GOVERNMENT OF MADHYA PRADESH

PREFACE

This is the Twenty third issue of our annual publication "**Accounts at a Glance**".

The Annual Accounts of the State Government are prepared and examined under the direction of Comptroller and Auditor General of India in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 for being laid before the Legislature of the State. The Annual Accounts consist of (a) Finance Accounts and (b) Appropriation Accounts. Finance Accounts are summary statement of accounts under the Consolidated Fund, the Contingency Fund and the Public Account. The Appropriation Accounts record the Grant-wise expenditure against provisions approved by State Legislature and offer explanations for variations between the actual expenditure and the funds provided. The Principal Accountant General (Accounts and Entitlement) prepares the State Finance Accounts and the Appropriation Accounts.

"Accounts at a Glance" provides a broad overview of Governmental activities, as reflected in the Finance Accounts and the Appropriation Accounts. The information is presented through brief explanations, statements and graphs. These figures have been adopted from the Finance and Appropriation Accounts of Government of Madhya Pradesh. In case of difference, the figures depicted in the Finance and Appropriation Accounts may be treated as correct.

We look forward to suggestions that would help us in improving the publication.

CHAPTER 1

OVERVIEW

1.1 Introduction

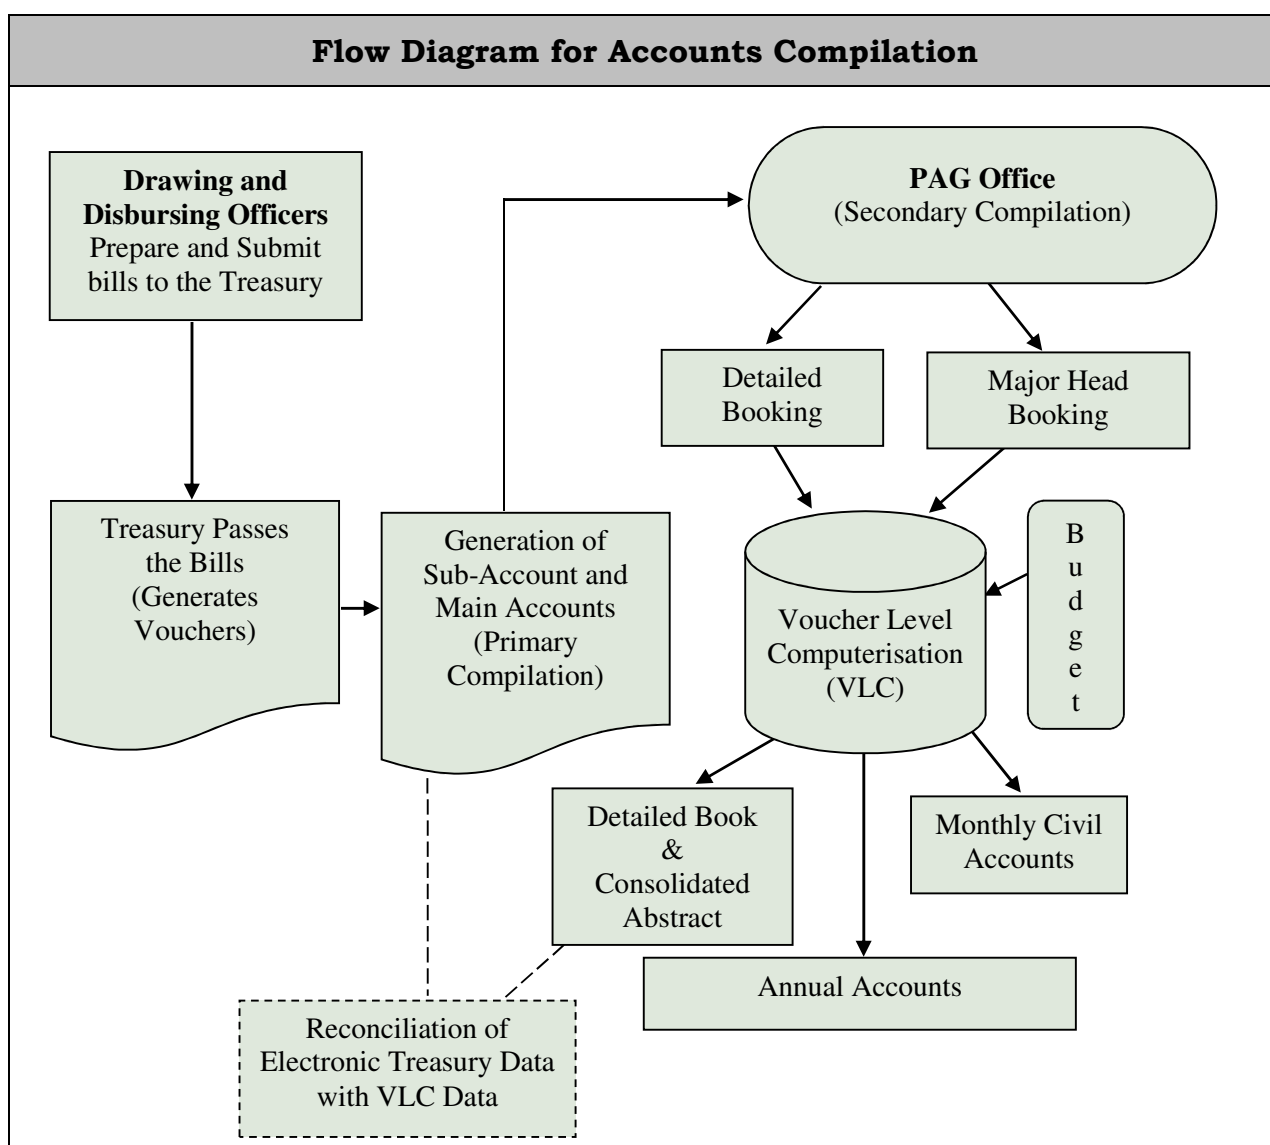

The Principal Accountant General (Accounts and Entitlements)-I, Madhya Pradesh compiles the accounts of receipts and expenditure of the Government of Madhya Pradesh. This compilation is based on the initial accounts rendered by the District Treasuries, Public Works and advices of the Reserve Bank of India. Following such compilation, the Principal Accountant General (A&E)-I prepares annually, the Finance Accounts and the Appropriation Accounts, which are placed before the State Legislature after audit by the Accountant General (Audit-II) Madhya Pradesh and certification by the Comptroller and Auditor General of India.

1.2 Structure of Government Accounts

1.2.1 Government Accounts are kept in three parts:

Part 1 CONSOLIDATED FUND	Receipts and Expenditure on Revenue and Capital Accounts, Public Debt and Loans and Advances. Inter-State Settlement, Appropriation to Contingency Fund.
Part 2 CONTINGENCY FUND	Intended to meet unforeseen expenditure not provided for in the budget. Expenditure from this Fund is recouped subsequently from the Consolidated Fund.
Part 3 PUBLIC ACCOUNT	All other public monies received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Accounts. The Public Account includes repayable like Small Savings and Provident Funds, Deposits, Advances, Reserve Funds, Remittances and Suspense head. The net cash balance available with the Government is also included under the Public Account.

1.2.2 Compilation of Accounts

1.3 Finance Accounts and Appropriation Accounts

1.3.1 Finance Accounts

The Finance Accounts depict the Receipts and Disbursements of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, Public Debt and Public Account balances recorded in the accounts. The Finance Accounts are being issued in two volumes since 2009-10 to make them more comprehensive and informative. Volume-I of the Finance Accounts contains the certificate of the Comptroller and Auditor General of India, summarised statements of overall Receipts and Disbursements and

'Notes to Accounts' containing summary of significant accounting policies, quality of accounts and other items; Volume-II contains, Detailed statements (Part-I) and Appendices (Part-II).

Receipts and Disbursements of the Government of Madhya Pradesh as depicted in the Finance Accounts 2020-21 are given below.

The Union Government transfers substantial funds directly to State Implementing Agencies/NGOs for implementation of various schemes and programmes. The Government of India directly released ₹ 21,70 crore (₹ 26,72 crore last year) during the year 2020-21. Since these funds are not routed through the State Budget, they are not reflected in the accounts of the State Government. These transfers are now exhibited in Appendix VI of Volume II of the Finance Accounts.

The following table provides the details of actual financial results *vis-à-vis* revised estimates for the year 2020-21.

1.3.2 What do the Deficits and Surpluses indicates

Deficit	Refers to the gap between Receipts and Expenditure. The kind of deficit, how the deficit is financed and application of funds are important indicators of prudence in Financial Management.
Revenue Deficit/Surplus	Refers to the gap between Revenue Receipts and Revenue Expenditure. Revenue Expenditure is required to maintain the existing establishment of Government and ideally, should be fully met from Revenue Receipts.
Fiscal Deficit/Surplus	Refers to the gap between Total Receipts (excluding borrowings) and Total Expenditure. This gap, therefore, indicates the extent to which expenditure is financed by borrowings. Ideally, the Borrowings should be invested in capital projects.

1.3.3 Appropriation Accounts

The Appropriation Accounts supplement the Finance Accounts. They depict the expenditure of the State Government against amounts 'charged' on the Consolidated Fund or 'voted' by the State Legislature. There are 2 charged Appropriations and 68 voted Grants. Out of 68 voted grants, 50 Grants also have budget provision for charged expenditure.

The Appropriation Act, 2020-21 had provided for gross expenditure of ₹ 23,59,27 crore and reduction of expenditure (recoveries) of ₹ 50,54 crore. Against this, the actual gross expenditure was ₹ 21,29,83 crore and reduction of expenditure was ₹ 39,07 crore resulting in savings of ₹ 2,29,44 crore (9.72 percent) and an over-estimation of ₹ 11,47 crore (22.69 percent) on reduction of expenditure.

During 2020-21, ₹ 5,51 crore was transferred from the Consolidated Fund to Personal Deposit (PD) Accounts under the Public Account, which are maintained by designated Administrators for specific purposes. Normally, unspent balances under PD accounts are to be transferred back to the Government at the end of the financial year. However, detailed of such transfers, if any, and outstanding

balances in individual PD accounts are available only with the treasuries, since they are responsible for maintaining such records.

1.4 Sources and Application of Funds

1.4.1 Ways and Means Advances

The Reserve Bank of India (RBI) extends the facility of Ways and Means Advances (WMA) to enable State Government to maintain their liquidity. Overdraft (OD) facilities are provided when there is a shortfall in the agreed minimum cash balance (₹ 1.96 crore) maintained with the RBI. The Government of Madhya Pradesh did not resort to WMA and OD facilities during 2020-21.

1.4.2 Fund flow statement

The State had a Revenue Deficit of ₹ 1,83,56 crore and a Fiscal Deficit of ₹ 4,98,69 crore representing 2 *per cent* and 5.44 *per cent* of the Gross State Domestic Product (GSDP)⁷ respectively. The Fiscal Deficit Constituted 25 per cent of total expenditure. This deficit was met from Public Debt (₹ 5,24,13 crore). Around 56 *per cent* of the revenue receipts (₹ 14,63,77 crore) of the State Government was spent on committed expenditure like salaries including wages (₹ 3,77,59 crore), interest payments (₹ 1,59,18 crore), pensions (₹ 1,46,71 crore) and subsidies (₹ 1,36,69 crore).

⁷ Expect where indicated otherwise, GSDP figures used in this publication are adopted from the Economics Survey of the Department of Planning, Economics and Statistics, Government of Madhya Pradesh.

During the past five years, Grants-in-aid to local bodies etc., increased from ₹ 4,99,80 crore in 2016-17 to ₹ 6,42,71 crore in 2020-21. Grants to Urban Local Bodies and Panchayati Raj Institutions (₹ 2,59,77 crore) represented 40 *per cent* of total grants given during the year.

6.4 Reconciliation of accounts

Accuracy and reliability of accounts depend among other things, on timely reconciliation of the figures available with the departments and the figures appearing in the accounts compiled by the Principal Accountant General (Accounts and Entitlements). This exercise is to be conducted by respective Heads of Departments. In 2020-21, 97 per cent (₹ 18,86,39 crore) of the total expenditure of ₹ 19,50,88 crore of the State Government was reconciled. Similarly, out of total receipts of ₹ 14,63,77 crore, 98 per cent (₹ 14,39,00 crore) was reconciled.

Reconciliation of Deposits, Reserve Funds and Other Accounts in Public Account is not being done by the State Government.

6.5 Outstanding Utilization Certificates (UCs) against Grants-in-aid given by the State Government:

In terms of Rule 179 and 182 of the Madhya Pradesh Financial Code, Utilization Certificates (UCs) in respect of Grants-in-Aid received by the grantee should be furnished by the grantee to the authority that sanctioned it on or before 1st June every year, following from the date of receipt of grant or before applying for a further grant on the same object, whichever is earlier. To the extent of non-submission of UCs, there is no assurance that the amount shown in Finance Accounts had reached the beneficiaries and thus the expenditure cannot be vouched as correct or final.

During the year 2020-21, no amount pertaining to outstanding UCs for the period up to March 2021 was cleared. Documents in support of the vouchers are not being up-loaded in the IFMIS, due to which identification of conditional and unconditional grants is not possible. Hence, all the Grants-in-aid were booked as unconditional grant in 2019-20, resulting in nil addition in the year 2020-21. The position of outstanding UCs as on 31 March 2021 is given below:-

(₹ in crore)

Due Year	Number of UCs Outstanding	Amount
Up to 2018-19	19586	1,41,35
2019-20	18	14,06
2020-21	Nil	Nil
Total	19604	1,55,41

Major defaulting departments that had not submitted UCs are Panchayat & Rural Development Department (₹ 87,11 crore, 56 *per cent*), Food, Civil Supplies & Consumer Protection Department (₹ 21,86 crore, 14 *per cent*), Social Justice and Disabled Person Welfare Department (₹ 7,48 crore, 5 *per cent*), Farmer Welfare and Agriculture Development Department (₹ 4,40 crore, 3 *per cent*).

6.6 Accumulation of Suspense Balances: Non-clearance of outstanding balances under Suspense Heads affects the accuracy of receipt/expenditure figures and balances under different heads of accounts which are carried forward from year to year. Clearance of suspense items depends on details furnished by the State Treasuries, Works, Forest and R.E.S. Divisions, PAOs etc.

Details of significant outstanding Suspense Balances are as given below:
