## **Certificate of the Comptroller and Auditor General of India**

This Compilation containing the Appropriation Accounts of the Government of Madhya Pradesh for the year ending 31 March 2020 presents the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India. The Finance Accounts of the Government for the year showing the financial position alongwith the accounts of the receipts and disbursements of the Government for the year are presented in a separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller & Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Madhya Pradesh and the statements received from the Reserve Bank of India.

The treasuries, offices, and/or departments functioning under the control of the Government of Madhya Pradesh are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of Accounts is discharged through the office of the Principal Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit-II) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller & Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Appropriation Accounts read with observations in this compilation give a true and fair view of the accounts of the sums expended in the year ended 31 March 2020 compared with the sums specified in the schedules appended to the Appropriation Acts passed by the State Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Madhya Pradesh being presented separately for the year ended 31 March 2020.
