INTRODUCTORY

In terms of Andhra Pradesh Reorganisation Act 2014, the State of Andhra Pradesh has been reorganised and a new State known as Telangana has been formed with effect from 02 June 2014.

This compilation containing the Appropriation Accounts of the Government of Telangana for the period from 02 June 2014 to 31 March 2015 presents the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India.

The Finance Accounts of the Government for the period from 02 June 2014 to 31 March 2015 showing the financial position along with the accounts of the receipts and disbursements of the Government for the year are presented in a separate compilation.

Note I:

In these Accounts, the amounts of original and supplementary grants or appropriations have been shown separately where supplementary grants or appropriations were obtained; otherwise the amount shown under the column “Total Grant” or “Total Appropriation” represents the “Original Provision”.

Note II:

In the Notes and Comments:-

“O” stands for Original grant or appropriation

“S” stands for Supplementary grant or appropriation

“R” stands for re-appropriation, withdrawals or surrenders sanctioned by a Competent Authority.

Charged Appropriations and expenditure are shown in *italic* letters.

Note III:

The following norms which have been approved by the Public Accounts Committee of Andhra Pradesh State Legislature in January 2013 vide Letter No.43/P.A.C/2013 dated 25 May 2013 have also been adopted for comments on the Appropriation Accounts of the Government of Telangana.

SAVINGS

a) When the overall saving under a grant/charged appropriation is less than 5% of the total provision, no comment is necessary. However, if the total provision under a grant/appropriation is ₹500 crore and above, then comments on savings/excess under individual subheads are included when the saving/excess under individual subheads exceeds 10% of the provision or ₹100 lakh whichever is higher.

b) When the overall saving under a grant or charged appropriation is 5% or above of the total provision, then comments on saving/excess against individual subheads are included when the saving under individual subheads exceeds 10% of the provision or ₹50 lakh whichever is higher.

EXCESS

a) When there is overall excess under a grant/appropriation even by a rupee, it requires regularisation by the Legislature.

b) Comments on excess under individual subheads are included only when the excess under individual subheads is ₹25 lakh and above.

c) Comments on savings (in excess grant) under individual subheads are included when the savings under individual subheads exceeds 10% of the provision or ₹50 lakh whichever is higher.
