

## TABLE OF CONTENTS

Particulars	Reference to	
	Paragraph No.	Page No.
<b>Preface</b>		xi
<b>Executive Summary</b>		xiii-xviii
<b>Chapter-I Introduction</b>		
<b>Brief snapshot of the Chapter</b>		1
Introduction	1.1	1
Healthcare funding	1.1.1	2
Per Capita health expenditure	1.1.2	3
Out of pocket expenditure	1.1.3	4
Physical infrastructure	1.1.4	5
Human resources	1.1.5	5
Health Indicators	1.1.6	6
Organisational set-up	1.2	9
Audit Objectives	1.3	9
Audit Criteria	1.4	9
Audit Scope and Methodology	1.5	10
Sampling	1.5.1	11
Consideration of Ayushman Bharat in this report	1.6	11
About the report	1.7	12
Entry and Exit Conferences and response of the Government	1.8	13
Acknowledgement	1.9	13
<b>Chapter-II Human Resources</b>		
<b>Brief snapshot of the Chapter</b>		15
Introduction	2.1	15
Assessment of human resources	2.2	15
Norms for allocation of human resources	2.2.1	19
Region-wise allocation of doctors	2.3	20
Human resources in Tertiary level hospitals	2.4	22
Human resources in test-checked Medical Colleges	2.4.1	23
Human resources in Primary and Secondary level facilities	2.5	24
Human resources in test-checked District Hospitals	2.5.1	24
Shortage of specialist doctors	2.5.2	26
Community Health Centers	2.5.3	27
Primary Health Centers	2.5.4	28
Sub Centers	2.5.5	30
Health and Wellness Centre	2.5.6	30
Human resources under NHM	2.6	31
Assessment of vacancies	2.7	31
Delays in recruitment processes	2.7.1	32
Training	2.8	33
State Institute of Health and Family Welfare	2.8.1	33

Particulars	Reference to	
	Paragraph No.	Page No.
Training for human resources of Medical Education and Training	2.8.2	34
Recommendations		35
<b>Chapter-III Healthcare Services</b>		
<b>Brief snapshot of the Chapter</b>		37
Introduction	3.1	38
Line services	3.2	38
Out-Patient Department	3.2.1	39
Evaluation of Out-Patient Services	3.2.1.1	41
OPD cases per doctor	3.2.1.2	41
Consultation time per patient	3.2.1.3	41
Registration facility	3.2.1.4	42
Patients load on each registration counter	3.2.1.5	42
Waiting time for registration	3.2.1.6	43
In-patient Department	3.2.2	43
Patient load in IPD	3.2.2.1	43
Bed occupancy rate	3.2.2.2	44
Availability of IPD services	3.2.2.3	45
Super Specialty (Operation Theatre and Intensive Care Unit)	3.2.3	47
Operation Theatre services	3.2.3.1	47
Intensive Care Unit services	3.2.3.2	50
Maternity Services	3.2.4	52
Blood Bank	3.2.5	53
Validation of test reports	3.2.5.1	53
Expiration of blood components	3.2.5.2	54
Display of blood groups and schedule of charges	3.2.5.3	54
Diagnostic services	3.2.6	55
Support services	3.3	57
Dietary services	3.3.1	57
Availability of dietary services	3.3.1.1	57
Availability of diet registers and their supervision	3.3.1.2	57
Availability of dietician/nutritionist	3.3.1.3	58
Quality tests	3.3.1.4	58
Laundry services	3.3.2	58
Operation and Management of Ambulance Service-108	3.3.3	59
Mortuary services	3.3.4	63
Auxiliary services	3.4	65
Cleaning services	3.4.1	65
Infection Control	3.4.2	70
Grievance Redressal System	3.4.3	72
Display of availability of services	3.4.3.1	73
Recommendations		73

Particulars	Reference to	
	Paragraph No.	Page No.
<b>Chapter-IV</b>		
<b>Availability of Drugs, Medicines, Equipment and Other Consumables</b>		
<b>Brief snapshot of the Chapter</b>		75
Introduction	4.1	76
Drug Procurement Policy and Framework	4.2	76
Mechanism of raising demand	4.3	77
Demand and Supply of drugs	4.3.1	78
Demand and supply of drugs in test-checked District Hospitals managed by UPMSCL	4.3.1.1	79
Essential drug list (EDL)	4.4	79
Revision of EDL	4.4.1	79
Procurement of EDL drugs	4.4.2	80
Availability of selected drugs in test-checked hospitals	4.4.3	81
Contract management for procurement of drugs	4.5	84
Tender notifications to pharmaceutical manufacturing associations	4.5.1	84
Invitation of tender on short term notices	4.5.2	84
Alternative procurement	4.5.3	84
Short submission of performance security	4.5.4	85
Rate contracts of EDL drugs	4.5.5	85
Rate contract of non-EDL drugs	4.5.6	86
Good Manufacturing Practice inspection of firms	4.5.7	86
Testing and Handling Charges	4.5.8	87
Short supply of drugs by firms	4.6	87
Delayed supply of drugs	4.7	88
Shelf life of drugs	4.8	89
Expiration of drugs	4.9	90
Standard operating procedure for expired drugs	4.9.1	91
Disposal of expired drugs	4.9.2	92
Quality control of drugs	4.10	92
Inspection and empanelment of the laboratories	4.10.1	92
Sample tests of drugs	4.10.2	93
Quality tests of EDL and Non-EDL	4.10.3	94
Delays in furnishing quality test reports	4.10.4	94
Not of Standard Quality (NSQ) Drugs	4.10.5	95
Quality tests by drug inspectors	4.10.6	97
Disposal of NSQ drugs	4.10.7	98
Supply chain management	4.11	98
Refusal to accept drugs by consignee	4.11.1	100
Storage of drugs	4.11.2	100
Availability of consumables	4.12	102
Status of stock-out of consumables	4.12.1	102
Implementation of Drugs and Vaccines Distribution Management System	4.13	104
District Drug warehouse module	4.13.1	105

Particulars	Reference to	
	Paragraph No.	Page No.
Finance module	4.13.2	105
Procurement module	4.13.3	105
Sub-store and drug distribution centre module	4.13.4	106
Logistics module	4.13.5	106
Implementation of DVDMS up to end user level	4.13.6	106
Grievances redressal mechanism in UPMSCCL	4.14	107
Availability of equipment in public health	4.15	107
Procurement and Management of equipment	4.15.1	107
Essential Equipment List	4.15.1.1	108
Management of demands and supplies of equipment through offline mode	4.15.1.2	108
Procurement of equipment	4.15.1.3	108
Wide publicity for NIT	4.15.1.4	108
Earnest Money Deposit	4.15.1.5	109
Non-production of documents to audit	4.15.1.6	109
Inordinate delays in execution of agreement	4.15.1.7	110
Issuance of purchase order before execution of agreement	4.15.1.8	110
Short deposit of performance security	4.15.1.9	111
Availability of equipment	4.15.2	111
IPD equipment	4.15.2.1	111
OT equipment	4.15.2.2	112
ICU equipment	4.15.2.3	113
Equipment for labour room	4.15.2.4	114
Laboratory equipment	4.15.2.5	115
Radiology equipment	4.15.2.6	116
Availability of equipment in PHCs	4.15.2.7	118
Oxygen generation plants	4.15.2.8	119
Idle equipment	4.15.3	120
Recommendations		121
<b>Chapter-V Healthcare Infrastructure</b>		
<b>Brief snapshot of the Chapter</b>		123
Healthcare infrastructure	5.1	123
Standardisation of infrastructure norm for public health	5.2	124
Availability of public hospitals	5.3	124
Requirement and availability of CHCs, PHCs and SCs	5.3.1	125
Augmentation of healthcare infrastructure	5.4	127
Construction of Primary and secondary level hospitals	5.4.1	128
Construction of Tertiary level hospitals	5.4.2	130
Penalty not imposed for delays in construction works	5.4.3	131
Construction of trauma centres	5.4.4	131
Construction of health and wellness centres	5.4.5	133
Construction of maternal and child health wing hospitals	5.4.6	134
Establishment of geriatric ward	5.4.7	135

Particulars	Reference to	
	Paragraph No.	Page No.
Construction of burn unit	5.4.8	136
Installation of firefighting system	5.4.9	136
Upgradation of secondary level hospitals to tertiary level hospitals	5.5	137
Lack of availability of required infrastructure in healthcare facilities	5.6	138
Hospital building and its premises	5.6.1	138
Condition of building	5.6.1.1	138
Registration counter	5.6.1.2	142
Waiting and seating arrangement	5.6.1.3	142
Doctors' chambers for clinical services	5.6.1.4	144
Dressing/Injection rooms	5.6.1.5	145
Availability of pharmacy (drug distribution counter)	5.6.1.6	145
Basic amenities	5.6.1.7	146
Availability of IPD wards	5.6.1.8	146
Sub-centres	5.6.1.9	151
Barrier free access	5.6.1.10	151
Recommendations		151
<b>Chapter-VI</b>		
<b>Financial Management</b>		
<b>Brief snapshot of the Chapter</b>		153
Introduction	6.1	153
Budget provisions vis-a-vis expenditure	6.2	154
Funds not utilized	6.2.1	156
Major components of healthcare expenditure	6.2.2	158
National Health Mission funds	6.2.3	160
Adequacy of healthcare funding	6.3	161
Insufficient budgetary expenditure on health	6.3.1	161
Insufficient share of healthcare expenditure in GSDP	6.3.2	162
Non-observance of financial propriety	6.4	163
Lapsed budget	6.4.1	163
Irregular withdrawal of advances from treasury	6.4.2	164
Recommendations		165
<b>Chapter-VII</b>		
<b>Implementation of Centrally Sponsored Schemes</b>		
<b>Brief snapshot of the Chapter</b>		167
Janani Suraksha Yojana	7.1	167
Irregular payments in Janani Suraksha Yojana	7.1.1	168
Early discharge of pregnant women from hospitals	7.1.2	169
Immunization of children	7.2	169
Implementation of immunization programme in Uttar Pradesh	7.2.1	170
Implementation of dose-wise immunization programme	7.2.2	170

Particulars	Reference to	
	Paragraph No.	Page No.
National Urban Health Mission	7.3	171
City mapping under NUHM	7.3.1	171
Availability of UCHCs and UPHCs	7.3.2	172
Outreach services and Orientation Workshop of NUHM	7.3.3	172
Family Welfare Scheme	7.4	173
Achievements under sterilization and spacing method	7.4.1	173
Compensation to sterilization acceptors	7.4.2	174
Delay in settlement of claims under Family Planning Indemnity Scheme	7.4.3	175
National Mental Health Programme	7.5	176
Utilization of funds under National Mental Health Programme	7.5.1	176
Implementation of National Mental Health Programme	7.5.2	176
Availability of NMHP drugs in selected health institutions	7.5.3	177
<i>Kayakalp</i> programme	7.6	178
National Quality Assurance Programme	7.7	179
National Tobacco Control Programme	7.8	181
National Programme for Control of Blindness and Visual Impairment	7.9	182
National Programme for Healthcare of the Elderly	7.10	183
Recommendations		184
<b>Chapter VIII</b>		
<b>Adequacy and Effectiveness of the Regulatory Mechanisms</b>		
<b>Brief snapshot of the Chapter</b>		185
Introduction	8.1	185
Bio-medical Waste	8.1.1	186
Disposal of the Bio-Medical Waste	8.1.1.1	186
Presence of stray animals in hospital premises	8.2	187
Fire safety	8.3	188
Clinical Establishments Act	8.4	189
Blood bank licenses	8.5	190
Compliance with Radiation Protection Rules	8.6	190
Recommendations		191
<b>Chapter-IX</b>		
<b>Sustainable Development Goal -3</b>		
<b>Brief snapshot of the Chapter</b>		193
Introduction	9.1	193
Resource mobilisation	9.2	194
Mobilisation of financial resources	9.2.1	194
Mobilisation of human resources	9.2.2	195
Performance indicators	9.3	196
Maternal mortality rate	9.3.1	196
Institutional delivery	9.3.2	196

Particulars		Reference to	
		Paragraph No.	Page No.
Neo-natal Mortality Rate, Infant Mortality Rate and Under 5 Mortality Rate		9.3.3	197
Sex ratio at birth		9.3.4	198
Immunisation of 9-11 months old children		9.3.5	198
Recommendations			199
Appendices			
Number	Particulars		
1.1	Organisational Structure of Department of Medical Health and Family Welfare		201
1.2	Organisational Structure of Medical Education and Training Department		202
1.3	List of sampled GMCs, Hospitals, CHCs and PHCs		203
1.4	List of sampled drugs, consumables and equipment in test-checked hospitals		205
2.1 (A)	Status of human resources in District Hospitals as on March 2022		213
2.1 (B)	Status of district-wise human resources in CHCs as per HMIS (March 2022)		222
2.1 (C)	Status of district-wise human resources in PHCs as per HMIS (March 2022)		225
2.1 (D)	Status of district-wise human resources in SCs as per HMIS (March 2022)		228
2.2	Region-wise allocation of doctors as of October 2021		230
2.3	Shortfall/excess of human resources in the test-checked District Hospitals as on 31 March 2022		232
2.4 (A) to 2.4 (K)	Status of human resources in specialist cadre in the test-checked District Hospitals as on 31 March 2022		234-244
2.5	Status of human resources in the test-checked CHCs as on 31 March 2022		245
2.6 (A) to 2.6 (D)	Status of human resources in the test-checked PHCs as on 31 March 2022		247-251
2.7 (A) to 2.7 (E)	Status of human resources in the test-checked PHCs as on 31 March 2022		252-256
2.8 (A) to 2.8 (B)	Status of human resources in the test-checked SCs as on 31 March 2022		257-260
2.9	Status of human resources in the test-checked HWCs as on 31 March 2022		261
3.1	Status of availability of line services in DHs		262
3.2	Details showing number of patients in outpatient department (OPD)		266
3.3	Details showing OPD cases per doctor		269
3.4	Details showing mode of registration for OPD services		271

Particulars		Reference to	
		Paragraph No.	Page No.
3.5	Details showing patient load on registration counters		272
3.6	Status of IPD services in the District Hospitals as on March 2022		275
3.7	Status of surgeries per surgeon per year in District Hospitals of test-checked districts during 2016-22		278
3.8	Status of availability of surgical procedures as on March 2022		281
3.9	Status of ICU services in the District Hospitals as on March 2022		283
3.10	Status of availability of maternal and childcare beds as on March 2022		286
3.11	Status of availability of Support services in the District Hospitals		288
4.1 (A)	Status of demand and supply of drugs in the test-checked District Hospitals		292
4.1 (B)	Cases of nil supply of drugs against the demanded quantities in the test-checked District Hospitals		293
4.2 (A)	Availability of selected drugs in the test-checked District Hospitals during 2018-19 to 2021-22		294
4.2 (B)	Availability of selected drugs in the test-checked CHCs and PHCs during 2018-19 to 2021-22		295
4.3	Distribution of Not of Standard Quality (NSQ) drugs in the test-checked healthcare facilities during 2019-20 to 2021-22		298
4.4	Quality testing of drugs by Drug Inspector in test-checked District Hospitals and Chief Medical Officers		300
4.5 (A)	Availability of consumables in test-checked District Hospitals during 2018-19 to 2021-22		302
4.5 (B)	Availability of consumables in test-checked CHCs and PHCs during 2018-19 to 2021-22		303
4.6	Availability of IPD equipment in test-checked District Hospitals and CHCs		306
4.7	Availability of OT equipment in test-checked District Hospitals and CHCs		307
4.8	Availability of ICU equipment in test-checked District Hospitals		308
4.9	Availability of Labour Room equipment in test-checked DWHs, CDHs and CHCs		309
4.10	Availability of laboratory equipment in test-checked District Hospitals		310
4.11	Availability of radiology equipment in test-checked District Hospitals and CHCs		311
4.12	Availability of equipment in test-checked PHCs		312
4.13	Status of distribution of oxygen generation plants for installation in test-checked districts		313
5.1 (A)	Status of availability of CHCs and PHCs in rural areas against the requirement as on December 2021		314

Particulars		Reference to	
		Paragraph No.	Page No.
5.1 (B)	Status of availability of CHCs and PHCs in urban areas against the requirement as on December 2021		316
5.2	Status of geriatrics wards in the test-checked District Hospitals		318
5.3	Details of seepages seen and condition of toilets in the test-checked hospitals		319
5.4	Details of condition of residential buildings		321
5.5	Details regarding unavailability of registration counter in PHCs		323
5.6	Details showing status of availability of Doctor's chamber in hospitals		324
5.7	Details showing status of availability of pharmacy counters		326
5.8	Details of availability of IPD wards in CHCs and PHCs		329
6.1	Budget provisions and expenditure during 2016-22 under nine Grants relating to health sector		331
9.1	SDG-3 Indicators and values thereof at National and State level		333
List of Abbreviations			337
