CERTIFICATE OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA

The compilation containing the Finance Accounts of the Government of Andhra Pradesh for the year 2004-2005 presents the accounts of the receipts and outgoings of the Government for the year, together with the financial results disclosed by the revenue and capital accounts, the accounts of the public debt and liabilities and assets as worked out from the balances recorded in the accounts. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations, presented separately, supplement this compilation.

These accounts have been prepared and examined under my direction in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971. According to the best of my information, as a result of audit of these accounts, the accounts now presented read with the observations in this compilation, in particular paragraphs 6 and 7 of the introductory observations, are correct statements of receipts and outgoings of the Government of Andhra Pradesh for the year 2004-2005. Points of interest arising out of the study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports being presented separately for the year 2004-2005 Government of Andhra Pradesh.

(Vijayendra N. Kaul)
Comptroller and Auditor General of India

INTRODUCTORY

1. The accounts of Government are kept in the following three parts:-

Part I	Consolidated Fund
Part II	Contingency Fund
Part III	Public Account

In **Part I**, namely Consolidated Fund, there are two main divisions, viz:-

- (1) Revenue - Consisting of sections for 'Receipt heads' (Revenue Account) and 'Expenditure heads' (Revenue Account);
- (2) Capital, Public Debt, Loans, etc., - Consisting of sections for Receipt heads (Capital Account) Expenditure heads (Capital Account) and Public Debt, Loans and Advances, etc.

The Revenue division deals with the proceeds of taxation and other receipts classed as revenue and the expenditure met therefrom, the net result of which represents the revenue surplus or deficit for the year.

In Capital division, the section 'Receipt Heads' (Capital Account) deals with receipts of capital nature which cannot be applied as a set-off to capital expenditure.

The section 'Expenditure Heads' (Capital Account) deals with expenditure met usually from borrowed funds with the object of increasing concrete assets of a material and permanent character. It also includes receipts of capital nature intended to be applied as a set-off against expenditure.

The section 'Public Debt, Loans and Advances, etc.,' comprises loans raised and their repayment by Government such as 'Internal Debt' and 'Loans and Advances' made (and their recoveries) by Government. This section also includes certain special types of heads for transactions relating to Appropriation to the 'Contingency Fund' and 'Inter-State Settlement'.

In **Part II**, namely Contingency Fund, of the accounts, the transactions connected with the Contingency Fund established under Article 267 of the Constitution of India are recorded.

In **Part III**, namely Public Account, of the accounts, the transactions relating to 'Debt' (other than those included in Part I), 'Deposits', 'Advances', 'Remittances' and 'Suspense' are recorded. The transactions under 'Debt', 'Deposits' and 'Advances', in this part are those in respect of which Government incurs a liability to repay, the moneys received or has a claim to recover the amounts paid, together with the repayments, of the former ('Debt' and 'Deposits') and the recoveries of the latter ('Advances'). The transactions relating to 'Remittances' and 'Suspense' in this part embrace all merely adjusting heads under which appear such transactions as remittances of cash between treasuries and currency chests, transfers between different accounting circles, etc. The initial debits or credits to these heads will be cleared eventually by corresponding receipts or payments either within the same circle of account or in another account circle.

2. Sectors and Heads of Accounts

Within each of the sections in Part I mentioned above, the transactions are grouped into sectors such as 'Tax Revenue', 'Non-Tax Revenue' and 'Grants-in-aid and Contributions' for the receipt heads (Revenue Account) and 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-aid and Contributions' for expenditure heads. Specific functions or services (such as Education, Sports, Art and Culture, Health and Family Welfare, Water Supply, Sanitation, Housing and Urban Development, etc., in respect of Social Services) are grouped in Sectors for expenditure heads. In Part III (Public Account), also, the transactions are grouped into sectors such as 'Small Savings, Provident Funds etc.', 'Reserve Funds', etc. The Sectors are sub-divided into Major Heads of account. In some cases, the sectors are, in addition, sub-divided into sub-sectors before their division into major heads of account.

The major heads are divided into minor heads, with a number of subordinate heads, generally known as sub-heads. The sub-heads are further divided into detailed heads. Under each of these heads, the expenditure is shown distributed between charged and voted. Sometimes major heads are also divided into sub-major heads before further division into minor heads. Apart from the Sectoral and Sub-Sectoral classification, the Major Heads, Sub-Major Heads, Minor Heads, Sub-Heads, Detailed Heads and Object-Heads together constitute a six-tier arrangement of the classification structure of the Government Accounts. The Major, minor and subheads prescribed for the classification of expenditure in the general accounts are not necessarily identical with the Grants sub-heads and other units of allotments which are adopted by the Governments for Demands for Grants presented to the Parliament or Legislatures but in general a certain degree of co-relation is maintained between the Demands for Grants and the Finance Accounts.

The major heads of accounts, falling within the sectors for expenditure heads, generally correspond to functions of Government, while the minor heads, subordinate to them, identify the programmes undertaken to achieve the objectives of the function represented by the major head. The sub-head represents the scheme, the detailed head, the sub-scheme and object head, the object level of classification.

3. Coding Pattern

Major Heads:

From 1st April 1987 a four digit code has been allotted to the major heads, the first digit indicating whether the major head is a Receipt head or Revenue Expenditure head or Capital Expenditure head or a Loan head.

The first digit of code for Revenue Receipt Head is either "0" or "1".

Adding 2 to the first digit code of the Revenue Receipt head will give the number allotted to corresponding Revenue Expenditure head; adding another 2, the Capital expenditure head; and another 2, the Loans head of Account. For example, for Crop Husbandry code 0401 represents the Receipt head, 2401, the Revenue Expenditure head, 4401, Capital Outlay head and 6401, Loan head.

Such a pattern is, however, not relevant for those departments which are not operating Capital/ Loan heads of accounts, e.g., Department of Supply. In a few cases, where receipt and expenditure are not heavy, certain functions have been combined under a single major head, the functions themselves forming sub-major heads under that Major Head.

Sub Major Heads:

A two digit code has been allotted, the code starting from '01' under each Major Head. Where no sub-major head exists, it is allotted a code '00'. The nomenclature 'General' has been allotted code '80' so that even after further sub-major heads are introduced the code for 'General' will continue to remain the last one.

Minor Heads:

These have been allotted a three digit code, the codes starting from '001' under each sub-major/major head (where there is no sub-major head). Codes from '001' to '100' and few codes '750' to '900' have been reserved for certain standard minor heads. The coding pattern for minor heads has been designed in such a way that in respect of certain minor heads having common nomenclature under many major/sub-major heads, the same three digit code is adopted as far as possible.

Under this scheme of codification, the receipt major heads (revenue account) are assigned the block numbers from 0020 to 1606, expenditure major heads (revenue account) from 2011 to 3606, expenditure major heads (capital account) from 4046 to 5475, major heads under 'Public Debt' from 6001 to 6004 and those under 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund' from 6075 to 7999. The code number 4000 has been assigned for capital receipt major head. The only major head 'Contingency Fund in Part II 'Contingency Fund' has been assigned the code number 8000. The major heads in the Public Account are assigned the code numbers from 8001 to 8999.

4. The transactions included in these accounts represent mainly the actual cash receipts and disbursements during the financial year April to March as distinguished from amounts due to or from Government during the same period. The cash basis system is, however, not entirely suitable for recording the transactions and presenting the true state of affairs of Government commercial undertakings run on commercial principles. The detailed account of this class of undertakings are, therefore, maintained outside the regular accounts in proper commercial form and are subject to test check by the Indian Audit and Accounts Department.

5. The figures of actuals shown in these accounts are net, after taking into account the recoveries, although the Demands for Grants presented to Legislature and the Appropriation Accounts are for gross expenditure and exclude credits and recoveries which are otherwise taken as reduction of expenditure.

6. As per the Rules prescribed by the President of India, expenditure on "Grants-in-aid" to Local Bodies has to be classified as Revenue and not as Capital expenditure. During the year 2004-05, however, the State Government provided for and paid grants-in-aid of Rs493.86 crore to Local Bodies under Capital Section of the Budget and Accounts. The expenditure thus classified, wherever noticed, has been suitably indicated by footnotes in the relevant statements. Similar situation prevailed in the Accounts for 2000-01 to 2003-04 also.

7. During the year 2004-05, the State Government provided for and accounted Rs335.62 crore towards contribution to Reserve Funds/Transfer to Deposit Account under Capital Heads of account though normally the funding of the Reserves is done through Revenue. This has had the effect of reducing the Revenue deficit to the extent. The expenditure thus classified has been suitably indicated by footnotes in the relevant statements.

STATEMENT NO.3 - FINANCIAL RESULTS OF IRRIGATION WORKS

From 1970-71 onwards Irrigation Projects costing Rs 25 lakh and above are treated as Commercial. In order to ascertain the financial results of such projects "Proforma Accounts" known as Administrative Accounts which take into account indirect receipts, indirect charges etc., are prepared every year. Such projects are further classified as "Productive" or "Unproductive" according to the net revenue (gross receipts minus working expenses) derived on the expiry of ten years from the date of completion of the projects which covers or does not cover the annual interest charges on the capital invested. For this purpose the rates of interest are prescribed by the Government from time to time.

The financial results for the years upto 1985-86 in respect of the irrigation works costing more than one crore each have been included in the Finance Accounts for 1990-91. Review for the years from 1986-87 onwards could not be prepared as complete particulars of irrigation revenue relating to individual works have not been furnished by the department (August 2005).

Similarly, loans from the Government of India to the former Hyderabad State outstanding on 31st October, 1956 are allocable among the successor States in the same manner. Pending determination of the Capital Expenditure in the different areas, the liability for these debts has been provisionally allocated among the different States in the ratio of population of the respective States.

The balances in the funds at the commencement and at the end of the year 2004 -2005 are shown below:

	Balance on 1st April,2004	Additions during the year	Withdrawals during the year	Balance on 31st March, 2005 <i>(In Crores of Rupees)</i>

3. Loans from Government of India: The details of loans obtained from the Government of India are given in Statement No.17. A block loan of Rs 1828.08 crore was received during the year for State Plan Schemes.

The permanent Debt of the former Hyderabad Government outstanding on 31st October,1956 was taken over by the Government of India and an equal amount was deemed to have been given to that State (successor Andhra Pradesh) as a loan. This was subsequently allocated among the successor States of Andhra Pradesh, Maharashtra and Karnataka. Pending final allocation of Public Debt of the former Hyderabad Government, allocation was made provisionally on population basis. The entire loan has been repaid in April,1974 and January,1975.

Out of the above, recovery of Rs5230,75.18 lakh (Principal Rs3074,62.56 lakh and interest Rs2156,12.62 lakh) was outstanding for more than 3 years. Loans amounting to Rs560.61 crore are overdue. Out of the total loans of Rs2201.06 crore outstanding against the Andhra Pradesh State Electricity Board at the end of January, 1999, including Rs20.24 crore sanctioned under major head 6245 Loans for relief on account of Natural Calamities. The State Government had ordered in March, 1972 that the repayment of loans by the Board should be according to the priority laid down in Section 67 of Electricity (Supply) Act, 1948. Under this section, the liability for repayment of Loans and payment of interest (on loans sanctioned by Government), out of the recoveries of the Board carried a low priority.

On splitting of the Board into two Government Companies, separately one for generation (AP GENCO) and another for transmission and distribution (AP TRANSCO) with effect from 1st February, 1999, the orders of the Government with regard to apportionment of Assets and Liabilities between the two Companies are still awaited. Further, the terms and conditions for repayment of loans sanctioned to the two Companies are also not received from the State Government, so far. As such the share of each Company of the total loan outstanding as on 31 January, 1999 including over due amount, could not be identified and hence the total amount is being exhibited against the Board only, till the orders are received in this regard.

There are standing instructions from the Government that the information about overdue amounts as on 31 March, every year together with steps taken for the recovery of arrears etc., should be sent by the Heads of Departments to the Accountant General, by the 30th June every year for the previous financial year. Information about the overdue amounts as on 31 March, 2005 out of the Loans and Advances, the detailed accounts of which are kept by the departmental officers, has not, however been received from any of the offices so far(August, 2005).

(*) The amount represents to the extent information available.

EXPLANATORY NOTES

Under an agreement with Reserve Bank of India, the Government of Andhra Pradesh has to maintain with the Bank a minimum of Rs3.32 crore on all the days. The Bank informs the Government, by E-mail/Fax, its daily balance with it at the close of each working day. If this balance falls below the agreed minimum, the deficiency is covered by rediscounting treasury bills or by resorting to Ways and Means Advances from the Bank.

If the cash balance falls below the stipulated minimum, State Government has to avail Special Ways and Means Advances and Normal Ways and Means Advances which attract payment of interest to the Bank. If the Cash Balance is fully rundown and expenditure exceeds the available cash balance, Overdrafts are given by the Bank which automatically cover the minus balances.

During the year 2004-2005, the State Government was able to maintain the minimum balance on each day of the year i.e., all the 365 days. As such, there was no necessity for the State Government to resort to Ways & Means Advance and Overdraft from Reserve Bank of India, Nagpur.

1. The extent of transactions under Government of India Treasury Bills is stated in paragraph 6 below.
2. The cash balance represents the combined balances of Consolidated Fund, Contingency Fund and Public Account.
3. The balance against "Deposits with Reserve Bank" shown in Government Account represents the balance after taking into account adjustments pertaining to 2004-2005 advised to the Bank in the subsequent financial year upto 16th April.
4. The balance of Rs 1,34.39 lakh shown against "Deposits with Other Banks" represents the deposits with Westminster Bank, London (deposits made by the former Government of Nizam State). In view of the verdict of the House of Lords, the United Kingdom, in an appeal suit, the balance remains frozen with the Bank for the time being and is therefore not available to the State Government.
5. The transaction under the head "Remittance in Transit" represent remittances between treasuries and currency chests remaining unadjusted as on 31st March, 2005.
6. The following is an analysis of investments held in Cash Balance Investment Account:-

Securities of the face value of Rs 76.98 lakh were transferred to (i) a Government Company, the Hyderabad Chemicals and Fertilizers Limited, Hyderabad (now a subsidiary of Andhra Pradesh State Agro-Industries Corporation, Hyderabad (Rs 7.44 lakh)) and (ii) a Joint Stock Company - The Azamjahi Mills, Hyderabad (Rs 69.54 lakh) in 1969 (since taken over by the National Textile Corporation Limited) under the Sick Textile Undertakings (Nationalisation Act, 1974) to enable them to raise funds on the strength of these Securities. Government initiated legal proceedings for return of Securities against the Central Bank of India, with whom the Azamjahi Mills had pledged them. Further developments are awaited.

EXPLANATORY NOTES

1. The significance of the head "Government Account" is explained in note 3 below. The other headings in the summary take into account the balances under all account heads in Government books where Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of Remittance transactions. It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government of Andhra Pradesh, as these do not take into account all the physical assets of the State, such as Lands, Buildings, Communications etc., nor any accrued dues or outstanding liabilities which are not brought to account under the Cash basis of accounting followed by the Government.

2. A Summary of receipts, disbursements and balances under heads of account relating to Debt, Contingency Fund and Public Account is given in Statement No.16.

In a number of cases, there are unreconciled differences between the closing balances shown in Statements No.16 and 18 and those shown in separate registers or other records maintained in the Accounts Office/Departmental offices for the purpose. Steps are being taken to settle the discrepancies as soon as possible. In many cases the full details and documents required for the purpose are awaited from the Department/Treasury Officers. Some of the differences are shown below:

Head of Account (1)	Earliest year to which the difference relates (2)	Amount of difference (3)
<i>(In Thousands of Rupees)</i>		
6202 Loans for Education, Arts, Sports, and Culture	1992-93	(-)2,70,82
6215 Loans for Water Supply and Sanitation	1992-93	(-)2,31,07,91
6216 Loans for Housing	1992-93	(-)8,85,34
6217 Loans for Urban Development	1992-93	(-)8,27,94
6401 Loans for Crop Husbandry	1992-93	(-)87,39
6405 Loans for Fisheries	1992-93	(-)94,19
6408 Loans for Food Storage and Warehousing	1994-95	(-)2,81,14
6425 Loans for Co-operation	1992-93	(-)5,29,61
6801 Loans for Power Projects	2002-03	(-)75,87,69
7475 Loans for Other General and Economic Services	1992-93	(-)2,57,61

The balances are communicated to Departmental Officers every year for verification and acceptance thereof. In a large number of cases, such acceptances have not been received. Some instances, where verification and acceptance of balance for large amounts have been delayed are given in Appendix-II to this compilation. In many cases the delay extends over several years.

3. **Government Account:** Under the system of book keeping followed in the Government Account the amounts booked under Revenue and Capital heads and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head, **Government Account**. The balance under this head represents the cumulative result of all such transactions, so that after adding thereto the balances under the heads of account relating to Debt, Contingency Fund and Public Account, the closing balance at the end of the year may be worked out and proved. The Government Account 2004-2005 given below shows how the net amount at the end of the year has been arrived at.

Adjustments consequent on the reorganisation of States:

Consequent on the formation of Andhra State under the Andhra State Act, 1953 and of the Andhra Pradesh State under the States Reorganisation Act, 1956 read with the Andhra Pradesh and Madras (Alteration of Boundaries) Act, 1959, the balance under Debt, Deposit and Remittances heads were corrected Proforma. The proforma corrections are provisional pending final determination.

Consequent on the formation of Andhra Pradesh State Electricity Board in April, 1959 and the Andhra Pradesh State Road Transport Corporation in 1958 such portion of balance under Debt, Deposit and Remittance heads as relate to the purpose of the Board/Corporation are to be dropped from Government Accounts. Final allocation of the balances has not been made except for a few items. Pending such allocation the balances relating to the Board/Corporation remain included against the relevant heads in Statement No.16. On reorganisation, the Andhra Pradesh State Electricity Board has been split into two Government Companies viz., Transmission Corporation of Andhra Pradesh Limited and Andhra Pradesh Generation Corporation Limited. Details of transfer of Assets and Liabilities are awaited.
