## **CERTIFICATE OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA**

This compilation containing the Appropriation Accounts of the Government of Odisha for the year ended 31 March 2017 presents the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India. The Finance Accounts of the Government for the year showing the financial position along with the accounts of the receipts and disbursements of the Government for the year are presented in a separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Odisha and the statements received from the Reserve Bank of India.

The treasuries, offices, and/or departments functioning under the control of the Government of Odisha are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Principal Accountant General (Accounts and Entitlement). The audit of these accounts is independently conducted through the office of the Accountant General (General and Social Sector Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organisations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Appropriation Accounts read with observations in this compilation give a true and fair view of the accounts of the sums expended in the year ended 31 March 2017 compared with the sums specified in the schedules appended to the Appropriation Acts passed by the State Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Odisha being presented separately for the year ended 31 March 2017.

(v) No expenditure has been made in Revenue Section (Voted) under the minor head "Suspense".

The minor head "799-Suspense" is not a final head of account. It is meant to accommodate certain interim transactions where further payments or adjustments of value are necessary before the transactions can be considered complete and finally accounted for. Such transactions embrace both debits and credits and is for gross debits. The transactions under "Suspense" are accounted for under four sub-heads, viz. (a) purchases, (b) Stock, (c) Miscellaneous Works Advances and (d) Workshop Suspense. The nature and accounting of the transactions under each of these four sub-heads are explained below:-

<b>Grant No. - 20 Contd.</b>
------------------------------

**(a) Purchases:-**

When materials are received from the supplier, other divisions or departments for specific work or for stock without being paid for or adjusted during the month, their value is credited to "purchases" by per contra debit to "Works" or "Stock" as the case may be. When the payment is made or value is adjusted by transfer the head "Purchase" is debited. The head "Purchases" thus shows a credit (minus) balance representing the value of stores received but not paid for or adjusted.

In Odisha, when materials are received, credit is being afforded to 129- Materials Purchase Settlement Suspense Account under 8658- Suspense Account. This head is cleared by contra entry (minus credit) on making payment to the supplier/divisions supplying the stores.

**(b) Stock:-**

This is debited with the value of materials received for stock purposes. It is credited with the value of materials issued to works or transferred to another division or sold. A debit balance represents the value of materials in stock.

**(c) Miscellaneous Works Advance:-**

The debit represents (i) value of stores sold or credit, (ii) expenditure incurred in works in excess of deposits received, (iii) loss of cash or stores and (iv) sums recoverable from Government Servants, etc. The debit balance under the head thus represents recoverable amounts.

**(d) Workshop Suspense:-**

The charges for jobs or other operations in departmental workshops are initially debited to this head pending their recovery or adjustment.

**Summary of Transactions:-**

A summary of transactions accounted for under the minor head "799- Suspense" together with the opening and closing balances for 2016-2017 is given in Appendix-II.
