

**OFFICE OF THE PRINCIPAL ACCOUNTANT GENERAL (A&E) HARYANA,
CHANDIGARH**

CIRCULAR

In order to switch over from National Pension Scheme to Unified Pension Scheme, it is requisite that monthly subscription of the employee concerned is deposited into his/her NPS account for all completed months of subscription.

Therefore, all the officials/officers opting for switch-over from NPS to UPS are hereby directed to ensure that there are no missing credits in their NPS subscription (from the date of subscription to till date). This can be done by generating a statement from their respective NPS accounts. If any missing credits come to notice, the employee concerned should first make a payment towards the same before initiating the procedure of switch-over to UPS.

This office shall not bear any responsibility for complications arising on account of due procedure not being followed by the employee concerned.
