Chapter-III: Urban Local Bodies		
An Overview of the functioning of the Urban Local Bodies in the State	3.1	17
Accountability framework and Financial Reporting issues	3.2	23
PART - II		
Performance Audit		
Performance Audit of Solid Waste Management in Urban Local Bodies		
Chapter-I: Introduction		
Definition and Characteristics of Solid Waste	1.1	25
Process of Solid Waste Management	1.2	26
Framework for administration and management of Solid Waste	1.3	26
Organisational setup	1.4	27
Duties and Responsibilities of the State Government, State Pollution Control Board and Urban Local Bodies in the implementation of Solid Waste Management activities	1.5	29
Audit Objectives	1.6	30
Audit Criteria	1.7	30
Audit Sample and Scope	1.8	30
Audit Methodology	1.9	31
Acknowledgement	1.10	32

Description	Reference to	
	Paragraph	Page
Chapter-II: Strategy and Planning of Solid Waste Management		
State Policy and Solid Waste Management Strategy	2.1	33
Strategy for implementation of 3R approach	2.2	36
Municipal Solid Waste Management Plan	2.3	38
Preparation of contingency plans	2.4	39
Involvement of all stakeholders in planning	2.5	39
Generation and Assessment of Solid Waste	2.6	40
Service Level Benchmarks	2.7	44
Allocation of responsibility and accountability of Urban Local Bodies	2.8	47
Capacity building	2.9	50
Conclusion	2.10	51
Recommendations	2.11	51
Chapter-III: Financial management		
Assessment of requirement of funds for effective management of Solid Waste	3.1	52
Loss of Central Assistance	3.2	54
Levy and collection of user charges for Solid Waste Management	3.3	55
Short collection of user charges from Railway authorities	3.4	57
Arrears in collection of Tipping Fee	3.5	58
Conclusion	3.6	59
Recommendations	3.7	59
Chapter-IV: Segregation, Collection and Transportation of Municipal Solid Waste		
Segregation	4.1	60
Collection	4.2	67
Transportation of Solid Waste	4.3	72
Contract Management with the Concessionaire	4.4	86
Conclusion	4.5	88
Recommendations	4.6	88
Chapter-V: Processing and Disposal of Municipal Solid Waste		
Processing of Municipal Solid Waste	5.1	89
Waste processing & treatment technology	5.2	93

Description	Reference to	
	Paragraph	Page
Disposal of Municipal Solid Waste	5.3	101
Good practices noticed	5.4	113
Conclusion	5.5	116
Recommendation	5.6	116
Chapter-VI: Construction and Demolition waste		
State Policy for Construction & Demolition waste management	6.1	117
Status of generation of Construction & Demolition waste	6.2	117
Identification of site for disposal of Construction & Demolition waste and setting up processing units	6.3	118
Non-operation of Construction & Demolition waste processing plants to full capacity-Stockpiling of unprocessed Construction & Demolition waste in Greater Hyderabad Municipal Corporation	6.4	120
Increase in unclaimed Construction & Demolition waste due to ineffective monitoring and enforcement	6.5	122
Utilisation of collected Construction & Demolition waste by the Concessionaire for site development without processing and without permission of Greater Hyderabad Municipal Corporation	6.6	124
Penalties levied on unauthorised/ dangerous transportation and dumping of Construction & Demolition waste	6.7	125
