e-circular

Sub: fourth issue iCISA - 'PursuIT', e-Journal – reg.

The fourth issue of 'PursuIT', e-Journal brought out by **International Centre for Information Systems & Audit of CAG of - India** iCISA is attached with email for reference

In this issue of PursuIT we are incorporating three new sections :

- **'iCISA Study Papers'** - iCISA recently took up three studies on topics relevant to audit in upcoming times. Abridged form of one of such study done on the theme of 'Cyber Security in Smart Cities' is included in the current issue.
- **'We The People'** - This section aims at sharing the experience and knowledge of former members of IAAD. In current issue we have an article on 'Cloud Computing - Security Framework' by Sh Alok Ojha.
- **'Made in IAAD'** - This section will publish IT initiatives developed in-house by IAAD members. To begin, we have included an article on the 'Automated Module for Quarterly Tour Program Generation' functioning since 2015 in the O/o Principal Accountant General (Audit), Punjab, Chandigarh.

Other than these, a key inclusion is 'Case for Digital Audit Reports' by Ms Shefali S Andaleeb, IAAS, which is about the changing face of IAAD when it comes to presenting our reports in the form of interactive Digital Reports.

This issue of PursuIT, along with previous issues, can also be accessed at https://icisa.cag.gov.in/resources/125-journal-pursuit .

Headquarters/iCISA had called for constructive suggestions and contributions from members of IAAD family to make this exercise more meaningful and fruitful. All staff members are requested to forward their contribution of articles if any for the journal to icisa@cag.gov.in

For further assistance on this regard, kindly contact EDP.

Thanks & Regards,
