Statement of Internal Control

1. Scope of Responsibility

As the Head of the Department of IA&AD, O/o the Accountant General (A&E), Uttarakhand, Dehradun, I am responsible, inter alia, for the preparation of expenditure and other statements relating to this department. The accounts/statements of the Department have been prepared accordingly. Rule 64 of the General Financial Rules also, inter alia, stipulates that I shall ensure that the public funds appropriated to the Department as reflected in the accounts have been used for the purpose for which they were meant. I am satisfied that the organizational structure of my department as well as internal controls including internal audit, are geared to effectively ensure that the public money is spent for the purposes which are authorized and are correctly brought to Government accounts without delay and are properly reflected in the accounts.

In my considered view the organisational structure of the Department and the internal control framework functioned effectively to identify and manage the risks.

2. The Risk & Control Framework

The major area of risk in the economic, efficient and effective functioning of my department is:

Due to shortage of staff in Accountant cadre (64 %), the ideal segregation of duties scenario is not possible as many of the officials are handling dual charges. This has an adverse impact on the checks and balances system. The office tries to manage within the given human resources but this risk has the potential to increase the probability of occurrence of errors.

3. Capacity to Handle Risk

In my office risks are handled through specific delegation of responsibilities and powers to different levels as well as through effective supervision and monitoring. Within the constraints of manpower shortage, I consider the arrangements for handling of risk through this process to be adequate.

4. Purpose of the System of Internal Control

The office follows the internal control procedures and other orders issued by the government including the Ministry of Finance. I have monitored the observance of the internal control procedures and I am satisfied that these were followed effectively.

5. Review of Effectiveness

The effectiveness of the internal control procedures is overseen through the mechanism of internal audit. The results of such audit are brought to my notice and wherever necessary, rectificatory action is taken promptly. I am satisfied that the internal audit was effective in bringing out the deficiencies of the internal control.
