2. Bookings under Minor Head 800- ‘Other Receipts’ and ‘Other Expenditure’:

Rupees 6,10.06 crore under 60 (Sixty) Major Head of accounts (representing function of the Government) were classified under the Minor Head ‘800- Other expenditure’ in the accounts constituting more than 14.92 percent of the total expenditure recorded under the respective Major Heads. Major Heads such as 2202-Education, 2205-Art and Culture, 2217-Urban Development, 2225- Welfare of Scheduled Castes, Scheduled Tribes and Other Backward Classes, 2245-Relief on account of Natural Calamities, etc. with substantial expenditure classified as ‘Other Expenditure’ are given in Appendix-VIII. The major schemes such as Leimakhong Hydro Electric Project, Leimakhong Heavy fuel Based Power Project, Accelerated Irrigation Benefit Programme, etc. in the Appendix are not depicted distinctly in the Finance Accounts, though the details of these expenditure are depicted at the sub-head (scheme) level or below in the Detailed Demands for Grants and corresponding head wise Appropriation Accounts forming part of the State Government accounts. A comprehensive review is being conducted for achieving greater transparency in financial reporting.

Notes to Accounts- Contd.

3. Existence of unadjusted Abstract Contingency Bills (AC Bills).

The Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency Bill by debiting Service Heads, and they are required to present Detailed Contingency Bill (vouchers in support of final expenditure) in all these cases within a specified period. Presently 961 DC Bills amounting to Rs.1069.60 crore have not been received in the office of the Accountant General.

4. Transfer of Funds to PD Accounts-

Transfer to PD Accounts is booked as expenditure in the Consolidated fund (service major heads) of the State. While Government is authorized to open personal Deposit Accounts in order to deposit money for specific purposes, the Administrators are required to close such accounts at the last working day of the year and transfer the unspent balances back to the Government Accounts, which has not been done in respect of Rs.1.69 crore transferred to PD accounts during the course of the year.

5. Reconciliation of Receipts and Expenditure:

All Drawing and Disbursing Officers are required to reconcile the Receipts and Expenditure of the Government with the figures accounted for by the Accountant General. Such reconciliation has been completed in respect of 36 % of DDOs for a value of Rs. 11,88.26 crore of expenditure against the total expenditure of the Government amounting to Rs. 43,99.95 crore.

6. Cash Balance worked out by AG is Rs 2,71.30 crore (debit). The cash balance reported by RBI as on 31st March, 2009 is Rs. 2,55.89 crore (debit). Thus there is a difference of Rs. 15.41 crore (debit) between the two figures. The difference is mainly because of (a) net unadjusted balance of Rs. 7.75 crores (credit) being less adjustment by Bank in respect of treasuries during 1985-86 to 2008-09, (b) Remittance in transit for Rs. 7.66 (credit). Out of this difference, items relating to Rs. 0.83 crores(debit) have been identified and taken into account during the next accounting period.

7. Guarantees reported in Statement no 6 are on the basis of the information received from the State Government which is the authority for issuing such guarantees. Rs 1.00 crore has been transferred to Guarantee Redemption Fund. In respect of these guarantees, no amount has yet been reimbursed from the Fund.

8. In respect of **Loans and Investments**, for which detailed accounts are kept by the State Government departments, constant efforts are made to obtain complete information.

9. Reserve funds are being reviewed and Government intimated for suitable action. In the case of Reserve Fund under 8226- Depreciation/Renewal Reserve Fund, the balance is found inoperative for a certain period.

Notes to Accounts-Concl'd.

- 10.** The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under various heads. The position of gross figures under major suspense heads for the last three years is given below :

Suspense		(In crores of rupees)		
		2006-2007	2007-2008	2008-2009
8658	101-PAO Suspense	58.02 (Dr)	56.71 (Dr)	55.93(Dr)
8658	102-Suspense Account (Civil)	74.35(Dr)	66.98 (Dr)	72.18 (Dr)
8658	107-Cash Settlement Suspense Account	44.72 (Dr)	43.10 (Dr)	40.83 (Dr)
8658	110-Reserve Bank Suspense (CAO)	53.87 (Cr)	69.07(Cr)	63.35 (Cr)
8658	129-Material purchase settlement Account	1.29 (Cr)	2.50 (Cr)	2.81 (Cr)

Remittance		2006-2007	2007-2008	2008-2009
8782	102-Public Works Remittances	125.95(Dr)	2.11(Dr)	45.47 (Dr)
8782	103-Forest Remittances	3.04 (Cr)	2.34(Dr)	1.73 (Cr)
8782	105-reserve Bank of India Remittances	33.85 (Cr)	26.53 (Cr)	17.66 (Cr)

Constant efforts are underway to clear the balances under these heads. However, clearance of suspense and remittance items depends on the details furnished by the government departments /works and forest divisions/Central Ministries/PAOs/RBI etc.

- 11. Contingency fund:** There is no transaction relating to Contingency fund and the corpus of the Fund has not been appropriated from the Consolidated Fund of the State.

- 12.** There is no reserve fund created in the public account which is not in conformity with the rules in this regard.

- 13.** The State Government provides funds to State / district level autonomous bodies and authorities, societies, non government organizations, etc. for implementation of centrally sponsored schemes (State Share) and State schemes. Since the funds are generally not being spent fully by the implementing agencies in the same financial year, there remain unspent balances in the bank accounts of these implementing agencies.

The aggregate amount of the unspent balances in the accounts of the implementing agencies kept outside Government accounts (in bank accounts) is not readily ascertainable. The Government expenditure as reflected in the Accounts to that extent is, therefore, not final.

INTRODUCTORY

1. The accounts of Government are kept in the following three parts :-

Part I	Consolidated Fund
Part II	Contingency Fund
Part III	Public Account

In Part I namely Consolidated Fund, there are two main divisions, viz :-

- (1) Revenue - consisting of sections for `Receipt heads (Revenue Account)' and `Expenditure heads (Revenue Account)'.
- (2) Capital, Public Debt, Loans, etc. - consisting of sections for `Receipt heads (Capital Account)', `Expenditure heads (Capital Account)' and `Public Debt, Loans and Advances, etc'.

The Revenue division deals with the proceeds of taxation and other receipts classed as revenue and the expenditure met therefrom, the net result of which represents the revenue surplus or deficit for the year.

In Capital division, the section `Receipts Heads (Capital Account)' deals with receipts of capital nature which cannot be applied as a set-off to capital expenditure.

The section `Expenditure Heads (Capital Account)' deals with expenditure met usually from borrowed funds with the object of increasing concrete assets of a material and permanent character. It also includes receipts of a capital nature intended to be applied as a set off against expenditure.

The section `Public Debt, Loans and Advances, etc.' comprises loans raised and their repayments by Government such as `Internal Debt' and `Loans and Advances' made (and their recoveries) by Government. This section also includes certain special types of heads for transactions relating to `Appropriation to the Contingency Fund' and `Inter-State Settlement'.

In Part II, namely Contingency Fund, of the accounts, the transactions connected with the Contingency Fund established under Article 267 of the Constitution of India are recorded.

In Part III, namely Public Account, of the accounts, the transactions relating to 'Debt' (other than those included in Part I), 'Deposits', 'Advances', 'Remittances' and 'Suspense' are recorded. The transactions under 'Debt', 'Deposits' and 'Advances', in this part are those in respect of which Government incurs a liability to repay the moneys received or has a claim to recover the amounts paid, together with the repayments of the former ('Debt' and 'Deposits') and the recoveries of the latter ('Advances'). The transactions relating to 'Remittances' and 'Suspense' in this part embrace all merely adjusting heads under which appear such transactions as remittances of cash between treasuries and currency chests, transfers between different accounting circles, etc. The initial debits or credits to these heads will be cleared eventually by corresponding receipts or payments either within the same circle of account or in another account circle.

2. *Sectors and Heads of Accounts* :- Within each of the sections in Part I mentioned above, the transactions are grouped into sectors such as 'Tax Revenue', 'Non-Tax Revenue' and 'Grants-in-aid and contributions' for the receipt heads (revenue account), and 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-aid and contributions' for expenditure heads. Specific functions or services (such as Education, Sports, Art and Culture, Health and Family Welfare, Water Supply, Sanitation, Housing and Urban Development, etc. in respect of Social Services) are grouped in Sectors for expenditure heads. In Part III (Public Account) also, the transactions are grouped into sectors, such as 'Small Savings', 'Provident Funds', 'Reserve Funds', etc. The Sectors are sub-divided into major heads of account. In some cases, the Sectors are, in addition, sub-divided into sub-sectors before their division into major heads of account.

The major heads are divided into sub-major heads in some cases and minor heads, with a number of subordinate heads, generally known as sub-heads. The sub-heads are further divided into detailed heads. Under each of these heads, the expenditure is shown distributed between charged and voted. Sometimes major heads are also divided into sub-major heads before their further division into minor heads. Apart from the Sectorial and sub-sectorial classification the Major Heads, Sub-Major Heads, Minor Heads, Sub-Heads, Detailed Heads and Object Heads together constitute a six-tier arrangement of the classification structure of the Government Accounts. The major, minor and sub-heads prescribed for the classification of expenditure in the general accounts are not necessarily identical with the Grants, sub-heads and other units of allotments which are adopted by the Governments for Demands for Grants presented to the Parliament or Legislatures but in general a certain degree of correlation is maintained between the Demands for Grants and the Finance Accounts.

The major heads of accounts, falling within the sectors for expenditure heads, generally correspond to functions of Government, while the minor heads, subordinate to them, identify the programmes undertaken to achieve the objectives of the function represented by the major head. The sub-head represents the scheme, the detailed head, the sub-scheme and object head the object level of classification.

3. Coding Pattern

Major Heads :- From 1st April 1987, a four digit Code has been allotted to the major heads, the first digit indicating whether the major head is a Receipt head or Revenue Expenditure head or Capital Expenditure head or a Loan head.

The first digit of code for Revenue Receipt head is either `0' or `1'. Adding 2 to the first digit code of the Revenue Receipt head will give the number allotted to corresponding Revenue Expenditure head; adding another 2, the Capital Expenditure; and another 2, the Loan head of Account. For example, for Crop Husbandry code 0401 represents the Receipt head, 2401 the revenue expenditure head, 4401 Capital Outlay head and 6401 Loan head.

Such a pattern is, however, not relevant for those departments which are not operating Capital/Loan heads of accounts e.g. Department of Supply. In a few cases, where receipt and expenditure are not heavy, certain functions have been combined under a single major head, the functions themselves forming sub-major heads under the Major head.

Sub Major Heads :- A two digit code has been allotted, the code starting from 01 under each Major Head. Where no sub-major head exists it is allotted a Code `00'. The nomenclature `General' has been allotted Code `80' so that even after further sub-major heads are introduced the Code for `General' will continue to remain the last one.

Minor Heads :- These have been allotted a three digit code, the codes starting from `001' under each sub major/major head (where there is no sub-major head). Codes from `001' to `100' and few codes `750' to `900' have been reserved for certain standard minor heads. The coding pattern for minor heads has been designed in such a way that in respect of certain minor heads having a common nomenclature under many major/sub-major heads, the same three digit code is adopted as far as possible.

Under this scheme of codification, the receipt major heads (revenue account) are assigned the block numbers from 0020 to 1606, expenditure major heads (revenue account) from 2011 to 3606, expenditure major heads (capital account) from 4046 to 5475, major heads under `Public Debt' from 6001 to 6004 and those under `Loans and Advances', `Inter-State Settlement' and `Transfer to Contingency Fund' from 6075 to 7999. The code number 4000 has been assigned for Capital receipt major head. The only major head `Contingency Fund' in Part II `Contingency Fund' has been assigned the code number 8000. The major heads in the Public Account are assigned the code numbers from 8001 to 8999.

4. The transactions included in these accounts represent mainly the actual cash receipts and disbursements during the financial year April to March as distinguished from amounts due to or from Government during the same period. The cash basis system is, however, not entirely suitable for recording the transactions and presenting the true state of affairs of Government commercial undertakings run on commercial principles. The detailed accounts of this class of undertakings are, therefore, maintained outside the regular accounts in proper commercial form and are subject to test check by the Indian Audit and Accounts Department.

5. The figures of actuals shown in these accounts are net, after taking into account the recoveries, although the Demands for Grants presented to Legislature and the Appropriation Accounts are for gross expenditure and exclude the credits and recoveries which are otherwise taken as reduction of expenditure.

STATEMENT NO 8 - Contd.**EXPLANATORY NOTES**

1. The significance of the head "Government Account" is explained in note 3 below. The other headings in this Summary take into account the balance under all account heads in Government books where Government has a liability to repay the money received or has a claim to recover the amount paid and also heads of accounts opened in the books for adjustment of remittance transactions. It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government of Manipur, as these do not take into account all the physical assets of the State, such as lands, buildings, communications, etc., or any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

2. A summary of receipts, disbursements and balances under heads of account relating to Debt, Contingency Fund and Public Account is given in Statement No. 16.

In a number of cases there are unreconciled differences in closing balances as shown in that statement and those shown in the separate registers or others records maintained in the Accounts Offices/Developmental Offices for the purpose. Steps are being taken to settle the differences as soon as possible.

The balances are communicated to the Departmental officers concerned every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received.

The number of such cases, major head wise, whose balances are yet to be verified and acceptances awaited are detailed below :

(A) There was a difference of Rs. 15.41 crores (Dr) between the balance reflected in the Accounts (-Rs. 271.30 crores) and that was intimated by the Reserve Bank of India (-Rs.255.89 crores).

The reason is explained below:-

Total difference (Rs.255.89 crores) - (Rs.271.30 crores) = Rs. 15.41 crores (Dr.).

- (a) Net unadjusted balance of Rs. 7.75 crores (Cr.) being less adjustment by Bank in respect of all treasuries during 1985-86 to 2008-09 and
- (b) Remittance in Transit for Rs. 7.66 crores (Dr)
