INTRODUCTORY

This compilation containing the Appropriation Accounts of the Government of Haryana for the year 2014-15 presents the accounts of sums expended in the year ended 31 March 2015 compared with the sums specified in the schedules appended to the Appropriation Acts passed under the Articles 204 and 205 of the Constitution of India.

In these Accounts-

'O' stands for original grant or appropriation.

'S' stands for supplementary grant or appropriation.

'R' stands for reappropriations, withdrawals or surrenders sanctioned by

a competent authority.

Charged appropriation and expenditure are shown in *italics*.

The following norms which have been approved by the Public Accounts Committee of Haryana Legislature vide letter No.PAC-10-89/12245 dated 19 July 1989 have been adopted for comments on the Appropriation Accounts.

SAVINGS

A - Where there is an overall saving in a grant/appropriation-

(I) If overall saving in a grant/appropriation is less than 2 *per cent* of the total provision (original plus supplementay) made there under, no notes or comments are necessary under individual sub-heads. However, significant cases of savings/excess need to be commented upon where saving under sub-head is more than 10 *per cent* of the total provision and ₹ 20 lakh. For this purpose Revenue and Capital (Voted or Charged) should be treated as separate grant/appropriation.

- (II) Even in cases where overall saving is 2 per cent or more under the grant/appropriation
 - (a) No comments should be included for savings under the sub-head where the savings are less than 10 *per cent* of the total provision.
 - (b) If overall saving under a sub-head is more than 10 *per cent* of the total provision, no explaination be given in Appropriation Accounts-
 - (i) If the total provision under Revenue/Capital (Voted or Charged) grant/appropriation is more than ₹30 crores and saving under a sub-head is less than ₹20 lakh.
 - (ii) If the total provision under a grant/appropriation is less than ₹30 crores and saving under a sub-head is less than ₹10 lakh.

EXCESS

B - Where there is an overall excess under a grant/appropriation-

(a) If there is an overall excess under a grant/appropriation the excess needs regularization. However, in the Appropriation Accounts explanation to the excess need be given only if the excess under a sub-head exceeds 10 *per cent* of the total provision and is also more than ₹5 lakh. However, in the following cases, where excess is less than 10 *per cent* of the total provision explanation be given in the Appropriation Accounts -

- (b) If the total provision below a grant/appropriation is:-
 - (i) More than ₹30 crores and the excess under a sub-head is more than ₹20 lakh.
 - (ii) between ₹10 to 30 crores and excess under a sub-head is more than ₹10 lakh.
 - (iii) less than ₹10 crores and the excess under a sub-head is more than ₹5 lakh.

These limits will however be without prejudice to the right of the Accountant General to comment on important items.

Certificate of the Comptroller and Auditor General of India

This compilation containing the Appropriation Accounts of the Government of Haryana for the year ending 31 March 2015 presents the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India. The Finance Accounts of the Government for the year showing the financial position along with the accounts of the receipts and disbursements of the Government for the year are presented in a separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Haryana and the statements received from the Reserve Bank of India.

The treasuries, offices, and/or departments functioning under the control of the Government of Haryana are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Appropriation Accounts read with observations in this compilation give a true and fair view of the accounts of the sums expended in the year ended 31 March 2015 compared with the sums specified in the schedules appended to the Appropriation Act passed by the State Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Haryana being presented separately for the year ended 31 March 2015.

5. State Disaster Response Fund:-

The State Disaster Response Fund is intended to provide relief on account of natural calamities such as drought, flood, cyclones, fire etc. The Scheme-Calamity Relief Fund is operative from the year 1990-91. The contribution to the State Disaster Response Fund is to be made in the ratio of 75:25 by the Government of India and State Government respectively.

1. Against the available saving of ₹29,39.74 lakh, surrender of ₹29,64.78 lakh on 31 March 2015 proved unrealistic.

2. In view of the overall saving of ₹29,39.74 lakh, the supplementary grant of ₹1,05.50 lakh obtained in November 2014 proved unnecessary as the actual expenditure did not come up even to the original budget provision.

Augmentation in provision through reappropriation was due to cover more expenditure on emergent repair works of old office buildings, escalation in the cost of construction material and sales tax, income tax and labour cess.

Capital:

4. Against the available saving of ₹4,49,60.78 lakh, surrender of ₹4,50,97.58 lakh on 31 March 2015 proved unrealistic.

5. In view of the overall saving of ₹4,49,60.78 lakh, the supplementary grant of ₹2,21,33.49 lakh obtained in March 2015 proved unnecessary as the actual expenditure did not come up even to the original budget provision.

11. Suspense transactions:- The expenditure under the grant includes ₹1,92,12.94 lakh under the head "Suspense".

The head 'Suspense' is not a final head of account. It accommodates interim transactions for which further payments or adjustments of value are necessary before the transactions can be considered complete and finally accounted for. Accordingly, the transactions under this head, if not adjusted to the final head of accounts, are carried forward from year to year. The 'Suspense' head has four sub-divisions viz.

(i) Purchases,

(ii) Stock,

- (iii) Miscellaneous Public Works Advances, and
- (iv) Workshop Suspense

The nature and the accounting of the transactions under each of these sub-divisions are explained below:-

(i) Purchases :-This sub head is now not being operated upon, except to adjust the outstanding items and will continue to be shown separately till balances are entirely adjusted. The credit balance under this head represents the value of stores received, but not paid for.

(ii) Stock :- This sub head is charged with all expenditure connected with requisition of stock materials and manufacturing operations. It is credited with the value of materials issued to works or sold or otherwise disposed off and the value of materials in stock plus unadjusted charges etc., connected with manufacture, if any.

(iii) Miscellaneous Public Works Advances :- This sub head records :-

- (a) sales of material on credit;
- (b) expenditure on deposit works incurred before receipt of contribution or in excess of contribution received;
- (c) losses and retrenchments ; and
- (d) other items awaiting adjustment.

The debit balance under this head would, therefore, normally represent amounts recoverable.

| Grant No | . 8- | Concld. |
|----------|------|---------|
|----------|------|---------|

Suspense transactions:-

(iv) Workshop Suspense:- The charges for jobs executed for operations in departmental workshop are debited to this sub-head pending their recovery or adjustment. The balance under "Workshop Suspense", therefore, represents expenditure on jobs in progress at the end of the year in Public Works Workshops.

The details of transactions under "Suspense" in the grant during the year 2014-15 together with the opening and closing balances were as follows:-

| Sub-heads of | Opening balance | Debit | Credit | Closing balance |

12. Subventions from the Central Road Fund:- The additional revenue realised from increase in excise and import duties on motor spirit is credited to the 'Central Road Fund ' constituted by the Government of India. From this Fund subventions are made to the States and Union Territories for expenditure on schemes of road development approved by the Government of India. The amount received as subvention is credited as grant from the Government of India and an equal amount is transferred to the deposit account "Subventions from Central Road Fund" against the provisions made under this grant (Grant No."8-Buildings and Roads").

The actual expenditure on the scheme is initially booked under this grant and subsequently transferred to the other deposit account.

Subvention amounting to $\overline{\mathbf{7}}$,373 lakh was received during the year 2014-15 and there was an unadjusted credit balance of $\overline{\mathbf{88}}$,69.56 lakh at the end of the year 2013-14. Against the total amount of $\overline{\mathbf{7}}$ 1,62,42.56 lakh, $\overline{\mathbf{772}}$,68.44 lakh was spent during the year 2014-15, leaving a balance of $\overline{\mathbf{88}}$,74.12 lakh at the credit of other deposit account as on 31 March 2015.

An account of the transactions of the Fund is given in Statement No.21 of the Finance Accounts 2014-15.

1. Against the available saving of ₹13,69,49.06 lakh, surrender of ₹13,72,36.59 lakh on 31 March 2015 proved unrealistic.

In view of the overall saving of ₹13,69,49.06 lakh, the entire supplementary grant of 2. ₹6,54,61.65 lakh obtained in November 2014 and March 2015 proved unnecessary as the actual expenditure did not come up even to the original budget provision.

Augmentation in povision through supplementary grant to cover more expenditure on payment of honorarium to the Anganwari Workers/Helpers was further reduced through reappropriation mainly attributed to less payment on salary, dearness allowance, rent, rates & taxes owing to receipt of less grant from the Government of India (₹34,05.40 lakh), less honorarium due to some posts of Anganwari Workers/Helpers kept vacant (₹16,89.24 lakh), non-passing of bills by treasury officers relating to other charges, machinery & equipment, petrol, oil & lubricants, contractual services leave travel concession owing to late receipt of funds from the Government of India (₹24,24.41 lakh) and non-finalization of tenders of furniture items (₹151 lakh) offset by excess expenditure on clearance of ex-gratia claims (₹53.11 lakh).
