The Appropriation Accounts record the Grant-wise gross expenditure against provisions approved by the State Legislature and offer explanations for variations between the actual expenditure and the funds provided.

The Senior Deputy Accountant General (Accounts and Entitlements) Sikkim, prepares the Annual Accounts of the Government of Sikkim.

'Accounts at a Glance' provides a overview of Governmental activities by highlighting important accounting information of the Finance Accounts and the Appropriation Accounts.

A combined reading of the Finance Accounts, the Appropriation Accounts, the State Finances Audit Report on State Finance and the Accounts at a Glance, will help the stakeholders to more effectively comprehend the various facets of the finances of the Government of Sikkim.

We look forward to readers' suggestions that would help us in improving the publication.

Structure of Government Accounts

● **Part 1** **CONSOLIDATED FUND**

All the revenue received by the Government including tax and non-tax revenues, loans raised and repayment of loans given (including interest thereon) form the Consolidated Fund.

All expenditures and disbursements of the Government, including release of loans and repayments of loans taken (and interest thereon) are met from this fund.

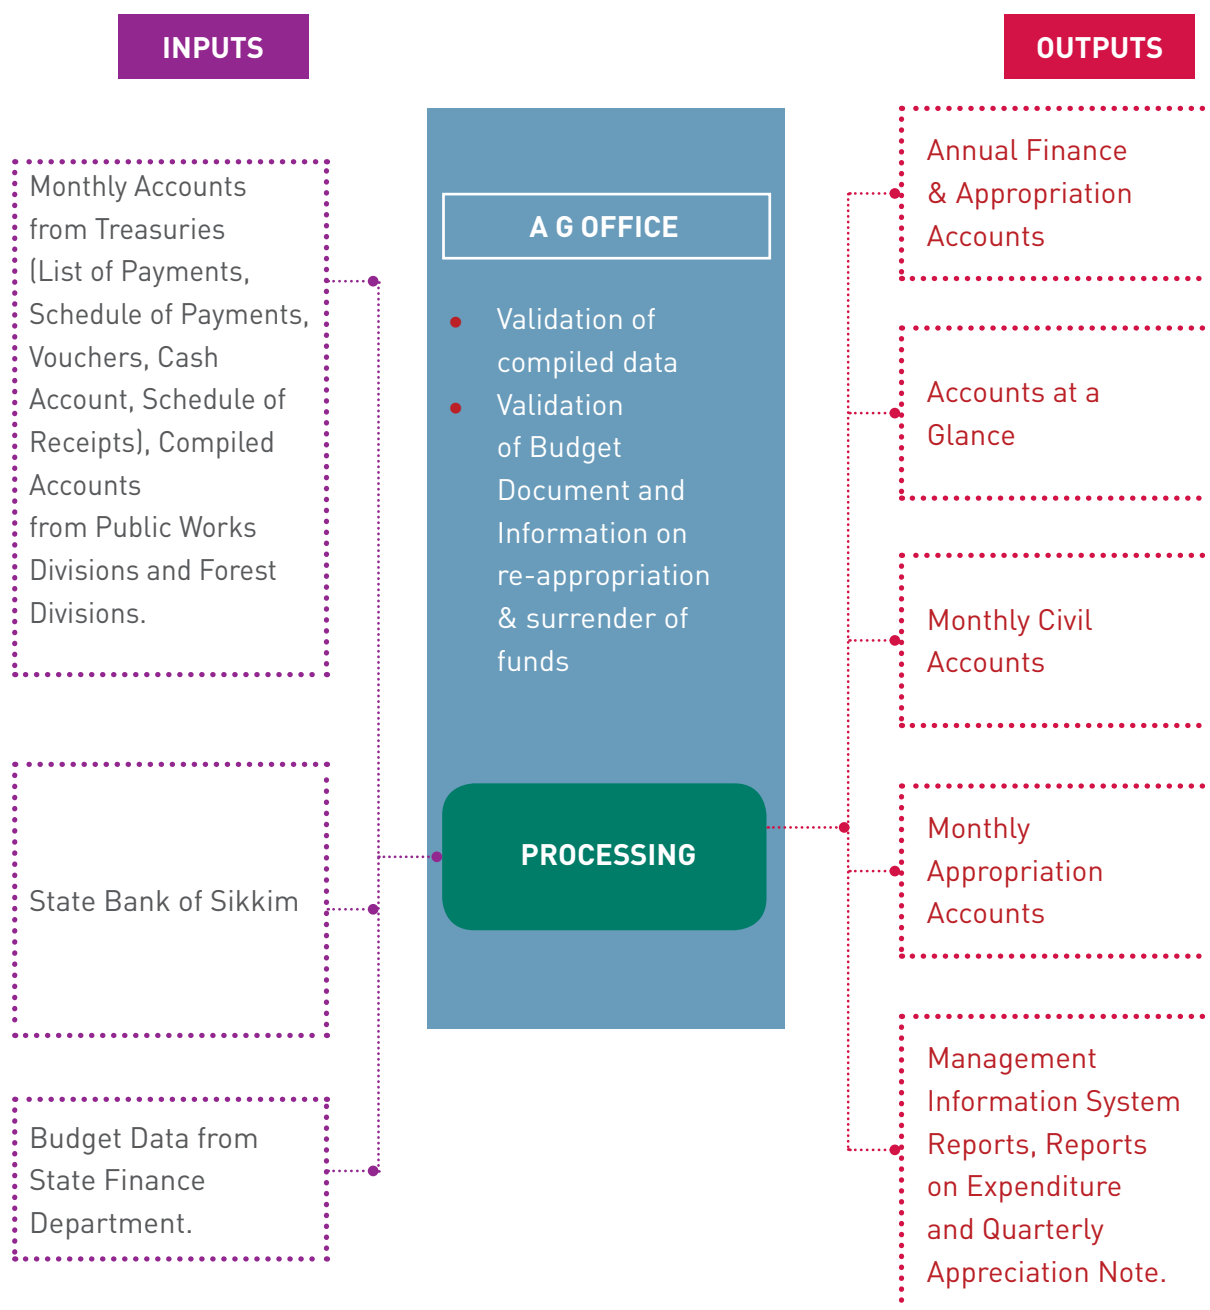

The Contingency Fund is in nature of imprest, intended to meet unforeseen expenditure, pending authorization by the Legislature. Such expenditure is recouped subsequently from the Consolidated Fund. The corpus of this fund for the Government of Sikkim is ₹ one crore.

● **Part 2** **CONTINGENCY FUND**

● **Part 3** **PUBLIC ACCOUNT**

1.4.4 Where the ₹ came from

Actual Receipts

[Recovery of loans and advances and capital receipt was only ₹ 00 crore and ₹ 00 crore respectively which is negligible hence value is shown as zero]

1.4.5 Where the ₹ went

Actual Expenditure

During the year 2021-22 revenue surplus of ₹ 412 crore (₹ 761 crore deficit in 2020-21) and fiscal deficit of ₹ 905 crore (₹ 2,275 crore deficit in 2020-21) represent 1 *per cent* and 2 *per cent* of the Gross State Domestic Product (GSDP) respectively. The fiscal deficit constituted 11 *per cent* of total expenditure.

What do the Deficits and Surpluses indicate?

● **DEFICIT**

Refers to the gap between receipt and expenditure. The kind of deficit, how the deficit is financed, and application of funds are important indicators of prudence of financial management.

Refers to the gap between revenue receipts and revenue expenditure. Revenue expenditure is required to maintain the existing establishment of government and ideally, should be fully met from revenue receipts.

● **REVENUE DEFICIT / SURPLUS**

● **FISCAL DEFICIT / SURPLUS**

Refers to the gap between total receipts (excluding borrowings) and total expenditure. This gap, therefore, indicates the extent to which expenditure is financed by borrowings and ideally should be invested in capital projects.

1.5 Fiscal Responsibility and Budget Management (FRBM) Act, 2010

The Government of Sikkim has enacted the Fiscal Responsibility and Budget Management (FRBM) Act 2010. As per this Act, the State Government was required to achieve certain fiscal targets by specified periods. Achievements during the year 2021-22 against fiscal targets laid down in the Act and rules framed there under, were as follows:

Sr. No.	Financial Parameter	Actual (₹ in crore)	Ratio to GSDP ¹	
			Target	Achievement
1	Revenue Surplus	412	Maintain Revenue Surplus	1 per cent of GSDP
2	Fiscal Deficit	905	4.50 per cent of GSDP ¹	2 per cent of GSDP
3	Debt and other obligation	1,086	25 per cent of GSDP	29 per cent GSDP
4	Outstanding Guarantees	3,844	The ceiling on the total outstanding govt. guarantees as on the 1 st day of April of any year shall not exceed thrice the State's Tax Receipt of the second preceding year.	396 per cent exceed the prescribed ceiling.

¹ GSDP of ₹ 36,825 crore for the year 2021-22 as information collected from Development Planning, Economic Reforms and North Easter Council Affairs Department, Government of Sikkim.

The State Government had made disclosures to the Legislature required under the Sikkim Fiscal Responsibility and Budget Management Rules, 2010.

The State Government had revenue deficit of ₹ 761 crore in 2020-21 and revenue surplus of ₹ 412 crore during the year 2021-22 which was as per the target of FRBM Act. Fiscal deficit decreased by ₹ 1,370 crore from ₹ 2,275 crore in 2020-21 to ₹ 905 crore in the current year and was to 2 per cent of GSDP which was less than the target of 4.50 per cent of FRBM Act.

Borrowed funds and Capital Expenditure

Capital Expenditure

Borrowed Funds

The governments usually run fiscal deficits and borrow funds from capital/assets formation or for creation of economic and social infrastructure, so that assets created through borrowings could pay for themselves by generating an income stream. Thus it is desirable to fully utilize borrowed funds for the creation of capital assets and to use revenue receipts for the repayment of principal and interest. The State Government, however, spent only 70 *per cent* of the borrowings of the current year (₹ 1,883 crore) on capital expenditure (₹ 1,316 crore). It would therefore appear that balance of borrowings in the public debt was utilised to repay the principal (₹ 120 crore) and part of interest on public debt of previous year.

Capital expenditure is essential if the growth process is to be sustained. Capital disbursements during 2021-22 amounting for ₹ 1,316 crore (4 per cent of GSDP) were less than Budget Estimates by ₹ 1,249 crore. The growth in capital expenditure has not kept pace with the steady growth of GSDP since 2017-18 onwards. This can be seen from the table below:

Assets and Liabilities

5.1 Assets

The existing forms of accounts do not clearly depict valuation of Government assets like land, buildings *etc.*, except the year of acquisition/purchase. Similarly while the accounts present the impact of liabilities arising in the current year, they do not depict the overall impact of the liabilities to future generations.

Total investments as share capital in non-financial public sector undertakings (PSUs) stood at ₹ 108 crore at the end of 2021-22. However, dividends received during the year was ₹ 1 crore (0.93 *per cent*) on investment. During 2021-22, an amount of ₹ 1 crore has been invested in Sikkim Scheduled Castes, Scheduled Tribes and Other Backward Classes Development Corporation (SABCCO).

Cash Balance with State Bank of Sikkim and other banks stood at ₹ 95 crore on 31 March 2022 which had increased by ₹ 7 crore as compared to the cash balance of 31 March 2021. The position of cash balance and investment of cash balance is as under:

5.2 Debt and Liabilities

Article 293 of the Constitution of India empowers the State Government to borrow on the security of the Consolidated Fund. Government of India determines, from time to time, the limit up to which State Government can borrow from the market. The limit for 2021-22 was ₹ 1,536 crore. Against this Government of Sikkim has availed open market borrowing for ₹ 1,511 crore.

Details of the Public Debt and total liabilities of the State Government are as under:

5.3 Guarantees

In addition to directly raising loans, State Government also guarantee loans raised by Government companies and corporations from the market and financial institutions for implementation of various plan schemes and programmes. These guarantees are projected outside the State Budget. The position of guarantees by the State Government for the re-payment of loans (payment of principal and interest thereon) raised by Statutory Corporations, Government Companies, Corporations, Co-operative Societies, etc., is given below:

Chapter VI

Other Items

6.1 Adverse Balances under Internal Debt

Borrowings of State Governments are governed by Article 293 of the Constitution of India. In addition to directly raising loans, the State Government also guarantees loans raised by government companies and corporations from the market and financial institutions for implementation of various plan schemes and programmes which are projected outside the State Budget. These loans are treated as receipts of the concerned Administrative Departments and do not appear in the books of the Government. However, the loan repayments appear in Government account, resulting in irreconcilable adverse balances and understatement of liabilities in Government accounts. As on 31 March 2022 no adverse balance is appearing in favor of Sikkim State.

6.2 Loans and Advances by the State Government

Total Loans and Advances made by the State Government at the end of 2021-22 was ₹ 253 crore. Out of this loans and advance to government corporation/companies, non-government institutions and local bodies amounted to 0.00 crore. Recovery of principal aggregating in arrears at the end of 31 March 2022 (information regarding recoveries in arrears in respect of principal and interest is required to be furnished by the concerned departments every year to the Senior Deputy Accountant General by June) was not furnished by the department. The information relating to recovery of interest in arrear was not made available by the State Government. During 2021-22, only ₹ 0.45 crore has been received towards repayment of loans and advances, out of which ₹ 0.37 crore relates to repayment of loans to government servants. Effective steps to recover the outstanding loans would help the Government improve its fiscal position.

6.3 Financial Assistance to Local Bodies and Others

Grants-in-aid given to local bodies, autonomous bodies etc., decreased from ₹ 369 crore in 2017-18 to ₹ 148 crore in 2021-22. Grants to Zilla Parishads, Gram Panchayats and Municipalities (₹ 46 crore) represented 31 *per cent* of total grants given during the year.

Details of Grants-in-aid for the past five years are as under:

(₹ in crore)

Grants-in-aid for Creation of Assets have not been formed in the State of Sikkim.

6.4 Reconciliation of Receipt and Expenditure

Chief Controlling Officer (CCOs)/ Controlling Officer (Cos) are required to reconcile the receipts and expenditure figures of the Government with the figures accounted for by the Senior Deputy Accountant General (A&E). Such reconciliation has been completed by all CCOs/Cos for such receipts and expenditures.

6.5 Submission of Accounts by Accounts rendering units

The accounts of receipts and expenditure of the Government of Sikkim have been compiled based on the initial accounts rendered by six Treasuries, 44 Public Works/ Irrigation Divisions/ Public Health Engineering Divisions, five Forest Division and advice of the State Bank of Sikkim (SBS). Rendition of monthly accounts by the Accounts Rendering Units of the State Government was satisfactory and no accounts remained excluded at the end of the Financial Year.

6.6 Advance payments

Drawing and Disbursing Officers (DDOs) are authorised to draw sums of money by preparing Abstract Contingent (AC) Bills by debiting service heads. They are required to present Detailed Countersigned Contingent (DCC) Bills containing vouchers in support of final expenditure within three months of the withdrawal of AC Bills. Non-submission of DCC Bills renders the expenditure under AC Bills opaque. Details of AC Bills outstanding as on 31 March 2022 are given below:

6.9 Commitments on account of Incomplete Capital works

A total expenditure of ₹ 736.31 crore as per Appendix IX in Volume II of the Finance Accounts was incurred up to the year 2021-22 by the State Government on various incomplete projects against an original estimated cost of ₹ 2,897.75 crore.

6.10 New Pension Scheme

State Government employees recruited with effect from 1 April 2006 are eligible for the New Pension Scheme which is a defined contributory pension scheme. In terms of the Scheme, the employee contributes 10 per cent of his monthly salary and dearness allowance, which matched by the State Government as employer share, the entire amount is transferred to designated fund manager through the National Securities Depository Limited (NSDL)/Trustee Bank.

As per prescribed procedure, both the contributions are to be initially credited to the Public Account under Major Head 8342-Other Deposits 117-Defined Contribution Pension Scheme for Government Employees. Thereafter, the entire amount is to be transferred to the National Securities Depository Limited (NSDL)/Trustee Bank through the designated fund manager in the same year itself.

The Government of Sikkim, however, did not follow the above procedure in transferring Government contribution. The State Government transfers the employer's (Government's) contribution directly to NSDL/Trustee Bank without routing it through the Public Account. During 2021-22, the State Government deducted ₹ 99.91 crore towards employees' contribution and credited the same into Public Account. Thereafter, the State Government transferred ₹ 213.69 crore from the Public Account to the NSDL/Trustee Bank.

As on 1 April 2021, ₹ 83.13 crore representing employees' contribution yet to be transferred to NSDL/Trustee Bank was available in the Public Account under Major Head 8342-117. (The interest accruing on such retained balances which constitute liabilities of the State Government since the inception of the Scheme, has not been estimated. It has also not been possible to estimate whether the employees' contributions over the years under the Scheme have been correctly assessed). Against 282.94 crore (₹ 83.13 crore opening balance plus ₹ 199.81 crore deducted from the employees during the year), the State Government transferred ₹ 213.69 crore leaving a balance of ₹ 69.25 crore in the Public Account as on 31 March 2022. Uncollected, unmatched

and un-transferred amounts, with accrued interest, represent outstanding liabilities under the scheme besides erroneously enhancing the liquidity position of the State Government.

6.11 Personal Deposit Accounts

Personal Deposit (PD) accounts are operated by transferring amounts from the Consolidated Fund to be utilised for specific purposes and booked as final expenditure against the concerned service Major Heads without any actual cash flow. In Sikkim State no Personal Deposit (PD) accounts are operated upto the financial year 2021-22.

6.12 Investment

The State Government invests in the equity and shares of Statutory Corporations, Government Companies, Joint Stock Companies and Co-operative Institutions. As per the accounts the investment of Government was ₹ 107.58 crore in 37 entities as on 31 March 2022. The Government received an amount of ₹ 1.45 crore as dividend/interest (i.e. 1.35 *per cent* of total invested amount) during the year. Out of these ₹ 1.45 crore was received from one company i.e. Sikkim Distilleries Ltd. wherein invested amount was ₹ 2.43 crore. No dividend/interest was received from Sikkim State Co-operative Bank Ltd. (SISCO) wherein the Government had invested ₹ 9.36 crore and the rest 36 entities wherein the Government had invested amount of ₹ 107.58 crore no dividend/interest was received. Details are given in Statement 19 of Finance Accounts Vol. II. These figures, however, have not been reconciled with the figures of the investee organisations, which is to be done.

6.13 Rush of expenditure

The financial rules stipulate that rush of expenditure particularly in the closing month of the financial year shall be regarded as a breach of financial regularity and should be avoided. However, the expenditure incurred under ten Heads of Account during March 2022 ranged between 81 *per cent* and 83 *per cent* of the total expenditure during the year indicating a tendency to utilize the budget at the close of the financial year.

The flow of expenditure during the four quarters of 2021-22 in the above mentioned Heads was as below:
