Audit of the Finance Accounts of the Government of Uttarakhand

Opinion

The Finance Accounts of the Government of Uttarakhand for the year ended 31 March 2023 present the financial position along with accounts of the receipts and disbursements of the Government for the year involving transactions from and / or to the Consolidated Fund, the Contingency Fund and the Public Account of the State. The compilation of Finance Accounts comprises two Volumes; Volume- I contains the consolidated position of the state of finances and explanatory 'Notes to Finance Accounts' including a summary of Significant Accounting Policies and Volume - II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations, which represent the budget comparison, are presented separately.

On the basis of the information and explanations that my officers required and have obtained and as a result of test audit of the accounts, in my opinion, the Finance Accounts read with the explanatory 'Notes to Finance Accounts' present fairly the financial position and the receipts and disbursements of the Government of Uttarakhand for the year 2022-23.

Observations arising from audit of these accounts as well as audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Uttarakhand being presented separately for the year ended 31 March 2023.

Basis for Opinion

The conduct of audit is in accordance with the CAG's Auditing Standards. These Standards require that we plan and perform audits to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. The audit evidence that we have obtained provides a basis for my opinion.

Responsibilities for Preparation of the Initial and Subsidiary Accounts

The State Government is responsible for obtaining authorisation of budget from the State Legislature. The State Government and those responsible for execution of budget such as treasuries, offices and departments of the Government of Uttarakhand are responsible for preparation and correctness of the initial and subsidiary accounts as well as for ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations.

Also, they are responsible for rendering the initial and subsidiary accounts and information related thereto to the Office of the Accountant General (Accounts and Entitlements) of Uttarakhand for compilation and preparation of the Finance Accounts.

Responsibilities for Compilation of Annual Accounts

The Office of the Accountant General (Accounts and Entitlements) of Uttarakhand functioning under my control is responsible for compilation and preparation of Annual Accounts of the State Government. This is in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

The Annual Accounts have been compiled from the vouchers, challans and initial and subsidiary accounts as received from the treasuries, offices and departments of the Government of Uttarakhand and the statements received from the Reserve Bank of India.

Statements (9 and 20, explanatory note No. 2 to Statement No. 14) and Appendices (IV, V, VI, VIII, IX, XI and XII) in this compilation have been prepared directly from the information received from the Government of Uttarakhand and the Union Government who are responsible for such information.

Responsibilities for the Audit of the Annual Accounts

The audit of the Annual Accounts is conducted through the Office of the Principal Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 for expressing an opinion on these Accounts based on the results of such audit.

The Office of the Principal Accountant General (Audit) and the Office of the Accountant General (Accounts and Entitlements) are independent organisations with distinct cadres, separate reporting lines and management structure.

A. Broad Overview of the Structure of Government Accounts

1. The Finance Accounts of the State of Uttarakhand present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts. The Finance Accounts are accompanied by Appropriation Accounts, which present comparison of expenditure against the Grants / Appropriations.
2. The Accounts of the Government are kept in the following three parts:

Part I: Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, *etc.*), Ways and Means Advances (WMA) extended by the Reserve Bank of India (RBI) and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund, except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (*e.g.*, salaries of Constitutional authorities, loan repayments, *etc.*), constitute a charge on the Consolidated Fund of the State (*Charged Expenditure*) and are not subject to vote by the Legislature. All other expenditure (*Voted Expenditure*) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorized under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, *viz.*, 'Tax Revenue', 'Non-Tax Revenue' and 'Grants-in-aid and Contributions'. These three sectors are further divided into sub-sectors like 'Goods and Services Tax', 'Taxes on Income and Expenditure', 'Fiscal Services', *etc.* The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors, like, 'Organs of State', 'Education, Sports, Art and Culture', *etc.* The Capital Expenditure section is sub-divided into seven sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part II: Contingency Fund: This Fund is in the nature of an Imprest, which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorization of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Uttarakhand for 2022-23 is ₹ 5,00.00 crore.

GUIDE TO THE FINANCE ACCOUNTS - contd.

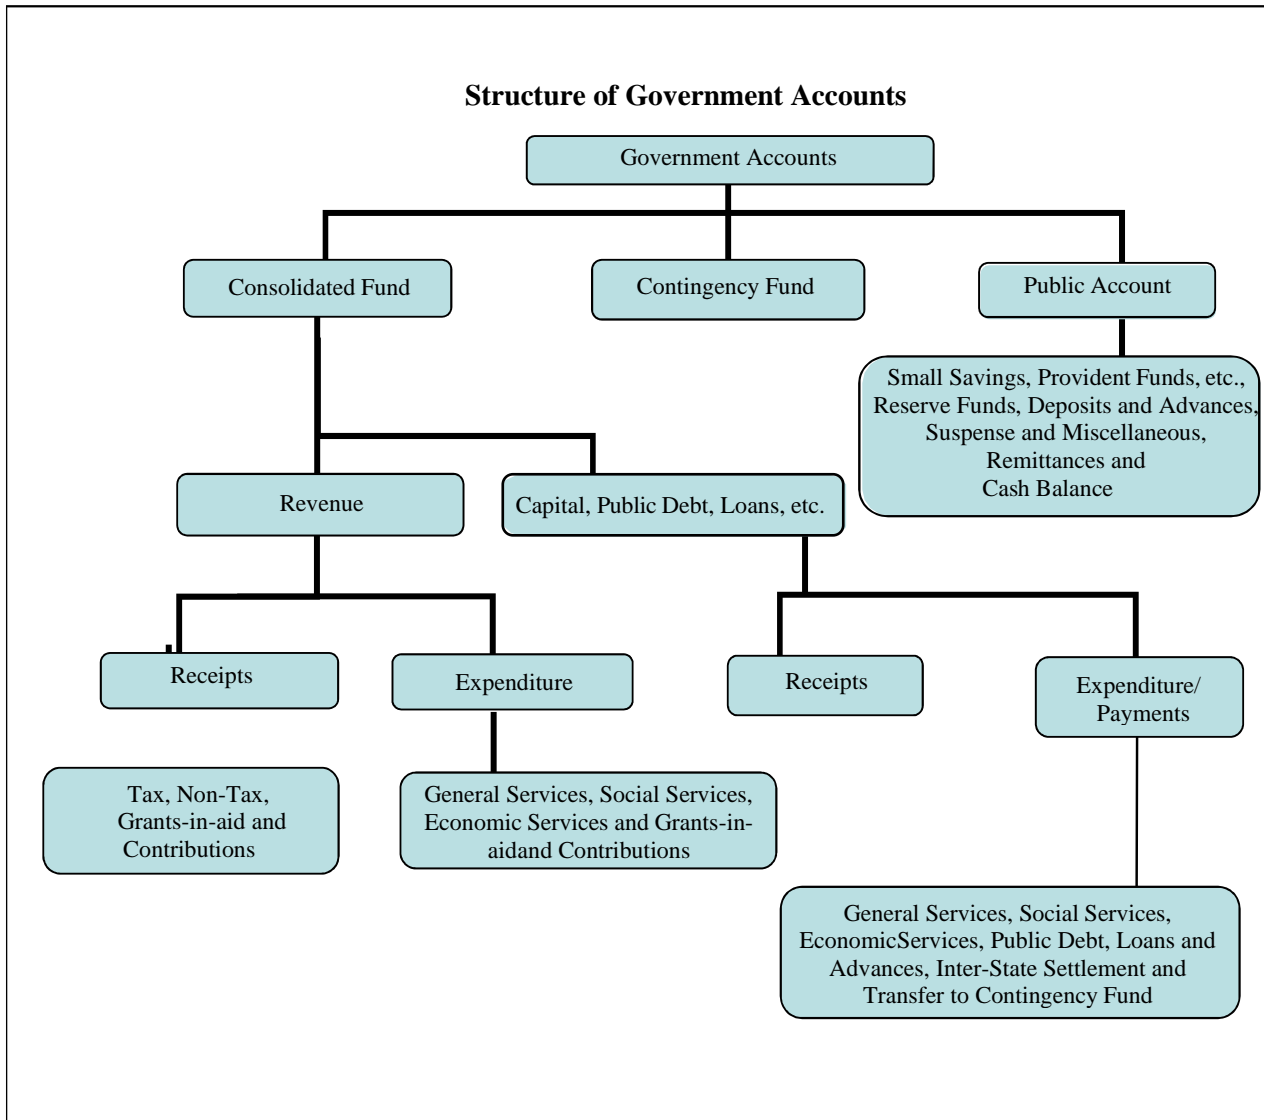

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayable such as Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, *viz.*, 'Small Savings, Provident Funds, *etc.*', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

3. Government accounts are presented under a six tier classification, *viz.*, Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two digits), Detailed Heads (two to three digits) and Object Heads (two / three/ four digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor Heads represent programme/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes and Object Heads represent purpose/object of expenditure.
4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected up to 31 March 2023).

0005 to 1606	<i>Revenue Receipts</i>
2011 to 3606	<i>Revenue Expenditure</i>
4000	<i>Capital Receipts</i>

Explanatory Notes

(a) Cash and Cash Equivalents:

Cash and Cash Equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in transit, as stated above. The balance under the head 'Deposits with Reserve Bank of India' {a (2) above} depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds, etc., are added to the balance in 'Deposits with RBI'.

(b) Daily Cash Balance:

Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum Cash Balance of ₹ 0.16 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary or special Ways and Means Advances/Overdrafts from time to time.

For arriving at the daily Cash Balance³ for the purpose of grant of Ways and Means Advances/Overdraft, the RBI evaluates the holdings of the 14 day Treasury Bills along with the transactions reported (at RBI counters, Inter-government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum Cash Balance is reinvested in Treasury Bills. If the net Cash Balance arrived at results is less than the minimum Cash Balance or a credit Balance and if there are no 14 day Treasury Bills maturing on that day, RBI rediscounts the holdings of the 14 day treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances / Over Draft.

¹ The balance under the head 'Deposits with RBI' is arrived at after taking into accounts the Inter-Governmental monetary settlements pertaining to transactions of financial year 2022-23 advised to the RBI till 16 April 2023.

There was also a difference of ₹ 130.97 crore (Cr.) between the figures of 'Deposits with RBI' reflected in the Accounts ₹ 131.82 crore (Cr) and that communicated by the RBI ₹ 0.85 crore (Dr.). The difference is under reconciliation.

The difference in the accounts figure of Deposits with the Reserve Bank and those intimated by the RBI is ₹ 130.96 crore (Cr.) as on 30.06.2023.

²These balances under these heads are credit, hence the figures appear negative.

³ The Cash Balance 'Deposits with RBI' is the closing Cash Balance of the year as on 31 March but worked out by 16 April and not simply the daily cash balance on 31 March.

(a) There was a difference between the figures reflected in the accounts and that intimated by the Reserve Bank of India regarding 'Deposits with Reserve Bank' included in the Cash Balance. The discrepancy is under reconciliation. See also 'Notes to Finance Accounts' at page 58 in Volume I.

B. Government Accounts: Under the system of book-keeping followed in Government accounts, the amount booked under Revenue, Capital and other transactions of Government, the balances of which are not carried forward from year to year in the accounts, are closed to a single head called 'Government Account'. The balance under this head represents the cumulative result of all such transactions

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc., are added and the closing cash balance at the end of the year is to be worked out and proved. The other headings in the summary take into accounts the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of accounts opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into accounts all the physical assets of the State, such as lands, buildings, communication, etc., nor any accrued dues or outstanding liabilities which are not brought to accounts under the cash basis of accounting followed by Government.

13. SUMMARY OF BALANCES

(v) Basis of Budget and Financial Reporting:

During 2022-23, the State Government of Uttarakhand has provided budget provisions under 07 unauthorized sub major heads and 02 minor heads (05 (sub major heads) under revenue section and 04 (02 sub major heads + 02 minor heads) under capital section) and incurred an expenditure of ₹ 27.46 crore (in 03 sub major heads) under the Revenue section and ₹ 3.07 crore (in 01 sub major head) under the Capital section in these heads.

(ii) Discrepancy in depiction of budget provisions and wrong classification:

The budget documents of the State Government for the year 2022-23 did not depict the budget provision and correct classification of expenditure in respect of the following heads of accounts:

In terms of the extant accounting procedure, the grants received by the State from the Centre are to be initially booked as Revenue Receipts under Major Head 1601. Thereafter, the amount so received is to be transferred by the State Government to the Public Account under Major Head 8449-103 Subvention from Central Road and Infrastructure Fund through functional Major Head(s).

During the year 2022-23, the State Government received grants of ₹ 378.17 crore towards CRIF. The State Government did not transfer any amount to the Fund in the Public Account as on 31 March 2023. The non-transfer of ₹ 378.17 crore has understated the Revenue Expenditure to that extent.

(iii) Suspense and Remittance Balances:

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balance under these heads worked out by aggregating the outstanding debit and credit balances under various heads was ₹ 238.82 crores (Credit) under 04 Heads as on 31 March 2023 (₹ 208.38 crore (Credit) as on 31 March 2022).

Non-clearance of outstanding balances under these heads affects the accuracy of receipt / expenditure figures and balances under different heads of Accounts (which are carried forward from year to year) of the State Government.

(iv) Cheques and Bills: Credit balance under MH 8670 Cheques and Bills indicates cheques issued but remaining un-encashed. The opening balance as on 01 April 2022 was ₹ 349.72 crore (Credit). During 2022-23, cheques worth ₹ 49,375.90 crore were issued, against which cheques worth ₹ 49,661.31 crore were encashed, leaving a closing balance of ₹ 64.31 crore (Credit) as on 31 March 2023. The closing balance represents expenditure originally booked in various financial years under different functional Major Heads, which has not resulted in any cash outflow to the Government of Uttarakhand till 31 March 2023.

(v) Cess / fee / surcharge: During the year 2022-23, the Government collected ₹ 70.56 crore (2021-22: ₹ 72.00 crore) being the collection of cess / fee / surcharge (other than Labour Cess). An amount of ₹ 72.00 crore has been booked as revenue of the Government under MH 0801-Power-01 Hydel Generation and 05 Transmission & Distribution -800 Other Receipts. As per section 6 & 7 (1) of The Uttarakhand Green Energy Cess Act 2014, the State Government is required to establish a Fund called 'Green Energy Fund' and proceeds of the cess are to be transferred to this Fund from Consolidated Fund of the State. No such Fund has been established by the State Government as on 31 March 2023. This has resulted in understatement of Revenue Expenditure to the extent of ₹ 72.00 crore.

(vi) Adverse Balance: Minus balances appearing in the accounts during the year are given below. The minus balances under these heads were due to misclassification and are under review / corrections.
