<u>Certificate of the Comptroller and Auditor General of India on Finance</u> <u>Accounts</u>

This compilation containing the Finance Accounts of the Government of Arunachal Pradesh for the year ending 31 March 2018 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume - I contains the consolidated position of the state of Finances and Volume - II depicts the Accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller & Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Arunachal Pradesh and the statements received from the Reserve Bank of India. Statements (No. 9 and 10), explanatory notes (No. 14 and 15) and appendices (III, IV, VIII and IX) in this compilation have been prepared directly from the information received from the Government of Arunachal Pradesh/ Corporations/ Companies/ Societies who are responsible to ensure the correctness of such information.

The treasuries, offices, and/ or departments functioning under the control of the Government of Arunachal Pradesh are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of Accounts is discharged through the Accounts Wing of the Principal Accountant General. The audit of these accounts is independently conducted through the Audit Wing of the Principal Accountant General in accordance with the requirements of Articles 149 and 151 of the constitution of India and the Comptroller & Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These

offices are independent organisations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory Notes to Accounts give a true and fair view of the financial position, and the receipts and disbursements of the Government of Arunachal Pradesh for the year ending 31 March 2018.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Arunachal Pradesh being presented separately for the year ended 31 March 2018.

Emphasis of Matter

I want to draw attention to the following significant issues/ concerns which are important from the point of view of accuracy, transparency and completeness of these accounts and maintaining legislative financial control over public finances:

1. Government collected ₹ 90.09 crore from employees as contribution towards National Pension Scheme (NPS) and contributed only ₹ 64.39 crore as Government's share towards the scheme. Thus, Government did not discharge its statutory liability as it failed to contribute ₹ 25.70 crore as Government's matching share under NPS. Further, against the total collected funds of ₹ 237.75 crore (including previous year's balance ₹ 83.27 crore), the Government transferred ₹ 141.88 crore only to designated

authority (NSDL) and did not transfer ₹ 95.87 crore to NSDL for further investment as per provisions of the scheme. Thus, there was a short transfer of ₹ 95.87 crore to the NSDL and current liability stands deferred to future year(s). Further, the State Government has created interest liability on the amount not transferred to NSDL, incorrectly used the funds that belongs to its employees and created benefit uncertainty in respect of the employees affected.

2. Ten Departments had drawn ₹ 5.71 crore from Government Accounts in the financial year 2017-18 against 183 Abstract Contingency (AC) bills but six departments did not submit 56 Detailed Countersigned Contingency (DCC) bills amounting to ₹ 2.59 crore before the close of the financial year and, therefore, there is no assurance that the amount of ₹ 2.59 crore has actually been incurred during the financial year for the purpose for which it was authorised by the legislature. In addition to this, four AC bills amounting to ₹ 0.75 crore drawn up to 2016-17 were also outstanding as on 31 March 2018. Thus, a total of 60 AC bills amounting to ₹ 3.34 crore were outstanding as of March 2018.

Guide to the Finance Accounts

A. Broad overview of the structure of Government accounts

1. The Finance Accounts of the State of Arunachal Pradesh present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

Part I: Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises of two sections: Revenue and Capital (including Loans). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non-Tax Revenue' and 'Grants in Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants in Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into eight sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Loans and Advances', 'Economic Services', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part II: Contingency Fund: This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Arunachal Pradesh for 2017-18 is \gtrless 0.05 crore.

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., 'Small Savings, Provident Funds etc.', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

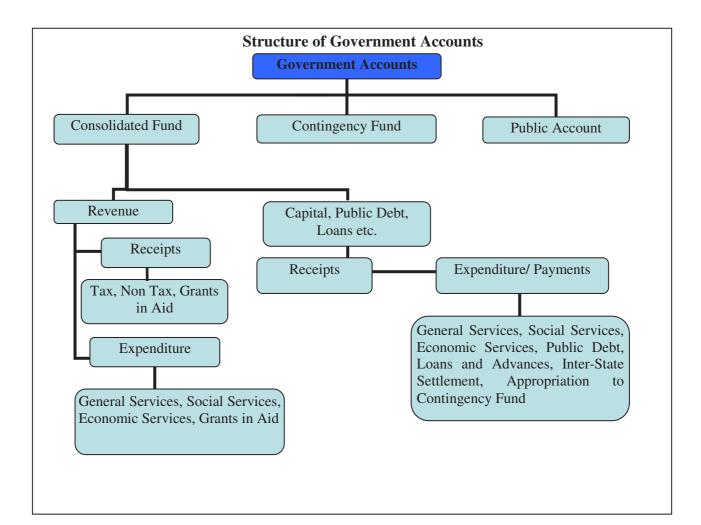

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub- Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto March 2018).

| 0005 to 1606 | Revenue Receipts |
|--------------|---------------------------------------|
| 2011 to 3606 | Revenue Expenditure |
| 4000 | Capital Receipts |
| 4046 to 7810 | Capital Expenditure (including Loans) |
| 7999 | Appropriation to the Contingency Fund |
| 8000 | Contingency Fund |
| 8001 to 8999 | Public Account |

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

D. Periodical adjustments and Book adjustments:

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue receipt. Similarly, 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Principal Accountant General/Accountant General (A&E) carries out periodic adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume I) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

- (1) Creation of funds/adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., Calamity Relief Fund, Reserve Funds, Sinking Fund, etc.
- (2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

- (3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme, where interest on GPF is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-General Provident Fund.
- (4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075-Misc. General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

E. Rounding:

Difference of ₹0.01 lakh/crore wherever occurring, is due to rounding.

EXPLANATORY NOTES

(a)There was a difference between the figures reflected in the accounts and that intimated by the Reserve Bank of India regarding "Deposits with Reserve Bank" included in the Cash Balance. The discrepancy is under reconciliation.

B. Government Account : Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

Steps are being taken to settle the discrepancies

(ii) The balances are communicated to the officers concerned every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received.

NOTES TO ACCOUNTS

1. Summary of significant Accounting Policies

(i) Entity and Accounting Period

These accounts present the transactions of the Government of Arunachal Pradesh for the period 1 April 2017 to 31 March 2018 and have been compiled based on the initial accounts rendered by 25 District Treasuries/Sub Treasuries, 193 Public Works and 46 Forest Divisions and Advices of the Reserve Bank of India. Despite delay in rendition of monthly accounts ranging from 01 day to 120 days by accounts rendering units, no accounts have been excluded at the end of the year.

(ii) Basis of Accounting

The accounts represent the actual cash receipts and disbursements during the accounting period with the exception of some book adjustments (**Annexure – A**). Physical Assets and Financial Assets such as investments are shown at historical cost, i.e., the value in the year of acquisition/purchase. Physical assets are not depreciated or amortized. Losses in physical assets at the end of their life have not been expensed or recognized.

(iii) Currency in which Accounts are kept

The accounts of the Government of Arunachal Pradesh are maintained in Indian Rupees.

(iv) Form of Accounts

The accounts of the Union and States are kept in such form as the President may, on the advice of the Comptroller and Auditor General of India, prescribe under Article 150 of the Constitution of India. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) Classification between Revenue and Capital

Revenue expenditure is recurring in nature and is intended to be met from revenue receipts. Capital expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities. As per the

Indian Government Accounting Standards (IGAS) 2, expenditure of Grants-in-aid is to be classified as Revenue expenditure, regardless of end utilization. However, the State Government made an expenditure of ₹ 50.00 crore towards Grants-in-aid under Capital section instead of Revenue.

2. Quality of Accounts

(i) Advance Apportionment and Devolution of Un-apportioned Integrated Goods and Service Tax (IGST)

As per sanction orders issued by the Ministry of Finance, Government of India, an amount of $\overline{\mathbf{x}}$ 11.00 crore was received on account of advance apportionment of IGST, and an amount of $\overline{\mathbf{x}}$ 931.56 crore was stated to have been devolved to the Arunachal Pradesh Government, on the basis of the recommendation of the Fourteen Finance Commission.

(ii) Booking under Minor Head "800 – Other Expenditure"

Minor Head 800 – 'Other Expenditure' is intended to be operated only when the appropriate Minor Head under the Major Head has not been provided in the accounts. Routine operation of Minor Head 800 is to be discouraged, since it renders the accounts opaque. During the year, the State Government has classified expenditure of ₹ 5,534.31 crore under the Minor Head 800 – 'Other Expenditure' pertaining to 90 Major Heads constituting 39.28 *per cent* of the total Revenue and Capital expenditure of ₹ 14,088.57 crore. Instances of substantial proportion of the expenditure, classified under Minor Head 800 – 'Other Expenditure' are given in **Annexure –B**.

(iii) Unadjusted Abstract Contingency (AC) Bills

Under the Rule No. 308 - 312 of the Central Treasury Rules, Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency (AC) Bills by debiting service heads. They are required to present Detailed Countersigned Contingency (DCC) Bills containing vouchers in support of final expenditure to the Accountant General. As on 31 March 2018, DCC Bills for 60 AC Bills amounting to ₹ 3.34 crore were not received. Prolonged non-submission of DCC Bills renders the expenditure under AC Bills opaque.

| | | (₹ in crore) |
|---------|-------------------|----------------------|
| Year | Number of pending | Amount |
| | DC bills | |
| 2016-17 | 4 | 0.75 |
| 2017-18 | 56 | 2.59 |
| Total | 60 | 3.34 |

Details of AC bills outstanding as on 31 March 2018 are given below:

Note: There are no pending DC bills prior to 2016-17

Major defaulting departments which have not submitted DC bills are Education (₹ 1.57 crore), District Administration (₹ 0.75 crore), Tourism (₹ 0.55 crore), Secretariat Administration (₹ 0.25 crore), Health & Family Welfare (₹ 0.20 crore) and Home (₹ 0.02 crore).

Out of 183 AC bills amounting to ₹ 5.71 crore drawn during 2017-18, 65 AC bills amounting to ₹ 2.18 crore were drawn in March 2018. Out of these, 25 AC bills amounting to ₹ 1.58 crore (72.47 *per cent*) were drawn on last day of March 2018 by Department of Education (21 bills for ₹ 1.50 crore) and Home (Police) (4 bills for ₹ 0.08 crore). Expenditure against AC Bills in March indicates that the drawals were primarily to exhaust the Budget Provisions and reveals inadequate budgetary control.

Ageing analysis of outstanding AC bills of outlining Departments having highest pendency are given in **Annexure-C**.

(iv) Outstanding Utilization Certificates (UCs)

Under the Rule No. 238 of the General Financial Rules, Utilization Certificates (UCs) in respect of grants provided for specific purposes should be obtained by departmental officers from grantees, and after verification, these should be forwarded to Accountant General (A&E) within 12 months of closure of the financial year unless specified otherwise. UCs outstanding beyond the specified period indicates absence of assurance on utilization of the grants for intended purposes. Further, to the extent of non-receipts of UCs, the expenditure shown in accounts cannot be treated as final and cannot be confirmed that the amount has been expended for the purpose it was sanctioned.

| | | (₹ in crore) |
|---------|-----------------------|----------------------|
| Year | Number of Utilization | Amount |
| | Certificate awaited | |
| 2013-14 | 1 | 0.04 |

| 2015-16 | 40 | 45.11 |
| 2016-17 | 28 | 173.78 |
| Total | 86 | 253.65 |

Details of outstanding UCs as on 31 March 2018 are given below:

Note: UCs for 2017-18 are due for submission in 2018-19.

Major defaulting departments which have not submitted UCs are Health & Family Welfare ($\overline{\mathbf{x}}$ 141.42 crore), Home ($\overline{\mathbf{x}}$ 69.03 crore), Sports & Youth Affairs ($\overline{\mathbf{x}}$ 10.60 crore), Science & Technology ($\overline{\mathbf{x}}$ 8.24 crore), Skill Development ($\overline{\mathbf{x}}$ 7.09 crore), and Town Planning ($\overline{\mathbf{x}}$ 4.49 crore). Delayed submission and non-submission of UCs impedes the assurance that the funds have been utilized for the intended purposes.

Ageing analysis of outstanding UCs of outlining Departments having highest pendency are given in **Annexure -D**.

(v) Transfer of Funds to Personal Deposit (PD) Accounts

The State Government is authorized to open Personal Deposit (PD) Accounts to deposit funds required for specific purposes by transfer of funds from the Consolidated Fund. Transfer of funds to PD Accounts are booked as expenditure from the Consolidated Fund under concerned service Major Heads without any actual cash flow. PD Accounts are normally required to be closed on the last working day of the year and unspent balances transferred back to the Consolidated Fund.

Government of Arunachal Pradesh follows the Central Treasury Rules. In terms of para 624 of the Central Treasury Rules, if a Personal Deposit account is not operated upon for a considerable period and there is reason to believe that the need for the Deposit account has ceased, the same should be closed in consultation with the officer in whose favour the deposit account had been opened. During 2017-18, 10 (ten) No. of PD Accounts having an amount of ₹ 0.82 crore in favour of Animal Husbandry &Veterinary Department and Agriculture Department of Government of Arunachal Pradesh were renewed. At the end of the year there were two inoperative PD accounts having a balance of ₹ 0.32 crore.

The status of PD Accounts for the period 01 April 2017 to 31 March 2018 are given below:

| | | | | | | | (₹ in crore) |
|---------|--|--------|--|--------|--------|------------|----------------------|

[*] These PD accounts were inoperative.

(vi) Reconciliation of Receipts and Expenditure

All Controlling Officers (COs) are required to reconcile the Receipts and Expenditure recorded in their books every month with figures accounted for by the Accountant General to exercise effective control of expenditure, to keep it within the budget and ensure accuracy of their accounts. During 2017-18, receipts amounting to ₹ 15,547.55 crore (100 *per cent* of total receipts) and expenditure amounting to ₹ 14,524.83 crore (99.99 *per cent* of total expenditure ₹ 14,525.88) was reconciled by the COs.

(vii) Cash Balance

There was a net difference of ₹ 14.67 crore (Debit) at the end of the accounting year 2017-18 between the Cash Balances as per the books of the Accountant General and figures reported by the Reserve Bank of India. This difference is mainly due to incorrect reporting by the accredited banks to the Reserve Bank of India, Nagpur, which is responsible for maintaining the Cash Balance of the State Government and the same is under reconciliation.

(viii) Adverse Balances

Accounts closing to balance should show either Credit or Debit balances depending upon their nature: if they are otherwise (debit or credit balances as the case may be), such balances are considered "Adverse." Adverse balances under Loan Heads occur when recoveries are in excess of the amount of loan advanced. Similarly, debit balances appearing under Deposit Heads indicate that disbursements are more than the amount deposited. Though adverse balances do not have any implications on the fiscal indicators, they indicate an inaccurate and inconsistent status, and distort the concerned Summarised and Detailed Statements in the Finance Accounts. At the end of

31 March 2018 there was an adverse balance of ₹ 0.06 Crore (Debit) under Major Head 8443-Civil Deposits-105- Criminal Court Deposits.

3. Other Items

(i) Liabilities on Retirement Benefits

During 2017-18 expenditure on pension and other retirement benefits to State Government employees recruited on or before 31 December 2007 was ₹ 923.97 crore (8.48 *per cent* of the total revenue expenditure of ₹ 10,900.47 crore). State Government employees recruited on or after 1 January 2008 are covered under the New Pension Scheme (NPS), which is a defined contributory pension scheme. In terms of the Scheme, employees contribute 10 *per cent* of Basic Pay and Dearness Allowance on monthly basis and equal share is matched by the State Government.

As per prescribed procedure, both the contributions are to be initially credited to the Public Account and Major Head 8342-Other Deposit-117 Defined Contribution Pension Scheme for Government employees. Thereafter, the entire amount is to be transferred to the National Securities Depository Limited (NSDL)/Trustee Bank through the designated fund manager in the same year itself (The Major Head 8342 comes under the category of 'deposits bearing interest' implying thereby, that the Government is required to pay interest on balances that are retained in the Public Account without transfer to NSDL/Trustee Bank). This procedure makes it possible to verify whether the entire deductions under the employees' contributions have been matched by the employer and transferred into the Public Account and whether the entire amount (employees' and employer's contributions) has been transferred to NSDL/Trustee Bank. It also makes it possible to verify whether the Government has paid and transferred to NSDL/Trustee Bank, the interest on the balances that are retained in the Public Account at the end of the year. The Government of Arunachal Pradesh however, did not fully follow the above procedure.

As on 1 April 2017, the fund had a balance of ₹ 59.97 crore under MH- 8342- Other Deposit - 117 Defined Contribution Pension Scheme. During the year, an amount of ₹ 7.46 lakh was credited to the Major Head (employees' contribution ₹ 3.73 lakh and employer's contribution of ₹ 3.73 lakh). During the year an amount of ₹ 12.76 crore therefrom was transferred to NSDL/Trustee Bank. As on 31 March 2018, a cumulative balance of ₹ 47.29 crore under the Major Head remained to be transferred to NSDL/Trustee Bank.

Further, Government of Arunachal Pradesh has informed that the state has been temporarily parking the employee's and employer's contribution towards National Pension System (NPS) under the Current Account in the SBI branch, Naharlagun (outside the Government Account) and transferring to NSDL from the account. During 2017-18, an amount of ₹ 129.13 crore which includes ₹ 64.35 crore of employee's share and ₹ 64.35 crore as employer's matching share was transferred directly to the NSDL from the current account. As on 31 March 2018, there was a balance of ₹ 48.58 crore lying in the current account which includes only employee's contribution. Thus, as on 31 March 2018 total amount of ₹ 95.87 crore (₹ 47.29 crore under the Major Head 8342 and ₹ 48.58 crore under current account in the SBI) which includes both employee's and employer's contribution towards NPS remained to be transferred to the NSDL/Trustee Bank.

The State Government has informed that the balance in the current account and under MH- 8342-Other Deposit -117 Defined Contribution Pension Scheme is due to non-generation of Permanent Retirement Account Number (PRAN) of the subscribers on time. The balance lying under MH- 8342- Other Deposit -117 Defined Contribution Pension Scheme is w.e.f. the salary month of November 2008 and the balance lying in current account is w.e.f. salary month of January 2015. The State Government has informed that the onwards transfer of NPS fund to the Trust, Mumbai from Current Account is under process.

The State Government is liable to pay interest on unmatched contribution and un-transferred amounts which represent outstanding liabilities under the Scheme.

(ii) Guarantees

Guarantees are contingent liabilities on the Consolidated Fund of the State in case of default by the borrower on whose loans guarantee were extended. At the end of the year 2017-18, as per information given by the State Government, guarantees of $\mathbf{\xi}$ 1.01 crore ($\mathbf{\xi}$ 0.97 crore Principal and $\mathbf{\xi}$ 0.04 crore Interest) were outstanding. No guarantee was given by the Government during 2017-18. The position of guarantees reported in Statement No. 9 and 20 and have been prepared based on **IGAS 1**.

(iii) Loans and advances

Details on Loans and Advances made by the State Government as reported in Statement 7 and 18 of the Finance Accounts have been prepared, as per Indian Government Accounting Standards (**IGAS**) **3.** The information is incomplete, since details of overdue principal and interest, in respect

During the year 2017-18, the State Government disbursed ₹ 5.07 crore as Loans and Advances. State Government received ₹ 3.04 crore towards repayment of Loans and Advances by Government Servants and ₹ 2.64 crore as repayment of other outstanding loans and advances (₹ 62.21 crore as on 31 March 2017) which was 7.72 *per cent* of total outstanding loan and advances.

(iv) Investments:

Government has its holdings in 05 Government Companies and 151 Co-operative Bank, Societies etc. During 2017-18, Government of Arunachal Pradesh neither made any investment nor received any dividend/interest. However, total amount invested upto 31 March 2018 was ₹ 250.02 crore, out of this ₹ 190.53 crore was related to one entity i.e. Arunachal Pradesh State Co-operative Apex Bank Ltd. Naharlagun. Details are given in Statement No. 8 and 19.

(v) Reserve Funds and Deposits

There were 4 Reserve Funds earmarked for specific purposes, out of which one fund was inactive from 2008-09. The total accumulated balance at the end of 31 March, 2018 in these 4 funds were $\overline{\xi}$ 723.99 crore ($\overline{\xi}$ 723.86 crore in three active funds and $\overline{\xi}$ 0.13 crore in inactive fund), out of which $\overline{\xi}$ 711.55 crore (98.28 *per cent*) was invested. Detailed information on Reserve Funds and investments from the earmarked funds is available in Statements 21 & 22 respectively.

(a) Consolidated Sinking Fund (CSF)

In terms of the recommendations of the Twelfth Finance Commission, the State Government constituted the 'Consolidated Sinking Fund' in 2007 for amortization of loans. According to Guidelines of the Reserve Bank of India, which is responsible for management of the Fund, States are required to contribute a minimum of 0.5 *per cent* of the outstanding liabilities (internal debt plus public account) as at the end of the previous year. During the year, the State Government contributed ₹ 200.00 crore against the requirement of ₹ 28.13 crore (0.5 *per cent* of the total outstanding liabilities of the Government of Arunachal Pradesh as on 31 March 2017, i.e. ₹ 5,625.09 crore). As on 31 March 2018, an amount of ₹ 711.05 crore was invested.

(b) State Disaster Response Fund

Government of India replaced the existing Calamity Relief Fund in 2010-11 with the State Disaster Response Fund (SDRF). In terms of the guidelines of the Fund, the Centre and Special Category States like Arunachal Pradesh are required to contribute to the Fund in the proportion of 90:10. As per the guidelines, these contributions are to be transferred to the Public Account under Major Head '8121-General and Other Reserve Funds' by operating the Expenditure Major Head '2245-Relief on account of Natural Calamities'. Expenditure incurred during the year on disaster response is adjusted by debiting the Public Account with contra deduct debit to the Expenditure Major Head '2245-Relief on account of Natural Calamities'. The balances outstanding in the Fund, at the end of the year are to be invested. The Government of India provides additional assistance from the National Disaster Response Fund (NDRF) when the balances available under SDRF are insufficient to meet the expenditure on account of natural calamities. The entire funds provided under the NDRF are incurred directly against the expenditure on natural calamities. During 2017-18, the State Government received an additional assistance of ₹ 32.44 crore under NDRF

During 2017-18, the Central Government released an amount of ₹ 51.30 crore towards SDRF. Contrary to the guidelines, the State Government transferred the total contribution towards SDRF of ₹ 57.00 crore (Central share of ₹ 51.30 crore and State Government share ₹ 5.70 crore) to a Saving Bank Account opened for this purpose in the SBI. Consequently, it has not been possible to assess either the extent to which the transferred amounts have actually been spent on natural calamities or the amount of unspent balance remaining in the Saving Bank Account. As on 31 March 2018, an amount of ₹ 3.46 crore of the previous year's balances remained in the Fund uninvested.

In terms of guidelines, issued by the Ministry of Home Affairs, Government of India on 28 September 2010 and 30 July 2015, Fund balances are required to be invested as per the recommendations of the State Executive Committee (SEC) constituted for the management of the Fund. State Government has not made any investment, though ₹ 66.09 crore were in credit balance on 31 March 2017.

(c) Central Road Fund

Government of India released ₹ 132.74 crore from Central Road Fund to State Government in 2017-18. As per the accounting procedure prescribed, Central grant received towards Central

Road Fund (CRF) is to be booked as Revenue Receipts under Major Head 1601-Grants-in-Aid, and an equivalent amount transferred to the Public Account under Major Head 8449-Other Deposit- 103- Subvention from Central Road Fund, by debiting the Revenue Expenditure Major Head 3054 – Roads and Bridges in the same year of receipt. This is in keeping with the principle that Grants in Aid are to be recorded in the Revenue section irrespective of purpose (Capital or Revenue), and also ensures that the Revenue Surplus of the State Government is not unduly inflated because of the grant. Further, expenditure on prescribed road works is first to be accounted for under the relevant Revenue or Capital Expenditure section (under Major Head 3054 or 5054 as the case may be), and is to be reimbursed out of the Fund as a deduct expenditure to the concerned Revenue or Capital Expenditure section (3054 or 5054 as the case may be).

However, due to non-availability of budget provision under Major Head 3054 Roads and Bridges-80 General-797 transfer to Deposit Accounts, no amount was transferred to the Public Account. Since the amount has not been routed through Public Account, there is no assurance of utilization of the grant of ₹ 132.74 crore.

(d) Guarantee Redemption Fund (GRF)

The Government of Arunachal Pradesh constituted a Guarantee Redemption Fund (GRF) in 2017-18 with an amount of $\mathbf{\xi}$ 0.50 crore under the concerned Head of account i.e. 'MH 8235-General and Other Reserve Funds- 117-Guarantees Redemption Fund' by debiting 'MH 2075-Miscellaneous General Services - 797-Transfer to Reserve Fund/Deposit Accounts' – for meeting obligations arising out of the Guarantees issued on behalf of state level bodies through an Act dated 4 January 2016 and is administered by the Reserve Bank of India. As per Act, the fund shall be set up by the Government with an initial contribution of minimum 1 *per cent* of outstanding guarantees at the end of the previous year and thereafter minimum of 0.5 *per cent* every year to achieve a minimum level of 3 *per cent* in next five years. No guarantee was invoked during the year 2017-18. The fund had a corpus of $\mathbf{\xi}$ 0.50 crore as on 31 March 2018 which was invested by the Reserve Bank of India in Government of India Securities.

(vi) Non-discharge of interest liability on Reserve Funds and Deposits bearing Interest

Interest liabilities in respect of Reserve Funds Bearing Interest and Deposits Bearing Interest under sectors J and K respectively of the Public Account are annual liabilities that the State Government is required to discharge.

State Govt. had paid ₹ 176.57 crore on account of interest on Small Savings, Provident Fund etc., under Major Head '2049 Interest Payment-03 Interest on Small Savings, Provident Fund etc., during the year.

There was outstanding balance, under J-(a) Reserve Funds bearing interest of $\overline{\xi}$ 66.09 crore (SDRF) at the beginning of the year 2017-18 and $\overline{\xi}$ 4.02 crore was required to be paid as interest (taking Ways and Means Advance average interest rate of 6.08 *per cent* for the year 2017-18).

Similarly, there was outstanding balance \gtrless 59.97 crore at the beginning of the year 2017-18 relating to defined pension contribution scheme (New Pension Scheme) under K-(a) Deposits bearing Interest. \gtrless 4.67 crore was required to be paid as interest (taking GPF interest rate 7.78 *per cent*) for the year 2017-18, but state Govt. had not paid any interest on Deposits (NPS).

There was also outstanding balance \gtrless 7.79 crore at the beginning of the year 2017-18 relating to Civil deposits. \gtrless 0.47 crore was required to be paid as interest (taking WMA interest rate 6.08 *per cent*) for the year 2017-18, but state Govt. had not paid any interest on Civil Deposits.

(vii) Suspense and Remittance Balances

The Finance Accounts reflect net balances under Suspense and Remittance Heads as detailed in Statement 21 of the Finance Accounts (Volume – II). Outstanding balances under these heads are worked out by aggregating outstanding debit and credit balances separately under various heads. Clearances of suspense and remittance items depends on the details furnished by State Treasuries, Works/Forest Divisions, PAOs etc. The position of gross figures under major suspense and remittance heads, for the last three years, is given in **Annexure -E**.

(viii) Rush of Expenditure

In terms of Rule 56(3) of the General Financial Rules, 2005 (adopted by the State Government), rush of expenditure particularly in the closing month of the financial year shall be regarded as breach of financial regularity and should be avoided. State Government Department, however, withdrew ₹ 4,817.56 crore in March 2018 and ₹ 2,654.25 crore on the last working day of March 2018 (34.19 *per cent* and 18.84 *per cent* respectively of the total expenditure). Treasury-wise details of significant transactions are given in **Annexure -F**.

(ix) Collection of Labour Cess under Arunachal Pradesh Building and Other Construction Workers Welfare Cess Act, 1996.

Under the Rule 3 of the Act, there shall be levied and collected a cess at such rate not exceeding two percent but not less than one percent of the cost of construction incurred by an employer as the Central Government may, by notification in the official Gazette, from time to time specify. The proceeds of the cess collected shall be paid by the local authority or the State Government collecting the cess to the Board after deducting the cost of collection such cess not exceeding one percent of the amount collected. As per rule 5(3) of the Building and Other Construction Workers Welfare Cess Rule 1998, the amount collected shall be transferred to the Board within thirty days of its collection.

An amount of ₹ 21.29 crore was collected as labour cess during 2017-18. However, no amount was transferred to the Arunachal Pradesh Building and Other Construction Workers Welfare Board (APB&OCWWB).

(x) Status of write-off of loans given by the Central Government to the Government of Arunachal Pradesh.

Ministry of Finance, Government of India, in a series of orders, dated 29 February 2012, wrote off loans advanced to the State Government by various Ministries (except those advanced by the Ministry of Finance) outstanding as on 31 March 2010 towards Central Plan and Centrally Sponsored Schemes. Ministry of Finance permitted the State Governments to adjust the excess payments of principle and interest made from the effective date of the order (31 March 2010) and its implementation against future repayments to the Ministry of Finance. However, due to mismatch in write off figures reflected in the Finance Accounts with those furnished by the Ministry, no amount has been written off. The matter was taken up (July 2013 and June 2018) with the Ministry and State Government for reconciliation. The reply is awaited (October 2018).

(xi) Direct Transfer of Central Scheme Fund to Implementing Agencies in the State (Funds routed outside State Budget)

In spite of the Government of India's decision to release all assistance to CSSs/ ACA to the State Government and not directly to the implementing agencies, funds were transferred directly to implementing agencies. As per the PFMS portal of the Controller General of Accounts (CGA), GOI released ₹ 33.06 crore directly to the Implementing Agencies in Arunachal Pradesh during

2017-18 (details at **Appendix –VI**). Thus, direct transfers of funds to Implementing agencies have decreased by 87 *per cent* in 2017-18 as compared to 2016-17.

(xii) Disclosures under the Arunachal Pradesh Fiscal Responsibility and Budget Management (FRBM) Act, 2006
