As of November 2014, the PAC had published 32 Reports excluding one Report on spot visit and seven Reports on regularisation of excess expenditure. These Reports altogether contained 1434 recommendations based on the examination of Audit Reports by the PAC. In respect of 10 Reports (1st Report to 10th Report) of the PAC containing 518 recommendations and 11 Reports (21st to 37th Report, excluding five Reports (excess regularisation) and one Report (Spot visit) containing 219 recommendations, the Action Taken Notes (ATN) had been received and the PAC had published its subsequent reports on the ATN. Of the remaining 697 recommendations, no ATNs were received.

6.3 Monitoring of Audit Observations

The following committees had been formed at the Government level to monitor the follow up action on audit related matters:

Departmental Audit and Accounts Committees: Departmental Audit and Accounts Committees (DAAC) had been formed (January 2010) by all Departments of the State Government under the Chairmanship of the concerned Departmental Administrative Secretary to monitor the follow up action on Audit related matters. The function of the DAACs were to monitor the progress in disposal of the outstanding audit paras and Inspection Reports issued by the Accountant General and to review and supervise the working of the Departmental Audit and Accounts Sub-Committees constituted. The DAACs were to hold meeting once in three months. During 2013-14, meetings of the Departmental Audit and Accounts Sub-Committee (DAAC) were held during September to December 2013 where 300 paras were settled.

State Audit and Accounts Committee: State Audit and Accounts Committees (SAAC) had been formed (January 2010) at the State Level under the Chairmanship of the Chief Secretary to monitor the progress in disposal of outstanding audit objections and pending Inspection Reports and to review and oversee the working of the Departmental Audit and Accounts Committee (DAAC). The SAAC was to meet once in six months. During 2013-14, no meeting of the SAAC was held.

6.4 Response to Audit Observations and outstanding Inspection Reports

The Principal Accountant General (Audit), Manipur arranges to conduct periodical inspections of Government Departments to test-check transactions and verify the maintenance of accounts and other records according to prescribed rules and procedures. When important irregularities detected during the inspections are not settled on the spot, Inspection Reports (IRs) are issued to the Heads of the concerned Offices with a copy to the next higher authority.

As of November 2014, 2202 Inspection Reports issued from 2003-04 onwards were outstanding for settlement. Even the initial replies, which were required to be received from the Heads of Offices of the Government Departments within four weeks from the date of issue of IRs were not received from the Departments.

It is recommended that the Government may review the matter and ensure that an effective system exists for: (a) sending replies to the Audit office within the prescribed time schedule; (b) recovering losses/outstanding advances/overpayments in a time bound manner and (c) promptly sending response to audit observations.
