## **CERTIFICATE OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA**

This compilation containing the Finance Accounts of the Government of Rajasthan for the year ending 31<sup>st</sup> March 2011 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume 1 contains the consolidated position of the state of finances and Volume 2 depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Rajasthan and the statements received from the Reserve Bank of India. Statements (7(ii), 9 and 14), explanatory notes (at point no. 2 under Statement No. 11 and Appendix No. IX) and Appendices (VII and X) in this compilation have been prepared directly from the information received from the Government of Rajasthan who is responsible to ensure the correctness of such information.

The treasuries, offices, and or departments functioning under the control of the Government of Rajasthan are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Principal Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal Accountant General (Civil Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Rajasthan for the year 2010-11.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Rajasthan being presented separately for the year ended 31<sup>st</sup> March 2011.

# GUIDE TO THE FINANCE ACCOUNTS

## A. BROAD OVERVIEW OF THE STRUCTURE OF GOVERNMENT ACCOUNTS

### 1. The Accounts of the Government are kept in three parts:

**Part I: The Consolidated Fund:** All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans & Advances forms the Consolidated Fund of the State

**Part II: The Contingency Fund:** Legislature may by law establish a Contingency Fund, which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure on a scheme/object of expenditure, not provided for in the Budget. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State before the closure of accounts of the year.

**Part III: The Public Account:** All other public moneys received by or on behalf of the Government are credited to the Public Account. The receipts and expenditure out of this account are not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt, Deposits, Advances, Reserve Funds, Remittances and Suspense form the Public Account.

### A.1.1 Pictorial representation of Structure of Government accounts

**Structure of Government Accounts**

## 2. Divisions, Sections, Sectors etc

The two main divisions of the Accounts in the Consolidated fund are, as depicted in A.1.1 on previous page, 'Revenue and 'Capital' which are divided into sections 'Receipts 'and 'Expenditure'. Within each of the Divisions and Sections of the Consolidated Fund the transactions are grouped into Sectors such as, "General Services", "Social Services", "Economic Services", under which specific functions or services shall be grouped. The Sectors are sub-divided into sub sectors/ Major heads of account. Major heads correspond to functions and are further divided into sub major heads (sub functions) and minor heads (programmes), which are depicted in Volume 2 of the Finance Accounts. The classification below minor heads of account i.e. subheads (schemes) and detailed and object heads (objects of expenditure) are not depicted in the Finance Accounts, though some details are included in the appendices.

## **B. WHAT DO THE STATEMENTS CONTAIN**

The Finance Accounts have been divided into two volumes. Volume 1 presents the financial statements of the Government in the form of commonly understood summarised form while the details are presented in volume 2.

**Volume 1** contains the Certificate of the Comptroller and Auditor General of India, four summary statements as given below and Notes to Accounts including accounting policy.

- 1. Statement of Financial Position:** Cumulative figures of assets and liabilities of the Government, as they stand at the end of the year, are depicted in the statement. The assets are largely financial assets with the figures for progressive capital expenditure denoting physical assets of the Government. Assets, as per the accounting policy, are depicted at historical cost.
- 2. Statement of Receipts and Disbursements:** This is a summarised statement showing all receipts and disbursements of the Government during the year in all the three parts in which Government account is kept, namely, the consolidated fund, contingency fund and public account. Further within the consolidated fund, receipts and expenditure on revenue and capital account are depicted distinctly.

The fiscal parameters of the Government, i.e. the primary, revenue and fiscal deficit are calculated on the operations of the consolidated fund of the State. Hence the following two statements give the operations of the consolidated fund in a summarised form.

- 3. Statement of Receipts in Consolidated Fund:** This statement comprises revenue and capital receipts and receipts from borrowings of the Government consisting of loans from the Government of India and market loans raised by the Government.

In respect of the latter, the Government acts as a trustee or custodian of the funds, hence these constitute liabilities of the Government. The statement also contains a note on service of debt, i.e a note on the quantum of net interest charges met from revenue receipts.
  7. **Statement of Loans and Advances given by the Government:** The loans and advances given by the State Government are depicted in Statement 1 and recoveries, disbursements feature in Statements 2,3 and 4. Here, loans and advances are summarised sector and loanee group wise. This is followed by a note on the recoveries in arrear in respect of loans, the details of which are maintained by the Pr. Accountant General (A&E) Office and details of which are maintained by the State departments.

## APPENDIX No. I - (Contd.)

### Explanatory Notes

- (a) **Daily Cash Balance:** Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 2.34 crore with the Bank on all the days w.e.f. 01-03-1999. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/ overdrafts from time to time. There is no change in above limit of minimum daily cash balance up to 31/03/2011.

For arriving at the daily cash balance for the purpose of grant of Ways and Means advances/ Overdraft, the Reserve Bank of India evaluates the holdings of the 14 days Treasury Bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 days Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. **If the net cash balance arrived at results in less than the minimum cash balance** or a credit balance and if there are no 14 days Treasury Bills maturing on that day, RBI rediscounts the holdings of the 14 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days Treasury Bills on that day the State Government applies for Ways and Means Advances/ Special Ways and Means Advances/ Overdraft.

- (b) The limit for Normal Ways and Means Advances to the State Government was ₹ 5,05.00 crore w.e.f. 01-04-2006. **APPENDIX No. VIII - (Contd.)**

**B. Government Account :** Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

*It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.*

The net amount at the debit of Government Account at the end of the year has been arrived at as under:-

2. *Productive and Unproductive Works* - Works in the Water Resources Department are treated as 'Productive' or 'Unproductive' according to whether the net revenue (gross revenue assessed less working expenses) derived from each project on the expiry of ten years from the date of closure of the construction estimates, covers or does not cover the prescribed annual interest charges on the capital invested. The prescribed rate of interest during 2010-11 was 10 percent. If a work treated as 'Productive' fails to yield the prescribed return in three successive years, it is transferred to the 'Unproductive' category. Similarly, if a work treated as 'Unproductive' succeeds in yielding in three successive years the prescribed return, it is transferred to the 'Productive' category. The State Government did not indicate any classification of the works in terms of them being Productive or Unproductive (July 2011).
