IIT, JAMMU INTERNSHIP PROGRAMME

With a view to using new technology such as Artificial Intelligence, Machine Learning and Data Analytics etc. and building upon the existing IT enabled services for Pension, GPF and Accounting functions, this office has engaged a short term, non-stipendiary internship programme with two of the Second Year IIT, Jammu students during their Summer holidays (June and July). The interns are presently working on a project for linking the Online Requests/Complaints/Suggestions received through Pension Sewa Patra and GPF Sewa Patra (Online Drop Box initiated by this office) to Pension-SAI and GPF-GEMS systems respectively.
