7. *Suspense Transactions* – The provision under the grant includes ₹ 1,29.16 lakh utilized under "Suspense account".

The minor head 'Suspense' accommodates receipts and disbursements in the nature of interim transactions for which further payments or adjustments are necessary before the transaction can be completed and finally accounted for. Accordingly amounts under 'Suspense' are carried forwarded from year to year.

The 'Suspense' head has three sub-divisions viz., (i) Stock (ii) Miscellaneous Works Advances and (iii) Workshop Suspense as explained below :

(i) Stock- Under this sub-head the value of materials which are required not for any particular work, but for the general use in the divisions are accounted for. The value of material issued for use on specific works or sold or transferred to other divisions are cleared from the accounts. Under this sub-head, a detailed head 'Purchase' is also now operated to record the value of the material received, but not paid for within the month. The sub-head 'Stock' will, therefore show a balance indicating the book value as distinct from the market value of the materials held in stock and unadjusted charges connected with manufacture, if any, and charged to this sub-head, less value of materials received but still to be paid for or adjusted.

(ii) Miscellaneous Works Advances - In this sub-head are accounted for the value of stores sold on credit, expenditure incurred on deposit works in excess of deposit received, losses of cash or stores still to be written off, sum recoverable from contractors on closed accounts, etc. The balance thus represents amount recoverable.

(iii) Workshop Suspense - Charges for jobs executed or other operations in the workshops of the Irrigation Department and Roads and Buildings Department are booked under this head pending recovery or adjustment of the charges.

The transactions under the minor head 'Suspense' under Major heads covered by the grant are aggregated below, sub-head wise, together with aggregate opening and closing balances are as under :
