

## TABLE OF CONTENTS

Content	Paragraph number	Page number
<b>Preface</b>		v
<b>Executive Summary</b>		vi
<b>CHAPTER I</b>		
<b>Introduction</b>		
Introduction to mineral resources	1.1	1
Framework for Governance and Management of mineral resources	1.2	2
Role of Mineral Resources Department	1.3	3
Organisational set-up	1.4	3
Trend of revenue receipts	1.5	4
Audit Objectives	1.6	5
Audit Criteria	1.7	6
Audit Scope and Methodology	1.8	6
Acknowledgement	1.9	7
<b>CHAPTER II</b>		
<b>System and controls to curb illegal mining activities</b>		
Mechanism to regulate the mining activities	2.1	9
Maintenance of comprehensive database of quarry leases	2.1.1	10
Absence of mine boundary pillars/ demarcations	2.1.2	11
Maintaining buffer zones	2.1.3	12
Monthly returns of quarry leases	2.1.4	13
Usage of minor minerals in private/ Government construction works	2.1.5	13
Establishment and functioning of check posts	2.1.6	15
Issue of storage permits to applicants not complying with norms of Pollution Control Board	2.1.7	17
Levy of penalty against illegal mining/ transportation/ storage of minor minerals	2.1.8	17
Inspections/ monitoring of mining activities	2.1.9	18

District Task Force	2.1.10	20
Central Flying Squad	2.1.11	21
Implementation of other control measures for minor minerals	2.2	21
GPS based vehicles tracking system	2.2.1	21
E-permit system for transportation of minor minerals	2.2.2	22
Grievance handling system	2.3	22
<b>CHAPTER III</b>		
<b>Adoption of advanced technologies to curb illegal mining</b>		
Introduction to advanced technologies	3.1	25
Non-implementation of Mining Surveillance System for minor mineral leases	3.1.1	25
Findings on the basis of application of Geographic Information System (GIS)	3.1.2	26
Audit analysis of quarry leases using Drone Survey	3.1.3	32
<b>CHAPTER IV</b>		
<b>Control over leakage of revenue in sand mining</b>		
Management of sand mining	4.1	41
Sand mining	4.1.1	41
Granting of removal permits for transportation of huge quantity of illegally mined <i>murrum</i>	4.1.2	45
<b>CHAPTER V</b>		
<b>District Mineral Foundation Trusts (DMFT)</b>		
Introduction to DMFTs	5.1	49
Collection, management and utilisation of funds under DMFTs	5.2	50
Loss of interest due to non- availing of sweep/flexi deposit facility	5.2.1	51
Expenditure from the Trust Fund in violation of the directives of the Government	5.2.2	52
Non-recovery of unspent funds from the implementing agencies	5.2.3	53
Execution of works from the DMFTs Fund	5.3	53

Identification of mining affected areas and persons	5.3.1	54
Delay in completion of works	5.3.2	56
Monitoring and control	5.4	56
Meetings of Governing Council/ Managing Committee	5.4.1	57
Preparation of Master Plan/ Vision Document	5.4.2	57
Preparation of Budget, Annual Plan and Annual Report	5.4.3	58
Preparation of Quarterly Progress Reports	5.4.4	59
Hosting / uploading of desired information on DMFT Website	5.5	60

<b>Appendices</b>		
<b>Appendix Number</b>	<b>Title</b>	<b>Page Number</b>
1	Method adopted by the consultant for Estimation of volume	61
2	District-wise details showing short levy of penalty against illegal mining	62
3	Short levy of penalty against illegal transportation	62
4	Details of transportation of sand against environmental clearance	63
5	Details of removal permits of <i>murrum</i>	63
6	Year wise details of funds available and funds released from Trust Fund	64
7	Loss of interest due to non- availing of sweep/flexi deposit/multi option deposit facility in bank account	66
8	Expenditure incurred from Trust Fund in violation to the directives of the Government	66
9	Non-recovery of unspent funds from implementing agencies	67
10	Year wise details of works taken up by DMFTs	68
