Preface		vii
Overview		ix
Chapter I Introduction		
Budget Profile	1.1	1
Application of resources of the State Government	1.2	1
Grants-in-aid from Government of India	1.3	2
Planning and conduct of audit	1.4	2
Lack of responsiveness of Government to Inspection Reports	1.5	2
Response of Government to significant audit observations	1.6	3
Follow-up on Audit Reports	1.7	4
Recoveries at the instance of Audit	1.8	4
Status of placement of Separate Audit Reports of Autonomous Bodies in the State Assembly	1.9	5
Chapter II Performance Audits		
<i>Farmer Welfare and Agriculture Development Department</i>		
Implementation of National Food Security Mission	2.1	7
<i>Water Resources Department</i>		
Implementation of Madhya Pradesh Water Sector Restructuring Project	2.2	42
Chapter III Compliance Audits		
<i>Public Works Department</i>		
Audit on preparation of estimates of road works	3.1	75
<i>Farmer Welfare and Agriculture Development Department</i>		
Audit on Crop Insurance Scheme	3.2	91
Audit Paragraphs	3.3	
<i>Co-operation Department</i>		
Extra cost due to acceptance of higher rate of tenders for transportation	3.3.1	109
<i>Forest Department</i>		
Short realisation of Net Present Value	3.3.2	110
Irrecoverable loss to the Government	3.3.3	112
<i>Narmada Valley Development Department</i>		
Violation of procedure	3.3.4	112
Irregular grant of mobilisation advance and short recovery of penalty from the contractor	3.3.5	114
Excess payment of price escalation	3.3.6	116
Extra cost due to incorrect provision and	3.3.7	117

TABLE OF CONTENTS		
	Paragraph number	Page number
execution of Cement Concrete lining		
<i>Public Works Department</i>		
Unauthorised payment due to execution of excess thickness of Crusher Run Macadam	3.3.8	119
Extra cost due to fixation of higher rate in Schedule of Rates	3.3.9	120
<i>Water Resources Department</i>		
Financial Irregularities in execution of Khan River diversion project under Simhastha-2016	3.3.10	122
Excavated hard rock not accounted for in Material at Site account	3.3.11	124
Inadequate estimation and poor planning led to infructuous expenditure	3.3.12	125
Excess payment of lead for sand in cement concrete work	3.3.13	127
Extra cost due to preparation of incorrect clubbed rate	3.3.14	129
Extra cost due to incorrect adoption of rates for cohesive non-swelling soil	3.3.15	131
Avoidable extra cost due to execution of tamping in canal	3.3.16	132

Appendices		
Appendix No.	Details	Page Number
1.1 A and B	Statement showing year-wise break-up of outstanding Inspection Reports (IRs) as of 30 th June 2016	135
2.1	Statement showing the test checked NFSM districts under different crops	137
2.2	Statement showing production yield of Rice in the State and NFSM District	138
2.3	Statement showing production yield of Wheat in the State and NFSM District	139
2.4	Statement showing details of samples sent for quality check and status of their results therein during 2014-15 and 2015-16	141
2.5	Statement showing targets and achievements of Rice, Wheat and Pulse Demonstration Centre in the state as a whole and selected districts during 2012-13 to 2015-16	142
2.6	Statement showing the number of demonstrations held and the number of demonstrations held on cropping system in the test checked districts	143
2.7	Statement of targets and achievements of Distribution of Micronutrient in Rice intervention in the state as a whole and selected District during 2012-13 to 2015-16	144
2.8	Statement of targets and achievements of Distribution of Micronutrient in wheat intervention in the state as a whole and selected District during 2012-13 to 2014-15	145
2.9	Statement of targets and achievements of Distribution of Micronutrient in Pulse intervention in the state as a whole and selected District during 2012-13 to 2015-16	146
2.10	Statement showing year-wise name of Districts where Nutrient management/Soil Ameliorants and Plant Protection items were not distributed	147
2.11	Statement showing year-wise name of Districts where financial achievement shown as zero corresponding to physical achievement of Nutrient management/Soil Ameliorants and Plant Protection items	148
2.12	Statement showing targets and achievements of distribution of IPM in Pulse intervention in the state as a whole and selected District during 2012-13 to 2015-16	149
2.13	Statement showing excess payment of subsidy in sprinkler intervention in two districts during 2012-13 to 2014-15	150
2.14	Statement showing excess payment in pipe for carrying water from source to field during 2012-13 to 2014-14 in 14 Districts	150
2.15	Statement showing targets and achievements of Farmers Field School/Crop based training in the state as whole and selected districts during 2012-13 to 2015-16	151

Appendices		
Appendix No.	Details	Page Number
2.16	Statement showing targets and achievements of Intervention selected in Local initiative Paddy in the state as a whole and selected District during 2012-13 to 2015-16	152
2.17	Statement showing targets and achievements of Intervention selected in Local initiative Wheat in the state as a whole and selected District during 2012-13 to 2015-16	152
2.18	Statement showing targets and achievements of Intervention selected in Local initiative pulse in the state as a whole and selected District during 2012-13 to 2015-16	153
2.19	Statement showing District-wise/Year-wise position of amount lapsed or surrendered	154
2.20	Statement showing difference in NFSM Account as per Pass book against Cash book	155
2.21	Statement showing details of funds allotted and utilisation thereof by districts not identified under NFSM during the 12 th FYP	155
2.22	Statement showing Scheme wise delay in start of work after clearance of Scheme Modernisation Plans (SMPs)	156
2.23	Statement showing execution of CC lining in excess of provisions in Scheme Modernisation Plans (SMPs)	163
2.24	Statement showing irregular expenditure due to adoption of richer specifications	164
2.25	Statement showing excess payment to the contractors on account of trimming of earthwork	165
2.26	Statement showing extra cost due to inclusion of excess lead for Black Trap (BT) metal	167
2.27	Statement showing extra cost due to adoption of rates of earthwork for new works instead of rates for maintenance and repair	168
2.28	Statement showing non-deduction of Additional Security Deposit	169
2.29	Statement showing non/short levy of liquidated damages	171
2.30	Statement showing non-observance of royalty charges	172
2.31	Statement showing details of insurance of works	173
2.32	Statement showing non-deduction of shrinkage allowance	175
2.33	Statement showing undue financial aid to the contractors for core tests	176
2.34	Statement showing undue financial aid to the contractors for non-conforming core test results	177
3.1	Statement showing details of survey and investigation in test checked estimates of road works	179
3.2	Statement showing cost impact due to increase or	186

Appendices		
Appendix No.	Details	Page Number
	decrease of earth work (E/W) and excavation	
3.3	Statement showing extra cost due to adoption of costlier item of Wet Mix Macadam in place of Water Bound Macadam	189
3.4	Statement showing delay and extra cost due to inadequate provision of forest clearance, land acquisition Statement showing delay and extra cost due to inadequate provision of utility shifting in the estimates	191
3.5	Statement showing items of road furniture not included in original estimate Statement showing items of road furniture not executed even provisioned in original estimate	193
3.6	Statement showing provision and execution of richer specifications without ensuring its necessity	197
3.7	Statement showing adoption of richer/below specifications due to incorrect computation of crust	198
3.8	Statement showing provision and execution of richer specifications due to incorrect adoption of crust composition	200
3.9	Statement showing provision and execution of below specifications due to incorrect adoption of crust composition	202
3.10	Statement showing extra cost due to provision and execution of Granular Sub-Base (GSB) in excess thickness	203
3.11	Statement showing unwarranted expenditure of drainage layer below shoulder not executed or executed in lesser thickness of hard shoulder	204
3.12	Statement showing deviation in road length with comparison of estimated length	206
3.13	Statement showing extra cost due to non-inclusion/less inclusion of cement concrete road in the estimate	208
3.14	Statement showing coverage of non-loanee farmers	210
3.15	Statement showing <i>Patwari Halkas</i> of more than 100 ha crop area were not notified	211
3.16	Statement showing sown area of notified crop was less than 100 ha	212
3.17	Statement showing delay in disbursement of claims	213
3.18	Statement showing excess payment of Seasonal Agriculture Operations (SAO) loan over Scale of Finance	214
3.19	Statement showing financial institutions insured unsown area	215
3.20	Statement showing NPV from user agencies short/not realised	216

Appendices		
Appendix No.	Details	Page Number
3.21	Statement showing short realisation of NPV due to application of incorrect rates	216
3.22	Statement showing short realisation of NPV due to application of incorrect rates	217
3.23	Statement showing irrecoverable loss to the Government	217
3.24	Statement showing calculation of price escalation for POL at Barwaha (Agreement No.15/2010-11)	218
3.25	Statement showing calculation of price escalation for POL at Barwaha (Agreement No. 16/2010-11)	219
3.26	Statement showing details of clubbed rate prepared by the Department and clubbed rate payable in WRD Shajapur	220
3.27	Statement showing details of clubbed rate prepared by the Department and clubbed rate payable in WRD Manawar	221
3.28	Statement showing the details of extra cost due to incorrect application of rates of CNS soil	222
3.29	Statement showing the details of extra cost due to execution of irregular item of tamping in canal works	223
