PREFACE

The Annual Review Report on the Working of Treasuries for the year 2020-21 is prepared as required under Rule 84 of the Maharashtra Treasury Rules, 1968 and also as required under Paragraph 20.17 of the Comptroller and Auditor General's Manual of Standing Orders (A&E) Volume-I.

Treasuries play an important role in the collection of revenue and receipts of the Government as well as payments from the Government exchequer. Any failure on their part to observe the rules and regulations laid down by the Government for their effective functioning has the potential to adversely affect the finances of the State.

The deficiencies observed in the initial accounts rendered by the Treasuries during the checking of accounts for the preparation of Monthly Civil Accounts and those found during the Inspection of Treasuries by my Office have been consolidated and brought out in the form of an "Annual Review on the Working of Treasuries".

This Review on the working of Treasuries for the year 2020-21 is divided into five chapters. Chapter I contains an introduction including a broad overview of the organizational functions in treasury offices, Chapter II contains annual status of state accounts and defects noticed during the checking and compilation of the Accounts, Chapter III contains general information on G.P.F Accounts/Pensions and irregularities noticed during the Inspection. Chapter IV contains paras on the Integrated Financial Management System (IFMS) and Chapter V contains paras on Information Technology Controls & IT Security.

The review is intended to draw the attention of the State Government and Departmental authorities to the overall working of the Treasuries, and thereby to bring about improvements in their systems, besides enabling robust financial management mechanisms for ensuring good governance.

The list of District Treasuries along with details of Sub-Treasuries is given in ***Annexure -1***.

ORGANISATION SETUP

While 15 Treasuries in Konkan Pune and Nasik Regions render the initial Accounts (Cash Account and List of Payment) supported by Subsidiary Accounts (Receipt/Payment Schedules) and documents (Challans in respect of Debt, Deposit and Remittance Heads, all Vouchers and plus/minus memoranda etc.) every month to the Office of the Pr. Accountant General (A&E)-I Maharashtra, Mumbai, 19 Treasuries in Amravati, Aurangabad and Nagpur Regions render such accounts to the Office of the Accountant General (A&E)-II Maharashtra, Nagpur.

The Pay and Accounts Office Mumbai renders Compiled Accounts I.e. Classified Abstracts etc. to the Office of the Pr. Accountant General (A&E)-I Maharashtra, Mumbai.

e- Treasury renders the account of receipts collected through Government Receipt Accounting System (GRAS) separately to the Office of the Pr. Accountant General (A&E)-I Maharashtra, Mumbai.

The names of the Director/Joint Director of Accounts & Treasuries and Treasury Officers for the period covered under inspection are given in ***Annexure - 2.***

Policy decision on computerization of the accounting process and requirement of any change management in application is done by the Directorate of Accounts & Treasuries in consultation with the Finance department and other stake holders. The program development of IFMS modules is done by NIC Pune except of the two modules i.e. SEVAARTH and Nivrutti Vatan Vahini for which the development and technical support is provided by the MAHA IT Team of the State Government. Data ownership is with the Directorate of Accounts & Treasuries, Mumbai. The Security of the applications is also being managed by the DAT in co-ordination with NIC.

1.3. Function of Treasuries:

Accounts

The functions of the Treasuries and the P.A.O. Mumbai are governed by the Rules, Manuals and Procedures set forth by the Government of Maharashtra.

DDO prepares bill in the Bill Portal Module and submits the bill along with the Authorization Slip to the Treasury Bill receiving counter. Treasury accepts the bill using

Barcode reader in the Treasury Net Module and Paper Token is given to the DDO. Then Bill is forwarded to the Audit Section who verifies the bill. If there is no objection, bill

is passed on to Cheque Section for Payment. Cheque section generates voucher number to the bill. Afterwards, payment advice EFT / NEFT / CMP is generated. Thereafter payment vouchers are sent to the Compilation Section for Accounting Purpose. Subsequently, the Treasury Officer approves payment on Cash Management Product (CMP-e payment) Portal. Bank receipt and payment scrolls are received in Compilation section. Sub-Treasury prepares Receipt & Payment Account and the same is incorporated in the Treasury Accounts. Compilation Section prepares the monthly receipts & payments and sends the same to the Accountant General offices.

Data is uploaded physically daily in the Arthwahini module of the IFMS. The Data is then made available to other stakeholders like the AG and is used for uploading on to the Public Portal, Koshwahini. To get complete real time data from Treasury to all Stakeholders, a Centralized Treasury Net System is the only solution wherein the Treasury Net Application Server and Database Server are centrally located and all District Treasuries and Sub Treasuries are connected to them through MPLS VPN connectivity and work centrally.

GPF

GPF authorities from the Accountant General offices are sent to the District Treasuries with a copy to the concerned DDO under intimation to GPF subscribers. On receiving the authority at DDO level, the DDO prepares the bill and sends the same to the Treasury. The procedure for payment of GPF is the same as in case of other bills in the Bill Portal and the Treasury Net as explained above.

Pension

Pension cases are prepared by the Heads of the offices and Online Pension proposals are sent to the Accountant General offices electronically and in physical form. Data of approved cases is transmitted by the Accountant General offices online on SEVAARTH module of IFMS thus eliminating the need to enter data again at the Treasuries. The concerned DDO carries out the identification process of Pensioners, which is computerized due to linking of Pensioner to UID. Identification for Life Certificate through Biometrics is done with Jeevan Praman Portal.

Treasury Generates 1st Payment Bill and sends Pension payments to the Pensioner's Bank Account through CMP and generates monthly pension bills.

Bills for First Payment (with arrears) Supplementary Bills and Commutation Bills are generated online through the Nivrutivetanika module of IFMS. Electronic Data of First Payment of Pension is given electronically to the Accountant General Office.

c] Status of GIA Bills

The Bombay Financial Rules 1959 stipulates that, for the grants released for specific purposes, ‘Utilisation Certificates (UCs)’ should be obtained by the Departmental Officers concerned, from the grantee institutions and after verification, the UCs should be forwarded to the Office of the Accountant General (A&E) or Pay and Accounts Office, as the case may be within the period specified in the sanction/release order or otherwise within 12 months from the dates of their release.

**Rule Provisions regarding clearance of Utilization Certificates: Para 16.8 of the
Manual of Standing Orders (Accounts & Entitlements) Volume-1**

Unless Government otherwise rules it, every grant made for a specified object is subject to the implied conditions-

- (i) that if no time limit has been fixed by the sanctioning authority, the grant will be spent upon that object within a reasonable time (normally within one year from the date of issue of the letter sanctioning the grant) and
- (ii) that any portion of the amount which is not ultimately required for expenditure upon that object, will be surrendered.

e] **Position of PD/PLA Account for 2020-21**

The purpose of PD Accounts is to enable the Departmental Officers to incur expenditure on a particular scheme or for specific purpose(s) for which funds are placed at their disposal by transfer from the Consolidated Fund of the State.

As provided in Rule of Maharashtra Treasury Rules, these PD Accounts are required to be closed at the end of the financial year and the unspent balances should be remitted back to the Government Account by minus debit of the balance to the relevant service head in the Consolidated Fund, only when the transfer to the PD accounts is from the Consolidated Fund. Further, PD Accounts, which are inoperative for more than one year, are to be closed and the balance in such accounts needs to be credited to the Consolidated fund of the state every year.

(B) DEFECTS NOTICED DURING COMPILED AND VERIFICATION OF ACCOUNTS AND PD/PLA.

2.1 Non receipt/Delay in receipt of wanting Vouchers from the Treasuries:

Vouchers that were not received with the Monthly Accounts are shown as wanting and are booked under Objection Book Suspense. The total number of wanting vouchers (where payment involved is more than \square 50000/-) in respect of expenditure heads during the year 2020-21 involving \square 22.95 crore are as detailed in **Annexure - 3.**

In reply, the Government stated that, all the Treasury officers were instructed to act expeditiously on wanting vouchers in future.

2.2 Pending Abstract Contingent Bills from Treasuries:

As per the Rule 303 of Maharashtra Treasury Rules 1968 Volume-I., read with the Government of Maharashtra Finance Department Resolution No. MAK/1006/PK/42/2006/Viniyam dated 12.2.2008, the DC bills are to be submitted within one month from the date of drawal of AC bills. However, in exceptional cases the DC bills can be submitted within the extended period of 3 months on the assurance given by the Controlling Officer.

Further, as per the Government of Maharashtra Finance Department Resolution No. Sankshipt/2012/PK8/2012/Viniyam dated 14.3.2013, Treasury Officers should not honour any further bills presented by the DDO unless DC bills for amount drawn on earlier occasion are submitted to the Office of the Pr. Accountant General (A&E)-I Maharashtra Mumbai/Accountant General (A&E)-II Maharashtra Nagpur /Pay & Accounts Office Mumbai.

However, **1566 AC bills** amounting to \square 2645.91 crore in respect of **15 Treasuries and PAO Mumbai** under the jurisdiction of the office of the Pr. Accountant General (A&E)-I Maharashtra, Mumbai and **680 AC Bills** amounting to \square 781.14 crore in respect of **19 Treasuries** under the jurisdiction of the Office of the Accountant General (A&E)-II Maharashtra Nagpur were pending (during the year 2020-21) for want of submission of DC bills, as detailed in **Annexure – 4 and 5.**

The Government stated that all the Regional Joint Directors were instructed to take necessary follow up for submision of the DC Bills with the concerned District Treasuries.

Recommendations:-

Non-submission of supporting DC bills renders the expenditure through AC bills opaque. A controlling mechanism may be evolved in the system for monitoring of submission of DC bills within the prescribed time-limit or to restrict withdrawals from Government Account.

2.3 Un-reconciled Net (Dr.) differences of Reserve Bank Deposits between Treasuries and Banks: information not available

The Rule 34 of Accounting Rules for Treasuries 1992 states that the Treasury Officer should reconcile the net Reserve Bank Deposits (RBD) worked out as per Treasury Accounts with the Date-wise Monthly Statement received from Agency Banks. During the year 2020-21, it was found that in **668 cases**, the net RBD did not agree with Date-wise Monthly Statement as indicated in **Annexure - 6**.

These differences accrued due to Treasury/Bank Misclassification and mainly due to CMP payment not accounted for by the Treasuries.

In reply the Government stated that all the Treasury offices were instructed to check and reconcile treasury receipts/payments with that of agency banks carefully on daily basis.

Recommendation:-

Treasury Officers should closely watch the CMP payments not accounted for by the Banks from time to time to avoid such differences in RBD.

2.4 Delay in submission of Monthly Accounts by the Treasuries:

The Monthly Accounts are submitted by the Treasuries in two parts. The due date for submission of first part (List-I) covering payment transactions from 1st of the month to 18th is 22nd of the same month. The due date for submission of second part (List-II) is 8th of the following month to which the accounts relate. The second part includes payment transactions from the 19th to the end of the month and all receipt transactions from the 1st to the end of the month.

There was delay in submission of Monthly Accounts by the Treasuries under the jurisdiction of the Office of the Pr. Accountant General (A&E)-I, Maharashtra, Mumbai and AG (A&E)-II Maharashtra, Nagpur due to lockdown on account of the outbreak of Covid-19 Pandemic as indicated in **Annexure-7**.

2.5 Outstanding Railway Pension claims:

Treasuries make pension payments to the Railway pensioners in the first instance and subsequently the Divisions of Railway on production of vouchers by the Treasuries, reimburse the amount. The Treasuries debit the expenditure under suspense account viz Major Head (8658-102-Railways) and transmit supporting vouchers to the respective Railway Divisions directly. On receipt of monthly accounts from the Treasuries, the Office of the Pr. Accountant General (A&E)-I Maharashtra Mumbai sends the claim to the Railway Divisions. On receipt of the amount from the Railway Divisions, the suspense account is cleared.

However due to non-submission/incomplete submission of vouchers by Pune Treasury and PAO Mumbai to Railway authorities, the amount of pension claimed was not reimbursed in full. Until reimbursement, the debit continues to appear under the Suspense head. Such amount lying under the Suspense head as on March 31, 2021 is **₹ 2.38 lakh** as given in Annexure -8.

2.6 Outstanding differences in the Broadsheet of Cheques and Bills:

The Suspense Head ‘8670-Cheques and Bills-104- Treasury cheques’ is operated to keep a watch over the cheques issued by the Treasury Officers and their encashment in banks (paid cheques). Outstanding differences in the Broadsheet of Cheques and Bills indicate non encashment of cheques by the recipient.

Outstanding differences in the Broadsheet of Cheques and Bills for want of Treasury paid cheques are shown in **Annexure - 9**.

Recommendation:

The Outstanding differences in remaining 49 items in the Broadsheet 8670-Cheques and Bills-104- Treasury cheques may be reconciled immediately and results intimated to Pr.A.G. office.

Personal Deposit/Personal Ledger Accounts:-

2.7 Non receipt of Certificates of Acceptance of Deposits:

As per the para 578 of Maharashtra Treasury Manual, the Certificates of Acceptance of Civil and Criminal court deposits under MH-8443-104 and 105 are to be obtained by the Treasuries from the concerned Departmental Officers and need to be furnished to the Office of the Pr. Accountant General (A&E)-I Maharashtra, Mumbai/Accountant General (A&E)-II Maharashtra, Nagpur. Out of 1763 certificates due from various Treasuries for the year 2020-21,591 certificates were not received as shown in the **Annexure - 10.**

Recommendation:-

Timely reconciliation of the Deposits should be done and certificates of acceptance should be forwarded to the Office of the Principal Accountant General immediately.

2.8 Non Submission of plus and Minus Memorandum of Stamps: -

As per Rules 91 and 98 of Accounting Rules for Treasuries 1992, the Treasuries should prepare plus minus memo in form IST 37 for the transactions on account of each class of deposit/each kind of stamps (judicial and non-judicial). It should be attached to the list of payment when monthly accounts are rendered by the Treasury Officers to the Office of the Pr. Accountant General (A&E)-I Maharashtra Mumbai/Accountant General (A&E)-II Maharashtra Nagpur. The purpose of the ‘plus and minus memorandum’ is to watch the balance and clearance of amount from the stamps/deposit head.

It was however, noticed that 34 Treasury Officers had not furnished the ± memos of stamps along with the Monthly Accounts. Details are shown in Annexure – **11**

The Government stated that all the Treasury Officers were instructed to be vigilant while sending monthly accounts to AG Offices and to attach ***the plus /Minus Memorandum of Stamps*** with the Monthly Accounts in future.

2.9 Non-drawal of a ‘nil’ payment voucher by Treasuries for transfer of funds to Personal Deposit/Personal Ledger Account (PD/PLA):

The transfers from the Consolidated Fund to the PD/PLA account shall be affected through ‘NIL Payment Bill’ procedure as per Rule 19 of Accounting Rules for Treasuries and Government of Maharashtra Finance Department G. R. No. sankirna/2015/Pra.Kra 6/Kosh Pra 5 dated 27th September 2016.

However, it was observed that the laid down procedure about ‘Nil Payment Bill’ was not followed till date. It was noticed that in all other Treasuries except Pune Treasury, the bills were drawn from the Consolidated Fund without following the ‘Nil Payment Bill’ procedure and funds were subsequently credited to the concerned PD/PLA Account by challans. As funds are credited in PD/PLA account through cash transaction there is no track or link to ascertain funds transferred from Consolidated Fund to Public Account and also of the unspent balance of funds transferred from the PD/PLA Accounts to Consolidated Fund subsequently.

All the treasuries were directed to follow the instructions contained in the FD GR dated 27.09.2016 in the circular issued by the DAT Mumbai on 28.10.2021.

In reply the Government stated that the instructions to follow the “Nil Bill” procedure mentioned in Government Resolution dated 27.09.2016 were issued to all the District Treasuries.

Recommendation:-

It is recommended that the instructions contained in the Government Resolution of Maharashtra State need to be followed scrupulously by all the Treasuries to track the transaction where the PLA has been opened by debiting the Consolidated Funds of State or Central Government. The Treasury Officers may instruct the administrators to follow NIL Bill procedure compulsorily under intimation to the concerned Treasury Offices.

2.10 Non-closure of in-operative Personal Deposit/Personal Deposit Accounts:

As per Rule 495 of Maharashtra Treasury Rules Volume-I and the Para 585(2) of Maharashtra Treasury Manual, the PD/PLA which are not operated for more than one Accounting year should be closed and balance at the credit of such accounts should be

credited to Government Accounts as Misc. Revenue under M.H. 0075 – Miscellaneous General Services 101 – Unclaimed Deposits.

Treasury wise details of such in-operative PD/PLA accounts are given in **Annexure -12** and **Annexure -13** respectively.

Recommendation:-

The issue on Irregular payment from PLA needs to be brought to the notice of the Finance Department for further instructions from the Goovt.in this matter.

2.16 Unspent balance lying in DDOs Account.

All DDOs should fill information regarding government money in the BEAMS System with reference to all Bank Accounts held by them and all unspent balances should be credited to Government Account as per the Government of Maharashtra, Finance Department's GR No. dated 04.01.2018. Also the Finance Department vide GR dated 20-03-2019, directs all the DDOs to make pending payment to beneficiaries/ contractor/suppliers immediately through their DDO Bank Account up-to 31.03.2020 and to credit the remaining unspent balance to the Government Account by 31.03.2020 positively.

The inspection of DDOs Bank Balance Statements revealed that the following DDOs had unspent balance in their Bank accounts, which were neither credited to the Government account nor paid to the beneficiaries till 31.03.2020. A sample review on unspent balances in DDOs Bank account showed balances as under:-

| Sr.No | Name of DDO | Name of Bank | Balance as on 31.03.2020 (₹) | Nature of Account. |
|-------|--------------------------------|--|---------------------------------|--------------------|
| 1 | Treasury Officer, Nagpur. | Punjab National Bank, Civil lines, Nagpur | 35,92,767.50 | Current Account. |
| 2 | Treasury Officer, Nagpur. | Punjab National Bank, Civil lines, Nagpur | 2,91,058.76 | Current Account. |
| 3 | Treasury Officer, Bhandara. | State Bank of India, Bhandara | 6,24,036.00 | Current Account. |

In reply the Government stated that out of three DDOs with unspent balances, the payments were made to the two beneficiaries by the Treasury Officer Nagpur subsequently.

Recommendation:-

Timely measures should be taken to credit the unspent balance lying in PLA Accounts to the Consolidated Fund. Keeping Revenue Receipts of Government outside the Consolidated Fund of the State not only violates the Constitutional provisions but also impacts Revenue Deficit/Surplus exhibited in the accounts of the State.

2.17 Non Reconciliation of Balances under MH-8336 Civil Deposit (800) other deposits

(D) MISCELLANEOUS

2.19 Non-observation of procedure for payment through CMP (Cash Management Product):

As per the Finance Department GR No. Sankirna 1010/Pra Kra.68/Bhag3/Kosh.pra 5 dated 22/01/2013 read with GR dated 31/01/2013, all third Party payments above Rs. 5000/- to contractors, suppliers, and beneficiaries etc. are required to be made by means of CMP(Cash Management Product) directly into the payee's bank account after applying all treasury checks by the Treasury Officers. The above said GRs are made mandatory by Govt. of Maharashtra to all the TOs/STOs and DDOs (except the DDOs under PAO Mumbai, T.O. Nagpur and Treasury Offices in Marathwada) in Order to:-

- 1) to avoid time consumption in transition.
- 2) to observe transparency in the Govt. transactions by linking bank accounts of the Contractors/suppliers and beneficiaries etc., with Aadhar Cards so that up to date information about what amount of payments were made to whom and when, can be made available to the State Govt. as per the GR dated 31-1-2013.
- 3) to avoid risk of fraud.

Scrutiny of relevant CMP records maintained in District treasuries/sub-treasuries under the jurisdiction of the O/o Pr.A.G.Mumbai revealed that huge amounts of G.I.A. bills were passed and funds were transferred under various types of Central/State Govt. Schemes to certain DDOs' Bank accounts through the CMP portal by the District Treasury Officers under the jurisdiction of the O/o Pr.A.G. Mumbai instead of payments directly to the bank Accounts of the concerned contractors, suppliers, and beneficiaries etc. as required by the above mentioned FD GRs dated 22-1-2013 & 31-1-2013. Statements of such Illustrative cases are furnished in ***Annexure 16***.

In this regard, clarification was called from the DAT Mumbai vide letter dated 19.04.2021 as to whether the procedures/ instructions on CMP as per the FD GRs dated 22-01-2013 & 31-01-2013 are applicable while making payments to Contractors/Suppliers and beneficiaries, G.I.A.bills etc. furnished by the DDOs under the control of various administrative offices in Mantralaya to the Treasury Officers. In reply, DAT Mumbai vide letter dated 12.10.2021 stated that the above mentioned matter was referred to Govt. of Maharashtra for further guidance.

In reply the Government stated that third party payments above Rs.5000/- to contractors ,suppliers and beneficiaries are required to be made by means of CMP directly into the payees bank accounts by the Treasury Offices. But in case of GIA bills, contractors/suppliers/beneficiaries of various Schemes needs to be identified by DDOs. Therefore, payment on GIA bills are drawn by the Treasury Offices in favour of the bank Account of DDOs.

Recommendation:-

The instructions on payments above Rs.5000 to third parties by means of CMP needs to be followed strictly in case of all bills including GIA bills so as to.1) to avoid risk of fraud .2) to observe transparency in the Government transactions and 3) to avoid time consumption in transition. The difficulties faced by the DDOs and the Treasury officers in identification of contractors, supplies &beneficiaries in the GIA bills / other bills and thereby allowing irregular credit of huge lump-sum funds by means of CMP in to the DDOs bank accounts, should be reported to the NIC for necessary modifications in the IFMS system of the state.

2.20 Non-reconciliation of differences and non-receipt of certificate of balances in Personal Deposit/Personal Ledger Accounts (PD/PLA)

As per the para 589 of Maharashtra Treasury Manual, Treasury Officer is required to obtain a Certificate of Balances from the Administrators of PLA at the end of each year for Mh-8443-106. After obtaining such balance certificates, difference if any, are required to be reconciled. After the reconciliation, the Balance Certificates are to be forwarded to the Office of the Accountant Generals for confirmation of balances.

However, it was noticed that **366** Administrators of the PLAs under the jurisdiction of the O/o Accountant General (A&E) –II Nagpur, Maharashtra had not furnished the Certificates of Balances to the concerned Treasury Officers as on 31.03.2020. Details as shown in **Annexure -17**.

2.21 Reconciliation of Deposit balances:

As per the Rule 528 of Maharashtra Treasury Rules, 1968, each year Treasury Officers are required to reconcile the balances of deposit transactions with the balances appearing in the books of the Office of the Pr. Accountant General (A&E)-I Maharashtra Mumbai/ Accountant General (A&E)-II Maharashtra Nagpur. During Inspection of Treasuries it was observed that some Treasury Officers had not reconciled the balances for the period from 2019-20 onwards in respect of M.H. 8443 Civil Deposits and M.H. 8336 Civil, as shown in **Annexure-18**.

In reply the Government stated that all the concerned Treasury Officers were instructed to co-ordinate with the Administrators of Deposits immediately so as to reconcile the balances with the balances of A.G. Offices.

Recommendation:-

It is necessary to complete reconciliation at the initial stage between Treasury Officer and Administrator so that the balances are correctly depicted in the Annual Accounts which are presented to the Maharashtra Legislature.

As regards the primary responsibility of the DDOs to reconcile the balances, it is suggested that the matter may be taken up with the concerned Administrative offices in Mantralaya.

2.22 Stamps Account: Huge retention of stamp in the Treasuries

Para 13 of the Bombay Stamp Manual and as per Rule 5 of Subsidiary Rules for supply custody and sale of stamps stock of stamps that can be held at any time should be equal to probable consumption of four months in addition to the stock required for annual consumption. Further as per Rule 8, stamps for which there was no demand in local depot should be reported to the Superintendent of stamps as excess stock so that they can be transferred to needy treasuries.

On scrutiny of Double lock register of stamps with plus minus memos, it was noticed that existing stock as on 31.03.2020 of some categories of stamps, was found surplus than their actual requirements, as detailed in **Annexure-19**.

In reply the Government stated that the matter of huge retention of stamp by the District Treasuries was brought to the notice of the Revenue department Mantralaya & IGR Pune.

CHAPTER 4

IFMS

4.1 Non- Generation of Penal Interest for two participating agency banks.(₹ 169.65 lakh):

Para 5.11 of the “Memorandum of Instructions on Accounting and Reconciliation-State Government transactions” envisages that the State Government could claim interest for delayed credit of collections. The Ministry of Finance, GOI, in its Circular dated 15.12.2014 stipulated that penal interest be levied on delayed remittances of e-Receipt into the Government account i.e. on delays beyond T+1 working day. (T is the day when money is available to the bank branch). In the GRAS application the Penal Interest amount to be levied on the Participating Agency Banks is generated through an available report.

During inspection it was noticed that two banks viz. State Bank of India and Bank of India which were integrated into the GRAS application since 2010, were not levied penal interest since the system was not generating penal interest in respect of these two banks. Penal interest of Rs 160,72,112/ and Rs.8,92,560 was not recovered from the State Bank of India and the Bank of India respectively.

The VTO (Virtual Treasury Officer) in its reply dated 25-08-2021 stated that although quarterly statements for penal interests were issued on SBI and BOI, the banks replied that there were errors of date and time stamp in their challans which was at variance with the date and time stamp of the GRN number. Since penal interest is calculated on payment date, the process of resolving the above issue with the technical teams of the banks and VTO-NIC, was under process.

Recommendation:-

It was recommended that VTO pursue the matter of recovery of penal interest from the banks safeguarding the financial interests of government. The pending issue of no recovery of interest from SBI and BOI due to lapse of time may also be pursued at higher level and resolved.

4.2 Awaited transactions in GRAS (₹530.52 lakh) not credited to the Government account:

The Directorate of Accounts & Treasuries (DAT), Maharashtra State, Mumbai in February 2009 prescribed that the participating banks in GRAS shall remit to RBI all receipts at the end of the day by any payment mechanism/mode acceptable to the RBI. In GRAS for

every challan created, a unique GRN number is generated, and the Participating Bank receiving the payment generates its own CIN number when it receives payment from the payer. The Bank after remitting the receipts to RBI daily uploads a digitally signed scroll into the GRAS system for reconciliation of GRAS receipts with the challans generated in GRAS at Virtual Treasury Office. The year wise amounts pending for credit into the Government Account were as follows:

| Year | No of transactions | Amount in ₹ |
|---------------------------|---------------------------|--------------------|
| 2010-11 | 12 | 10,01,162 |
| 2011-12 | 10 | 4,88,624 |
| 2012-13 | 04 | 68,680 |
| 2013-14 | 08 | 67 |
| 2014-15 | 50 | 20,74,108 |
| 2015-16 | 109 | 44,30,813 |
| 2016-17 | 70 | 11,84,474 |
| 2017-18 | 45 | 6,34,510 |
| 2018-19 | 116 | 23,95,061 |
| 2019-20 up to Feb 2020 | 1676 | 4,08,14,939 |
| TOTAL | 2100 | 5,30,92,438 |

In reply the Virtual Treasury Officer stated that the position of the awaited transactions would be confirmed at the office level and action would be taken.

Recommendation:-

It is recommended that the issues of awaited scrolls be taken up with the agency banks on priority. Reconciliation of e-scroll being a continuous daily process, a mechanism be developed to ensure that all Govt. receipts are deposited by banks without delay with zero margin of error.

4.3 Revocation of Defacement and Refund Claim in GRAS:-

The GRAS application has a process of revocation of defaced challans and revocation of Refund claim in which the login id of the Head of the Department is used to submit revocation of challans defaced and refund claims submitted. Only on receipt of the letter from the Department, duly signed and authorised by the Head of Department, revocation of Defaced Challans and refund claims is processed by the VTO.

However, it was noticed that:

- i. The revocation of challan which otherwise should be in exceptional cases was being done in routine manner and with a generic user Id in the application.
- ii Policy for authorization at different levels for the high value revocation did not exist.

iii. There is no process to cross verify the authenticity of the proposal of Revocation of Defacement and Refund Claim received from the appropriate authority of the department.

The details of revocation of defaced challans for last two years were as follows:-

| Year | No of challans | Amount (in ₹) |
|-------------|-----------------------|-----------------------|
| 2018-19 | 348 | 24,63,65,254 |
| 2019-20 | 244 | 58,41,69,738 |

The details of Revocation of defaced challans for Refund Claims were as follows:-

| Year | No of challans | Amount (in ₹) |
|-------------|-----------------------|-----------------------|
| 2018-19 | 78 | 5,66,69,087 |
| 2019-20 | 43 | 10,50,332 |

The VTO stated that the matter of giving new tab-option, in the log-in of the VTO office, for processing of online the request through the Head offices and verification of signatures of the Competent Authorities on online request applications for revokement of defacement entries for refunds, was under discussion with the NIC.

Also, necessary circular would be issued to the Head of the departments, to control the cases of revokement of defacement and refund claims in the GRAS.

Recommendation:-

It was recommended that

- a) *VTO may create awareness among Departmental employees. A procedure may be evolved to cross verify revocation proposals from departments to check that the proposal is from an appropriate authority.*
- b) *The process of revocation for a defaced challan or refund claim should be used as an exceptional cases and not as a routine feature as mentioned in the Government GR.*
- c) *Provisions may be made in the application so that revocation of high value challan may be done with proper user ID and with due authorization at appropriate levels for which a policy of authorization also be defined.*

Chapter -5

IT Controls and its Security

5.1 Lack of formal Documentation:

By way of enunciating an IT policy and strategic documents, an organization demonstrates its ability to reasonably protect all business-critical information and related information processing assets from loss, damage or abuse.

The following documents related to Government Receipt Accounting System(GRAS) which would demonstrate its ability to reasonably protect all business critical information and related information processing assets from loss and conformity to applicable contractual and regulatory were requested from Virtual Treasury Officer(VTO).

- i. IT Operating Standards vis-à-vis GRAS Application.
- ii. Security policy.
- iii. User access policy & Data Access Matrix.
- iv. Network policy & Net Security Standards.
- v. System Development Plan/Manual for each module of GRAS.
- vi. Program change control policy.
- vii. Capacity Planning in IT areas for GRAS support team.
- viii. Strategy and Policy document for use of Digital Signature in accounting processes

The VTO has forwarded the formal documents related to GRAS except (iv) “Network policy & Net Security Standards,” and intimated that the matter regarding (viii) “strategy and policy documents for use of Digital Signature in accounts process”, was under process with NIC Team.

Recommendation:-

It is recommended that VTO and Directorate of Accounts and Treasuries enunciate appropriate formal IT Strategy and Policy documents for information Technology approved by Higher Management.

5.2 Errors in Download function of the AG data:

Following links were provided to the Pr.A.G office for downloading challan data from the GRAS application.

| Sr.No. | Text file Name | Description | Description |
|--------|--------------------------------|-------------|-------------|
| 01 | Tci_cha_hdr.txt – 14 fields | GRAS data | SGST data |
| 02 | Tci_cha_hdr_hdr.txt – 6 fields | GRAS data | SGST data |
| 03 | Tci_hca_dtl_hdr.txt – 6 fields | GRAS data | SGST data |
| 04 | Tci_cha_dtl_hdr.txt – 9 fields | GRAS data | SGST data |
| 05 | Summary | GRAS data | SGST data |

It was noticed that the links provided at Sr. No. 1 for downloading State Goods and Service Tax (SGST) data and at Sr. No. 2, 3, 4 for downloading both GRAS and SGST data were not working and showing the error message “file not found”. Further, Link given at Sr.No.1 for downloading GRAS data takes the user to the download page but on clicking the download button instead of downloading the text file the user is redirected to www.Mahakosh.gov.in website.

In reply, VTO stated that issues faced in downloading of challan data in the option provided in the office log-in, were forwarded to the NIC for resolution.

Recommendation:-

It is recommended that errors and issues in providing challan wise data to the office of the Principal Accountant General may be resolved with NIC. As a future strategy, steps may be taken to develop a module wherein challan wise details are made available on a daily basis through an intermediate web based server.

5.3 Internal Audit

As per Rule 74 and 75 of the Maharashtra Treasury Rules 1968, the workings of the Treasuries/Sub-treasuries/Pay and Accounts Office has to be annually reviewed through inspections covering the Cash book, Cash balances, Book balances and Registers.

The following facts were ascertained in the Virtual treasury office: -

- i) No dedicated personnel to conduct the Internal Audit of the office of the VTO.
- ii) The GRAS System did not have an audit module which would cater to the needs of the Internal Audit.

The Virtual Treasury Officer in its reply dated 25-08-2021 to the O/o Pr. A. G Mumbai stated that the Directorate of Accounts and Treasuries is planning to allocate dedicated personnel for the Internal Audit of the VTO. Regarding the Audit module of GRAS necessary developments would be initiated after discussions with AG officials and NIC team.

5.4 Audit Trails

Audit trails helps to track the history of transactions, changes/modifications in data, log of system failures, erroneous transactions etc. In a system, a unique identifier or transaction code would direct the transaction to the proper application programme for processing. Then if one audit entry is deleted, a gap in the numbering sequence will appear so that changes can be detected. The VTO was asked about the availability of Audit trails for verification of back end changes in the databases and other system logs.

In reply the VTO stated that in future-

- 1) Audit logs would be monitored regularly to analyze & identify unusual transactions.
- 2) Log Monitoring procedures would be defined and documented.
- 3) The process of log collection methods and Audit trail for digitally signed transactions would be ensured.

5.5 Generic User ID

Data in GRAS is accessed by different user categories such as various user Departments, VTO and citizens. In the computerized system, access to data was required to be restricted to authorized individual users only.

It was noticed that User IDs were allotted in the code name of the user office instead of the individual users and user IDs were shared by different individual users. Thus, individual users responsible for the transactions, were not recorded in the system.

A few examples of the assess ID are detailed as below.

| Name of the Office | User ID |
|-------------------------------------|---------|
| VTO | 9102 |
| VTO | 9103 |
| RTO Mumbai C | RTO001 |
| RTO Mumbai W | RTO002 |
| Superintendent State Excise, Pune. | EXC020 |
| Superintendent State Excise, Nasik. | EXC039 |

The VTO in its reply dated 25-08-2021 to the O/o Pr. A. G Mumbai stated that, NIC has initiated creation of User ID, employee wise. The matter of giving new tab-option in the log-in of the Virtual Treasury office to authorized individual users, was under discussion with the NIC.

5.6 Complaints Monitoring and Redressal System

GRAS application is available to the users to pay Tax and Non-tax Receipts of the Government of Maharashtra online. It was observed that the Virtual Treasury Office receives hundreds of emails and phone calls daily due to failed transactions, non-receipts of GRN, Non-receipts of CIN etc. It was also observed that there is no dedicated staff or Help desk System to register the complaints and redressal of grievances.

The VTO replied that there was no dedicated staff for the purpose and a proposal for increasing staff was submitted to the Finance department through the O/o the Directorate of Accounts and Treasuries. A complaint redressal system would also be developed in GRAS by the NIC.

Recommendation:-

A complaint redressal system may be developed in GRAS by the NIC.

5.7 Security Audit of GRAS application

General Guidelines issued by the Ministry of Electronic and Information Technology and Application Security Division, Cyber Security Group, National Informatics Centre states that-

“All web applications should be security audited initially and in every two years or whenever a new module/page is added or modified, or functionality is changed.”

Audit scrutiny revealed that the GRAS application was audited only in July 2015 and no security audit of the application was conducted after 2015.

The VTO in reply dated 25-08-2021 to the O/o Pr. A. G Mumbai, stated that the tender for security audit of GRAS was under process.

Recommendation:-

It is recommended that Directorate of Accounts and Treasuries may ensure the Security audits are conducted every two years. The pending Audit of GRAS application may be arranged on priority.
