

Appendix - 4
Glossary of Terms

Sl. No.	Terms	Description
1	State Implementing Agency	State Implementing Agency includes any Organisations/Institutions including Non-Governmental Organisation which is authorized by the State Government to receive the funds from the Government of India for implementing specific programmes in the State e.g. State Implementation Society for SSA and State Health Mission for NRHM etc.
2	GSDP	GSDP is defined as the total income of the State or the market value of goods and services produced using labour and all other factors of production at current prices
3	Buoyancy ratio	Buoyancy ratio indicates the elasticity or degree of responsiveness of fiscal variable with respect to a given change in the base variable. For instance, revenue buoyancy at 0.6 implies that revenue receipts tend to increase by 0.6 percentage points, if the GSDP increases by <i>one per cent</i>
4	Internal Debt	Comprising mainly Market Loans and Special Securities issued to the National Small Savings Fund (NSS) by the State Government.
5	Core Public and Merit goods	Core public goods are which all citizens enjoy in common in the sense that each individual's consumption of such a good leads to no subtractions from any other individual's consumption of that good, e.g. enforcement of law and order, security and protection of our rights; pollution free air and other environmental goods and road infrastructure etc. Merit goods are commodities that the public sector provides free or at subsidized rates because an individual or society should have them on the basis of some concept of need, rather than ability and willingness to pay the government and therefore wishes to encourage their consumption. Examples of such goods include the provision of free or subsidized food for the poor to support nutrition, delivery of health services to improve quality of life and reduce morbidity, providing basic education to all, drinking water and sanitation etc.

Sl. No.	Terms	Description
6	Development Expenditure	The analysis of expenditure data is disaggregated into development and non development expenditure. All expenditure relating to Revenue Account, Capital Outlay and Loans and Advances is categorized into social services, economic services and general services. Broadly, the social and economic services constitute development expenditure, while expenditure on general services is treated as non-development expenditure.
7	Debt sustainability	The Debt sustainability is defined as the ability of the State to maintain a current debt-GDP ratio over a period of time and also embodies the concern about the ability to service its debt. Sustainability of debt, therefore, also refers to sufficiency of liquid assets to meet current or committed obligations and the capacity to keep balance between costs of additional borrowings with returns from such borrowings. It means that rise in fiscal deficit should match with the increase in capacity to service the debt.
8	Sufficiency of Non-debt receipts (Resource Gap)	Adequacy of incremental non-debt receipts of the State to cover the incremental interest liabilities and incremental primary expenditure. The debt sustainability could be significantly facilitated if the incremental non-debt receipts could meet the incremental interest burden and the incremental primary expenditure
9	Net availability of borrowed funds	Defined as the ratio of the debt redemption (Principal + Interest Payments) to total debt receipts and indicates the extent to which the debt receipts are used in debt redemption indicating the net availability of borrowed funds.
10	Non debt receipts	Adequacy of incremental non-debt receipts of the State to cover the incremental interest liabilities and incremental primary expenditure. The debt sustainability could be significantly facilitated if the incremental non-debt receipts could meet the incremental interest burden and the incremental primary expenditure.
11	Net Debt Available	Excess of Public Debt receipts over Public Debt repayment and Interest payment on Public Debt.
