**Certificate of the Comptroller and Auditor General of India**

This compilation containing the Finance Accounts of the Government of West Bengal for the year ending 31<sup>st</sup> March, 2009 presents the accounts of the receipts and disbursements of the Government for the year, together with the financial results disclosed by the revenue and capital accounts, the accounts of the public debt and the liabilities and assets as worked out from the balances recorded in the accounts, The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of West Bengal and the statements received from the Reserve Bank of India. Statements (19), explanatory notes (7) and appendices in this compilation have been prepared directly from the information received from the Government of West Bengal/Corporations/Companies/Societies who are responsible to ensure the correctness of such information.

The treasuries, offices, and or departments functioning under the control of the Government of West Bengal are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for compilation, keeping of the accounts, preparation and submission of Annual Accounts to the State Legislature. My responsibility for the compilation, preparation and finalization of accounts is discharged through the office of the Principal Accountant General (A&E), West Bengal. The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit), West Bengal in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

## INTRODUCTORY

### 1. The accounts of Government are kept in the following three parts:

Part-I Consolidated Fund  
Part-II Contingency Fund  
Part-III Public Account

In Part-I namely Consolidated Fund, there are two main divisions, viz:-

(i) **Revenue-** consisting of sections for 'Receipt Heads (Revenue Account)' and 'Expenditure Heads (Revenue Account)';

(ii) **Capital, Public Debt, Loans, etc.-** consisting of sections for 'Receipt Heads (Capital Account)', 'Expenditure Heads (Capital Account)' and 'Public Debt', 'Loans and Advances etc'.

The Revenue division deals with the proceeds of taxation and other receipts classed as revenue and the expenditure met therefrom, the net result of which represents the revenue surplus or deficit for the year.

In Capital division, the section 'Receipt heads (Capital Account)' deals with receipts of capital nature which cannot be applied as a set-off to capital expenditure.

The section 'Expenditure heads (Capital Account)' deals with expenditure met usually from borrowed funds with the object of increasing concrete assets of a material and permanent character. It also includes receipts of a capital nature intended to be applied as a set-off against expenditure.

The section 'Public Debt, Loans and Advances, etc.' comprises loans raised and their repayments by Government such as 'Internal Debt' and 'Loans and Advances' made (and their recoveries) by Government. This section also includes certain special types of heads for transactions relating to Appropriation to the 'Contingency Fund' and 'Inter-State Settlement.'

In Part-II, namely Contingency Fund of the Accounts, the transaction connected with the Contingency Fund established under Article 267(2) of the Constitution of India are recorded.

In Part-III, namely Public Account of the accounts, the transaction relating to 'Debt' (other than those included in Part-I), 'Deposit', 'Advances', 'Remittances' and 'Suspense' are recorded. The transactions under 'Debt', 'Deposits' and 'Advances', in this part are those in respect of which Government incurs a liability to repay the money received or has a claim to recover the amounts paid, together with the repayments of the former ('Debt' and 'Deposit') and the recoveries of the latter (Advances). The transactions relating to 'Remittances' and 'Suspense' in this part embrace all merely adjusting heads under which appear such transactions as remittances of cash between treasuries and currency chests transfers between different accounting circles, etc. The initial debits or credits to these heads will be cleared eventually by corresponding receipts or payments either within the same circle of account or in another account circle.

### 2. Sections and Heads of Accounts

Within each of the sections in Part-I mentioned above, the transactions are grouped into sectors such as 'Tax Revenue', 'Non-Tax Revenue', and 'Grants-in-aid and contributions' for the receipts heads (revenue account), and 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-aid and contributions' for expenditure heads. Specific functions or services (such as Education, Sports, Art and Culture, Health and Family Welfare, Water Supply, Sanitation, Housing and Urban Development, etc. in respect of Social Services) are grouped in Sectors for expenditure heads. In part-III (Public Account) also, the transactions are grouped into sectors, such as 'Small Savings', 'Provident Funds', 'Reserve Funds', etc. The Sectors are sub-divided into major heads of account. In some cases, the Sectors are, in addition, sub-divided into sub-sectors before their division into major heads of account.

The Major heads are divided into minor heads, with a number of subordinate heads, generally known as sub-heads. The sub-heads are further divided into detailed heads. Under each of these heads, the expenditure is shown distributed between charged and voted. Sometimes major heads are also divided into sub-major heads before their further division into minor heads. Apart from the Sectoral and sub-sectoral classification the Major Heads, Sub-Major Heads, Minor Heads, Sub-Heads, Detailed Heads and Object Heads together constitute a six-tier arrangement of the classification structure of the Government Accounts. The major, minor and sub-heads

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the receipts and disbursements for the purpose of the Government of West Bengal for the year 2008-2009.

Points of interest arising from study of these accounts as well as test audit conducted during the year of earlier years and contained in my Reports on the Government of West Bengal being presented separately for the year ended 31<sup>st</sup> March 2009.

prescribed for the classification of expenditure in the general accounts are not necessarily identical with the Grants, sub-heads and other units of allotments which are adopted by the Government for Demands for Grants presented to the Parliament or Legislatures but in general a certain degree of correlation is maintained between the Demands for Grants and the Finance Accounts.

The major heads of accounts, falling within the sectors for expenditure heads, generally correspond to functions of Government, while the minor heads, subordinate to them, identify the programmes undertaken to achieve the objectives of the function represented by the major head. The sub-head represents the scheme, the detailed head, the sub-scheme and object-head to the object level of classification.

### **3. Coding Pattern**

#### **Major Heads**

From 1st April 1987 a four-digit code has been allotted to the major heads, the first digit indicating whether the major head is a Receipt head or Revenue Expenditure head or Capital Expenditure head or a Loan head.

The first digit of code for Revenue Receipt head is either '0' or '1'. Adding 2 to the first digit code of the Revenue Receipt head will give the number allotted to corresponding Revenue Expenditure head; adding another 2, the Capital Expenditure head; and another 2, the Loan head of Account. For example, for Crop Husbandry code 0401 represents the Receipt head, 2401, the revenue expenditure head, 4401, Capital Outlay head and 6401, Loan head.

Such a pattern is, however, not relevant for those departments which are not operating Capital/Loan heads of accounts e.g. Department of Supply. In a few cases, where receipt and expenditure are not heavy, certain functions have been combined under a single major head, the functions themselves forming sub-major heads under that Major head.

#### **Sub-Major Heads**

A two-digit code has been allotted, the code starting from 01 under each Major head, where no sub-major head exists it is allotted a Code '00'. The nomenclature 'General' has been allotted Code '80' so that even after further sub-major heads are introduced the Code for 'General' will continue to remain the last one.

#### **Minor Heads**

These have been allotted a three-digit code, the codes starting from '001' under each sub-major/major head (where there is no sub-major head). Codes from '001' to '100' and few Codes '750' to '900' have been reserved for certain standard minor heads. The coding pattern for minor heads has been designed in such a way that in respect of certain minor heads having a common nomenclature under many major/sub-major heads, the same three-digit code is adopted as far as possible.

Under this scheme of codification, the receipt major heads (revenue account) are assigned the block numbers from 0020 to 1606, expenditure major heads (revenue account) from 2011 to 3606, expenditure major heads (capital account) from 4046 to 5475, major heads, under 'Public Deb' from 6001 to 6004 and those under 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund' from 6075 to 7999. The code number 4000 has been assigned for Capital receipt major head. The only major head 'Contingency Fund' in Part-II 'Contingency Fund' has been assigned the Code number 8000. The major heads in the Public Account are assigned the Code numbers from 8001 to 8999.

4. The transactions included in these accounts represent mainly the actual cash receipts and disbursements during the financial year from April to March as distinguished from amounts due to or from Government during the same period. The cash basis system is, however, not entirely suitable for recording the transactions and presenting the true state of affairs of Government Commercial Undertakings run on commercial principles. The detailed accounts of this class of undertakings are, therefore, maintained outside the regular accounts in proper commercial form and are subject to test check by the Indian Audit and Accounts Department.

5. The figures of actuals shown in these accounts are net, after taking into account the recoveries, although the Demands for Grants presented to Legislature and the Appropriation Accounts are for gross expenditure and exclude credits and recoveries which are otherwise taken as reduction of expenditure.

**Explanatory notes:**

- The significance of the head "Government Account" is explained in note 4 below. The other headings in the summary take into account the balances under all account heads in Government books where Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions. It must be understood that these balances cannot be regarded as a complete record of the financial position of Government as it does not take into account all the physical assets of the State, such as lands, buildings, communications, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.
- A summary of receipts, disbursements and balances under the heads of account relating to Debt, Contingency Fund and Public Account is given in Statement no. 16. In a number of cases, there are unreconciled differences in the closing balances as reported in Statement no. 16 and those shown in the separate registers or other records maintained in the Accounts Office/Departmental Offices for the purpose. Steps are being taken to settle the discrepancies.
- The balances under "Loans and Advances" are communicated to the officers every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received. Some instances where the verification and acceptances of large balance have been delayed are given in Appendix IV.

4. Government Account- Under the system of book keeping followed in Government Accounts, the amounts booked under revenue and capital heads and other transactions of Government, the balances of which are not carried forward from year to year in the accounts are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions so that after adding thereto the balances under Public Debt, Loans and the Advances, Suspense and the Miscellaneous (Other than miscellaneous Government Account), Remittances and Contingency Fund, the closing balance at the end of the year may be worked out and proved. The Government Account for current Financial Year will show how the net amount at the end of the year has been arrived at:-

## **2. Bookings under Minor Head 800 – ‘Other Receipts’ and ‘Other Expenditure’**

Rs.11,475.16 crore under 81 Major Heads of Account (representing functions of the Government) was classified under the Minor Head “800-Other Expenditure” in the accounts constituting more than 25 percent of the total expenditure recorded under the respective Major Heads. Major Heads, such as, 2203, 2204, 2210, 2217, 2245, 2435, 2501, 2515, 2575, 2711, 2801, 2852, 3054, 4210, 4215, 4575, 4702, and 5054 with substantial expenditure classified as “Other Expenditure” are given in Appendix to this Notes. The major schemes, such as, Grants to CMC /HMC for adjustment of Energy Bills of CESC, Assistance to Urban Local Bodies as recommended by Twelfth Finance Commission, New Incentive Scheme for encouraging the setting up of New Industrial Units, etc., in the Appendix are not depicted distinctly in the Finance Accounts, though the details of these expenditure are depicted at the sub-head (scheme) level or below in the Detailed Demands for Grants and corresponding headwise Appropriation Accounts forming part of the State Government accounts.

Rs. 2,945.92 crore under 55 Major Heads of Account (representing functions of the Government) was classified under the Minor Head “800-Other Receipt” in the accounts constituting more than 10 percent of the total receipt recorded under the respective Major Heads. A comprehensive review is being conducted for achieving greater transparency in financial reporting

## **3. Existence of unadjusted Abstract Contingency Bills (AC Bills)**

The Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency bill by debiting Service Heads and they are required to present Detailed Contingency Bill (vouchers in support of final expenditure) in all these cases within a specified period. Presently, 8582 of D.C bills amounting to Rs.488.73 crore have not been received in the Office of the Pr. Accountant General (A&E), West Bengal.

## **4. Transfer of Funds to PD Accounts**

Transfer to P.D accounts is booked as expenditure in the Consolidated Fund (service major heads) of the State. While Government is authorized to open Personal Deposit Accounts in order to deposit money for specific purposes, the Administrators are required to close such accounts at the last working day of the year and transfer the unspent balances back to the Government Accounts, which has been done only in respect of Rs. 27.19 crore transferred to P.D. Accounts during the course of the year.

## **5. Reconciliation of Receipts and Expenditure**

All the Drawing and Disbursing Officers are required to reconcile the Receipts and Expenditure of the Government with the figures accounted for by the Pr. Accountant General (A&E), West Bengal. Such reconciliation has been completed in respect of 66 % of DDOs for a value of Rs. 15,622.91 crore of expenditure against the total expenditure of the Government amounting to Rs. 55,318.61 crore and Rs. 575.93 crore of receipts against the total receipts of the Government amounting to Rs. 36,904.39 crore.

## **6. Cash Balance**

Cash Balance worked out by Pr. Accountant General (A&E), West Bengal is Rs.222.20 crore (credit). The cash balance reported by RBI as on 31st March 2009 is Rs. 124.60 crore (debit). Thus there is a difference of Rs.97.60 crore (credit) between the two figures. The difference is mainly because of incorrect reporting by the Agency Banks to RBI. Out of this difference, 29 items relating to Rs. 8.11 crores have been identified and taken into account during the next accounting period.

## **7. Guarantees**

Guarantees reported in Statement No. 6 are on the basis of the information received from the State Government which is the authority for issuing such guarantees. Rs. **NIL** has been transferred to Guarantee Redemption Fund. In respect of these guarantees, Rs. **NIL** has been reimbursed from the Fund. Guarantee Redemption Fund has not been created by the State Government.

## **8. Loans and Investments**

In respect of Loans and Investments, for which detailed accounts are kept by the State Government departments, constant efforts are made to obtain complete information. However, the available information is projected in Explanatory Notes to Statement No. 2.

## **9. Reserve Funds**

Reserve funds are being reviewed and Government intimated for suitable action. Reserve funds are maintained strictly on Government’s Orders. No specific reserve fund has been taken up for review.

**10. Outstanding balances under Suspense and Remittance Heads.**

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balances under these heads is worked out by aggregating the outstanding debit and credit balances separately under various heads. The position of gross figures under major suspense heads for the last three years is given below:

<b>Net</b>	74.05		75.00		75.36	

Constant efforts are underway to clear the balances under these heads. However, clearance of suspense and remittance items depends on the details furnished by the Government Departments/Works and Forest Divisions/Central Ministries/PAOs/RBI etc.

**11. Contingency Fund**

Under the Contingency fund Rs. 1,43,40,855 was not recouped at the end of the year.

**12. Reserve Funds**

All reserve funds/funds created in the Public Account are in conformity with the rules in this regard.

**13. Implementation of Centrally Sponsored Schemes/State Schemes**

The State Government provides funds to State/District level autonomous bodies and authorities, societies, non-governmental organizations, etc. for implementation of centrally sponsored schemes (State Share) and State schemes. Since the funds are generally not being spent fully by the implementing agencies in the same financial year, there remain unspent balances in the bank accounts of these implementing agencies.

The aggregate amount of the unspent balances in the accounts of the implementing agencies kept outside Government accounts (in bank accounts) is not readily ascertainable. The Government expenditure as reflected in the Accounts to that extent is, therefore, not final.
