

Function of Welfare section

Employees welfare includes various facilities, services and amenities provided for improving their health, efficiency, economic betterment and social status of the workers. The Welfare measures will improve the physique intelligence, morality and standard of living of the employees, which in turn will improve their efficiency and productivity. Employees welfare schemes are flexible and ever-changing.

New welfare measures are added to the existing ones from time to time. The purpose of employee's welfare is to develop personality of the employee to make a better workforce. Welfare schemes it create efficient, healthy, loyal and satisfied employee force for the organization.

Providing such facilities make their work life better and leads to good standard of living. The central Government tries to extend its helping hand through various acts covering the safety, health and welfare for its employees. The labour welfare officer tries to ensure justice to employees. Housing, educational, recreational and medical facilities are provided to employees under statutory welfare funds.
