(\*) Pendency is due to frequent hartals/curfew in Kashmir. Despite the difficult situation, every effort being made to minimize the pendency, however, the attendance in the office is extremely irregular and beyond the control of administration owing to the law and order situation and total absence of public transport.

(#) The application numbers cannot be allotted to all the revision cases as it is a time consuming process and part of pension revision exercise in SAI Pension. Since the office is prioritizing the finalization of cases, application numbers in respect of revision cases under GO No:222-F (revision on account of 7th pay commission) are only allotted batch wise and the next batch is taken up in a section only after clearing the existing one.
