46,760/- (year wise details below) in respect of CPAO/East are lying un-encashed ranging from the year 2004-05. Year wise tally is appended below:

YEAR	NUMBER	AMOUNT (₹)
2003-2004	15	81,955
2004-2005	26	1,99,504
2005-2006	20	87,299
2006-2007	19	60,25,366
2007-2008	7	1,30,076
2008-2009	7	3,40,631
2009-2010	4	12,68,168
2010-2011	18	9,95,745
2011-2012	21	23,50,356
2012-2013	35	1,38,66,688
2013-2014	8	17,20,245
2014-2015	5	70,941
2015-2016	8	11,01,184

2016-2017	17	28,62,775
2017-2018	26	41,20,325
2018-2019	27	26,33,744
2019-2020	12	12,65,590
2020-2021	28	41,71,086
2021-2022	20	8,92,55,082
	323	13,25,46,760

As such, CPAO/East is advised to carry out an investigation with the concerned bank/department for its early settlement.

(iii) During scrutiny of records of PAO, Namchi, revealed that a total sum of ₹51,39,261/- (detail list enclosed) under works department and ₹5,60,059/- under forest department is lying outstanding due to non-encashment of cheques, which have expired their validity period. Consequently, the Public Account (Major Head 8782-Cheque Remittance) of the State Government is affected to that extent due to non-encashment of cheques. This issue was also raised during the last Inspection vide para No 4.

Hence, it was suggested that appropriate measures are to be taken up immediately as per instructions contained in above mentioned Para, and to ascertain that (1) whether these old cheques are really not been encashed(2) action taken for cancellation/ fresh cheque issue. Detail at **Annexure- C**

2.9 Non-enclosure of sanction order along with contingent voucher.

Rule 72 under chapter 36 of Hand Book of Pay & Accounts Office Instruction book laid down that “The Pay & Accounts has, however, the following minimum responsibilities which should be exercised in respect of all the contingent bills. It must be seen that each expenditure is a proper charge against the Grant or Appropriation concerned and has received such sanction as is necessary”.

On test check of paid voucher of works division in respect of the following contingent voucher which was passed and rendered by the Pay & Accounts Office /East bears no sanction order and acquaintance roll was attached and single Contingent Voucher was submitted. Copy of voucher enclosed for reference.

Department	Voucher no/date	Classification	Amount(₹)
P.H.E	33/30.03.22	2059-01-053-60-91-02	4,44,080/-
P.H.E	38/30.03.2022	2059-01-053-60-91-02	3,83,740/-

Further, after introduction of “PRANALI” by the Government of Sikkim at the Drawing & Disbursing level, electronic supporting document of acquaintance roll on Muster Roll payment are being submitted to this office. It is observed that the P.A.O. merely passed the bill and not followed the provisions of SFR.

2.10 Labour Cess not levied towards construction of works.

Section 3(1) and (2) below Act Building and Other Construction Workers Welfare Cess Act, 1996 (BOCW) stipulate that Cess at rates as notified by the State Government(s) concerned. Further, the BOCW Cess Rules, 1998 stipulate that in case the building and other construction work pertains to Government or a Public Sector Undertaking, such Government or the Public Sector Undertaking concerned was required to deduct the Cess amount from the bills of the contractors in respect of such works. Apart from above, Rule 38 of SFR envisaged that PAO shall obtain sufficient information as to the nature of every payment he is making and shall not accept a claim which does not present formally that information, unless there are valid reasons, which shall be recorded in writing.

On the test check of Vouchers renders to this office by the CPAO/East, Labour Cess was not levied from the Contractors for the following Works. Apart from above, CPAO/East merely passed the bills instead of putting under objection.

Sl No	Department	Name of Works	Total value of Works	LabourCess	Vr.No/Date
1	Building & Housing Department	Construction of Lepcha Primitive Tribal Tourism Centre along with Statue of Thekug Munsoloong at Lingthem, Upper Dzongu, North Sikkim	₹ 4,45,99,455/-	₹ 4,45,995/-	38/ 19.08.2021
2.	Do	Repair, Renovation and Furnishing of Singtam Sub Division office of Building & Housing Department.	₹ 4,64,134/-	₹4,641/-	40/ 19.08.2021
4.	Do	Repair & Renovation of Summer Bhawan and Waiting Shed, Gangtok.	₹ 2,39,141/-	₹ 2,391/-	06/ 07.03.2022
5	Do	Repair and other allied work at Manan Bahawan, Gangtok	₹3,65,765/-	₹3,657/-	847/ 31.03.22

*Not more than 2 per cent and not less than 1 per cent.

2.11 Un-settled/ Non-acknowledgement of cash remittance amounting to Rs.24.64 Crore.

(i) Receipt & Payment Rules stipulate that any Government money received by the departmental authority shall immediately be deposited in the concerned bank. Cash remittance into bank shown in the monthly divisional accounts has to be authenticated through bank receipt or challan incorporated in the monthly cash account.

On scrutiny of cash remittance account, it was observed that an amount of ₹24,63,65,008/-has not been acknowledged in the office of the Sr. Dy. Accountant General till the close of February 2021. Details of Cash Remittances attached herewith.

SOURCE	ITEM	CHALLAN AMT(₹)
Power Plan (SOUTH)	125	16,83,45,530
Public Health Engineering Plan (SOUTH)	3	69,19,431
Rural Development Department Plan (SOUTH)	3	2,40,37,591
Building & Housing Plan (SOUTH)	12	4,70,62,456
TOTAL	143	24,63,65,008

It was further noticed that cash remittances was deposited and rendered under Major Head 8443 instead of 8782. On account of improper accounting method an adverse balance persist in the accounts of the office of the Sr. Dy. Accountant General.

The above un-settled cash remittance to be scrutinized and reconciliation needs to be carried out between CPAO/Namchi and Sr. Dy. A.G. Office for minimizing the adverse balance as well as stream line in order to rendering correct Monthly Accounts. Detail at **Annexure-D**

(iii) Chapter II (1) (2) of the Sikkim Financial Rules,1979 stipulates that all moneys received by or on behalf of the Government shall be brought into Government account without delay.

During test check of Form-51(Cash remittance statement) in monthly accounts in respect of Power department (East Distt.) for the month of July'21 accounts, cash remitted amounting to ₹ 1.15 crore into the banks was not acknowledged by the bank till March'22 accounts. The transition of such remittance were not settled even after elapsed of 8(eight) months period. Similarly, there are old issues of non-acknowledged cash remittances as stated below:

Gross Total:**1,14,64,463****2.12 Difference in Monthly Accounts rendered vide SIFMS.**

Government of Sikkim's instruction No. 10 under Chapter XV, Miscellaneous, of Sikkim Financial Rules, 1979 (3rd Edition) states that the Sikkim Integrated Financial Management (SIFMS) is running live from 1st April 2013 in all PAOs as well as self cheque drawing Departments. The SIFMS has core accounting and analysis facilities that would be a means for a long-term integrated solution for carrying out functions like Estimation, Planning and Budgeting.

However, while receiving the Monthly Accounts rendered by Pay & Accounts Office, Sikkim Legislative Assembly for the month of March 2022, it was noticed that an amount of ₹4000/- (four thousand) was not included in the Net Payment column while it is included in the column Gross Amount of the Schedule of Charges (Serial No. 57) for the month of March 2022 for Legislature Major Head 2011.

2.13 Reconciliation of Public Deposit Account.

Para 10 of Sikkim Government Servant (Contributory Pension) Rule 2006 states that at the close of each financial year, the office of PGIPF will reconcile the figures of contributions posted in the ledger accounts with the balance in the Public Deposit Account which otherwise means Major Head 8342-117.

However, while comparing the closing balance of given by office of the Director of Pension, Group Insurance & Provident Fund (PGIPF) and that with the ledger maintained for Major Head 8342-117 there is a huge difference.

Figures of ledger of AG office.

Opening Balance(₹)	Receipt amount	Payment amount	Closing Balance(₹)
83,12,53,452/-	1,39,90,57,488/-	2,14,44,61,348/-	8,58,49,592/-

Figure of O/o Director, PGIPF.

Opening Balance	Receipt amount	Payment amount	Closing Balance
1,03,64,13,264/-	1,99,82,75,738 /-	2,13,69,34,600/-	89,77,54,402/-

While the closing balance for the year 2021-22 of PGIPF states an amount of ₹ 89,77,54,402/- (inclusive of employee share and Government of Sikkim share) the figures booked by office of the Senior Deputy Accountant General (A&E), Sikkim or the VLC system amounts to ₹8,58,49,592/- only (only employee share, however the payment amount includes both shares).

The payment amount of AG office includes the final payment of retired employees covered under Permanent Pension Account Number and those covered under NPS. However, the state government figures are only for those under NPS. This is a cause of concern. A mechanism may be made to sought out this problem as these figures needs to be depicted in the Notes to Account of Finance Accounts Volume I.

The difference arising in the closing balance figures between PGIPF and the ledger figure in VLC system may be reconciled and rectified accordingly.

2.14 Excess Expenditure.

As per SFR 1979 vide para 83(1) the Administrative Department concerned in whose behalf a grant or appropriation is authorized by the Legislature shall be responsible for the control of expenditure against the sanctioned grants and appropriations placed at its disposal and shall exercise its control through the heads of departments and other controlling officer. Further rule (2) ibid states that the control of departments over such expenditure may be effective and real and the controlling officer should be in a position from month to month to estimate the likelihood of saving and excess over grants and appropriations.

It was observed during last inspection 2020-21 in respect of PAO/West, that expenditure had been incurred without budget provision. The figure booked in the office of the Sr. Deputy Accountant General for the year 2020- 21 was depicted below:

MH	Sub MH	Minor Head	SH	SSH	DH	Final Grant	Actual Exp.	Excess/Saving
4202	04	800	60	00	85	Nil	753,28,926/-	+753,28,926/-

During current inspection it was observed that an amount an excess expenditure was not regularized.

PART-III

DEFICIENCIES AND OTHER IREGULARITIES NOTICED DURING INSPECTION OF THE TREASURY / PAY AND ACCOUNTS OFFICE.

3.1 Maintenance of Bill Register (Form 2).

Under para 5 of Chapter I / Cheque Section of Hand Book of Payments and Accounting, Instructions envisaged that the following are the usual records to be maintained by the section.

Sl.No.	Names of Register	Purpose served.
i)	Bill Register (Form 2)	To indicate the receipt of bills and the section to which the bills are sent, the date of payment of the bills or the date of return of the bills with objection.
ii)	Register of cheques delivered (Form 10)	To indicate the date of issue of the cheque, the Nature of bills paid and the Messenger or the Payee to whom the Payment was made.
iii)	Register of Cheque Drawn (Form 8)	To ensure that all the cheque foils are properly Accounted for.
iv)	Register of Bills Returned (Form 5)	To record the details of Bills returned.

The requisition for the above registers was placed with Chief Pay & Accounts Office, Mangal (North) District vide Req No. Try/Insp-2021-22/North/Requisition/ No.03, dated 23.05.2022.

On scrutiny of records with regard to Register of Bills Received (Form 02), it was noticed that only 09 bills (returned with objection) were recorded in the register during the year 2021-22 which otherwise should have been maintained in Registers of Bills Returned (Form 5). However, there were 43 entries in the said register where Personal Files of different employees of different departments were made which is highly irregular. Bill Register (Form 2) may be used for the purpose it is supposed to serve as mentioned in the above table.

3.2 Improper / NON maintenance of Cheque issue register.

As per para 21-Hand Book of payment and Accounting on maintenance of cheques, the cancelled cheques are to be invariably defaced as "CANCELLED". The fact of cancellation of the cheque should be noted against the relevant entry in the Register of Cheque Drawn. Allotment Check Register of every Department should have indexing with budget provision in each detail head level

along with page marking duly certified by CPAO concerned. Expenditure incurred under each detail head should be classified with progressive expenditure to watch the limitation of Budget Provision

(i) On scrutiny of cheque issue register in respect of CPAO/West, it was revealed that the cheque book bearing No.570901 to 571200 issued to cheque writer did not maintained cheque issue register as per para 21(V) -Hand Book of Payment and Accounting on maintenance of cheques, the cancelled are not being recorded in the cheque issue register nor the cancelled cheques are invariably defaced as “CANCELLED”. Secondly cancelled cheques due to mutilated or otherwise unfit for use is to be recorded as a note in the register with countersigned by the authorized officer in a time interval which is not being done.

(ii) Allotment Check Register of every Department should have indexing with budget provision in each detail head level along with page marking duly certified by CPAO concerned. Expenditure incurred under each detail head should be classified with progressive expenditure to watch the limitation of Budget Provision.

During the test check of Allotment Check Register (ACR) maintained by PAO/East pertaining to Health and Public Works Department reveals following irregularities.

1. Budget Allotment was found not recorded in the Register.
2. Progressive expenditure total was not carried out.
3. Initial signature was done in the progressive column.

(iii) During a test check of Cheque Stock Register (Works) PAO/Namchi, it was observed that the entries in the Receipt side was found blank. Date of cheque book received from the State Bank of Sikkim, Sl.No. of books(from-to), Sl.No. of forms (from-to) was not recorded. Further, closing of March 2021 was not shown in the register whereas stock account of check book (Civil) was continued without breakup of financial year and was continued in the financial year 2021-22 with cheque Sl. Number 560476-560700. Same practice was adopted in the financial year 2022-23 also.

(iv) Test check of bill receipt and cheque drawn register in respect of PAO/S.L.A. Bill Receipt (BR) No. 48 with particulars of bill as 898 (17.03) amounting to ₹50,000/- was received by Cheque section. However, the Cheque Drawn Register mentions that against the same BR No 48 an amount of ₹ 5,00,000/- was withdrawn vide cheque No. 652831.

A bill amounting to ₹31,19,349/- was received by Cheque section vide BR No. 49. While checking the corresponding Cheque Drawn Register it revealed that against BR No. 49 two cheques

were drawn one amounting to ₹31,19,349/- drawn in favour of Sikkim Motors and the other amounting to ₹44,884/- in favour of MD, SBS.

(v) While reviewing the reconciliation register maintained by PAO/SLA, it was noticed that there was a mis-match figure shown as per the details of cheque issued/encashed/unencashed/cancelled. Details are as follows:

Cheque issued/encashed/unencashed/cancelled from April 2021 to March 2022

Month	Cheque Encashed	Cheque Un encashed	Cancelled	Total	
June 21	50	55		105	
As per register only one cheque no. 376346 was cancelled but it was not shown in the closing balance					
July 21	81			81	
All cheque was encashed, but in register all cheque was shown as un encashed					
August 21	141	11		152	
As per register 11 cheque was shown as encashed but the same should be recorded in REDink. One cheque was not encashed but it was not shown in the closing balance					
October 21	127		1	128	
As per record cheque no. 376807 was cancelled but the same should be recorded in RED ink. One cheque was not encashed but it was not shown in the closing balance.					
November 21				142	
Two cheque was not encashed, but it was shown NIL in the register in closing balance					
December 21				108	
One cheque was not encashed, but it was shown as NIL in the closing balance.					
January 22	102		1	103	
One cheque bearing no 652560 was cancelled but not written in RED ink					
February 22	125			125	
Two cheque was not encashed, but it was shown NIL in the closing balance					
March 22	104			104	
17 cheques was not encashed, but it was shown 95 in the register. Further, one cheque was shown as cancelled but the same was not recorded in the register in RED ink.					

(vi) As per para (d) below instruction 27 of Handbook of payment of accounting instruction, the cheque book received from the State Bank of Sikkim will contain machine numbered cheque forms. Secondly, a stock register of cheque book/forms should be maintained in Form 26 to keep an account of receipts, issues and balances of cheque books/forms. Further, as per para 22 says that at the end of each day's payment the total payment made on that day should be struck for each counter in the register of cheque delivered by the counter clerk. He/She also agree the number of bills paid and cheques delivered, with the total of entries in the register of cheque delivered. He/She shall write the total amount of cheques delivered in figures as well as in words in the register of cheques delivered after the last entry made therein for the day. Each counter clerk shall also prepare at the end of each day an amount of cheques received at the beginning of the day (i.e. opening balance, cheques received during the course of the day, cheques delivered and the closing balance of cheques in hand) in separate Note Book to be maintained for each counter.

During a test check of cheque stock register (works) in respect of PAO/East, it was found that closing of March 2021 was not shown in the register whereas stock account of check book (Civil) was continued without breakup of financial year and was continued in the financial year 2021-22 with cheque serial number 548101-548400. Same practice was adopted in the financial year 2022-23 also.

3.3 Tampering of figures of monthly accounts

(i) During test check of the SIFMS data through the SIFMS application Statement of Reconciliation between the Bank Figures and Cheque figure of PAO/South District for the month of August was found to be changed. The figures under column no 1 pertaining to disbursement as per bank statement was deflated to ₹17,06,02,534 instead of ₹43,58,73,915 earlier submitted to AG office. Disbursement and Cheques Receipt of column number 1 and 2 are entered against major head **8670 - 00-104** Treasury Cheques as debit and credit respectively. This change had also reflected towards the cash balance submitted under District Receipt for the month of August. Once Monthly Civil Accounts are submitted to the Office of the Accountant General the data pertaining to that particular month has to be locked. It proves that data once submitted to Accountant General is tampered.

(ii) On scrutiny of monthly accounts pertaining to December 21 it was revealed that the data of SIFMS software was updated which lead to discrepancies with the District Payment submitted by Pay and Accounts Gangtok generated on 17-01-2022 and the District Payment generated on 31.05.2022 for the month of December 21. Further scrutiny also revealed that discrepancies were noticed in major head 2012, 2071, 2406, 2515, 8009 which are as follows:

Month of Account	Major Head	List of Payment Submitted in Monthly account		Present List of Payment extracted from SIFMS software		Difference found	
		No of Voucher	Amount	No of Voucher	Amount	No of Voucher	Amount
December 21	2011	66	6488477	75	8590740	-9	-2102263
	2071	634	803457871	637	806450479	-3	-2992608
	2406	87	97658854	86	97603045	1	55809
	2515	68	10681044	60	8634590	8	2046454
	8009	575	207124918	574	205124918	1	2000000
Total Dec. 21		1430	1125411164	1432	1126403772	2	-992608

The above transaction done after submission of Accounts to Accountant General may please be investigated and intimated to the Inspecting team. Strict instructions or mechanism for freezing of accounts may be implemented so as to avoid such occurrence.

3.4 Error observed in calculation of DA arrear

As per Para 70 (1) of Hand Book of Payments and Accounting states that the main points to be observed in the Establishment bills besides those mentioned in paragraph 69 are to see that the arithmetical calculations of the bills are correct.

It is noticed that while preparing and presenting the bill of D.A. arrear under the Major Head 2011 it is found that manual corrections were made (Voucher No. 40, dated 16.03.22) in Serial No. 1 of the supporting bill wherein the amount of Dearness Allowance (31%) was enhanced to ₹39618/- from ₹19809/-. Similar correction was made in the column of 28%. There was no rectification under the column Pay due to which the arithmetical calculation appears to be wrong.

3.5 Non – Receipt / Non-submission of life certificate by the pensioners.

(I) Department of Pension & Government of India Circular No 12/4/2020-P&PW©-6300, dated 17.01.2020 states that instructions have been issued from time to time for submission of Life Certificate by Pensioners in the month of November every year.

Pensioners are required to submit their LIFE CERTIFICATES or JEEVAN PRAMAAN by November 30 every year in order to continue their monthly pension. The rule stipulates the period of the submission of such certificate by the pensioners above the age of 80 from October 1 and the window is available for two months and for those below 80, the rule will come into effect from November 1, while the window will remain open till November 30.

As per the existing norms the person getting the pension normally needs to be physically present before the disbursing agency in order to issue the life certificate. However, in the pandemic situation, the Government has come up with digital life certificates (DLC) to avoid Covid risks, which is considered enough proof for pension disbursement. However, a life certificate becomes essential for pensioners as it helps ensure payment of their monthly pension without any break as it may be the sole source of income for many. Since being physically present to obtain the life certificate becomes a problem for many old people, for which the Government has come up with the digital life certificate or JEEVAN PRAMAAN where the entire procedure is done digitally.

It is highly appreciable that Government of Sikkim has already on-boarded the system of getting Digital Life Certificate through web services. Life certificates can be submitted digitally now via JEEVAN PRAMAAN website (<https://jeevanpramaan.gov.in/>) or the app or initially visiting the Pension Office. They have also displayed the information, mobile number for providing assistance to the pensioner in every possible corner of Office for the Digital Life Certificate. The pensioner can complete the process digitally at home by filling in the required details like name, mobile number, Aadhar number and other pension-related details. The portal also uses the Aadhar platform for biometric authentication, which includes fingerprint or iris. One can also visit a nearby citizen service centre mostly available in all districts administrative area/CSC etc. or nearest bank/post office to submit the life certificate digitally.

On verification of records of Life Certificate maintained in the Pension Section under Finance Department, it is found that a quite few numbers of pensioners have not submitted their LIFE CERTIFICATES in the stipulated/due date either personally or digitally but their pension has not been stopped yet. On being asked to furnish the reason of non-compliance of the provision, the department stated that in spite of arranging several platforms for awareness of the mandatory requirement, few numbers of pensioners are unresponsive. This may lead to undue favour to pensioner and over payment of pensions may occur in the event of death of the pensioners which is actually unpayable, if any. This may also put an unnecessary financial burden to State exchequer/Central Government.

The Department is advised to obtain Live Certificates of all Pensioners within the due dates so that the issue of non-continuance of pension to living pensioners do not occur or paying of pension to deceased pensioners still continue even after death of the pensioner.

Allout effort may continued to be given in obtaining the Life Certificate either Digitally or Manually.

(II) Pension is an essential source of income after retirement for senior citizens. It supports them financially during emergency and helps them look after their needs at this stage of life. One of the main

requisites for the pensioners post their retirement was to provide life certificates to the authorised pension disbursing agencies, following which their pension got credited to their account. For obtaining a life certificate, a pensioner/family pensioner earlier needed to present himself/herself before the Pension Disbursing Agency or had the life certificate issued by authority where they served and had it delivered to the disbursing agency's as per Government of India order, every family pensioners should produce annual life certificate once in a year during November and December to the pension disbursing authority. Further, all pension disbursing authority/bank shall send 25th November every year reminding them to submit their annual life certificate by the stipulated date i.e., 30th November.

During the course of inspection, it was noticed that 23 spouse of deceased members of Sikkim Legislative Assembly are beneficiaries of Family Pension.

Following observation are put for your information and necessary action:

1.Total Family Pensioners =22

2.Total no. of Annual Life Certificate submitted = 11

3. Annual Life certificate not submitted= 11

It is seen that the beneficiaries have submitted their Life Certificate during 2001.2003 and 2014.Recent Life certificate has not been obtained by the department.Secondly, there is a mis match of Husband name pertains to slno. 10 & 22.Life Certificate may be obtained from the beneficiaries and kept in digital record for reference.

3.6 Discrepancies in remittances made under New Pension Scheme.

The contributory pension system notified by government of India in the Ministry of Finance vide notification number F. No. 5/7/2003-ECB & PR. Dated 22nd December 2003, came into effect from 01.01.2004.

Accordingly, Finance Revenue & Expenditure Department, Government of Sikkim issued a notification No. 710/Pen/05 dated 18.05.2006 stating that Sikkim Government Servants (Contributory Pension) Rules, 2006 shall come into effect from 01.04.2006.

Para 4 of the said Rules makes it mandatory for all new government employees who are recruited on or after 01.04.2006 to become a member of the scheme. Each employee has to pay a monthly subscription of 10% of their Basic Pay &, Dearness Allowance from his salary to the contributory pension scheme. Matching contribution shall be made by the State Government for each employee.

Para 4 (3) states that the contribution towards contributory pension scheme shall be recovered from the salary of the employee every month.

Para 12 (3) mentions that notwithstanding anything contained in these rules, in the event of State Government exercising the option to join the Central Government's Contributory Pension Scheme, the

contributions towards pension fund deposited in the interest bearing PD account of State government will be transferred to the intermediaries registered and regulated by Pension Fund Regulatory and Development Authority constituted by Central government and thereafter regular contribution will be transferred to them.

On browsing the Finance Department/State Portal-Sikkim, it is understood that the State Government signed an agreement with the National Securities Depository Limited (NSDL) as the Central Record keeping Agency (CRA) on 11.11.2012 and with the Pension Fund Regulatory and Development Authority (PFRDA) as regulator on 06.12.2012. The government hence adopted the Centralized System of Accounting which is being operated by PGIPF Division.

Test Check of records (March 2022) it is found that an amount of ₹ 63,83,05,204/- was deposited into NSDL as regular fund transfer. This transfer of fund to NSDL was made pertaining to previous years spanning a period of 09 years starting April 2013 to March 2022. This is against Para 12 (3) of the Rules where the question of regular contribution to NSDL has been mentioned.

The left out allotted Permanent Pension Account Number may please be converted into Permanent Retirement Account Number (PRAN) which is a unique and portable number provided to each subscriber under New Pension Scheme.

3.7 Maintenance of account and preparation of database.

Para 9 (4) of Sikkim Government Servant (Contributory Pension) Rule 2006 states that at the end of each financial year, the office of the Director, PGIPF shall prepare Annual Account statement for each employee showing the opening balance, details of monthly deductions and Government's matching contributions, interest earned and the closing balance.

However, when asked to provide the above Annual Account statement it was informed that such statements are not maintained by the department.

It is advised that such statement may please be maintained as required under Rule (4).

3.8 Irregularities in remittance of CPF to NSDL.

Finance Revenue & Expenditure Department, Government of Sikkim issued a notification No. 710/Pen/05 dated 18.05.2006 stating that Sikkim Government Servants (Contributory Pension) [SGS (CP)] Rules, 2006 shall come into effect from 01.04.2006.

Accordingly, with effect from 01.04.2006 all new State Government Employees recruited on or after 01.04.2006 were governed by SGS (CP) Rules 2006.

On browsing the Finance Department/State Portal-Sikkim, it is understood that the State Government signed an agreement with the National Securities Depository Limited (NSDL) as the

Central Record keeping Agency (CRA) on 11.11.2012 and with the Pension Fund Regulatory and Development Authority (PFRDA) as regulator on 06.12.2012. The government hence adopted the Centralized System of Accounting which is being operated by PGIPF Division.

As per the information released by PGIPF office, it is understood that there are a total of 24,041 (Twenty four thousand and forty one) employees who are subscribed to SGS (CP) Rules 2006. Out of these 24,041 a total of 23,217 (twenty three thousand two hundred and seventeen) have migrated to New Pension Scheme and their contribution along with the State Government share are being transferred to National Securities Depository Limited (NSDL). There still is a balance 824 subscribers who are yet to migrate to New Pension Scheme (NPS).

It is understood that the PGIPF office has gone all out to promote the NPS scheme by way of Print & Media and even holding seminars at various departments and districts. The effort to make the state government employees aware of the new scheme is appreciable.

Nevertheless, a mechanism may be created where the remaining employees and future new recruits are brought on board the NPS at the earliest so that henceforth (i.e after 01.04.13) on superannuation or death of the employee the pension benefits shall be directly regulated by Central Pension Fund Regulatory and Development Authority. This will relieve the financial liability of the State Government.

PART- IV

IT SECURITY AND IT CONTROLS

4.1 Non-adoption of IT Procedure.

Network Organization should review their own policies, practices, measures and procedure regularly and access whether these are appropriate to their organization is responsible for the security of information system and environment. Physical and environmental security equipment should be physically protected from security threats and environmental hazards.

An uninterruptible power supply is to be installed to computing resource to ensure the continuity of services during power outage or to allow time for the orderly shutdown of system for prolonged power outages. Secondary and backup power generator Ups are to be employed.

All equipment owned by the department must be supported by appropriate maintenance facilities from qualified firm. AMC should be entered into with qualified firms without fail.

Antivirus software is to be deployed across all PCs with regular virus definition updates and scanning across servers, PCs & Laptop by maintaining a hardware inventory register.

A formal hardware inventory of all equipment is to be maintained and kept up to date at all time.

PAO/East has following IT hardware available in the office.

Sl.No	Hardware Items	No. of Hardware	Whether under the purview of AMC		Whether Antivirus installed	
1	Desktop Computer	34	-	No	-	No
2	Printer	15	-	No	-	-
3	UPS	2		No		

On the test check of IT system available with the department are found following deficiencies in terms of security breach.

1. Antivirus software is not deployed across all PCs
2. Inventory register is available, but not properly maintained

It is suggested to maintained IT system as per the mandate of security breaches.

4.1.1 The stock register of computers maintained by o/o Director of Pension, Group Insurance & Provident Fund (PGIPF) mentions that there are a total of 51 Nos of computer whose details are as under:

Sl.No.	No. of computers	Year of Purchase	Age of computers	Remarks
1.	20	2010	12 years	All of these computers are under AMC
2.	30	2014	8 years	
3.	01	2019	3 years	
Total	51			

As per the Contract signed between PGIPF and Saras Futech Ltd the above computers and its related peripherals are under Annual Maintenance Contract (AMC) for the period 2021-22 at a cost of Rs. 2,73,816/-.

With the increase in use of IT in Government functioning it is imperative that Government departments follow certain norms. It can be observed from the above table that there are 50 computers which have exceeded their useful period which is normally 06 years.

It is also observed that 02 Nos of Desktops having ID No. 5111AA865046 and 1121AA117433 procured in the year 2010 is also covered under AMC even though these machines have not been issued to any employee. The annual amount payable to the AMC vendor for these two computers are Rs. 5751/-which otherwise could have been avoided.

In view of the above, it is advised to upgrade the computers and peripherals in terms with Notification No.365/DIT/18, dated 06.06.18 issued by Department of Information Technology, Government of Sikkim & also to discontinue the AMC for those computers which are unusable.

4.1.2 Network organization should review their own policies, measures and procedures regularly and access whether these are appropriate to their organization is responsible for the security of information system and environment. Physical and environmental security equipment should be physically protected from security threats and environmental hazards.

An uninterruptible power supply is to be installed to computing resource to ensure the continuity of services during power outage or to allow time for the orderly shutdown of system for prolonged power outages. Secondary and backup power generators UPSs are to be employed.

All equipment owned by the department must be supported by appropriate maintenance facilities from qualified firm.AMC should be entered into with qualified firms without fail.

Antivirus software is to be deployed across all PCs with regular virus definition updates and scanning across servers, PCs and laptop by maintaining a hardware inventory or register.

A formal hardware inventory of all equipment is to be maintained and kept up to date at all time.

Department has available following IT equipment as per record.

(1) Desktop Computer : 84

(2) Laser Jet Printer : 81

On the test check of the IT system available with the PAO/SLA are found following deficiencies/irregularities in terms of security breach.

- Antivirus software is not deployed across all PCs.
- Supply of continuous power to critical equipments are not employed to ensure the continuity of service during power outages.
- All IT equipments are not under the preview of Annual Maintenance contract.
- Hardware inventory or register is however maintained, but most of the details not recorded.

4.1.3 During inspection it was seen that all computer peripherals procured by the office was accounted for in the Inventory Register by PAO/West. However, information such as date of purchase, price purchased at, configuration, whether the IT peripherals is under warranty or under AMC, whether the peripheral is working or not, Unique ID allotted by the department, location of the IT peripheral, etc., should be recorded in the register.

The unique ID allotted by the department was not marked on all the IT assets. It was suggested that asset identification code is to be followed by a defined naming convention that would uniquely and correctly identify the asset. Whenever a new IT peripheral is procured by the department a mechanism has to be placed wherein the newly procured peripheral is added to the inventory and the original bill should be marked as “Added to the inventory at number ‘so and so’”.

4.1.4 On the test check of the I.T systems available with the PAO/Namchi it was observed following deficiencies in terms of security breach.

Sl.No	Hardware Items	No of Hardware	Whether under the preview of AMC		Whether Antivirus installed	
			Yes	No	Yes	No
1.	Desktop Computer	27	-	No		No
2.	Printer	16	-	No	-	-
3.	UPS	6	-	No	-	-

1. Department has not supported by appropriate maintenance facilities for its equipments.
2. Antivirus software is not deployed across all PCs
3. Identification id not marked in the I.T. hardware & peripherals physically.
4. Inventory Register is available, but not properly maintained.

It is suggested to maintained the IT system as per the mandate of security breaches.

4.2 Non-updation of SIFMS report under cheque encashed statement.

One of the vital parts of the Civil Accounts of the State Government is transaction in respect with the issue and encashment of a cheques and bills. Proper depiction of these account for its transition or status of cheques are maintained in cheque remittance statement duly accompanied the monthly treasury accounts rendered to the Office of the Sr. Dy. Accountant General.

This cash remittance statement depicts the transaction of encashed cheques for a month in respect of (i) 8782-102 Public Works (ii) 8782-103 Forests & (iii) 8782-108 other remittance. These allocations are guided by the Demand of Expenditure book according to the demand kept for respective department.

It has been observed since long back that the proper placement of department in the cheque remittance statement has not been streamlined according to the departmental category in the Demand for grants.

It is suggested PAO/East that the same may be streamlined for proper rendition of monthly accounts and action taken may be intimated to the Inspection Team.

4.3 Irregularities of AMC of Computers and Peripherals.

The stock register of computers maintained by o/o Chief Pay & Accounts Office, Mangan (North) District mentions that there are a total of 16 Nos of computer whose details are as under:

Sl.No.	No. of computers	Year of Purchase(Supplied by IT Cell, FRED, Govt. of Sikkim)	Age of computers	Remarks
1.	16	26.06.2011	11 years	All of these computers are under AMC

As per the Contract signed between Chief Pay & Accounts Office, Mangan (North) District and Citi Computer, Mangan the above computers and its related peripherals are under Annual Maintenance Contract (AMC) for the period twelve months starting 01.01.2021 to 31.12.2021. However, the AMC rate at which it was finalized was not mentioned in the agreement.

The AMC for computers & peripherals which was due to be renewed for the year 01.01.2022 to 31.12.2022 is still due & pending.

With the increase in use of IT in Government functioning it is imperative that Government departments follow certain norms. It can be observed from the above table that the above sixteen computers have exceeded their useful period which is normally 06 years.

It is also observed that 05 Nos of Desktops having ID No. 4111AA806890, 511AA865035, 4111AA806889, 1113AA093215 and 4111AA806888 transferred by IT Cell, Gangtok is also covered under AMC even though these machines have been marked as “Not Working” in the Hardware Register. The annual amount payable to the AMC vendor for these two computers are ₹17,405/-which otherwise could have been avoided (rate found through vendors invoice).

In view of the above, it is advised to upgrade the computers and peripherals in terms with Notification No.365/DIT/18, dated 06.06.18 issued by Department of Information Technology, Government of Sikkim & also to discontinue the AMC for those computers which are unusable.

4.4 Non mention of Major Head in supplementary statement in the system.

Government of Sikkim’s Instructions No. 7 issued vide Finance, Revenue & Expenditure Department O.M. No. 01/Fin/Actt/2013-14, dated 10.04.2013 states that the DC bills shall be transmitted to Office of the Principal Accountant General’s office on monthly basis giving details of AC bills drawn and DC bills adjusted by each department, major head wise, DDO code wise with details of Bill No, Vr No. etc.

While appreciating the fact that CPAO, Mangan (North) District is submitting the Supplementary Statement along with Monthly Accounts, however the following two registers maintained online are not mentioning the Major Head to which the Advance/Adjustment pertain.

1. Register of Advance Adjustment for the month
2. Advance Register Report for the month

In absence of mention of Major Head in the above two registers it is difficult to ascertain the department to which the advance/adjustment relates to.

4.5 Creation of different code for T.A. & Medical advance.

Reference to this office letter No.VLC-II/Misc/2020-21/75 dated 16.3.2022 regarding Abstract Contingent bills, where in it was informed that the Medical/Tour advances drawn by the employees are being tagged as A.C.Bills in email format which accumulate the outstanding A.C.bills as the adjustment bills received against the Medical/Tour advances are being compiled as ordinary/normal voucher in O/o the Sr. Dy. Accountant General . In order to distinguish patent document / to identify the type of advances it is recommended to create different code for Medical and Tour advances indentifying the type of document appearing in the system while passing bills.

I.T.Cell of PAO/Hqr office is requested to look into the matter.

4.6 During inspection it was revealed to the inspecting team that the SIFMS software security policies were very weak. Entry into the SIFMS software was authenticated by a password only there was no biometric neither digital signatures used in the SIFMS software. After multiple failed attempts a user should be debarred to login into the System for a duration of 12 to 24 hours which was not implemented in the SIFMS software. It was also observed that a user in present SIFMS software could also log in through different computer and keep multiple sessions active.

Once the user logs in the SIFMS software, appropriate message upon login/warning after failed attempts were not displayed. The main screen does not display the name of the user who has logged into the System.

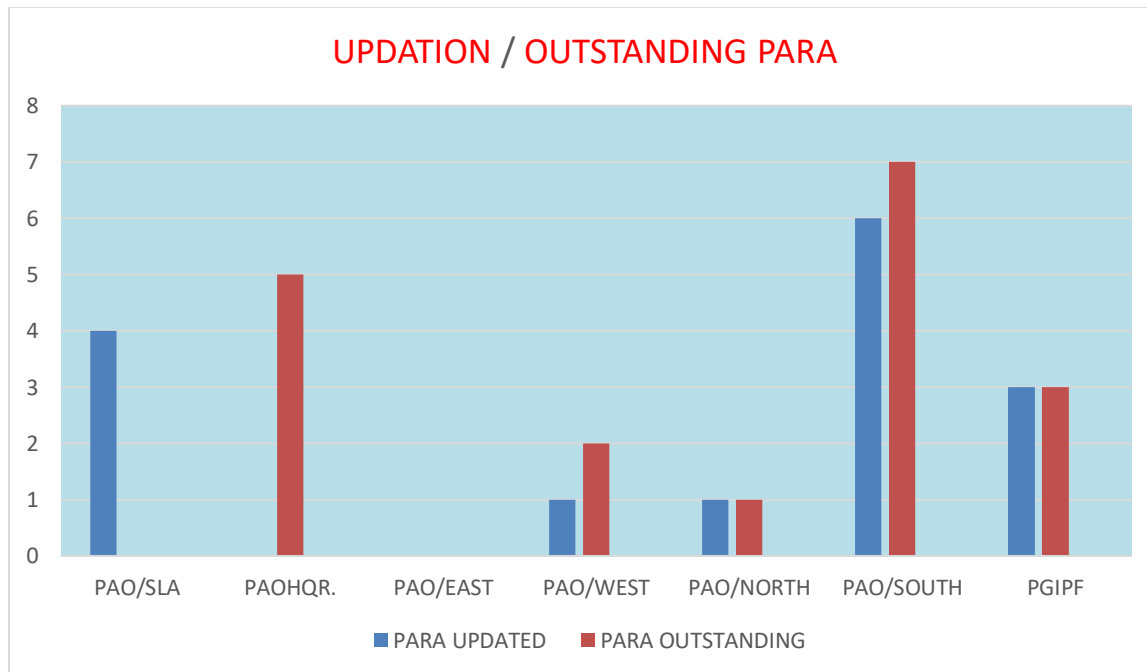

Keeping the above points in view it is requested Pay and Accounts Office, Gangtok should insist the developers of the SIFMS software to include proper security checks into the SIFMS software so that the data maintained in the software is protected.

PART-V
