Statement of Internal Control

1. Scope of Responsibility

As the head of the Office of the Principal Accountant General (Audit) Jharkhand, Ranchi, I am responsible, inter alia, for the preparation of expenditure and other statements relating to this department. The accounts/statements of the Department have been prepared accordingly. Rule 64 of the General Financial Rules also, inter alia, stipulates that I shall ensure that the public funds appropriated to the Department as reflected in the accounts have been used for the purpose for which they were meant. I am satisfied that the organisational structure of my department as well as internal controls including internal audit, are geared to effectively ensure that the public monies are expended for the purposes these are authorized and are correctly brought to Government accounts without delay and are properly reflected in the accounts.

In my considered view, the organisational structure of the Department and the internal control framework functioned effectively to identify and manage the risks.

2. The Risk & Control Framework

The major area of risk in the economic, efficient and effective functioning of my department is NIL.

3. Capacity to Handle Risk

In my office, risks are handled through specific delegation of responsibilities and powers to different levels as well as through effective supervision and monitoring. I consider the arrangements for handling through this process to be adequate.

4. Purpose of the System of Internal Control

5. Review of Effectiveness

The effectiveness of the internal control procedure is overseen through the mechanism of internal audit. The results of such audit are brought to my notice and, wherever necessary, rectificatory action is taken promptly. I am satisfied that the internal audit was effective in bringing out the deficiencies of the internal control system and these were rectified with responsible promptness.
