The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Punjab and the statements received from the Reserve Bank of India. Statements 7,9,14 and Appendices V, VII and X in this compilation have been prepared directly from the information received from the Government of Punjab/Corporations/Companies/ Societies who are responsible to ensure the correctness of such information.

The treasuries, offices and departments functioning under the control of the Government of Punjab are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Principal Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position and the receipts and disbursements of the Government of Punjab for the year 2012-13.

GUIDE TO THE FINANCE ACCOUNTS

A. BROAD OVERVIEW OF THE GOVERNMENT ACCOUNTS

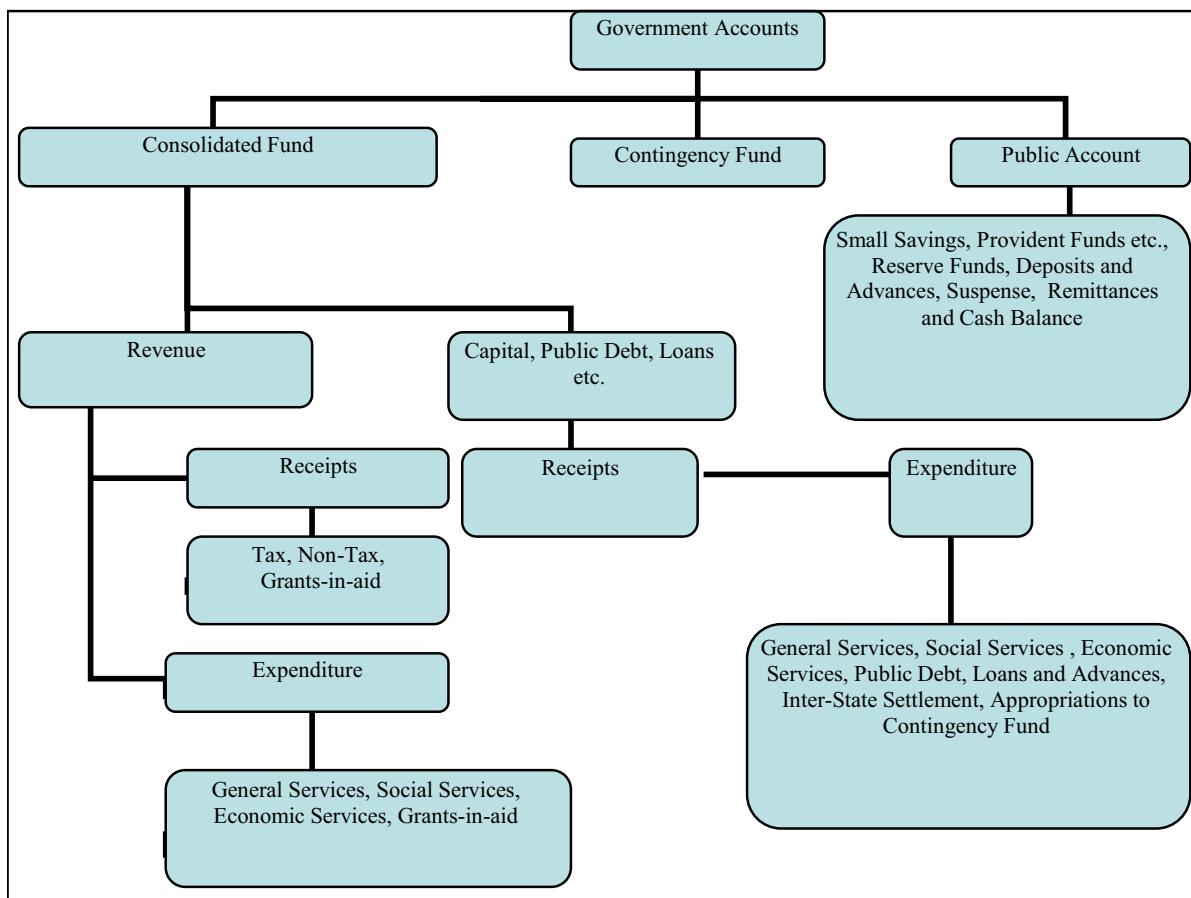

1. The Accounts of the Government are kept in three parts:

Part I - The Consolidated Fund: All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans and Advances form the Consolidated Fund of the State.

Part II - The Contingency Fund: Legislature may by law establish a Contingency Fund which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State .

Part III - The Public Account: All other public moneys received by or on behalf of the Government are credited to the Public Account. The expenditure out of this account is not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt (other than Public Debt in Part I), Reserve Funds, Deposits, Advances, Suspense and Remittances form the Public Account.

A.1.1 Pictorial representation of Structure of Government Accounts

GUIDE TO THE FINANCE ACCOUNTS - contd.

2. Divisions, Sections, Sectors etc.

The two main divisions of the Accounts in the Consolidated Fund are, as depicted in A.1.1 on previous page, 'Revenue' and 'Capital, Public Debt, Loans etc.' which are divided into sections 'Receipts' and 'Expenditure'. Within each of the Divisions and Sections of the Consolidated Fund, the transactions on the expenditure side are grouped into Sectors such as, 'General Services', 'Social Services', 'Economic Services', under which specific functions or services are grouped. The Sectors are sub-divided into Sub-Sectors/Major heads of account. Major heads correspond to functions and are further divided into sub-major heads (sub-functions) and minor heads (programmes) which are depicted in Volume II of the Finance Accounts. The classification below minor heads of account i.e. sub-heads (schemes) and detailed and object heads (objects of expenditure) are not depicted in the Finance Accounts (minor exceptions exist), though some details are included in the appendices.

B. WHAT DO THE STATEMENTS CONTAIN

The Finance Accounts have been divided into two volumes. Volume I presents the financial statements of the Government in the commonly understood summarised form, while the details are presented in Volume II.

Volume I contains the Certificate of the Comptroller and Auditor General of India, four summary statements as given below and the Notes to Accounts including accounting policy.

1. Statement of Financial Position: Cumulative figures of assets and liabilities of the Government, as they stand at the end of the year, are depicted in the statement. The assets are largely financial assets with the figures for progressive capital expenditure denoting physical assets of the Government. Assets, as per the accounting policy, are depicted at historical cost.

2. Statement of Receipts and Disbursements: This is a summarised statement showing all receipts and disbursements of the Government during the year in all the three parts in which Government account is kept, namely, the consolidated fund, contingency fund and public account. Further within the consolidated fund, receipts and expenditure on revenue and capital account are depicted distinctly.

The fiscal parameters of the Government, i.e. the primary, revenue and fiscal deficit are calculated on the operations of the consolidated fund of the State. Hence, the following two statements give the operations of the consolidated fund in a summarised form.

3. Statement of Receipts (Consolidated Fund): This statement comprises revenue and capital receipts and receipts from borrowings of the Government consisting of loans from the Government of India, other institutions and market loans raised by the Government and recoveries on account of loans and advances made by the Government.

NOTES TO ACCOUNTS

1. Summary of Significant Accounting Policies:

(i) Entity and Accounting Period: These accounts present the transactions of the Government of Punjab for the period 1 April 2012 to 31 March 2013. The accounts of receipts and expenditure of the Government of Punjab have been compiled based on the initial accounts rendered by the District Treasuries, Public Works and Forest Divisions and advices of the Reserve Bank of India. While there was delay in the rendering of monthly accounts by some treasuries and divisions during the year, no accounts have been excluded at the end of the year.

(ii) Basis of Accounting: With the exception of some Periodical Adjustments and Book Adjustments (**Annexure 'A' and 'B'**), the accounts represent the actual cash receipts and disbursements during the account period. Physical Assets, and Financial Assets such as investments etc., are shown at historical cost i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortised. Losses in physical assets at the end of their life were not expensed or recognised.

Retirement benefits disbursed during the accounts period have been reflected in the accounts, but the future pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts.

(iii) Currency in which Accounts are kept: The accounts of Government of Punjab are maintained in Indian Rupees.

(iv) Form of Accounts: Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General, prescribe. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) Classification between Revenue and Capital: Revenue Expenditure is recurring in nature and is intended to be met from Revenue Receipts. Capital Expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or reducing permanent liabilities. As per the Indian Government Accounting Standards-2 (IGAS-2) expenditure on Grants-in-Aid is

NOTES TO ACCOUNTS – contd.

recorded as Revenue Expenditure regardless of end utilisation. During the year, however, the State Government booked Grants-in-Aid amounting to ₹ 1,87.03 crore, comprising 4.92 per cent of the total Grants-in-Aid, to Capital Heads. The State Government also depicted an expenditure of ₹ 3,37.99 crore on account of Minor Works under Capital Heads. Consequently, the Revenue Deficit and Asset position of the State Government was understated by ₹ 5,25.02 crore.

2. Quality of Accounts:

(i) Booking under Minor Head 800- ‘Other Receipts’ and ‘Other Expenditure’:

Minor Heads 800-‘Other Expenditure’ and ‘Other Receipts’ are intended to be operated only when the appropriate minor head has not been provided in the accounts. Routine operation of Minor Heads 800 is to be discouraged, since it renders the accounts opaque. During the year, ₹ 67,31.77 crore under 67 Revenue and Capital Major Heads of accounts on the expenditure side, constituting about 16.27 per cent of the total expenditure (Revenue and Capital), was recorded under the Minor Head 800-‘Other Expenditure’, below the concerned Major Heads. Similarly, ₹ 13,83.67 crore under 44 Revenue Major Heads of accounts on the receipts side, constituting about 4.32 per cent of the total Revenue receipts, was recorded under the Minor Head 800-‘Other Receipts’ under the concerned Major Heads. Instances where a substantial proportion (50 per cent or more) of the expenditure were classified under Minor Heads 800 – Other Receipts/ Expenditure are listed in **Annexure ‘C’ and ‘D’**, respectively.

(ii) Reconciliation of Receipts and Expenditure: In terms of the Punjab Budget Manual, the Head of the Department and the Principal Accountant General (A&E) are jointly responsible for reconciling differences and correcting misclassifications. Such reconciliation has been completed by all the 208 and 160 CCOs responsible for Expenditure and Receipt Heads, respectively, in the State.

(iii) Reconciliation of Cash Balances: The difference of ₹ 11.54 crore (net credit) between the Cash Balance of the State Government as worked out by the Principal

NOTES TO ACCOUNTS – contd.

Accountant General (A&E) and as reported by the Reserve Bank of India is mainly due to non reconciliation of figures by Agency Banks, and is being reconciled.

(iv) Outstanding Utilization Certificates (UCs) against Grants-in-Aid sanctioned by the State Government: The Punjab Financial Rules prescribe that, where grants are sanctioned for specific purposes, the departmental officers concerned should obtain Utilization Certificates (UCs) from the grantees, which, after verification, should be forwarded to the Principal Accountant General (A&E) within the dates specified in the sanction. Grants-in-Aid given by the Government are accounted for under the respective major heads of account. Delayed submission and non submission of UCs makes it difficult to ensure that the funds have been utilized for the intended purposes. Most of the outstanding UCs are awaited from the departments of Education, Rural Development, Health and Family Welfare and Sports. The position of outstanding UCs is as under:

(₹ in crore)

Year in which due	Number of UCs awaited	Amount
Upto 2010-11	20	1,30.11
2011-12	15	16.14
2012-13	130*	2,39.93
Total	165	3,86.18

(*Except where the sanction orders state otherwise, utilisation certificates in respect of grants disbursed during 2012-13 become due only during 2013-14).

(v) Transfer of funds to Personal Deposit (PD) Accounts: Under the rules, Personal Deposit (PD) Accounts are operated by transferring amounts from the Consolidated Fund (booking these as final expenditure), to be utilized for specific purposes. Unspent balances lying in PD accounts are required to be transferred back to the Consolidated Fund on the last working day of the financial year, and the PD accounts reopened the next year, if necessary. Details are as under:

NOTES TO ACCOUNTS – contd.

Item	Number of Accounts	Amount

(ii) Ongoing Personal Deposit Accounts (Discharge)	..	18.67

* 175 PD accounts are operative and 6 have been inoperative for more than five years.

(vi) Outstanding Abstract Contingent (AC) bills: Drawing and Disbursing officers are authorised to draw sums of money by preparing Abstract Contingent (AC) bills by debiting Service heads. They are required to present Detailed Contingent (DC) bills (vouchers in support of final expenditure) in all these cases within a specific period. Prolonged non-submission of supporting DC bills render the expenditure under AC bills opaque. Details of outstanding AC bills as on 31 March 2013 are given under:

(₹ in crore)

Year	Abstract Contingent Bills Drawn		Detailed Contingent Bills Received		Outstanding Abstract Contingent Bills	
	Number	Amount	Number	Amount	Number	Amount
2010-11	1108	8,29.02	549	6,20.33	559	2,08.69
2011-12	704	4,85.68	539	3,15.45	165	1,70.23
2012-13	114	2,91.96	53	14.04	61	2,77.92
Total	1926	16,06.66	1141	9,49.82	785	6,56.84

Out of ₹ 2,91.96 crore drawn against AC bills in 2012-13, 49 AC bills amounting to ₹ 1,04.78 crore were drawn in March 2013 alone, out of which, 38 AC bills of ₹ 81.49 crore drawn on the last day of the financial year. Significant expenditure against AC bills in March, especially on the last day of March, indicates that the drawl was primarily to exhaust the budget and reveals inadequate budgetary control.

3. Other items:

(i) Cash with Departmental Officers (PWD and Irrigation): An amount of ₹ 4,74.65 crore as on 31 March 2013 pertaining to Major Head 8671-Departmental Balances was lying with Departmental Officers as idle cash outside the Government Accounts.

(ii) Guarantees: The position of guarantees reported in Statement 9 is based on the information received from various State Government entities like Statutory Corporations/Boards, Government Companies and Co-operative Societies/ Banks etc.,

NOTES TO ACCOUNTS – contd.

whose loans have been guaranteed by the State Government . In terms of the Punjab Fiscal Responsibility and Budget Management (FRBM) Act, 2003 (as amended), the State Government is required to cap outstanding guarantees on long term debt to eighty per cent of revenue receipts of the previous year. The position of outstanding guarantees for 2012-13 (₹ 5,81,02.08 crore), however, was 221.47 per cent of the Revenue Receipts for 2011-12 (₹ 2,62,34.41 crore).

The State Government entities receiving guarantees have informed the Principal Accountant General (A&E) that ₹ 2,67.30 crore was payable as Guarantee Fee in 2012-13. Against this, only five entities (list at **Annexure-‘E’**) paid ₹ 45.26 crore as Guarantee Fee.

(iii) Liabilities on Pensionary Benefits: The expenditure during the year on “Pension and other Retirement Benefits” to State Government employees recruited on or before 31 December 2003 was ₹ 59,66.28 crore (15.12 per cent of the total revenue expenditure). State Government employees recruited on or after 1 January 2004 are eligible for the New Pension Scheme, which is a defined contributory pension scheme. In terms of the Scheme, the employee contributes 10 per cent of his basic pay and dearness allowance, which is matched by the State Government and the entire amount, is transferred to the designated fund manager through the National Securities Depository Limited (NSDL)/ Trustee Bank.

The actual amount payable by employees and the matching Government contribution has not been estimated. During the year, ₹ 1,81.48 crore was transferred to the Fund as employees’ contribution. The employer’s contribution was transferred partly to the Fund (₹ 90.28 crore) and rest, directly to NSDL (₹ 1,06.50 crore). The State Government also transferred interest of ₹ 24.01 crore to the Fund. As on 31 March 2013, there was an outstanding balance of ₹ 5,60.91 crore in the Fund, that had not been transferred to NSDL. Uncollected, unmatched and untransformed amounts, with accrued interest, represent outstanding liabilities of the Scheme.

(iv) Disclosures under the Punjab Fiscal Responsibility and Budget Management (FRBM) Act, 2003: The State Government has not made the following disclosures as required under the FRBM Act: (a) significant changes in the accounting standards,

NOTES TO ACCOUNTS – contd.

policies and practices affecting or likely to affect the computation of the prescribed fiscal indicators; and (b) contingent liabilities created by way of guarantees, all claims and commitments made by the State Government, having potential budgetary implications, including revenue demands raised, but not realised and tax arrears, and liability incurred, but not paid.

The Government of Punjab amended the FRBM Act, 2003 in March 2011 in order to formulate the fiscal correction path to meet the targets set by the Thirteenth Finance Commission/ Government of India and to avail of the benefits of interest relief and release of State Specific Grants. Performance of the Government of Punjab for the year 2012-13 as depicted in the accounts vis-à-vis targets fixed by the Thirteenth Finance Commission is as under:

Sr. No.	Financial Parameter	Actual (₹ in crore)	Ratio to GSDP*	
			Target	Achievement
1	Revenue Deficit	74,06.79	1.20	2.52
2	Fiscal Deficit	93,45.85	3.50	3.18
3	Debt	9,22,82.09	41.00	31.41

* Advance figure of GSDP: ₹ 29,38,15.30 crore as per Department of Economic Survey, Government of Punjab

(v) Working out suspense balance on net basis: The Finance Accounts (Statement 18) reflect the net balances under Suspense and Remittance Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under various heads. The position of Suspense Balances under major Suspense Heads for the last three years is given below:

(vi) Loans and Advances: Except in respect of loans and advances to Government servants, where the Principal Accountant General (A&E) maintains detailed accounts, confirmation has been sought, but not received, from the concerned departmental authorities in respect of all other loans and advances (as depicted in Statements 7 and 16). Information regarding loans for which terms and conditions are yet to be settled, is also awaited from the State Government. During 2012-13, apart from repayment of loans by Government servants, the State Government only depicted ₹ 98.78 crore as repayment of outstanding loans (₹ 24,29.39 crore as on 31 March 2013), of which, ₹ 87.94 crore was a non-cash transaction (book adjustment) in respect of the Punjab State Power Corporation Limited where the loan given in earlier years to the Corporation was converted to subsidy.

(vii) Non furnishing of information: The Finance Accounts do not contain the following information that was required by the Twelfth Finance Commission, since these have not been furnished by the State Government: (a) Data in respect of Committed Liabilities of the State; (b) Loans and Advances made by the State Government, repayment of Loans in arrears from the Loanees Entities, Government Companies and Others, and Sector-wise Interest Payment in arrears from Loanees Entities. Consequently, the requirements of IGAS-3 have also not been met.

(viii) Parking of Funds outside the Consolidated Fund: Article 266 of the Constitution of India stipulates, *inter alia*, that all revenues received by the concerned Union and State Governments will form part of the Consolidated Fund of the Union and the States respectively, from which, no moneys shall be appropriated, except in accordance with the law and for the purposes and in the manner provided in the Constitution. Over the years, the Government of Punjab has created five funds, viz., (i) Punjab Infrastructure Development Fund, (ii) Punjab Municipal Fund, (iii) Punjab Road Development Fund, (iv) Punjab Education Development Fund and (v) Account of Punjab Live Stock Development Board. The first four Funds have been created by Acts of the Legislature, while the fifth has been created by a notification of the Punjab Government. Details of the Funds are given in **Annexure-‘F’**. The moneys received into the Funds constitute part of the Consolidated Fund of the State, but do not appear in the accounts rendered to the Principal Accountant General (A&E). Similarly, the disbursements from the Funds are not depicted in the accounts rendered to the Principal Accountant General (A&E). Consequently, since the receipts to and disbursements from these Funds do not appear in the Finance Accounts, the Revenue Receipts of the State Government are understated and the depiction of Revenue Expenditure incomplete; also, the impact of these Funds on the Revenue Surplus/ Deficit and Fiscal Deficit of the State Government is not depicted.

(ix) Direct transfer of Central Scheme Funds to implementing Agencies in the State (funds routed outside the State Budget) (unaudited figures): The Union Government transfers funds directly to State Implementing Agencies/ Non-Government Organisations (NGOs) for implementation of various schemes /programmes. Since these funds are not routed through the State Budget/ State treasuries, they are not reflected in the accounts of the State Government. Though there is no assurance that complete details of such transfers are available, details of such fund transfer as captured from the Central Plan Schemes Monitoring System (CPSMS) portal of the Controller General of Accounts are given in Appendix-VII.

(x) Reserve Funds: Detailed information on Reserve Funds and the investments from the earmarked funds are available in Statements 18 and 19 respectively. There were nine Reserve funds earmarked for specific purposes. Four of these funds showing a

balance of ₹ 8.90 crore do not bear interest, and have been inoperative since 1982-83. Out of remaining four interest bearing funds and one non- interest bearing fund, only ₹ 0.68 crore (0.02 per cent) was invested out of an accumulated balance of ₹ 32,39.51 crore as at the end of 31 March 2013.

(xi) Consolidated Sinking Fund: The Government of Punjab has constituted a Sinking Fund for loans raised by it in the open market. The balances in the Fund are to be invested by the Reserve Bank of India (RBI). In terms of the guidelines of the RBI, the State Government is to contribute @ 0.50 per cent of the outstanding liabilities at the end of the previous financial year. As on 31 March 2012, the outstanding liabilities of the Government of Punjab were ₹ 8,30,99.31 crore (i.e. Internal Debt plus Public Accounts Liabilities). The State Government, however, has not made any contribution to the Fund since its inception. Consequently, the Revenue Expenditure and Revenue Deficit of the State Government for 2012-13 was understated by ₹ 4,15.50 crore (0.5 per cent of outstanding liabilities of 2011-12).

(xii) State Disaster Response Fund: As per the recommendations of the Thirteenth Finance Commission, the Government of Punjab merged the Calamity Relief Fund into the State Disaster Response Fund in 2010-11. Annual contributions of the Centre and the State are to be made to the Fund in the proportion 75:25, and the unutilized balances to be invested periodically. The State Government transferred ₹ 6,36.97 crore comprising ₹ 2,77.11 crore Central share (including an additional ₹ 5.00 crore for capacity building, ₹ 2,74.17 crore towards payment of interest by the State Government` and ₹ 85.69 crore against the State share of ₹ 90.70 crore) to the Fund in 2012-13. Details of transactions in the SDRF are given in Statements 11, 12 and 18 of the Finance Accounts.

(xiii) Guarantee Redemption Fund: The State Government created the ‘Guarantee Redemption Fund Scheme’ in December 2007. Despite the large outstanding guarantees (₹ 5,81,02.08 crore as on 31 March 2013), the State Government has not contributed any amount to the Fund since its inception.

EXPLANATORY NOTES

1 Daily Cash Balance: Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 1.56 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances / overdrafts from time to time.

For arriving at the daily cash balance ** for the purpose of grant of ways and means advances/overdrafts, the Reserve Bank of India evaluates the holdings of the 14 days Treasury Bills along with the transactions reported (at Reserve Bank of India counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 days Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. **If the net cash balance arrived at results in less than the minimum cash balance** or a credit balance and if there are no 14 days Treasury Bills maturing on that day, Reserve Bank of India rediscounts the holdings of the 14 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days Treasury Bills on that day the State Government applies for ways and means advances/special ways and means advances/ overdrafts.

2 The limit for ordinary ways and means advances to the State Government was ₹ 3,60.00 crore during 2012-13. The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of special ways and means advances was ₹ 7.67 crore with effect from 1 April 2012, ₹ 7.66 crore with effect from 1 July 2012, ₹ 7.65 crore with effect from 1 October 2012 and ₹ 7.63 crore with effect from 1 January 2013.

* The balance under the head 'Deposits with Reserve Bank' is arrived at after taking into account the Inter-Government Monetary Settlements pertaining to transactions of the financial year 2012-13 advised to the Reserve Bank of India till 16 April 2013.

** The cash balance ('Deposits with Reserve Bank of India') given above is the closing cash balance of the year as on 31 March 2013 but worked out by 16 April 2013 and not simply the daily balance on 31 March 2013.

APPENDIX VIII - SUMMARY OF BALANCES (CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT) -contd.

B. Government Account: Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year may be worked out and proved.

The other headings in the summary take into account the balances under all account heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

The net amount at the debit of Government Account at the end of the year has been arrived at as under:-
