## ANNUAL REVIEW ON THE WORKING OF PUBLIC WORKS DIVISIONS FOR THE YEAR 2024-25

Government of Jharkhand

Office of the Principal Accountant General (A & E)  
Jharkhand, Ranchi - 834002

## PREFACE

A very large segment of Government expenditure is on public works. Public works include construction and maintenance of roads and bridges, canals and dams and irrigation projects buildings, public health engineering works particularly for water supply and laying of pipelines etc. The administrative functioning of public works is through Public Works Divisions which have sub-divisions under them.

The system of accounting of public works expenditure is somewhat different from the system of accounting of other Government expenditure. A Public Works Division is an independent unit of accounting and has been vested with cheque drawing power for payment of works expenditure. However, it draws bills for meeting the expenditure, other than on works i.e. establishment expenditure. It has full power to make payments by cheques. Being an independent accounting unit, a Public Works Division prepares complete accounts showing major, minor, detailed head-wise classification of all receipts and payments and also how money was remitted into treasury for credit to the Government Account and how much money was withdrawn from the treasury by issuing cheques for payment. The accounts of the Public Works Divisions are prepared based on the principles of Government Accounting and following the codal provisions.

The Public Works Divisions render monthly compiled accounts up to the Classified Abstract stage to the office of the Pr. Accountant General (A&E) along with all connected vouchers/ sub-vouchers and schedules/ abstracts. The Pr. Accountant General (A&E) consolidates these accounts for the whole departments for their incorporation in the Government Accounts after exercising necessary checks. The monthly accounts of Public Works Divisions are now being received by this office through WAMIS and accepted online through Interface.

The present Review on the Working of Public Works Divisions of the State for the Financial Year 2024-25 highlights the major areas of discrepancies in preparation and submission of accounts with a view to provide an indicator for strengthening of the mechanism of control and monitoring by the executive authorities. We welcome suggestions to improve the review.

## INTRODUCTORY

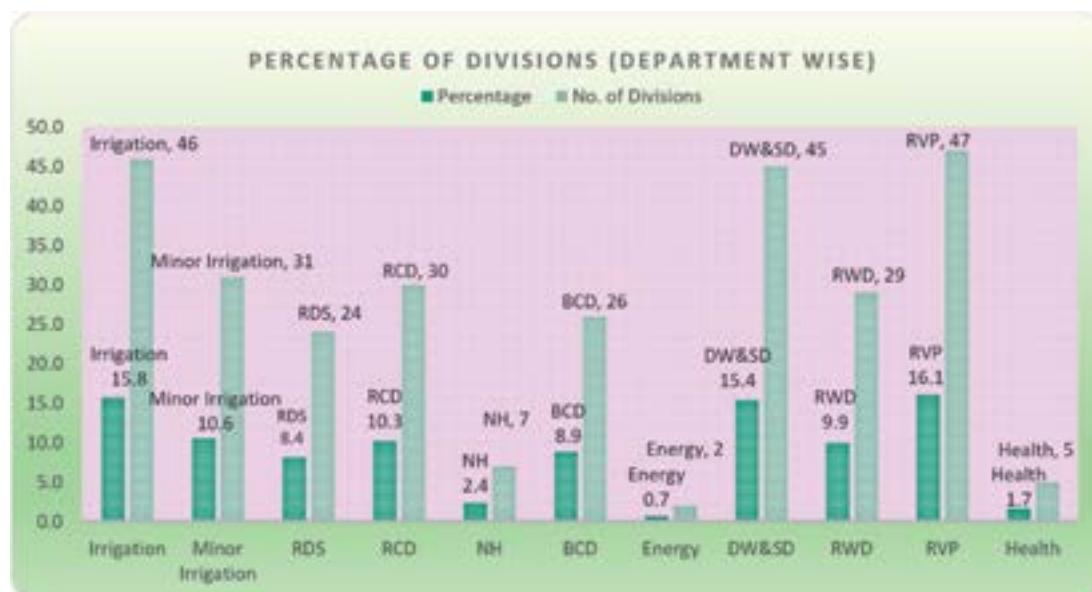

Public Works (PW) Divisions execute different infrastructure development projects in the State. As of March 2025, there were 292 State PW Divisions functioning under the administrative control of different engineering Departments of Government of Jharkhand (GOJ). These Divisions render their monthly accounts to the Office of the Pr. Accountant General (A&E), Jharkhand, Ranchi. The Department-wise classification of PW Divisions in Jharkhand as on 31 March 2025 and that of the previous year was as under: -

**Table-1.0 (Number of PW Divisions)**

Sl. No.	Name of the Departments	No of Divisions	
		2023-24	2024-25
1.	Building Construction Department	26	26
2.	Drinking Water & Sanitation Department	45	45
3.	Energy Department( Electric Works)	02	02
4.	Road Construction Department	30	30

10.	Water Resources Department (River Valley Project)	47	47
11.	Health & Engineering Cell*	-	05
	<b>Total</b>	<b>287</b>	<b>292</b>

\*05 DDO Codes of Health Department have been reactivated since September 2024 only for refund of Security Deposit and Deposit Part-V, if any.

Department-wise percentage of Divisions to total PW Divisions in the State for the year 2024-25 was as under :-

It would be evident from the above that nearly 42.5 per cent of PW Divisions (RVP, Irrigation & Minor Irrigation) in the State were under the administrative control of Water Resources Department, followed by Drinking Water & Sanitation Department which had control over 15.4 per cent of the PW Divisions.

# CHAPTER - 1

## STATE OF AFFAIRS OF PUBLIC WORKS DIVISIONS IN JHARKHAND

### Department-wise Works expenditure

1.1. During 2024-25, 260 out of 287 PW Divisions in the State incurred an aggregate works expenditure of Rs. 12,510.02 crore. The remaining 27 Divisions<sup>1</sup> did not incur any expenditure on works. Most of these nil expenditure Divisions were entrusted with the work of planning and design, quality control, monitoring, soil investigation & survey etc., and incurred only establishment expenditure. The Department-wise works expenditure<sup>2</sup> incurred by these 260 PW Divisions in the State during the year 2024-25 and that of the previous year is mentioned below: -

**Table-1.1 (Department wise Works expenditure)**  
(Rupees in crore)

Sl. No.	Name of the Departments	2023-24		2024-25		Difference (+/-) In Percentage
		No of Divisions	Amount	No of Divisions	Amount	
1.	Building Construction Department	26	796.17	26	920.46	15.61%
2.	Drinking Water & Sanitation Department	45	447.24	44	608.16	35.98%
3.	Energy Department (Electric Works)	02	75.70	02	131.26	73.39%
4.	Road Construction Department	30	4473.11	30	4434.48	-0.86%
5.	Road Construction Department (National Highways)	06	17.52	05	46.57	165.81%
6.	Rural Development Department	24	1116.94	24	1480.37	32.54%
7.	Rural Works Department	25	1568.40	25	3047.34	94.30%
8.	Water Resources Department (Irrigation & River Valley Projects)	73	1272.74	78	1499.91	17.85%
9.	Water Resources Department (Minor Irrigation)	28	323.49	26	341.47	5.56%
	<b>Total</b>	<b>260</b>	<b>10,091.32</b>	<b>260</b>	<b>12,510.02</b>	<b>23.97%</b>

It would be seen from the above that the aggregate works expenditure incurred by these PW Divisions during 2024-25 had increased by Rs. 2418.70 crore (23.97 per cent) as compared to the previous year. It is noticeable that there is a huge rise (165.81%) in expenditure of National Highway wing of Road Construction Department but it is only 29.05 Cr. in value. At the same time there is a decline in expenditure of Road Construction Department (0.86%) as compared to the previous year 2023-24.

<sup>1</sup> Water Resources Department (20 Divisions), Road Construction Department (2 Divisions), DW&S Department (1 Division) and Rural Works Department (4 Divisions).

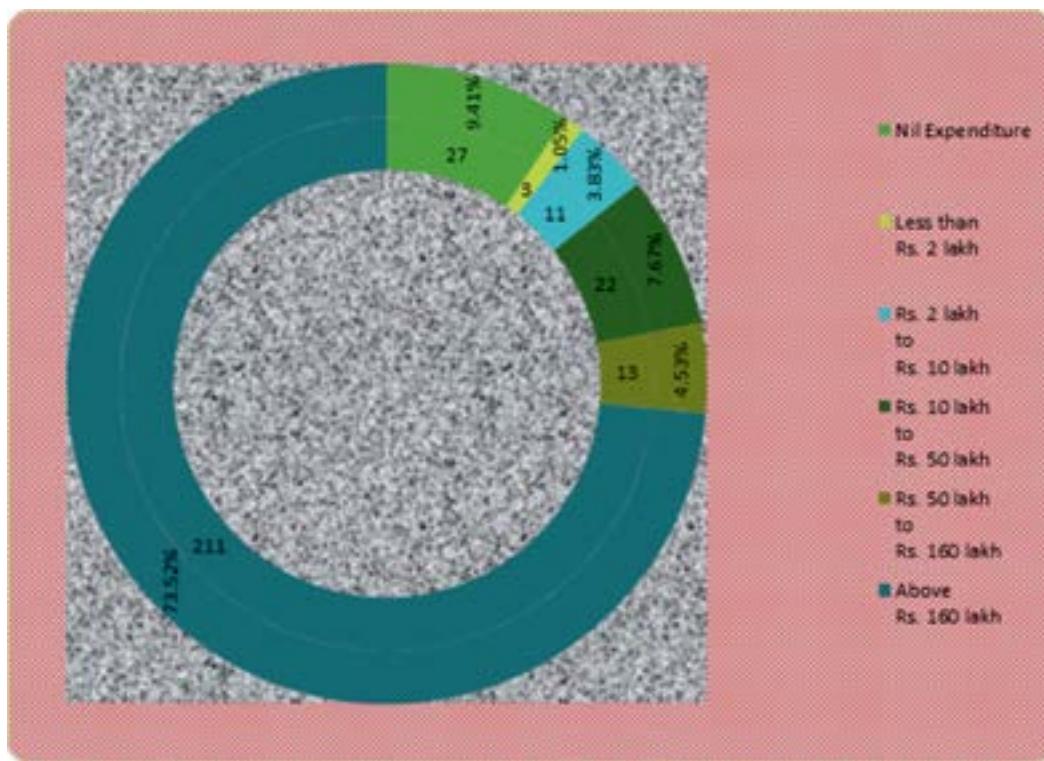

<sup>2</sup> Does not include the works expenditure incurred by some of these PW Divisions on Central Sponsored Schemes.

## Range of Works expenditure in PW Divisions

1.2. The range of works expenditure incurred by PW Divisions of the State for the year 2023-24 and 2024-25 was as under;

**Table-1.2 (Range of works expenditure)**

Range of Expenditure	2023-24		2024-25	
	No of Divisions	Percentage of total Divisions	No of Divisions	Percentage of total Divisions
Nil expenditure	27	9.41	27	9.41
Less than Rs. 2 lakh	04	1.39	03	1.05
Rs. 2 lakh to Rs. 10 lakh	12	4.18	11	3.83
Rs. 10 lakh to Rs. 50 lakh	14	4.88	22	7.67
Rs. 50 lakh to Rs. 160 lakh	13	5.53	13	4.53
Above Rs. 160 lakh	217	75.61	211	73.52
<b>Total</b>	<b>287</b>	<b>100</b>	<b>287</b>	<b>100</b>

The number of Divisions incurring expenditure of Rs. 160 lakh or more decreased to 211 Divisions (73.52 per cent) in 2024-25 from 217 Divisions (75.61 per cent) in 2023-24 though the aggregate works expenditure of these Divisions had increased to Rs. 12,488.12 crore in 2024-25 from Rs. 10,073.55 crore in 2023-24. The number of Divisions incurring nil expenditure on works remains the same 27 Divisions in 2024-25 and in 2023-24. The remarkable increase in works expenditure in 2024-25 was witnessed in Work Divisions of Rural Works Department Rs. 1478.94 Cr (94.30%).

The Department wise range of works expenditure of the PW Divisions was as under: -

**Table-1.3 (Department wise range of expenditure in 2024-25)**

Sl No.	Name of the Departments	Nil expenditure	< Rs.2 lakh	Rs.2-10 lakh	Rs.10-50 lakh	Rs.50-160 lakh	>Rs.160 lakh

	<b>Total</b>	<b>27</b>	<b>3</b>	<b>11</b>	<b>22</b>	<b>13</b>	<b>211</b>

✓ 5 DDO Codes of Health Department have been reactivated in September 2024 only for refund of Security Deposit and Deposit Part-V, if any. No work expenditure was to be done through these DDO Codes. Hence they are not shown in the above table.

### **Operation of Divisions in contradiction of the norms**

1.3 As per the guidelines issued by the Finance Department in undivided Government of Bihar during September 1987<sup>3</sup>, no Division would be created if the annual expenditure on works alone was expected to be less than Rs. 160 lakh. After creation of separate State, the Government of Jharkhand has neither issued any fresh guidelines nor revised the monetary limit of existing guidelines.

Based on the existing guidelines, it was noticed that 76 out of 287 PW Divisions had incurred works expenditure of less than Rs. 160 lakh during 2024-25. Out of these 76 Divisions, the works expenditure in respect of 27 PW Divisions remained NIL. Moreover, the works expenditure in respect of 18 PW Divisions remained NIL for the last three consecutive years. The State Government had already incurred an expenditure of Rs. 94.08 crore during the last three years against these 18 Divisions towards wages and salaries to the staff.

### **Non-creation of sanctioned posts of Divisional Accountants**

1.4 The Recruitment to the post of Divisional Accountants (DA) is regulated by the Indian Audit & Accounts Department (IA&AD). This Cadre is intended to provide trained Accountants for PW Divisions or other independent executive charge. The Divisional Accountants are liable for service anywhere within the jurisdiction of the State. The Cadre is controlled by the Pr. Accountant General (A&E), Jharkhand. A Divisional Accountant acts as Financial Advisor to Divisional Officer, Compiler of accounts of the Division in accordance with the prescribed rules and is responsible for timely rendition of accounts to the office of the Pr. Accountant General (A&E) and also acts as internal checker to apply certain preliminary checks to the initial accounts, vouchers etc. Considering the importance of the Divisional Accountants in PW Divisions, the State Government should create the post of Divisional Accountant in each Division so that the work of the Division could be performed smoothly.

<sup>3</sup>Circular no.5692-F dated 17.09.1987

It was noticed that as against 287 PW Divisions, the State Government had created 276 nos of sanctioned post for Divisional Accountants till March 2025. The list of Divisions in which the post of Divisional Accountants had not been sanctioned by the Government of Jharkhand is given below: -

**Table-1.4 (Divisions having no sanctioned post of Divisional Accountants)**

SI No.	Name of the Divisions	Department	Remarks
1.	RD Special Division, Ramgarh	Rural Works	Created vide letter no.3458 dated 07.10.2015 of RD (RWA) Department
2.	Quality Control Division, Hazaribagh	Water Resources	Created vide O/o no.574 dated 11.02.2008 of WR Deptt.

9.	Advance Planning Division, Palamu	-do-	
10.	Planning & Investigation Division, Ranchi	Road Construction	Not available
11.	Electric Works Division, Dhanbad	Energy	Operational since 2002-03

All these 11 divisions were being managed by additional charges to the Divisional Accountants posted in the same or nearby stations on the request of the State Government. However, for smooth functioning of the Divisions and timely submission of monthly accounts, the State Government should consider for creating post of Divisional Accountant in these Divisions so that recruitment of Divisional Accountants can be made.

#### **Non-reconciliation of receipts and expenditure by the PW Divisions**

1.5 The PW Divisions render monthly accounts to the Pr. Accountant General (A&E) which is consolidated together with Forest and Treasury accounts in monthly Civil Accounts of the Government of Jharkhand. The figure of receipt and expenditure booked in the Pr. Accountant General (A&E) office is required to be reconciled on quarterly basis with the Divisional figure to ensure correctness of the accounts. The timeline for reconciliation of accounts by the PW Divisions is as under:

**Table-1.5 (Schedule for Reconciliation)**

SI No.	Name of the Quarter	Due date of reconciliation
1.	1 <sup>st</sup> Quarter (April to June)	By 31 <sup>st</sup> August 2024
2.	2 <sup>nd</sup> Quarter (July to September)	By 30 <sup>th</sup> November 2024
3.	3 <sup>rd</sup> Quarter (October to December)	By 28 <sup>th</sup> February 2025
4.	4 <sup>th</sup> Quarter (January to March )	By 31 <sup>st</sup> May 2025

The status of reconciliation of monthly accounts by the Public Works Divisions as a whole as well as Department wise for the year 2024-25 was as under: -

**Table - 1.6 (Status of Reconciliation of accounts)**

	<b>Total</b>	<b>287</b>	<b>287</b>	<b>287</b>	<b>287</b>	<b>287</b>

In the year 2024-25 all the PW Divisions who incurred expenditure during a quarter reconciled their accounts with AG's record. Though reconciliation of accounts is not mandatory for the PW Divisions who incurred no expenditure during a quarter, most of the divisions who incurred no expenditure during a quarter reconciled their accounts with AG's record. Thereby, 100 percent reconciliation done during 2024-25.

But it was noticed that a number of divisions did not reconcile their accounts with AG's record within the due time. As a result, the final figure of expenditure could not be calculated quarterly basis.

In order to ensure regular and timely reconciliation of receipt and expenditure, all Divisional Officers should be impressed upon to carry out quarterly reconciliation of accounts with Pr. Accountant General (A&E)'s office.

## CHAPTER - 2

# COMPILED OF MONTHLY ACCOUNTS AND MAINTENANCE OF BASIC RECORDS BY PUBLIC WORKS DIVISIONS

### Procedure of drawal of money from Consolidated Fund of the State

2.1 As per Para-18 read with Para-20 of Bihar Public Works Accounts (BPWA) Code, the executive function of a PW Division is vested with the Executive Engineer (Divisional Officer) who functions as Drawing and Disbursing Officer (DDO) and is responsible for the maintenance of records, compilation of monthly accounts under the supervision of Divisional Accountant and rendering the same to the Pr. Accountant General (A&E) office on or before the due date. He is to draw money from the Consolidated Fund of the State by presenting bills and cheques at the Treasury to meet administrative as well as works expenses within the budgetary provisions. The Divisional Officer is to ensure that at no time, withdrawals from the Consolidated Fund exceed the limit of funds allotted by State Government by a Letter of Credit. Rule 174 of Jharkhand Treasury Code (JTC) 2016 prohibits drawal of money from the Consolidated Fund of the State, if it is not required for immediate disbursement.

During examination of monthly accounts, it was noticed that in contravention of Rule 174 of JTC 2016, the Divisional Officers had drawn huge sums from the Consolidated Fund of the State when these funds were not required for immediate disbursement and parked them with the Assistant or Junior Engineers by ways of temporary advance against departmental works. Withdrawals there-from were shown under head “8782-Cash Remittances and Adjustment -102-Public Works Remittances Head-I-Remittance into Treasuries” and Head-II- Public Works Cheques’ respectively, showing as if the transactions related to the Consolidated Fund. Though in the recent years, the parking of fund by way of temporary advance has been reduced substantially, but it is not completely stopped.

At the end of 31 March 2025, a sum of Rs. 16.99 crore was pending for adjustment towards temporary advance in respect of 91 PW Divisions under Building Construction, Drinking Water & Sanitation, Road Construction, Rural Development (RWA) and Water Resources Departments. The delay analysis of adjustment/recovery of temporary advances is detailed below; -

**Table - 2.1 (Temporary advances pending for adjustment)**

<b>Pending since (years)</b>	<b>Amount (Rs.)</b>
During 2021 to 2025	Nil
During 2011 to 2020	741,67,219.31

Before 1980	19,04,500.74
<b>Total</b>	<b>1699,44,976.49</b>

Out of Rs. 16.99 crore pending as on 31 March 2025, a sum of Rs. 13.27 crore was lying unadjusted against 27 officials (who were given advance of Rs. 10 lakh or more), the details of which have been mentioned below: -

			<b>Total</b>	<b>13,27,39,358</b>	<b>13,27,39,358</b>

It would be seen from the table 2.1 and 2.2 that these advances were lying unadjusted for a period ranging from one year to 40 years. No steps had been taken since last year either by the Divisional Officers or by the concerned administrative Departments to examine/review the individual advances pending for a long period for the purpose of recovery or adjustment of the same, even though a series of correspondences had been made by this office with the concerned authorities to take early action in this regard.

Division-wise amount of temporary advances lying unadjusted till 31<sup>st</sup> March 2025 has been shown in **Annexure-A**. The State Government is required to take immediate action against the serving officials who had drawn advances but did not submit the vouchers there against. Steps may also be taken to recover the amount from the retired officials.

#### **Procedure for compilation of monthly accounts at Divisional level**

2.2 Para-16, 18 and 20 of the BPWA Code provides that the Divisional Officer is the primary disbursing officer of the Division and is responsible for collection of Departmental receipts for depositing into the Consolidated Fund of the State by challans. He is also responsible for keeping accounts of these receipts and disbursements and for compilation of monthly Divisional accounts in the prescribed format for rendition to the Pr. Accountant General (A&E) on or before the due date. To assist as well as advise the Divisional Officer in the discharge of his responsibility, the office of the Pr. Accountant General (A&E) posts a Divisional Accounts Officer/Divisional Accountant to a Division.

Since January 2018, the monthly accounts of the PW Divisions have been generated through Works Accounts Management Information System (WAMIS) Software developed by the State Government through C-DAC, Pune. The details have been discussed in **Chapter-9**.

#### **List of records and Registers to be maintained by PW Divisions**

2.3 The list of records and registers required to be maintained by PW Divisions as per codal provisions has been shown in **Annexure-B**. The main records of PW Divisions are: -

The main records of Public Works Divisions are :-

- Cash Book (Works and Subsidiary)
- Muster Roll
- Work Charged Establishment Bills
- Measurement books
- Works Abstract
- Contractor's Ledger
- Register of Works
- Transfer Entry Books
- Stores Account (Bin Cards, GRS, Indents)
- Deposit Register
- Adjustment Register
- Register of Interest Bearing Securities

## CHAPTER - 3

### SUBMISSION OF MONTHLY ACCOUNTS BY PUBLIC WORKS DIVISIONS

#### Delay in submission of Monthly Accounts

3.1 As per Para 22.4.15 of Central Public Works Account Code read with Rule 542 of Bihar Public Works Account Code, the PW Divisions are required to submit the Monthly Accounts to the office of the Pr. Accountant General (A&E) between the 7<sup>th</sup> & 10<sup>th</sup> of the following month. Since May 2024, it has been decided to render the monthly accounts by 5<sup>th</sup> of the following month (i.e 5<sup>th</sup> June 2024 for the monthly accounts of May 2024) vide D.O. No. Book/Monthly Accounts/2023-24/99 Dated 31.05.2024. Despite several correspondence and repeated reminders over phone call, many PW Divisions failed to submit their monthly accounts within the due date. The delay in submission of monthly accounts by PW Divisions during the year 2024-25 is detailed below: -

**Table - 3.1A (Delay in receipt of Monthly Accounts)**

Month	Total	Received in time	1-10 days	11-20 days	21-30 days	>30 days
April 2024	287	206	72	5	2	2

<b>Year before the previous year</b>	<b>3444</b>	<b>2457</b>	<b>744</b>	<b>150</b>	<b>36</b>	<b>57</b>

05 DDO Codes of Health Department have been reactivated in September 2024 only for refund of Security Deposit and Deposit Part-V, if any. So these DDOs are to render their monthly accounts since then. So total number of monthly accounts become 292 from September 2024.

As mentioned above, 2,531, out of 3,479 monthly accounts (72.75 per cent) were received from the PW Divisions by this office within the due dates i.e. latest by 05<sup>th</sup> of the succeeding month. The remaining 948 accounts were received with delays ranging from one day to more than 30 days. During the previous year 2023-24, the percentage of timely rendition of accounts was 79.53 per cent. The Division wise delay in receipt of monthly accounts by this office has been given in Annexure-C.

Non submission of monthly accounts by PW Divisions on time is one of the major causes for exclusion of PW Monthly accounts from the consolidated monthly Civil Accounts of the Government of Jharkhand which is required to be submitted to Government by 10<sup>th</sup> of the succeeding month as per the norms. The status of timeliness and exclusion of accounts for last three years are as under: -

**Table - 3.1B (Delay in receipt of Monthly Accounts)**

Year	Particulars	Apr	May	Jun	July	Aug	Sept	Oct	Nov	Dec	Jan	Feb	Mar
2022-23	No of Divisions	287	287	287	287	287	287	287	287	287	287	287	287
	No of accounts received within due date	208	116	234	224	237	206	201	244	209	237	183	158
	Exclusion of accounts due to delayed receipt	15	46	26	31	35	21	26	11	8	14	17	0
2023-24	No of Divisions	287	287	287	287	287	287	287	287	287	287	287	287
	No of accounts received within due date	205	239	205	233	232	227	259	238	234	252	209	206
	Exclusion of accounts due to delayed receipt	8	11	7	8	7	2	11	14	13	17	6	0
2024-25	No of Divisions	287	287	287	287	287	292	292	292	292	292	292	292
	No of accounts received within due date	206	74	248	222	241	215	206	250	206	239	247	177
	Exclusion of accounts due to delayed receipt	7	9	6	7	6	7	9	6	13	9	1	0

The year 2024-25 witnessed a decrease in timely rendition of accounts by Works Divisions compared to 2023-24 & 2022-23 as the due date to submit the monthly accounts shifted from 10<sup>th</sup> of the following month to 05<sup>th</sup> of the following month. The main cause behind the delay submission of monthly accounts more than 30 days was "the post of Divisional Officer remained vacant" after his retirement or transfer from the division as the concerned department of Jharkhand Government did not make any alternative arrangement to post an Executive Engineer or assign an additional charge of the divisional officer to the division. Hence, the State Government is required to take adequate steps to ensure 100 per cent submission of monthly accounts within the due dates so that the exclusion could be avoided.

### **Discrepancies noticed in Monthly Accounts**

3.2 During examination of monthly accounts received from PW Divisions, many discrepancies were found for which the accounts were kept in objections. The nature and types of objections were as under : -

- Closing Cash Balance of last month does not tally with Opening Cash Balance of succeeding month;
- Cash realised as revenue is deposited in relevant receipts head instead of 8782-102-Head-I remittance into treasury;

- Amount remitted to Treasury but challan not attached with monthly accounts;
- Details of cash balance report not properly filled up;
- Non submission of vouchers and schedule docket;
- Amount of receipt side does not tally with expenditure side;
- Account submitted without Divisional Accountant/Divisional Accounts Officer's signature;
- Refund of unspent balance of Deposit amount to client Department allocated as expenditure instead of minus Credit;
- Submission of voucher along with Monthly account without signature of payee.

The compliance of objections by the PW Divisions also delayed their inclusion in monthly Civil Accounts of the State. The number of accounts kept under objections which could not be included in monthly accounts due to delayed compliance during 2024-25 is as follows: -

**Table - 3.2 (Exclusion of PW Accounts from consolidated Monthly Accounts of the State)**

Month	2023-24			2024-25		
	Due to Not receipt	Due to objections	Total	Due to Not receipt	Due to objections	Total
April	8	0	8	6	1	7
May	10	1	11	9	0	9
June	6	1	7	5	1	6
July	5	3	8	7	0	7
August	7	0	7	5	1	6
September	2	0	2	6	1	7
October	11	0	11	7	2	9
November	13	1	14	6	0	6
December	8	5	13	13	0	13
January	14	3	17	9	0	9
February	5	1	6	1	0	1
March	0	0	0	0	0	0
<b>Total</b>	<b>89</b>	<b>15</b>	<b>104</b>	<b>74</b>	<b>6</b>	<b>80</b>

It would be evident from the above that 74 out of 3,479 monthly accounts could not be included in the monthly accounts of the State Government for the year 2024-25 due to non-clearance of objections (06 accounts) by PW Divisions within the cut-off date of preparation of accounts and delayed receipt of accounts (80 accounts).

Timely action should be taken by the Divisional Officers to ensure more accuracy in preparation of monthly accounts, strictly following the codal provisions to avoid objections and submission of accounts within the stipulated time.

## CHAPTER - 4

### SUBMISSION OF PERIODICAL RETURNS

#### Schedule of Works Expenditure

4.1 In terms of Para-22.4.6(a) of CPWA Code, a Schedule of Works Expenditure is required to be prepared in Form-64 separately for expenditure relating to each of the major heads in respect of works on which expenditure has been incurred. Form-64 contains columns for 'Sanctioned Estimate' and 'Allotment' for watching the progress of expenditure in respect of works against the allotment for the year. This information is very important because as per the financial rules, no work can be commenced or liabilities incurred unless a detailed estimate is sanctioned and subsequently allotment for the works is received.

#### Accounts of Interest Bearing Securities

4.2 According to Para-15.6 of CPWA Code, an account of transactions connected with interest bearing securities is required to be submitted along with monthly accounts in CPWA "Form 86" at the close of every financial year. This account should be supported with: -

- (i) The acknowledgement (in original) of the depositors for securities returned or re-transferred to them during the year; and
- (ii) The certificate of the Divisional Officer that all securities shown as outstanding in the Accounts are in his possession. Almost all PW Divisions did not submit these periodical returns during 2024-25.

#### Account of Lapsed Deposits

4.3 According to Para-15.4.1 of CPWA Code, in the accounts for March each year, the following classes of items in the Public Works Deposits account should be credited to Government account as lapsed deposits.

- (i) Original deposits not exceeding twenty-five rupees that remain outstanding for a whole accounting year;
- (ii) Balances not exceeding twenty-five rupees of items partly cleared during the year's closing;
- (iii) Balances unclaimed for more than three complete accounting years.

Further unclaimed Balances should be credited to Major Head 0075-Miscellaneous General Services 101-Unclaimed Deposits. However, some PW Divisions had wrongly credited these amounts to their regular revenue receipt head viz., 1054 etc.

It was noticed that, barring a few, all PW Division failed to submit this periodical return. Due to non-availability of account of lapsed deposit, this office was unable to ascertain whether lapsed deposits were actually credited to the State Government or not.

#### Deposit Works

4.4 As per Para-16.2.2 and Para-22.4.15 of CPWA Code, a consolidated record of the transactions for a month relating to all Deposit Works of a Division should be prepared in CPWA Form-65 (Schedule of Deposit Works) for submission to the Pr. Accountant General office along with the monthly accounts. This schedule shows with reference to each item of work, the amount of deposit received and expenditure incurred, both during the month and upto date progressive.

Refunds of unspent balance of completed works should be taken as reduction of deposits and, therefore, shown in the schedule as minus realization and not as expenditure.

As per Para 16.2.3 of CPWA Code, the amount of each deposit should be proportionately divided into two parts, one representing the share available for works expenditure and the other the total amount chargeable as Establishment, Tools and Plants and Audit and Accounts charges, if any. In the schedule, the deposit received for each work should be numbered as a single item but the transactions relating to the two parts of it should be shown separately under: -

- Works Expenditure
- Percentage Charges

It was noticed that, in none of the cases of deposit works, the PW Divisions levied the charges for percentage recovery on account of establishment and tools and plant. Continued discrepancy in maintenance of accounts for deposit works in the Division would weaken proper control over expenditure incurred against deposits made by non-Governmental bodies. Under Para 210 (a) of Jharkhand Public Works Department Code, a Works Division can undertake deposit works in case of: -

- (i) The fund of a public nature, but not included in the financial estimate and accounts of the Government;
- (ii) Contribution from the public; and
- (iii) Loan from Government to a local body.

For most of the deposit works that the PW Divisions executed during the year 2024-25, the funds were received from District Magistrates and Deputy Development Commissioners. It could not be ensured whether these funds were included in the financial estimate and accounts of Government or not. If these were included, then the Divisions were barred from executing the works as deposit work.

#### **Non-submission of Annual Performance Appraisal Report of Divisional Accountants/ Divisional Accounts Officers by the Executive Engineers**

4.5 The Pr. AG (A&E) office is responsible for maintaining the Annual Performance Appraisal Reports (APARs) of the officials of Divisional Accountant Cadre. Since these Divisional Accountants/ Divisional Accounts Officers work largely under the immediate supervision of Executive Engineers (Divisional Officers), each Executive Engineer shall (Reporting Officer) forward the APAR to Pr.AG (A&E) office by 30<sup>th</sup> June every year. The status of submission of APARs of Divisional Accountants / Divisional Accounts Officers by the concerned Executive Engineers for the year 2024-25 till 27<sup>th</sup> November 2025 is as shown in Table 4.1 below: -

**Table: 4.1 (Status of receipt of APARs of Sr.DAO/DAO-I&II/DA)**

Sl. No	Designation	Men-in-position	APAR received	APAR wanting
1.	Sr.DAO	33	26	07
2.	DAO-I	55	47	08
3.	DAO-II	65	58	07
4.	DA/DA (Prob.)	110	103	07
	<b>Total</b>	<b>263</b>	<b>234</b>	<b>29</b>

---

---

APAR is one of the most important documents of Government servant which is considered for promotion, confirmation in service, financial up gradation of scale under ACP/MACP etc. Hence, it is essential that the Executive Engineer should submit the APARs of Divisional Accountants / Divisional Accounts Officers within the stipulated time. However, it was found that in some cases, these APARs were not being sent to this office within the stipulated time despite repeated reminders.

As per Department of Personnel & Training, Government of India letter no. 1011/02/2009-Estt.(A) dated 16 February 2009, the Reporting Officer shall forfeit his/her right to enter any remarks in the APAR of the officer to be reported upon, in case the APAR is not initiated by him for any reason beyond 30<sup>th</sup> June of the year in which the financial year ended. Hence, the Executive Engineers should personally take care for timely submission of the APAR of DAs/DAOs on priority basis.

## CHAPTER-5

### RECONCILIATION WITH TREASURIES IN RESPECT OF CHEQUES DRAWN/ENCASHED AND REMITTANCES MADE

#### **Accounting procedure for Consolidated Treasury Remittances**

5.1 Cash remitted by PW Divisions to the treasuries is classified under "8782-Cash Remittances and Adjustment -102-Public Works Remittances, Head-I-Remittance into Treasuries" in the Divisional Accounts. The corresponding credit on account of this appears through the Treasury accounts. At the close of account of each month, PW Divisions are required to send the Pr. Accountant General's office the schedule of monthly settlement with treasuries (CPWA Form-51) supported by Consolidated Treasury certificate for Remittances issued by treasuries. The amount for which treasury certificate for remittance was not received by the PW Divisions remains as their Head I difference and shown in revised Form 51 (**Annexure-D**).

#### **Accounting procedure for Consolidated Certificate of Issue**

5.2 Funds obtained by the PW Disbursing Officers by drawing cheques on treasuries/banks are credited under the head "8782-102-Public Works Cheques". Corresponding debit after encashment of the cheques appears through treasury accounts. At the close of the month Public Works Divisions are required to send the Pr. Accountant General's office the Schedule of Settlement with Treasuries (Central Public Works Accounts Form No-51) supported by Consolidated Certificate of Issue issued by the Treasuries. The amount, for which treasury certificate of Issue was not received by the Public Works Divisions, remains as their Head II difference and shown in revised Form-51 (**Annexure-D**).

#### **Reconciliation of transactions with the help of Consolidated Treasury Remittances and Consolidated Certificate of Issue**

5.3 Monthly schedules of settlement with treasuries along with Consolidated Treasury Remittances/ Consolidated Certificate of Issue enable the Pr. Accountant General (A&E)'s office to reconcile the transactions on account of remittances and cheques appearing in the divisional accounts with treasury accounts and to analyse the outstanding balances in this regard.

#### **Communication of persistent arrears to different authorities**

5.4 The position in respect of outstanding Consolidated Treasury Remittances and Consolidated Certificate of Issues from different PW Divisions revealed that there was no tangible improvement in the clearance of persistent arrears. Consequent upon the non-receipt of updated revised Form-51, a large amount of balance under 8782 Head-I and Head-II was lying unreconciled as shown in **Annexure-D**.

In view of the above, the actual receipt of remittances by the treasuries shown in the accounts by the PW Divisions could not be ensured (**Annexure-D**) for unadjusted balances under Head-I & Head-II as on 31st March, 2025).

## CHAPTER - 6

### ACCOUNTING OF PUBLIC WORKS SUSPENSE

#### **Miscellaneous Public Works Advances**

6.1 In terms of Para 13.4.1 of Central Public Works Accounts Code, transactions recorded under the head 'Miscellaneous Public Works advances (MPWA)' are divided into four classes :-

- (i) Sale on credit;
- (ii) Expenditure incurred on Deposit Works in excess of deposits received;
- (iii) Loss, retrenchments, errors etc., and
- (iv) Other items.

In terms of Para 22.4.16, a schedule in Central Public Works Accounts Form-70 is required to accompany the monthly accounts detailing the items brought into accounts during the month and indicating the balance outstanding in the books of the Division on account of all the items awaiting settlement.

Divisions are not rendering the schedule of Miscellaneous Public Works Advance (MPWA) along with the monthly accounts as per codal provisions. This makes the Works Abstract Registers incomplete to that extent. Table below shows the outstanding MPW Advances of different PW Divisions as on 31 March 2025.

**Table - 6.1(Outstanding MPW Advances as on 31 March 2025)**

It would be seen from the above that MPW Advances as of 31 March 2025 stood at Rs. 1158.61 crore and it was the same in the year 2023-24 also. A close monitoring is required for settlement of the same, especially the advances which are lying for years together.

## CHAPTER - 7

### ACCOUNTING OF REVENUE REALISED AND RETENTION OF CASH BALANCE

#### **Revenue realised in cash**

7.1 As per Para-9.1 of Central Public Works Accounts Code, all the revenues realised by the PW Divisions are required to be remitted to the Treasury immediately on their receipt. Similarly, as per Para-53 of the JTC 2016, moneys received by the Public Works Department shall be paid as soon as possible to the nearest Bank for credit as Public Works remittances through the Treasury Officer.

It was observed that in most of the PW Divisions, moneys realised as revenue was kept with the Divisions for indefinite periods without remitting the same to the treasuries. The Division-wise cash balances which also included revenue realised, but the Divisions did not remit to the treasury at the close of the financial year (31<sup>st</sup> March 2025) has been shown in Annexure-D.

#### **Comparison with estimates**

7.2 As division-wise estimate of revenue under different heads was not available, the revenue collected during the financial year could not be compared with the estimate.

#### **Collection of revenue by adjustment**

7.3 Deductions on account of GST, royalties, and cess etc., made from contractor's /supplier's bill are required to be exhibited by the Division on the receipt side of the monthly account under the respective head. The Division should draw the cheques payable for the net amount while affording debit for the gross amount of the bill to the concerned service head.

#### **Retention of heavy Cash Balance by the PW Divisions**

7.4 It was observed that large closing balances were kept by the Public Works divisions at the end of 2024-25 in the form of cash in hand (including cheques, Demand Drafts, etc.) and advances to the Assistant Engineers/Junior Engineers. Cash Balance lying with the divisions as on 31st March 2025 is shown in Annexure-D. The practice of withholding large amount of cash in hand at the close of the year has serious financial ramifications as mentioned below: -

- (i) In many cases, the whereabouts of the recipients of temporary advance are unknown to the Divisions due to the death/transfer/retirement of the concerned AE/JE;
- (ii) Most of the Sub-divisions do not have a cash chest of their own. There is lack of internal control for timely adjustment/recovery of temporary advances;
- (iii) In most of the cases, the cash balances lying with the Divisions/Sub-divisions at the close of the financial year were not remitted to treasury as per Para 22.4.22 of Central Public Works Accounts code. Consequently, the unspent cash balance remained available with the division for the next financial year for expenditure without allotment.

The Divisional Officers are required to furnish a certificate of cash balance along with the Memo of Receipt and Charges (Form-80) *"that with the given exceptions, all temporary advances outstanding in cash accounts of the second preceding month have since been cleared"*. However, this certificate was not furnished by the Divisional Officers as the majority of the temporary advances were very old.

## CHAPTER - 8

### RATING OF PERFORMANCE OF PUBLIC WORKS DIVISIONS

#### Parameters for evaluation of Performance of the PW Divisions

8.1 The Office of the Pr. Accountant General (A&E), Jharkhand receives the monthly accounts from each PW Division and consolidates them for incorporation in monthly accounts of the State Government. The issue of timeliness and quality in rendering accounts has been a subject of matter engaging the attention of Pr. Accountant General's office for quite a long time. There have been regular exchanges of correspondence with different Departments on the issue of timeliness in furnishing the accounts by the Divisions.

With a view to evaluating performance of PW Divisions in an objective and transparent manner, an evaluation criterion for each Division based on four parameters viz., timely submission of Monthly Accounts, timely submission of revised form 51, reconciliation of accounts with Pr. AG (A&E)'s office and cash balance at the end of the financial year was worked out during 2024-25 and has been continuously followed. The parameters together with the weightage against them are mentioned below : -

**Table: 8.1 (Evaluation criteria for rating Performance of PW Divisions)**

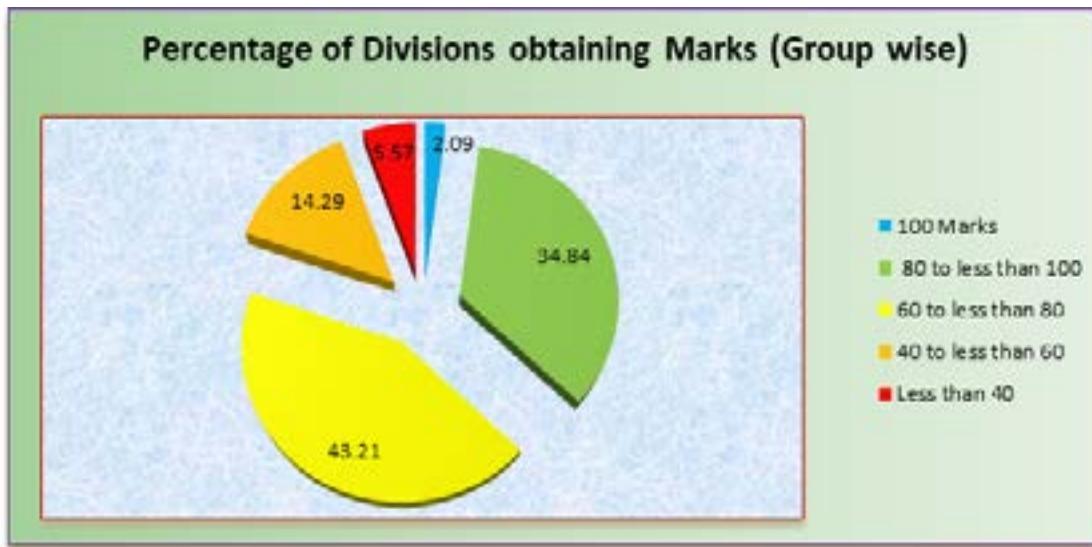

SI No	Criteria	Marks	Total Marks
1.	Submission of monthly accounts within due date	4 marks for each accounts	48
2.	Submission of Revised Form-51 within due date	2 marks for each revised Form-51	24
3.	Reconciliation of accounts with Pr.AG(A&E) office	1.75 marks for each month	21
4.	Nil cash balance at the end of the year	7 marks	07
(i)	Balance: Rs.1 to 1 lakh	5 marks	
(ii)	Balance: Rs.1 lakh to 2 lakh	4 marks	
(iii)	Balance: Rs.2 lakh to 3 lakh	3 marks	
(iv)	Balance: Rs.3 lakh to 4 lakh	2 marks	
(v)	Balance: Rs.4 lakh to 5 lakh	1 marks	
(vi)	Balance: above Rs.5 lakh	0 marks

#### Performance of Public Works Divisions

8.2 Based on the four parameters mentioned above (Para-8.1), the performances of all PW Divisions of the State for the year 2024-25 have been evaluated and shown in Annexure-E. The results were communicated to the Secretaries of concerned Administrative Departments of the State Government. A summary position of the performances of 287 PW Divisions are mentioned below:

**Table - 8.2 (Summary of Performances of PW Divisions)**

Marks obtained	Number of PW Divisions		
	2022-23	2023-24	2024-25
< 40 marks	24	12	16
≥ 40 but < 60 marks	61	46	41
≥ 60 but < 80 marks	107	97	124

100 marks	04	13	06
<b>Total</b>	<b>287</b>	<b>287</b>	<b>287</b>

It would be seen from the above that only 06 Divisions secured 100% marks whereas, 34.84 per cent Divisions obtained marks between 80 to less than 100 marks. The Department-wise performance of the Divisions during 2024-25 is as under:

**Table - 8.3 (Marks obtained by PW Divisions/Department-wise)**

It was decided to review the Annual Performance Appraisal Reports of Divisional Accountants/ Divisional Accounts Officers/Sr. Divisional Accounts Officers based on these parameters. This had been communicated to all officials of Divisional Accountants cadre vide this office letter No. WM-I-Target-101-312 dated 20.04.2010. Besides, the State Government was also requested to evaluate the performance of Executive Engineers based on the above parameters since financial and accounting discipline is an intrinsic aspect in the discharge of duties by the Executive Engineers.

All these exercises endeavour to present Monthly Civil Accounts of the Government of Jharkhand in complete shape, free from any expenditure/ revenue being left out. 05 DDO Codes of Health Department have been reactivated in September 2024 only for refund of Security Deposit and Deposit Part-V, if any. These 05 DDO Codes are being operated by the Divisional Officer of 05 Building Divisions. So performance of these DDO Codes are neither evaluated separately nor included in the evaluation of those 05 Building Divisions.

## CHAPTER - 9

# WORKS ACCOUNTS MANAGEMENT INFORMATION SYSTEM

### Introduction

9.1 Taking note of the emphasis laid on the creation of infrastructure and monitoring the quality of expenditure of projects covered under various schemes of the Central/State Governments, Centre for Development of Advanced Computing (**C-DAC**), Pune undertook an effort to develop a generic framework to track and monitor the physical progress of such projects. This effort has culminated into a comprehensive web based solution based on the centralized architecture known as the **Works and Accounts Management information system (WAMIS)**. Department of IT & e-Governance, Government of Jharkhand in association with C-DAC, Pune started to implement this application in the State of Jharkhand on 2016-17 and was made operational on 2017-18. This system encompasses the entire life cycle of a typical construction project work right from its inception to its final completion. The system is work-flow enabled and comprises of various building blocks in the form of modules as described below.

**Works Management and Billing:-** This module captures the entire information of a typical construction work from proposal stage. Approvals in the form of administrative approvals, technical sanctions. The stages of approvals are embedded with supporting tools for estimation in support of approvals. Subsequently, this module caters to the need of generation of contractor's bills on the basis of recorded measurements based on the Schedule of Rates (SoR). The bill thus, generated becomes an input to the Accounting system as a voucher.

**Mobile Application for Project site survey/Inspections:-** To ensure that works taken up under various programmes/schemes meet the requisite standards and to assess the actual progress of individual works, a mobile-based application has been developed. This application enables the user to take geo-location tagged photographs as well as record other parameters pertaining to project site inspections/survey of the on-going works at the location of their construction site. Photographs thus, taken through this mobile based app can later be viewed through a viewer application deployed as a part of WAMIS MIS along with various other financial and works related data captured/processed through WAMIS.

**Integration with Allied Agencies and Line Departments:-** WAMIS has been developed carrying out comprehensive study of the integration aspects with other line departments or nodal agencies thereby, facilitating online reconciliation of revenue & expenditure on near real time basis. In continuous to this, WAMIS has been integrated with treasury system (KUBER) and VLC (Voucher Level Compilation) system of Pr. A.G. (A&E) office.

**Accounts Management System:-** This is a voucher based accounting system that captures all the financial transactions in a typical DDO office. This system generates all the relevant schedules including the cashbook that are required to be submitted to the office of the Pr. A.G. (A&E) at the end of every month. This system is based on the CPWA code, which has been prescribed for various engineering departments for accounting purposes.

**Management Information System (MIS):-** A comprehensive MIS has been developed in the form of dashboard that gives an analytical view of the physical and financial status of the various projects undertaken by the department and compiled for all the offices of the department. The analysis is carried out under various parameters such as Head of Accounts, Schemes/Programmes, User Departments, Infrastructure types, Allotment, defined physical scope etc., assessed against Budgetary Grants, MB Recordings, and Stipulated Time Frames.

Initially, WAMIS covered the cash book and monthly accounts and subsequently, the scope was extended to: -

- Technical and Administrative approval.
- Uploading bill of quantity.
- Price comparison
- Award of contracts
- Work Advance
- E-Measurement Book
- Quantity deviation
- Supplementary agreement
- Extension of Time
- E-billing etc.

### **Preparation of monthly accounts through WAMIS**

9.2 One of the main components of WAMIS is generation of monthly accounts of PW Divisions and forwarding the same to the Pr.AG (A&E)'s office. The following officials are involved in the entire process having separate login facilities: -

- Executive Engineer
- Assistant Engineer(AE)/Junior Engineer(JE)
- Accounts clerk
- Cashier; and
- Divisional Accountants/Divisional Accounts Officer

The following procedures are adopted for execution of works: -

- (i) The Executive Engineer( EE) prepares and maintains the master data relating to works and contractors' details;
- (ii) Bill of Quantity (BoQ) is prepared by the Junior Engineer (JE) and forwarded to the Assistant Engineer (AE) for verification;
- (iii) The AE after verification of BoQ forwards the same to EE;
- (iv) The EE verifies the BoQ and put tender, quotation and contract details once approved by the competent authority;
- (v) After commencement of works, the work of preparation of bill is taken up by the JE;
- (vi) JE forwards the bill to the AE for verification of measurement and other parameters
- (vii) After verifying the bill, the AE forwards the same to EE
- (viii) After being satisfied with the measurements entered in the MB, EE forwards this MB to the Accounts wing of the office with an order to check and pass(C&P) the bill.
- (ix) The Accounts clerk verifies the arithmetical checks of the bill with reference to measurement book, rates and other parameters of the contract and finalises the bill and prepares memo and forwards the same to Divisional Accountant;

---

---

- (x) The Divisional Accounts Officer/Divisional Accountant checks the bill including statutory deductions like GST, IT, royalty etc., and forwards the same to EE after noting his observation online;
- (xi) Finally, the EE passes the bill and cheque is issued and a reference number is generated for linking with KUBER<sup>1</sup> Software;

### **Integration with KUBER**

9.3 WAMIS Software has been integrated with KUBER Software (Treasury accounts) and also with VLC system of the Pr. Accountant General office w. e. f. January 2018. The data of the bill prepared by the PW Division is fetched by the KUBER (Treasury) through reference number once the cheque is issued by the EE. KUBER generates advice details and shares it with WAMIS.

### **Preparation of Accounts**

9.4 After receipt of advice from KUBER, the Cashier enters the data in the Cash Book online and then, generates the monthly accounts and other schedules required to be submitted to Pr.AG office along with the monthly accounts. The monthly accounts are finally signed by DAO/DA as well as EE and submitted to the office of the Pr. Accountant General (A&E) online. Hard copies duly signed by the DAO/DA and EE are also submitted separately along with vouchers.

At present, all the PW Divisions are generating monthly accounts through this software and submitting hard copies of the accounts to this office. However, this office has started accepting monthly accounts online through interface.

## CHAPTER - 10

### IRREGULARITIES DETECTED BY THE AUDIT DURING 2024-25 IN RESPECT OF PW DIVISIONS OF GOVERNMENT OF JHARKHAND

10.1 The audit of the accounts and records of the PW Divisions of the State is conducted by the Office of the Accountant General (Audit), Jharkhand, Ranchi as per the provisions of CAG's (DPC) Act, 1971 read with Regulations on Audit and Accounts Rule 2007.

During 2024-25, the Office of the Pr. Accountant General (Audit), Jharkhand conducted audit **in 64 out of 287 PW** Divisions of the State and communicated the results of the audit to the Divisional Officers and the State Government through Inspection Reports. The major findings of the audit were as under: -

- Less deduction/non-deduction of statutory dues
- Irregular payment of carriages, mobilisation advances;
- Unfruitful expenditure
- Undue favours to contractors
- Excess payment to contractors
- Avoidable expenditure
- Slow progress of work
- Cost over run
- Under utilisation of fund
- Non-recovery of Liquidated damages
- Non-acquisition of required land

The details of audit paras and outstanding paras in respect of the said PW Divisions have been shown in **Annexure-F** and **Annexure-G** respectively.

## CHAPTER - 11

### MISCELLANEOUS

#### **Cheque Drawing Authority**

11.1 In terms of Rule-61 and 62 of JTC 2016, the Accountant General (A&E) issues Cheque Drawing Authority (CDA) to the Executive Engineer/Drawing & Disbursing Officer of PW Divisions for meeting works expenditure. The criteria for issuance of CDA for the Financial Year 2024-25 as circulated by the Principal Accountant General (A&E) vide letter no. WM-II-CDA/2025-26/200 dated 04.03.2024 was as under: -

#### **1. In case of Permanent Divisions**

- (a) Monthly accounts received up to March 2024 and accepted without any objection by this office.
- (b) Revised Form-51 received for the month prior to the month for which Treasury accounts has been received in this office.

#### **2. In case of Temporary Divisions**

- (a) Proper sanction for extension of life of Temporary Division has been received in this office.
- (b) Conditions as prescribed in 1(a) & (b) above.
- (c) When the sanction for extension of life of Temporary Division is received after April 2024, the Monthly Accounts and revised Form-51 due at that time must have been received in this office.

3. A certificate must be attached with March 2024 monthly accounts that no bank accounts are being operated in personal or any other capacity by any of the officials except as required by specific Centrally Sponsored Scheme duly permitted by the Planning-cum-Finance Department, Government of Jharkhand, in which case the relevant particulars and permission of the Planning-cum-Finance Department, Government of Jharkhand to be provided.
4. Statements of commitments on incomplete public works contracts as on 31<sup>st</sup> March 2024 as downloaded from WAMIS in Excel Sheet by all the Divisions may be sent to this office through email at [agaejharkhand@cag.gov.in](mailto:agaejharkhand@cag.gov.in) latest by 25<sup>th</sup> April 2025. The column for "Name in Hindi" should be translated from the column for "Name in English".
5. Time bound action plan to recover/adjust or Write-off of old and outstanding temporary advance.
6. It was intimated to all Departments of PWD that monthly accounts are to be submitted 05<sup>th</sup> of the following month. If the monthly accounts are not received within the prescribed period, complete in all respect, the CDA will be cancelled. CDA will also be cancelled for delay in submission of RF-51.

Despite issue of clear instructions regarding timely submission of monthly accounts, many PW Divisions delayed submission of their monthly accounts to this office which resulted in non-inclusion of the same in the monthly accounts of the State Government. The Division-wise delay in submission of monthly accounts has been shown in **Annexure-C**.

The Public Works Department should take timely action for extension of period of Temporary Division in consultation with Finance Department so that the CDA can be issued to PW Divisions on time.

---

---

This would help the PW Divisions in completing their work schedule as well as reducing unnecessary litigation over non-payment of dues to contractor, lapse of fund etc.

### **Duties and responsibilities of Divisional Accountants**

11.2 The Divisional Accountants (DAs) are constituted in a separate cadre with its own leave and training reserve under the administrative control of the Principal Accountant General (A&E). They are posted to the PW Divisions by the order of the Pr.AG to assist the Divisional Officers in the discharge of their duties. Their transfer from one Division to another Division is made by the Pr.AG at his/her discretion and as per the guidelines issued by the Comptroller and Auditor General (CAG) of India from time to time. No Divisional Accountant should become a member of any Committee or Board of Management of institutions, which are under the audit control of the CAG of India.

The functions of the DAs are threefold: -

- i) As an accountant, i.e., as the compiler of the accounts of the division in accordance with the prescribed rules and from the data furnished to him;
- ii) As primary auditor charged with the responsibility of applying certain preliminary checks to the initial accounts, vouchers etc., and
- iii) As financial assistant, i.e., as the general assistant and adviser to the Divisional Officers in all matters relating to the accounts and budget estimates or to the operation of financial rules generally.

The Divisional Accountant/Divisional Accounts Officer is expected to see that the rules and orders in force are observed in respect of all the transactions of the division which come within the sphere of his duties.

This office has received many complaints from the DA cadre regarding stoppage of salary & other allowances, lodging of complaints by the Divisional Officers in police station etc. It is to be mentioned that no action against the Divisional Accountants shall be initiated without the approval of Pr. Accountant General.

---

## CONCLUSION

Shortcomings in the working of PW Divisions have been outlined in preceding chapters. During 2024-25, 72.75 per cent of monthly accounts were received from the PW Divisions within the due dates as compared to 79.53 per cent of the previous year. Due to delay in receipt of accounts, 80 out of 3,479 monthly accounts of the PW Divisions could not be incorporated in the consolidated monthly accounts of the State. Timely action should be taken by the Divisional Officers to ensure more accuracy in preparation of monthly accounts, following strictly the codal provisions to avoid objections and submission of accounts within the stipulated time.

The percentage of reconciliation of monthly accounts is 100.00 per cent in all the quarter of 2024-25. But a number of divisions did not reconcile their accounts with AG's record within the due time. As a result, the final figure of expenditure could not be calculated quarterly basis.

At the end of 31 March 2025, a sum of Rs. 16.99 crore was pending for adjustment towards temporary advance in respect of 91 PW Divisions. The amount was lying unadjusted for a period ranging from 1 to 40 years. Out of this amount, Rs. 13.27 crore was laying unadjusted against 25 officials as detailed in Table-2.2. Immediate action is required to be taken to examine/review the individual advances pending for a long period for the purpose of recovery or adjustment of the same.

Miscellaneous Public Works Advances (MPWAs) as of 31 March 2025 stood at Rs. 1158.61 crore that was same for the previous year. Though the PW Divisions are required to send this office the details of such advances along with the monthly accounts in Form-70 of the CPWA Code, a few divisions submitted the same to this office. It is observed that the MPWAs have been showing no change in the year 2024-25. A close monitoring is required for settlement of the same, especially the advances which are lying for years together.

Out of 287 PW Divisions, the works expenditure in respect of 27 PW Divisions remained nil. The works expenditure in respect of 18 PW Divisions remained nil for the last three years consecutively and these PW Divisions have incurred an expenditure of Rs. 94.08 crore during the last three years towards wages and salaries to the staff.

As on 31 March 2025, the PW Divisions were holding huge cash balances in contravention of Para-22.4.22 of the Central Public Works Accounts Code.

In view of above, it is necessary that the Divisional Officers pay great attention to the observance of the rules and orders and also take immediate and effective steps to avoid recurrence of irregularities and to ensure early clearance of arrears in their respective divisions. Monthly accounts, complete in all respects, together with various returns should be sent to the Office of the Pr. Accountant General (A&E) on the due dates. The Divisional Officers should take urgent action for settlement of outstanding objections and take up clearance of arrears relating to Head-I, Head-II items on top priority.
