**CERTIFICATE OF THE COMPTROLLER AND
AUDITOR GENERAL OF INDIA**

This Compilation containing the Appropriation Accounts of the Government of Rajasthan for the year ending 31 March 2015 presents the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India. The Finance Accounts of the Government for the year showing the financial position along with the accounts of the receipts and disbursements of the Government for the year are presented in a separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Rajasthan and the statements received from the Reserve Bank of India.

The treasuries, offices and or departments functioning under the control of the Government of Rajasthan are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Principal Accountant General (Accounts and Entitlement). The audit of these accounts is independently conducted through the office of the Principal Accountant General (General and Social Sector Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organisations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Appropriation Accounts read with observations in this compilation give a true and fair view of the accounts of the sums expended in the year ended 31 March 2015 compared with the sums specified in the schedules appended to the Appropriation Act passed by the State Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Rajasthan being presented separately for the year ended 31 March 2015.

3. **Suspense** - The Minor head "Suspense" temporarily accommodates receipts and disbursements which are in the nature of interim transactions. However, further payment or adjustments of values are necessary before the transactions can be completed and finally accounted for. Accordingly, the amounts under "Suspense" are carried forward from year to year.

In Public Works accounts, the "Suspense" head has three sub-divisions viz.- (i) Stock, (ii) Miscellaneous Public Works Advance and (iii) Workshop Suspense as explained below:-

- (i) **Stock** - Under this head the value of materials, which are required not for any particular works, but for general use in the division, are accounted for. The value of materials issued for use on specific works or sold or transferred to other divisions is cleared from the accounts by transfer under this sub-division. A detailed head purchase, is also now operated to record the value of the materials received, but not paid for within the Month. The sub-division "Stock" will, therefore, show a balance indicating the book value (as distinct from market value) of the materials held in stock and unadjusted charges connected with manufacture, if any, and Charged to this sub-division thereby reducing the value of the materials received but still to be paid for or adjusted.
- (ii) **Miscellaneous Public Works Advances** – Under this head, the value of stores sold on credit, expenditure incurred on deposit works in excess of deposits received, value of cash lost or stores still to be written off, sums recoverable from Government Servants, etc. are accounted for. The balance represents the amounts which are recoverable.
- (iii) **Workshop Suspense** - Charges for jobs executed or other operations in the workshop of the Public Works Department are booked under this sub-head pending recovery or adjustment of the charges.

The break-up of "Suspense" transactions in this grant in 2014-15 is given below together with the opening and closing balances, under the different sub-heads of 'Suspense':-

Government of India is to contribute 75 per cent of the total yearly allocation in the form of non-plan grant and balance amount will be met by the State Government. The fund will be interest bearing. The accretion to the Fund together with the income earned on the investment of the fund is bifurcated into one or more instalments till the Government of India issues contrary instructions.

During 2014-15, ₹ 7,30.10 crore was credited to the fund by debiting to head “2245-05-101- Transfer to Reserve Fund and Deposit Accounts- State Disaster Response Fund” and the expenditure incurred on natural calamities amounting to ₹ 15,70.57 crore was met out of the fund during the year.

As per the guidelines of XIII Finance Commission, the State Government is to pay six monthly interests on unspent amount of SDRF, if not invested by the State Government. Accordingly, the State Government has paid a sum of ₹ 31.10 crore as interest during the year on SDRF by debiting to Major head “2049” and credit to the Fund head “8121”. State Government has also earned ₹ 28.57 crore as interest on partly investment of unutilised amount of SDRF in Government securities. As on 31 March 2015, a balance of ₹ 2,88.02 crore (including interest) remained unspent under SDRF.

An account of the transactions of the above Funds appears in Statements No. 15, 21 and 22 of Finance Accounts 2014-15.
