Preface

Treasuries play a very important role in the financial management of a state Government, especially in the accounting of Government transactions. Treasuries, along with Public Works and Forest Divisions, constitute the principal Accounts Rendering Units (ARUs) to the Accountant General, who is responsible for compilation, preparation and finalization of accounts of the State Government. To ensure proper functioning of Treasuries, the State Government has prescribed codes, manuals and administrative procedures, which Treasuries are required to strictly adhere to. Any deficiency in the functioning of Treasuries and any deviation from prescribed rules and procedures adversely affects the entire process of financial accountability.

Inspection of Treasuries is a mechanism to derive assurance that Treasuries are organized and function in an appropriate manner with requisite internal controls and financial discipline. This compilation is a review on the working of Treasuries in Arunachal Pradesh during the two-year period from 2017-18 and 2018-2019, prepared in accordance with Paragraph 20.17 of the CAG's Manual of Standing Orders (A&E) Vol.–I, incorporating deficiencies/irregularities noticed during the compilation of accounts in this office together with observations or comments raised during local inspection of records of 8 (eight) Treasuries and Sub-Treasuries (Independent).

I hope this compilation will act as a guide for establishing an efficient and effective system of Treasury administration in the State.

PART – 1

INTRODUCTORY

1.1 Introduction

Treasuries are important organs of the state through which management, administration and control of finances of the state Government are conducted. They are channels through which monetary resources of the State are collected, disbursed and accounted for. Treasuries and Sub-Treasuries in Arunachal Pradesh function under the administrative control of the Director of Accounts and Treasuries, Arunachal Pradesh, Itanagar. At the District level, Deputy Commissioners and at the Sub-Divisional level, Sub-Divisional Officers (Civil) are responsible for the day to day functioning of Treasuries.

1.2 Organizational Set-up

There are 14 (fourteen) Treasuries including Shillong (South) Treasury and 14 (fourteen) Sub-Treasuries in the State. All the Treasuries and Sub-Treasuries, except Anini Sub-Treasury are banking Treasuries¹. They render monthly accounts directly to the Principal Accountant General, except for Dirang, Hayuliang, Sagalee and Pangin Sub-Treasuries, which forward their accounts to the Accountant General through Bomdila, Tezu, Naharlagun and Aalo Treasuries respectively. A list of Treasuries and Sub-Treasuries in Arunachal Pradesh as on 31.03.2019 is given in the table below:

1.3 Position of Treasury Staff

Inspection of records of Treasuries during the period under report, along with records received from the Director of Accounts & Treasuries, revealed that the Treasuries and Sub-Treasuries of Arunachal Pradesh have a working strength of 235 against sanctioned strength of 252 during the financial year 2017-18 and a working strength of 244 against sanctioned strength of 250 during the financial year 2018-19. Treasury wise details are given as below:

During the financial years 2017-18 and 2018-19, excess in Person-in-Position against Sanctioned Strength was noticed in Itanagar and Tawang Treasuries respectively.

PART - 2

DEFECTS NOTICED DURING COMPILATION AND VERIFICATION OF ACCOUNTS

2.1 Delay in receipt of Monthly Accounts

In terms of Rule 68 (1) & (2) of Central Treasury Rules, Vol.-1 and as per the existing arrangement, the monthly Cash account and List of Payments with all supporting schedules, challans and vouchers etc. in respect of each Treasury, including the Sub-Treasuries are to be submitted to the Accountant General on or before 10th of the following month. However, during the Financial Years 2017-18 and 2018-19 all Treasuries/Sub-Treasuries at one time or other delayed rendering monthly accounts.

During 2017-18, maximum delay in rendering accounts were noticed up to 134 days by Mechuka Sub-Treasury, 120 days by Seppa Treasury, 97 days by Jang Sub-Treasury, 94 days by Jairampur Sub-Treasury and 68 days by Pasighat Treasury.

Similarly, during 2018-19, maximum delay in rendering accounts were noticed up to 91 days by Mechuka Sub-Treasury, 67 days by Miao Sub-Treasury, 65 days by Koloriang Sub-Treasury, 62 days by Seppa Treasury and 56 days by Anini Sub-Treasury.

Treasury wise delay in submission of accounts during the Financial Years 2017-18 and 2018-19 are detailed in **Annexures-A & B** respectively.

Delay in the rendition of accounts by the Treasuries and Sub-Treasuries consequently led to delay in submission of Monthly Civil Accounts and subsequent delay in preparation and finalization of Annual Accounts.

It is recommended that the Treasury Officers submit the monthly accounts within the prescribed time limit to the office of the Accountant General, Arunachal Pradesh, so that monthly civil accounts and subsequently annual accounts are prepared in time.

2.2 Non-submission of Consolidated Treasury Receipt of PWD and Forest Remittances

Rule 550 of Central Treasury Rules, Volume-1 provides that the Treasury Officer shall arrange to have a monthly settlement very early in the month with the Divisional Officer, he should have the Passbook written up in respect of cheques cashed during the previous month, and return after signature the consolidated receipt sent to him by the Divisional Officer for the whole of remittances sent by him and his sub ordinates during that month. He shall also furnish the Divisional Officer with a certificate of total issues.

Scrutiny of records revealed that Consolidated Treasury Receipts and Certificate of Cheques issued in respect of various Works Divisions and Forest Divisions are pending from various Treasuries. Details are given in **Annexure-C & Annexure-D** respectively.

It is recommended that the Treasury Officers verify the Monthly Settlement reports and send to the concerned Divisions for timely submission to the Principal Accountant General, Arunachal Pradesh.

2.3 Improper classification of Challans/Vouchers

As per Rule 138 (v) of CTR, the full accounts classification must be recorded on each bill by the drawing officer, the classification in the Budget being taken as a guide. The classification should also show whether the expenditure is voted or charged and as far as practicable its allocations between departments or Governments.

During the financial years 2017-18 and 2018-19, scrutiny of vouchers revealed that in many cases, complete classification were not mentioned in the vouchers (mentioning only Major Head, wrong Minor Head code, Sub Head code, Grant Nos., etc.) as per the budget documents. An illustration is given in **Annexure-E**.

It is recommended that all the Treasury/Sub-Treasury Officers should ensure that full accounts classifications are recorded on each bill by the Drawing Officers before passing the bill for payment.

2.4 Outstanding balance under Treasury Suspense

As per Rule 70 of Government Accounting Rules, 1990, the items of receipts and payments which cannot at once be taken to a final head of receipt or charge owing to lack of information as to their nature or for any other reasons, may be held temporarily under the Major Head "8658-Suspense Account".

It was noticed that during the financial years 2017-18 and 2018-19 a total amount of ₹ 1,16,07,283.00 (Payment) and ₹ 1,23,18,10,757.00 (Receipt) were lying outstanding under the head of account 8658-102 Suspense Accounts (Civil) for want of schedule of payments, vouchers and challans. Year wise details of Treasury Suspense outstanding for the financial years 2017-18 and 2018-19 is given in **Annexure-F**. The details of amount involved (Treasury-wise) are shown below:

Table 2.1: Treasury-wise Treasury Suspense (Payment) for the FYs 2017-18 & 2018-19

| Sl. No. | Name of Treasury/Sub-Treasury | Amount involved (₹) |
|---------|-------------------------------|---------------------|
| 1 | Bomdila Treasury | 10,00,000 |
| 2 | Koloriang Sub-Treasury | 10,000 |
| 3 | Pasighat Treasury | 1,21,245 |
| 4 | Miao Sub-Treasury | 92,83,764 |
| 5 | Itanagar Treasury | 10,66,274 |
| 6 | Yingkiong Treasury | 1,26,000 |

| 1 | Naharlagun Treasury | 8,10,757 | |
| 2 | Ziro Treasury | 1,23,10,00,000 | |
| | Total | 1,23,18,10,757 | |

Table 2.2: Treasury-wise Treasury Suspense (Receipt) for the FYs 2017-18 and 2018-19

Due to non-receipt of vouchers in respect of expenditure given in the above table, huge amounts could not be classified under proper head of account and were kept under 8658-102 Suspense Account. As a result, complete picture of the accounts of the Government of Arunachal Pradesh was not reflected in the Annual Accounts prepared by this office.

It is recommended that the concerned Treasury Officers submit the Schedule of Payment, Vouchers, etc., or Certificate of Payment with detailed classification to the office of the Principal Accountant General, Arunachal Pradesh for classifying the amount to the Final Head at the earliest.

2.6 Non-submission of DCC Bills in respect of AC Bills

As per Central Treasury Rules 309 (Abstract Bill) – "A certificate shall be attached to every AC Bills to the effect that the Detailed Contingent Bills have been submitted to the Controlling Officer in respect of AC Bills drawn more than a month before the Date of that bill. On no account may an AC Bill be cashed without this certificate."

It was noticed that ₹4.14 crores against 53 AC bills are remaining outstanding as on 31st March, 2019. The wanting DCC bills range from 1 month to 1 year as per details given in Annexure- G. Treasury Officers should watch the submission of DCC bills by the Drawing and Disbursing Officers and should not honor any further AC bills until the DCC bills are received in respect of AC bills drawn previously.

It is recommended that the Treasury Officers take necessary steps to watch the timely submission of DCC bills by the Drawing and Disbursing Officers and not to honour any further AC bills until the DCC bills are received in respect of AC bills drawn previously as prescribed by the above mentioned Rule.

2.7 Outstanding Utilization Certificate

Para 16.9 (Chapter 16) of C&AGs Manual of Standing Orders (Accounts and Entitlement) Volume 1 states that in the case of unconditional grants, the Accountant General is in no way concerned with the manner in which the grant is utilized by the grantee. In the case of conditional grants, a formal utilization certificate about the proper utilization of the grant from

the administrative, technical and financial point of view should be furnished to the Accountant General (A&E) by the sanctioning authority.

Scrutiny of the records revealed that at the end of March 2019, the following Utilization Certificates involving ₹437.29 crore against the drawal under GIA were awaited:

Table 2.3: Outstanding Utilization Certificates as on 31.03.2019

| Year | Number of UCs awaited | Amount involved (₹ in crore) |
|---------|-----------------------|------------------------------|
| 2014-15 | 7 | 7.24 |
| 2015-16 | 17 | 12.35 |
| 2016-17 | 15 | 92.06 |
| 2017-18 | 26 | 325.64 |
| Total | 65 | 437.29 |

In the absence of Utilization Certificates, it could not be ascertained that the grant amount were actually utilized for the purpose for which they were sanctioned.

It is recommended that the Finance Department take necessary steps in accordance with the rules with all the concerned Drawing and Disbursing Officers so that the outstanding Utilization Certificates are furnished at an early date to the Principal Accountant General.

PART - 3

DEFECTS AND OTHER IRREGULARITIES NOTICED DURING INSPECTION OF LOCAL TREASURIES

3.1 Introduction

During the reporting period of 2017-18 and 2018-19, inspection of 8 (eight) Treasuries/Sub-Treasuries (Independent) were conducted as given in **Annexure-H**. Inspection Reports were issued to all the concerned Treasury Officers with a copy to the Deputy Commissioners of the Districts and the Director of Accounts and Treasuries, Arunachal Pradesh for early submission of replies.

3.2 Outstanding Inspection Reports and Paras

For the Financial Years 2017-18 and 2018-19, 124 paras were outstanding against 9 (nine) Inspection Reports. 31 paras for the period 2009-10 to 2016-17 were also outstanding against 3 (three) Inspection Reports. Treasury wise details of outstanding paras are given in **Annexure-I.**

The Director of Accounts and Treasuries, Govt. of Arunachal Pradesh, Itanagar has not furnished the reply of the Inspection Report issued during the FY 2014-15 to the Principal Accountant General, Arunachal Pradesh till the finalization of this report (28.12.2020).

Non-receipt of the compliance report of the Inspection from the Director of Accounts and Treasuries indicates that appropriate action against the paras as pointed out by the inspection team have not been carried out by the Director of Accounts and Treasuries, Govt. of Arunachal Pradesh, Itanagar. Outstanding paras also indicate that the concerned Treasury/Sub-Treasury have not taken appropriate actions against the paras as pointed out by the inspection team.

The Director of Accounts and Treasuries is requested to submit their compliance report after taking appropriate action on the observations and recommendations. All the concerned Treasuries and Sub-Treasuries may also be directed to take appropriate action on the observations and recommendations.

3.3 Expenditure incurred in excess of Budget allotment

On scrutiny of DDO wise expenditure statement against each Major Head of account maintained by Itanagar Treasury, excess expenditure were noticed against Major Heads 2202, 2015, 2055, 2056, 2235, 2401, 4055 and 4202 during the financial years 2015-16 and 2016-17. It was also noticed that on many occasions bills were passed without any budget provision. A few examples are given below:

In response, the Treasury Officer, Itanagar Treasury stated that the situation arose due to rush of bills in the fag end and closing day of Financial Years in question.

It is recommended that all the Treasury Officers/Sub-Treasury Officers should not pass any bills without any budgetary provision. Passing of bills in anticipation of receipt of fund is in violation of Rule 57 (3) of the General Financial Rules, 2017.

3.4 Improper keeping of challans/vouchers

As per provisions of Rule 69 of CTR, Vol-I, vouchers pertaining to each schedule relating to the Cash Accounts or the List of Payments shall be numbered consecutively in separate monthly series and kept under lock and key in the order of payment, till they are dispatched.

During scrutiny, it was observed that vouchers and challans were not kept under lock and key and the same were kept without chronological order in Seppa and Khonsa Treasuries. In Namsai Treasury, the vouchers and challans were kept without chronological order and challans receipt register was not closed monthly in Changlang Treasury.

3.5 LOC/LOA Register

In terms of Rule 168 (1) of CTR, Vol.-1, Letter of Credit or Assignment is issued in favour of a drawing officer, such letter of credit or assignment shall specify the maximum amount up to which the officer shall have authority to draw on the particular treasury on which the letter of credit or the assignment has been issued. The Treasury Officer is to maintain a register of LOC to record allotment of funds (DDO wise) and to watch the progress of expenditure against the grant to control and see that no bill is passed without allotment of fund.

However, it was noticed that Separate LOC/LOA Registers were not maintained by Itanagar Treasury.

It is recommended that the concerned Treasury Officers maintain a DDO-wise Budget Allotment Register to guard against any possible excess payment over grants.

3.6 Periodical Inspection not carried out by the Deputy Commissioner

In terms of Rule 70 of C.T.R. Vol.-I, every Collector/Deputy Commissioner shall make a systematic inspection of the working of the treasury once a year with the object of ensuring that the procedure actually observed at the treasury is in accordance with the rules and orders in all respects and that the accounts and other records are properly maintained.

It was, however, observed that no such regular inspection was carried out by the DCs in Itanagar, Roing and Seppa Treasuries during the reporting period. Details of years for which inspections were not done by the concerned DCs is given in **Annexure-J.**

In the absence of annual inspection of the Treasuries by the Dy. Commissioners of the Districts concerned, the latter are not in a position to ensure that the Treasuries are functioning as per the procedure prescribed by rules and orders and that the accounts and other records are maintained properly.

It is recommended that all the Treasuries request the Dy. Commissioners concerned to strictly follow the provisions of the rules in this regard and take up annual Treasury inspections.

3.7 Periodical reconciliation with DDOs

As per the provisions of GFR 52, every DDO should reconcile the figures booked in his office with the figures booked by the Treasury and communicate the same to the Controlling Officer for onward transmission to the Chief Controlling Officer, who will then reconcile the figures with those booked by the Accountant General.

In course of the inspection, it was noticed that the reconciliation with the DDOs was not done in the following Treasuries during the reporting period:

(i) Roing

(ii) Yingkiong

(iii) Itanagar

(iv) Namsai

(v) Seppa

(vi) Changlang

(vii) Daporijo

(viii) Khonsa

No files/registers related to periodical reconciliation with DDOs were maintained in the above mentioned Treasuries.

It is recommended that all the Treasury Officers take necessary steps to ensure reconciliation of monthly accounts with the concerned DDOs at regular intervals to avoid discrepancies with the departmental accounts and also to ensure the proper maintenance of the said registers as per prescribed rule and provision.

3.8 Irregularities in the maintenance of Service Book

As per FR 22, one increment equal to 3 *percent* of the pay will be computed and rounded off to the next multiple of 10. While rounding off, paise should be ignored but any amount a rupee or more should be rounded to next multiple of 10. This will be added to the existing pay in the pay band.

As per Rule 26 of CCS (Leave) Rules 1972, E.L credit will be afforded in advance at a uniform rate of 15 days on the 1st January and 1st of July every year. As per Rule 29 of CCS (Leave) Rules 1972, the half pay leave account of every Government servant (other than a military officer) shall be credited with half pay leave in advance, in two installments of ten days each on the first day of January and July of every calendar year. As per rule limiting the maximum of 300 days, where the balance at credit is 286-300 days, further advance credit of 15 days on 1st January/1st July will be kept separately and set-off against the EL availed of during that half-year ending 30th June/31st December

On scrutiny of the Service Books, it was revealed that the Service Books of some officials were not maintained and updated properly in Itanagar, Roing, Seppa, Namsai, Daporijo, Yingkiong and Khonsa Treasuries as summarized in **Annexure-K.**

Due to non-maintenance of service books as per codal provisions, problem may arise at the time of retirement of such officials if requisite information is not recorded with proper attestation for settlement of pension cases.

It is recommended that the concerned Treasury Officers rectify the irregularities and update the service books including the leave account of the staff of their establishments regularly. It is the responsibility of the head of the office to ensure that maintenance of service books of his staff is up-to-date

3.9 Observations on GPF maintenance

(i) GPF final payment and rate of interest thereof

As per the Resolution Nos. F.No. 5(1)-B(PD)/2013 issued by the Government of India, Ministry of Finance(Department of Economic Affairs), the interest rate of GPF for 2013-14 was fixed @ 8.7 percent per annum.

On scrutiny of records of Seppa Treasury, it was noticed that the interest rate was calculated @ 8.8 percent instead of calculating @ 8.7 percent in crediting the GPF accounts.

(ii) Non maintenance of General File of Nomination of GPF subscribers

As per Rule 6.2.2. (ii) and 6.2.3 under Chapter 6 of Civil Accounts Manual, the nomination of GPF subscribers shall be filed in a General File of Nomination and kept in the personal custody of the Officer-in-Charge of the Fund Section. At least once in 3 years, a physical verification of the nominations shall be conducted and a record of conduct of the verification will be kept in the General Index Register. Immediately after the final payment in each case, a record to that effect should be made on the nomination with the initials of Accounts Officer. All such nominations should be removed from the General File of Nominations and placed in a separate Guard File, in chronological order of payment.

In Seppa and Yingkiong Treasuries, it was noticed that no such General File and Index Register were maintained and no physical verification was conducted by the Officers-in-Charge.

(iii) GPF register

- (i) In Seppa Treasury, the GPF register of Group D staff was not updated. Entries were made only up to the end of FY 2016-17. No entries were made for the FY 2017-18. No certification of the no. of pages by the TO has been done.
- (ii) In Yingkiong Treasury, the GPF Register was not verified by the Treasury Officer after 29.02.2016. The Bill number and date was not found in the entry made against Sl. No. 84 (E.E., PWD Mariyang). Entries made against Sl. No. 5, Sl. No. 166 and Bill no. 382 dated 01.03.2013 (DDSE, Yingkiong) were found to be incomplete in the GPF Register.

- (iii) In Roing Treasury, the GPF Register was not bifurcated as 'Group-D' and 'other than Group-D'. The Register was not closed monthly and the consolidated monthly figures of GPF for 'Group-D' and 'other than Group-D' were not mentioned.
- (iv) On scrutiny it was found that GPF payment register was not maintained by Treasury Officer, Daporijo. Instead, only a file was available but there was no bifurcation for 'Group-D' and 'other than Group-D' employees.

It is recommended that the above observations pointed out may be attended to and corrective action taken at the earliest under intimation to the Principal Accountant General, Arunachal Pradesh.

3.10 Pension Cases

(i) Non maintenance of PPO/GPO register

As per Rule 329 (2) of CTR, the disburser's portions of the Pension Payment Orders shall be pasted in serial order in separate files, one for each class of pensions, such as service pensions, political pensions, foreign Government pensions etc. Moreover, as per CTR rule-336, each Disbursing Officer shall keep a register in Form T.R 36 of the Pension Payment Orders issued on his Office, which will serve as an index to the files of orders referred to in the sub rule (2) of rule 329 above.

However during inspection, the following irregularities were noticed:

- (i) Roing and Changlang Treasuries: Index in respect of PPOs (Form T.R. 36) was not maintained in the Treasury Office. The Pension Register was not closed monthly and pension amount of the Treasury was not shown separately in the Verified Datewise Monthly Statement (VDMS).
- (ii) Itanagar Treasury: Recorded all types of pension in the same register. Pensioners would be requested to furnish a life certificate once a year in the month of November. However, it was observed that Life certificate in respect of the Pensioner Shri Nagendra Kai, PPO No. Pen/AP/22393/12-13/1392/ 306-07, dated 18.06.13 was produced for the years 2014, 2015 and 2016 in the month of February 2014, January 2015 and January 2016 respectively.
- (iii) Seppa Treasury: It was revealed that the PPO register was not maintained as per prescribed format and no separate files were maintained for each class of pensions.

Treasury Officer is therefore, requested to take necessary steps to maintain separate registers for each class of pensioners and ensure timely submission of Life Certificates of the pensioners as per codal provisions under intimation to this office.

3.11 Register of Specimen Signature of DDOs and Guard File

As per Rule 172 and note below Rule 182 of Central Treasury Rules, Vol.-I, every Gazetted Officer who is authorized to draw cheques or sign or countersign bills payable at a treasury, shall send a specimen of his signature to the Treasury Officer through some superior or other officer

whose signature is already with the Treasury. The specimen signature so received by the Treasury Officer, should be carefully pasted in Guard File which must be kept in the personal custody of the Treasury Officer.

Scrutiny of records revealed that the file of specimen signature of DDOs was not maintained properly (no page and index nos., list and no. of DDOs not mentioned etc.) in the following Treasuries:

(i) Itanagar, (iii) Roing (iv) Changlang

It is recommended that all the Treasuries should ensure maintenance of names of the officers who are performing the duty of Drawing and Disbursing Officers along with their specimen signatures duly attested by appropriate authority.

3.13 Non-maintenance of Deposit Registers

As per Rule 614 of Central Treasury Rule, Vol-I, separate Registers must be kept for each class of deposits in accordance with the direction contained in this regard in the Account Code, Vol-II or under special instruction of the Accountant General.

However, during inspection it was noticed that no such separate registers for 8443-Civil Deposit and Lapse Deposit Register were found maintained by Yingkiong, Seppa, Namsai, Changlang and Itanagar Treasuries. In the absence of separate register for each class of deposits, there are chances of mixing up of figures from one class to another.

It is recommended that the Treasury Officers maintain separate registers for each class of deposits as per the prescribed rules.

3.14 Discrepancies noticed in the maintenance of Cash Book in Treasury Establishment

As per Rule 77 of the Central Treasury Rules, Vol-1, the cash book should be closed regularly and completely checked. The Head of the Office should verify the totalling of the cash book or have this done by some responsible subordinate other than the writer of the cash book and initial it as correct. At the end of each month, the Head of the Office should verify the cash balance in the cash book and record a signed and dated certificate to that effect.

Scrutiny of cash book revealed that:

- (i) In Seppa, Namsai, Changlang, Daporijo and Yingkiong Treasuries, dated certification of the monthly closing of the Cash Book was not done by the Treasury/Sub-Treasury Officers.
- (ii) In Itanagar and Roing Treasuries, Cash books were not closed monthly as well as annually.
- (iii) Certification regarding no. of pages in the Cash Book was not done in Roing Treasury and month and year was not entered in some of the pages of the Cash Book in Changlang Treasury.

It is recommended that the Treasury Officers review the cash books and necessary corrections may be carried out under proper authentication under intimation to the Principal Accountant General, Arunachal Pradesh.

3.16 Contingent Bill register

On scrutiny of the Treasury Establishment Bill registers such as DTE, LTC and Medical Reimbursement it was noticed that:

- (i) **Daporijo Treasury:** The Contingent Bill register was not closed monthly and a monthly total of the expenditure was not mentioned. Fund allotment letter/order was not found in the register. Progressive expenditure against budget allotment and the balance amount was not shown.
- (ii) Khonsa Treasury: LTC was sanctioned twice in the block year 2012-13 in r/o Shri M.K. Dey, Acctt. amounting to ₹8,288/- vide bill no. 01/LTC/NP/117 and ₹12,600/- vide bill no. 01/LTC/2014/NP/67. Progressive expenditure against budget allotment and the balance amount was not shown for LTC, TA etc. during the financial year 2013-14 and 2014-15.
- (iii) Roing Treasury: Budget allotment copy was not enclosed with the Leave Travel Concession/Travel Expenses/Medical Reimbursement register and Charges/Other Expenditure register. Leave Travel Concession/Travel Expenses/Medical Reimbursement register was also used to record GPF.

It is recommended that all the Treasury Officers should close the Contingent bill registers monthly and attach all the relevant fund allotment copies to ensure budget compliance. Separate registers should be utilized for separate items like LTC, TA, Medical, GPF etc.
