Report of the Comptroller and Auditor General of India
Audit of the Finance Accounts of the Government of Gujarat

Opinion

The Finance Accounts of the Government of Gujarat for the year ended 31 March 2024 present the financial position along with accounts of the receipts and disbursements of the Government for the year involving transactions from and / or to the Consolidated Fund, the Contingency Fund and the Public Account of the State. The compilation of Finance Accounts comprises two Volumes; Volume- I contains the consolidated position of the state of finances and explanatory 'Notes to Finance Accounts' including a summary of Significant Accounting Policies and Volume - II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations, which represent the budget comparison, are presented separately.

On the basis of the information and explanations that my officers required and have obtained and as a result of test audit of the accounts, in my opinion, the Finance Accounts read with the explanatory 'Notes to Finance Accounts' present fairly the financial position and the receipts and disbursements of the Government of Gujarat for the year 2023-24.

Observations arising from audit of these accounts as well as audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Gujarat being presented separately for the year ended 31 March 2024.

Basis for Opinion

The conduct of audit is in accordance with the CAG's Auditing Standards. These Standards require that we plan and perform audits to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. The audit evidence that we have obtained provides a basis for my opinion.

Responsibilities for Preparation of the Initial and Subsidiary Accounts

The State Government is responsible for obtaining authorisation of budget from the State Legislature. The State Government and those responsible for execution of budget such as treasuries, offices and departments of the Government of Gujarat are responsible for preparation and correctness of the initial and subsidiary accounts as well as for ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations.

Also, they are responsible for rendering the initial and subsidiary accounts and information related thereto to the Office of the Accountant General (Accounts and Entitlements) of Gujarat for compilation and preparation of the Finance Accounts.

Responsibilities for Compilation of Annual Accounts

The Office of the Accountant General (Accounts and Entitlements) of Gujarat functioning under my control is responsible for compilation and preparation of Annual Accounts of the State Government. This is in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

The Annual Accounts have been compiled from the vouchers, challans and initial and subsidiary accounts as received from the treasuries, offices and departments of the Government of Gujarat and the statements received from the Reserve Bank of India.

Statements (7(3), 8, 9, 18(2), 19 and 20, explanatory notes to Statement Nos. 18 and 20) and Appendices (IV, V(A), IX, XI and XII) in this compilation have been prepared directly from the information received from the Government of Gujarat and the Union Government who are responsible for such information. Appendix VI has been prepared from the details collected from the Public Financial Management System Portal of the Controller General of Accounts.

Responsibilities for the Audit of the Annual Accounts

The audit of the Annual Accounts is conducted through the Office of the Principal Accountant General (Audit-II), Gujarat in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 for expressing an opinion on these Accounts based on the results of such audit.

The Office of the Principal Accountant General (Audit-II), Gujarat and the Office of the Accountant General (Accounts and Entitlements), Gujarat are independent organisations with distinct cadres, separate reporting lines and management structure.

GUIDE TO THE FINANCE ACCOUNTS

A. Broad Overview of the Structure of Government Accounts

1. The Finance Accounts of the State of Gujarat present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts. The Finance Accounts are accompanied by Appropriation Accounts, which present a comparison of expenditure against the Grants / Appropriations.
2. The Accounts of the Government are kept in the following three parts:

Part I: Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, *etc.*), Ways and Means Advances (WMA) extended by the Reserve Bank of India (RBI) and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund, except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (*e.g.*, salaries of Constitutional authorities, loan repayments, *etc.*), constitute a charge on the Consolidated Fund of the State (*Charged Expenditure*) and are not subject to vote by the Legislature. All other expenditure (*Voted Expenditure*) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, *viz.*, 'Tax Revenue', 'Non Tax Revenue' and 'Grants-in-aid and Contributions'. These three sectors are further divided into sub-sectors like 'Goods and Services Tax', 'Taxes on Income and Expenditure', 'Fiscal Services', *etc.* The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors, like, 'Organs of State', 'Education, Sports, Art and Culture', *etc.* The Capital Expenditure section is sub-divided into seven sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part II: Contingency Fund: This Fund is in the nature of an imprest, which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Gujarat for 2023-24 is ₹ 200 crore.

GUIDE TO THE FINANCE ACCOUNTS - contd.

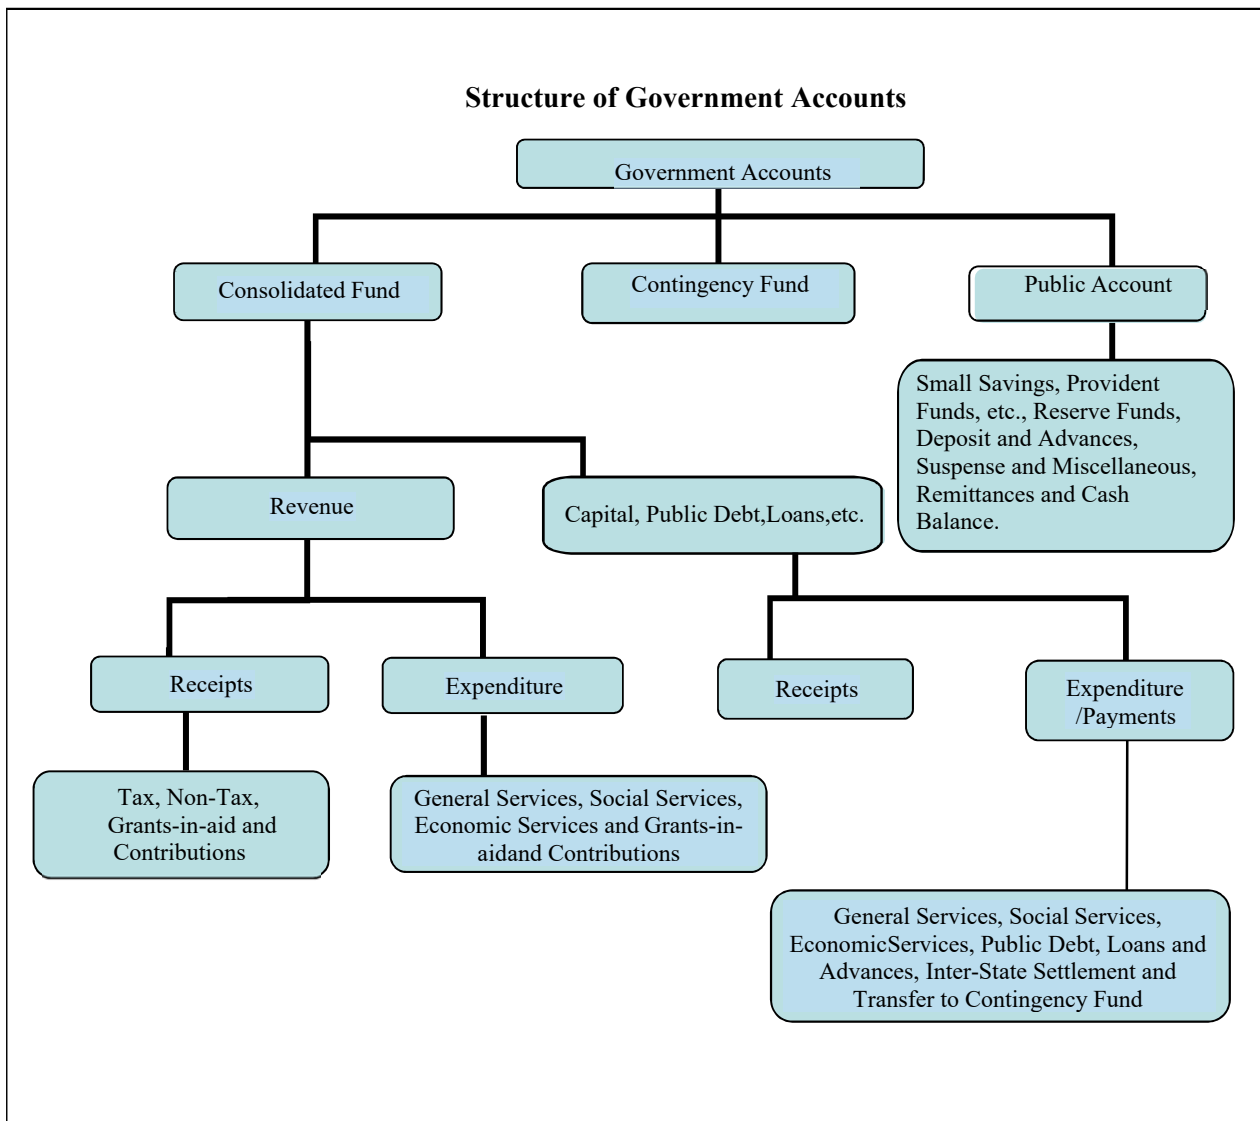

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayable such as Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, *viz.*, 'Small Savings, Provident Funds, *etc.*', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

3. Government accounts are presented under a six tier classification, *viz.*, Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two digits), Detailed Heads (two to three digits) and Object Heads (two / three/ four digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes and Object Heads represent purpose/object of expenditure.
4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected up to 31 March 2024).

0005 to 1606	<i>Revenue Receipts</i>
2011 to 3606	<i>Revenue Expenditure</i>
4000	<i>Capital Receipts</i>
4046 to 7810	<i>Capital Expenditure (including Public Debt, Loans and Advances)</i>
7999	<i>Appropriation to the Contingency Fund</i>

To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc are added to the balance in 'Deposits with RBI'.

Overall Cash	31 March	31 March

(b) Daily Cash Balance:

Under the agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 2.80 crore with the Bank. If the balance falls below the above agreed minimum on any day, the deficiency is made good by taking Special and Ordinary Ways and Means advances/Overdrafts from time to time.

For arriving at the daily cash balance for the [2] purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day Treasury Bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/ Over Draft.

[1] The balance under the head "Deposits with Reserve Bank" is arrived at after taking in to account the Inter Government monetary settlements pertaining to transactions of the Financial Year 2023-2024 advised to RBI till 10 April 2024.

[2] The cash balance (Deposit with RBI) above is the closing cash balance of the year on 31 March but worked out by April and not simply the daily balance on 31 March.

(a) There was a difference of ₹ 7.04 crore in Cash Balance of Reserve Bank of India between the figure furnished by RBI Nagpur ₹ 256.91 crore and MCA figure ₹ 263.95 crore as on 31 March 2024, The difference is under reconciliation.

as per the List of Major and Minor Heads to the level of Minor Heads as notified by the Controller General of Accounts in consultation with the Comptroller & Auditor General of India. Classification followed below Minor Heads is as agreed to by the Office of the Accountant General (Accounts and Entitlements) in each state.

A separate budget comparison statement is presented as Appropriation Accounts, which represents actual disbursements in comparison to the grants/appropriations. The Appropriation Accounts are presented on a gross basis and a reconciliation Statement is included in the Appropriation Accounts to reconcile the net figure in the Finance Accounts.

Cash basis: The accounts represent the actual cash receipts and disbursements during the reporting period with the exception of such book adjustments which are authorised. Receipts and disbursements in the Finance Accounts are on net basis; net of recoveries, deductions and refunds.

Classification between Capital and Revenue Expenditure: Significant expenditure incurred with the object of acquiring tangible assets of a permanent nature (for use in the Government establishment and not for sale in the ordinary course of business) or enhancing the utility of existing assets, are broadly defined as Capital Expenditure. Subsequent charges on maintenance, repair, upkeep and working expenses, which are required to maintain the assets in a running order as also all other expenses incurred for the day to day running of the establishment and administrative expenses are classified as Revenue expenditure. 2. Compliance with the Accounting Framework:

(i) Non-freezing of accounts by treasuries after closing monthly accounts:

As per the existing practice, accounts once closed by the State and rendered to the Office of the Accountant General (A&E), should not be opened for any changes, as this would misrepresent the monthly account. Non-freezing of accounts by treasuries after closing monthly accounts may leave scope for data modification after submission of monthly accounts to AG office and may lead to mismatch of figures/data between AG office and State Government of Gujarat. Monthly accounts are frozen in the Integrated Financial Management System (IFMS) after closure of monthly accounts and sending them to the Office of the Accountant General (A&E).

(ii) Operation of unauthorized heads:

During the year 2023-24, no unauthorized heads were operated by the State Government of Gujarat.

(iii) Opening of New Sub-Heads/Detailed Heads of Accounts without advice:

The total receipts under GST were ₹ 69,932.00 crore. The State received non-debt compensation of ₹ 10,693.47 crore as Revenue Receipt on account of loss of revenue arising out of implementation of GST during 2023-24.

The total accumulation of the Fund was ₹ 12,878.38 crore as on 31 March 2024 (₹ 10,120.26 crore as on 31 March 2023).

(b) Guarantee Redemption Fund: The State Government constituted the Guarantee Redemption Fund to be administered by the RBI. The latest amendment to the Fund notification issued by the State Government, effective from the year 2013-14, stipulates that the State Government shall initially contribute a minimum of one per cent and thereafter at the rate of 0.5 per cent of outstanding guarantees at the end of the previous year to achieve a minimum level of three per cent in next five years. The Fund shall be gradually increased to a desirable level of five per cent. During the year, the State Government made no contribution to the Fund as balance in the Fund was above the desirable level of five per cent. The State Government earned ₹ 43.13 crore as interest on the investment and reinvested it. The total accumulation of the Fund was ₹ 892.18 crore as on 31 March 2024 (₹ 849.05 crore as on 31 March 2023).

Transactions in the Fund are depicted in Statements 21 and 22 of the Finance Accounts.

(iii) Central Road and Infrastructure Fund (CRIF):

The erstwhile Central Road Fund (CRF) has been renamed as the Central Road and Infrastructure Fund (CRIF) vide GoI's Gazette notification dated 31-03-2018. The CRIF is to be used for development and maintenance of National Highways, Railway projects, improvement of safety in Railways, State and Rural roads and other infrastructure, etc.

In terms of the extant accounting procedure, the grants received by the State from the Centre are to be initially booked as Revenue Receipts under Major Head 1601. Thereafter, the amount so received is to be transferred by the State Government to the Public Account under Major Head 8449- 103-Subventions from Central Road and Infrastructure Fund through functional Major Head(s).

During the year 2023-24, the State Government received grants of ₹ 73.79 crore towards CRIF. The State Government transferred ₹ 73.79 crore to the Fund in the Public Account as on 31 March 2024.

(iv) Suspense and Remittance Balances:

During the year 2023-24, expenditure for an amount of ₹ 103.97 crore and receipts for ₹ (-) 4.39 crore have been placed under suspense (Major Head 8658, Minor Head 110- Reserve Bank Suspense-Central Accounts Office) by the Office of the Accountant General (A&E), for want of documents like vouchers/challans/sanction letters etc. The total expenditure of the Government is understated to that extent.

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balance under these heads, worked out by aggregating the outstanding debit and credit balances separately under various heads, was ₹ 958.65 crore under three Heads as on 31 March 2024 (₹ 681.68 crore as on 31 March 2023).

Non-clearance of outstanding balances under these heads affects the accuracy of receipt/expenditure figures and balances under different heads of Accounts (which are carried forward from year to year) of the State Government.

(v) Cheques, Bills and Digital Payments:

Credit balance under MH 8670 Cheques and Bills indicates cheques issued but remaining un-encashed. The opening balance as on 01 April 2023 was ₹ 1,339.00 crore (Credit). During 2023-24, cheques worth ₹ 1,63,321.55 crore were issued, against which cheques worth ₹ 1,64,345.35 crore were encashed, leaving a closing balance of ₹ 315.20 crore (Credit) as on 31 March 2024. The closing balance represents expenditure originally booked in various financial years under different functional Major Heads, which has not resulted in any cash outflow to the Government of Gujarat till 31 March 2024. In case of digital payments, payment orders through electronic mode are treated as expenditure as and when the transaction is completed. However, in case of failure referred to as 'e-Kuber failed' transactions, the treatment of the transaction is accounted for as suspense in 8658. In the year 2023–2024, no amount was accounted for as suspense due e-Kuber failed transactions.

(vi) Building and other Construction Workers Welfare Cess

The Government of India enacted the Building and Other Construction Workers Welfare Cess Act, 1996 (Cess Act) to levy and collect cess for providing benefits to the workers.

During the year 2023-24, the Government collected ₹ 891.56 crore (2022-23: ₹ 748.18 crore) as Labour Cess under Major Head 0230 and transferred ₹ 311.12 crore (2022-23: ₹ 205.57 crore) to the Building and Other Construction Workers Welfare Board. Thus, the un-transferred amount from the Major Head 0230 was ₹ 580.44 crore as on 31 March 2024 (₹ 542.61 crore as on 31 March 2023), which resulted in Understatement of Revenue Expenditure and Overstatement of Cash Balance to that extent.

(vii) Other Cess levied by the State:

The State Government of Gujarat enacted Gujarat Motor Spirit Cess Act, 2001 for levy of cess on turnover of sales of motor spirit in the State of Gujarat for the purpose of creating a Local Authority Fund in order to compensate local authorities consequent on the abolition of octroi. As per the Act, the State Government was required to create a Local Authority Fund under Section

‘J’ in Public Account. However, the State Government did not create the Fund. During the year 2023-24, the Government collected ₹ 4,152.33 crore as cess on Turn Over of Sales of Motor Spirit Cess under Major Head 0040.

Section 9C (4) of the Act states that the holder of a mining lease or a mineral concession shall pay to the Trust, a sum equivalent to two per cent of the royalty paid in terms of the Second Schedule, in such manner as may be prescribed by the Central Government.

Rule 7(6) of the NMET Rules, 2015 states that the responsibility of collection and depositing the amount so collected in the Trust Fund and maintaining necessary accounts to be shared with the Central Government shall be that of the State Government. Further, Rule 7 (7) states, that the State Government shall provide information regarding amount paid pursuant to sub-section (4) of section 9C of the Act and royalty payments to the India Bureau of Mines on a monthly basis.

As per the accounting procedure, the State Government on receipt of the royalty, classifies the entire receipt under Major Head 0853 – 102 – Mineral concessions, fees and royalties. Thereafter, the required amount is transferred in the Public Account of the State under Major Head 8449 – 123 - NMET. The accretions are thereafter periodically transferred to the NMET under Public Account of India. The NMET Fund is non-lapsable and non-interest-bearing fund created under the Public Account of India.

During the year 2023-24, the State Government received an amount of ₹ 8.10 crore under Major Head 8449-Other Deposits-123-National Mineral Exploration Trust Deposits, being 2% of royalty as NMET contribution from mine holders. The State Government transferred the entire amount of ₹ 8.10 crore to the National Mineral Exploration Trust

(ix) Adverse Balance: Adverse balance is a situation, when a head of account closing to balances at the end of the financial year reflects either minus balance or debit/(-) credit balance representing liability or credit/(-) debit balance representing Assets heads. The adverse balance in a head of account arises either due to misclassification, more disbursement than the availability of funds, more disbursement than the contribution received, non-carrying forward of balances from one accounting unit to another, administrative reorganization leading to creation of States/more accounting units, etc. During 2023-24, there was Adverse Balance was of ₹ 0.03 crore (Previous year ₹ 0.01 crore).
