3 About this Tender

This is a tender document detailing the operational expectations from prospective bidders for outsourcing the Departmental Examinations conducted by the Examination Wing of the Office of the Comptroller and Auditor General of India (**CAG**).

At present, the Examination Wing of the CAG Headquarters, New Delhi has been conducting various Departmental Examinations periodically, which is biennial as of now (Main and Supplementary), in the Computer Based Test (CBT) mode since 2010. These are:

- Subordinate Audit/Accounts Service Examination, henceforth called SAS Examination
- Revenue Audit Examination, henceforth called RA Examination
- Incentive Examination, henceforth called I Examination
- Continuous Professional Development Examination, henceforth called CPD Examination having three Stages (CPD I, CPD II & CPD III)¹

These examinations are held through tests in which the candidates will be required to answer the questions mostly MCQs (Multiple Choice Questions) that appear on a computer connected to a server through Local Area Network (LAN). Responses to answers would be recorded in the server that also keeps track of the time for the examination.

The syllabus for all the departmental examinations is hosted on the CAG's website <u>www.cag.gov.in</u> and can be accessed through **Home>Quick Links>Examinations>Syllabus** or by clicking the following link:

https://www.cag.gov.in/sites/default/files/cag_pdf/New_Syllabus_2017.pdf

Currently the **SAS/RA/I/CPD I & II** Examinations are being held in **38** cities (sometimes at one or more centres in each city) as shown in Annexure I.

¹ The third Stage of the Examination (CPD III) is yet to be started.

4 Availability of Tender

- a) The prospective bidders desirous of participating in this tender may view and download the tender document free of cost from the Central Public Procurement (CPP) Portal <u>https://eprocure.gov.in/eprocure/app</u>
- b) The Tender Documents will also be uploaded on CAG's website and can be accessed by following the path Home>Working with us and for us>Tenders and Contracts or by clicking the following link <u>https://www.cag.gov.in/tenders</u>

5 Scope of work

The Scope of work involves -

Part A : Conducting the examinations (Computer Based Tests)

Part B : Providing content (Multiple Choice Questions) for the examinations

The Detailed Scope of Work is given in Annexure II. In this document vendor, bidder, outsourced agency mean one and the same.

Important:

- It would be a pre-requisite for the bidder that it has a CBT delivery solution and an appropriate interface which enable presentation of questions bilingually, in both **Hindi** and **English**.
- It is not a **Computer Adaptive** testing.
- Questions (test items) would be identical for all the candidates. It is not going to be a selection made from a large test bank. However the sequence of test items and sequence of answer options as it gets displayed on client systems would need to be different in case of different candidates wherever required.
- At present the tests are administered simultaneously in all city centres including those in the North-East and state of Jammu and Kashmir and in Computer Based Testing (CBT) mode.
- Only the application software for Registration and Question Bank developed on Visual Basic.net vests solely with CAG.

6 Earnest Money Deposit

a) The Bidders are required to deposit Earnest Money of Rs 5,00,000 (Rs Five Lakh only) in the form of Demand Draft /Bank Guarantee of any scheduled bank in favour of Pay & Accounts Officer, Office of the C&AG of India, payable at New Delhi. The validity of the Bank Guarantee should be up to 6 (six) months, starting from the date of submission of the bid documents. In case of Demand Draft, the validity being three month due to banking rules, the bidder must ensure that a fresh instrument is submitted before expiry of the original one.

- b) EMD is required to be submitted by all the bidders. However, if a bidder falls under the Micro, Small & Medium Enterprises Development Act, 2006 (as amended from time to time), the concessions applicable can be availed. A scanned copy of the relevant registration certificate must be provided along with the proposal to the CAG. Further, the bidder must keep the CAG informed of any change in the status of the company. The Statutory concessions will be only applicable on production and verification of requisite documents. Incomplete Documents will render the bid invalid.
- c) The EMD must be physically submitted to CAG Liasion before the closing date of the Bid. The bid without EMD will be summarily rejected.
- d) No request for transfer of previous deposit of Earnest money or security deposit or adjustment against the pending bills held by the Department, if any, in respect of any previous work will be entertained.
- e) The Earnest Money Deposit (EMD), without any interest accrued, will be refunded as follows:
 - (i) In the case of those Bidders who are not awarded the order, the Earnest Money Deposit (EMD) will be refunded without any interest accrued within 30 days after the award of the contract to successful bidder.
 - (ii) The EMD of the successful bidder will be returned only after signing the contract and upon receipt of Performance Guarantee.

The bidder should be able to make changes as and when required in any of the components of the software/source code being utilized for the purpose of conducting the said computer based examinations.
- (vii) The software to be used for the tests by the bidder should support online evaluation of the answers to the Multiple Choice Questions so that manual intervention is not required to generate raw scores.
- (viii) The bidder should have the licence to use the contents provided for computer based examinations including the responses. The bidder should be able to make changes in the content as and when required for the purpose of conducting the said computer based examinations.

The supporting documents/ testimonials such as Agreement, Work Order, Completion Certificate etc. should clearly indicate fulfilment of the above criteria. For this purpose, the relevant documents/ testimonials must be linked with the Checklist (Annexure IV).

(b) Technical Proposal

The bidder should also submit a Technical Proposal detailing the plan for conducting the examinations of the CAG taking into consideration the Detailed Scope of Work (Annexure II) and Data on earlier examinations (Annexure VI). This is in addition to the Technical Documents required under Clause 11 (a) above. Broad guidelines regarding the structure and content of the Technical Proposal is given below:

(i) The Technical Proposal should explain the approach and plan of the bidder to meet the operational requirements specified in the Detailed Scope of Work (Annexure II) The proposal should give a clear picture as to how the bidder proposes to conduct the examinations of the CAG. The proposal may be structured as follows:

- A. Operations
- B. Communication with CAG
- C. Staff Management Plan
- D. Risk Management Plan
- E. Other

(ii) The Technical Proposal should cover all aspects relating to conducting the examinations, particularly the following issues:

- Question Paper Authoring Software
- Question Bank Maintenance
- Pre-examination Process
- Operational Trial
- Examination Process
- Evaluation and Score Reporting
- Post-examination Support
- IT Security
- Content Development

(iii) The Technical Proposal should contain details of the Information and Communication Technology (hardware, software, networking, etc.) that the bidder proposes to use for conducting the examinations of the CAG. The technology proposed should be of the same level as the technology currently used for conducting the Departmental Examinations of CAG or any advanced technology which can meet the operational requirements specified in the Detailed Scope of Work (Annexure-II).

(iv) The Technical Proposal should indicate the preparedness of the bidder to hold the next SAS/RA/I/CPD Main Examinations, scheduled tentatively for the last week of September 2018, if the contract is awarded.

12 Financial Bid

Financial Bid in the form of BoQ should indicate the rates/cost *excluding the taxes* of the services required, as mentioned in the Detailed Scope of Work (Annexure-II). *Prevailing taxes should be mentioned in separate column*. The rates quoted in the Financial Bid should be inclusive of all the arrangements to be made and all the services to be provided in accordance with the Tender Documents (including Annexures) and Corrigendum, if any. The details regarding the rate/cost of services for Part A and Part B of the Scope of Work (Clause 5) is given below:

(a) For Part A of the Scope of Work (Conducting the examinations)

(i) For Part A, the bidder has the option to quote a **single rate** or to quote **two different rates** i.e. one rate upto a certain quantity of examination instances/ paper counts (referred to as "Minimum Guarantee") and another rate for the number of examination instances/paper counts exceeding the cutoff number of examination instances of Minimum Guarantee. (ii) Minimum Guarantee is to ensure that the quote is financially sustainable for the bidder and it is upto the bidder to decide the number.

(iii) The rate quoted should include all costs to conduct the examinations including payment to test administrators, Proctors, Invigilators, trained support Staff, all infrastructure, software / hardware for tests and all other requirements as given in the Detailed Scope of Work. However, the bidder may indicate Fixed Cost, if any, in the separate column provided in the BoQ. Fixed Cost quoted, if any, shall be rationalized over the entire volume while evaluating the bid.

(b) For Part B of the Scope of Work (Providing content for the examinations)

For Part B, the bidder should quote the total cost of the contents offered for the examinations per se i.e. the bidder should spell out the rate per question, so that the price for the number of questions per paper as mentioned in Detailed Scope of Work (Annexure-II) could be arrived at.

13 Deviations

Any deviations from the Detailed Scope of Work (Annexure-II) should be mentioned clearly with suitable justification by the bidder in a separate sheet under the heading 'Deviations'. This sheet should be included in the technical proposal. If no deviations are mentioned, then it will be assumed that the bidder has accepted the scope of work in its entirety as mentioned in the tender document and is bound to deliver the same.

14 Bid Opening

The bid documents will be opened Cover-wise on the CPP Portal on the dates notified / to be notified subsequently. The procedure to be adopted is outlined below:

Stage I	Cover-1 (Scanned copy of EMD) will be opened and matched with the EMD
	submitted physically in the Office of the CAG.
Stage II	Cover-2 (Pre-Qualification Documents) will be opened of the bidders who have
	submitted the EMD to ascertain fulfilment of the Pre-Qualification Criteria and
	declare the <i>qualified bidders</i>
Stage III	Cover-3 (Technical Bids) will be opened and evaluated of the bidders who
	qualify in the previous stage and the technically qualified bidders will be
	declared.
Stage IV	Cover-4 (Financial Bids) will be opened of the technically qualified bidders and
	the successful bidder will be declared.

The bidders can keep track of the above process online on the CPP Portal.

15 Presentation by the Bidders

The bidders, whose bids fulfil the pre-qualification criteria and EMD conditions as mentioned in Clause 14, will be required to make a presentation for the Tender Committee on their capabilities to conduct the examinations of the CAG and to provide the content for the tests of the examinations as specified in the Detailed Scope of Work (Annexure-II). These bidders will be required to give a demonstration of their client and server software for online examination using dummy papers. The bidder should make the presentation made before the Tender Committee in the Office of the CAG of India, New Delhi. The date, time and exact venue will be communicated to the bidder by Email.

16 Evaluation of Bids

Evaluation of Technical Bids and Financial Bids will be done as per the procedure outlined below:

a) Evaluation of Technical Bids

Step-by-step process to be followed in evaluation of the Technical Bids:

- Technical Bids will be opened of the qualified bidders who submit the requisite
 EMD as per Clause 6 and fulfil the Pre-Qualification Criteria as per Clause 7;
- (ii) The Technical Documents along with the duly filled Checklist (Annexure-IV) will be verified to ascertain fulfillment of the Technical Criteria. In case of incomplete documentation noticed in the Technical Documents, that bid will be rejected.
- (iii) Thereafter, the Technical Proposals will be examined taking into consideration the presentations made by the bidders and the details spelt out in the Technical Proposals.
- (iv) Based on the outcome of (ii) and (iii) above, the Tender Committee will declare the technically qualified bidder(s).

b) Evaluation of Financial Bids

Financial Bids of the technically qualified bidder(s) will be evaluated on the basis of the sum total of the following:

(i) **For Part A**, the figure of 30,000 (thirty thousand) paper counts will be taken as benchmark to work out the total cost for assessing financial bids.

(ii) **For Part B**, the bids will be evaluated for the total cost of the contents offered for the Examinations per se.

IMPORTANT NOTE FOR BIDDERS

Submission of the Bid will be deemed to have been done after careful study and examination of all instructions, terms and required specifications in the tender document with full understanding of its implications. Notwithstanding the fulfilment of the Pre-Qualification Criteria and the Technical Criteria prescribed in this Tender, the bids may be rejected on the following grounds:

- a) Unsigned and unstamped bids may be summarily rejected.
- b) Ambiguous/Incomplete/Illegible bids may be out rightly rejected.
- c) Bids not complying with all the given clauses in this tender document are liable to be rejected.
- d) Conditional tenders shall not be accepted on any ground and shall be rejected straightway.
- e) Failure to furnish all information required in the Tender Document or submission of a bid not substantially responsive to the tender document in all respects will be at the bidder's risk and may result in the rejection of the bid.
- f) Bidders should not make any enquiry during the course of evaluation of the bids. However, the authorised representative of the CAG can make any enquiry and seek clarification from the bidders, which the bidders must furnish within the stipulated time else the bids of such defaulting bidders will be rejected.

Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: https://eprocure.gov.in/eprocure/app.

REGISTRATION

- Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: https://eprocure.gov.in/eprocure/app) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique user name and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID /password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / email in case there is any corrigendum issued to the tender document.

3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee/ EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.

- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

- Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

Annexure-II

Detailed Scope of Work (Ref. Clause 5 of the Tender)

The Examination Wing of the CAG Headquarters, New Delhi has been conducting various Departmental Examinations in the Computer Based Test (CBT) mode since 2010. These are:

- Subordinate Audit/Accounts Service Examination, henceforth called SAS Examination
- Revenue Audit Examination, henceforth called RA Examination
- Incentive Examination, henceforth called I Examination
- Continuous Professional Development Examination, henceforth called CPD Examination having three Stages (CPD I, CPD II & CPD III)¹

These examinations are held through tests in which the candidates will be required to answer the questions that appear on a computer connected to a server through Local Area Network (LAN). Answers would be recorded in the server that also keeps track of the time for the examination.

The syllabus for all the departmental examinations is hosted on the CAG's website <u>www.cag.gov.in</u> and can be accessed through **Home>Quick Links>Examinations>Syllabus** or by clicking the following link:

https://www.cag.gov.in/sites/default/files/cag_pdf/New_Syllabus_2017.pdf

Sample papers can be viewed through the link :

https://cag.gov.in/content/sample-papers and http://www.cbexams.com/cagdtest/

Currently the SAS/RA/I/CPD Examinations are being held in 38 cities (at one or more centres in each city), as shown in Annexure I, with a biennial periodicity – the Main Examination is usually held in the month of September and the Supplementary Examinations is usually held in the month of March. However, the actual dates of the Examinations are notified each year by the CAG.

As mentioned in Clause 5, the Scope of Work is as follows:

Part A : Conducting the examinations (Computer Based Tests)

Part B : Providing content (Multiple Choice Questions) for the examinations

The Detailed Scope of Work for **Part A** and **Part B** is given in the following paragraphs.

¹ The third Stage of the Examination (CPD III) is yet to be started.

Part A

On Award of Work, the successful bidder will be required to provide the services as per the Detailed Scope of Work, starting with the next SAS/RA/I/CPD Examinations, which is likely to be held in September 2018, subject to administrative convenience. The successful bidder is expected to conduct the Examinations as per the pattern prescribed by the CAG by providing their technology and operations.

The scope of the work includes all processes required for holding the above mentioned examinations in Computer Based Test methodology, beginning from capture of data of candidates to preparation of electronic version of test papers to conducting of the tests in the designated centres, evaluation of responses, to score reporting and generation of reports as detailed in separate "Reports" file/ declaration of results, carry forward of and maintenance of the data of candidates in the Registering application software for all purposes including future examinations. The current features of Online Examinations (SAS/RA/I/CPD) of the CAG can be divided into following four categories:

- Registration
- Test Delivery
- Evaluation and Score Reporting / Results.
- Others

These are described in details below:

1. Registration

The Registering module application software has been developed in Visual Basic.net and resides in the registration server provided by CAG is located in the Examination Wing of the CAG. Only the application software, not the source codes is available. However should there be a need the vendor may develop his software to facilitate the Registration and related processes.

a. Managing the Registration process

This involves the overall supervision of the Registering process, capture of the data of candidates input through their respective designated offices (not by the candidates themselves) for taking the tests through web enabled input screens for fresh candidates. For repeater candidates to validate details from their earlier data for next registration, use of

the data of registered candidates to assign their slots for taking tests, generate their admit cards, generate overseers copy (copy of the authority overseeing the examination) of eligible approved candidates, use candidate details for booking of slots to facilitate taking of tests by candidates, facilitate any corrections required in the details of candidates, incorporate any changes in the business rules.

The steps involved are:

- i Enabling the web link for Registration process from the server located in the Examination Wing of the CAG and providing input screen for registering.
- Provide and activate password codes as well as update list of authorised offices
 located in all parts of the country to register the candidates.
- Enable the Registration process by using the data of candidates of SAS/RA/I/CPD
 I & II Examinations after introduction of CBT based tests in 2010 and their performance in these examinations for existing candidates. (For fresh candidates the inputs are to be registered in an alternate screen).
- iv Provide and activate password codes for authorised offices located in all parts of the country and Examination Wing to approve the eligible candidates.
- v Carry out corrections of details of candidates after submission of data by authorised officers for the candidates, if any.
- vi Preparation of Date Sheet (schedule of the tests) with inputs from CAG based on the grouping of papers to be taken by candidates date wise / session wise.
- vii Using details of eligible approved candidates, assignment of slots for tests at Centres to facilitate taking of tests by candidates as per the approved schedule.
- viii Using the candidates data after assignment of their slots for taking tests, generate their admit cards, generate overseers copy (copy for the authority overseeing the examination) of eligible approved candidates.
- ix Provide and activate password codes for downloading admit cards, overseers copy (copy of the authority overseeing the examination) of eligible approved candidates. The overseer's copy would also be used as the attendance sheet.
- x Maintain the data of candidates in the Registering application software for all purposes including future examinations.
- xi Provide data as and when required from the details in the Registering Module for the use of CAG.

b. Delivery of Tests

Pre Testing Activity

(i) Question Bank and Test paper generation.

- The vendor would provide the Question Paper Authoring software and should be willing to modify the Question Paper Authoring Software as per the requirements of the CAG. The Question Paper Authoring software must allow for creating multiple versions of a question paper by jumbling the questions and the choices for a question.
- > The Question Paper Authoring software must allow for encryption and password protection of the question paper following appropriate industry standards.
- The Question Paper Authoring software must allow for insertions into MCQs tables, picture, graphs, symbols wherever required as well as the Hindi version of the content in Unicode.
- Supervision of input of questions both MCQs and subjective content provided into the Question Bank and the server provided by CAG which will be housed in the premises of the CAG.
- > Extraction of the questions for tests in all papers.
- Convert the electronic version of questions, both objective, subjective (at present 3) and skill based to computerized tests to be held in bilingual mode, English and Hindi in encrypted form. The necessary software must ensure that the encrypted and password protected content (questions) is generated which can be loaded onto a CD/ sent through pen drive which would be erased automatically from the pen drive once uploaded.
- Check of test papers for ensuring display of complete questions, total number of questions, display errors and any errors which will affect the tests.
- Transfer the encrypted test papers onto CDs for upload in the centres for use in the Examinations.

(ii) The Examination software:

Design and development of the examination software customised for running the tests from the encrypted question papers provided on Compact Discs in Computer Based Test methodology. The software must allow for creating multiple versions of a question paper by jumbling of the questions and the answer choices for a question wherever required and capturing the responses of candidates along with the requisite logs for evaluation through computer program driven software. It should also be capable of running test papers of different subjects/examinations at the same time. The software should also capture the responses of the subjective questions and skill test in Information Technology Practical papers through the CBT methodology for evaluation.

(iii) Examinations and Test Delivery

The scope includes test delivery at all the current city centres (38 in number at present as listed in Annexure I), in bilingual mode, English and Hindi simultaneously in CBT mode. The number of Test city centres may increase in future on mutual agreement. The tests are to be conducted in the city centres simultaneously spread over seven working days across the entire country in two sessions for each day, one in the forenoon and one in the afternoon, with one or more than one paper in each session simultaneously large number of candidates, back to back batches in each session with an interval of 30 minutes are to be conducted. The tests for the papers are to be administered simultaneously across the country and will have automatic cut off at the end of the allotted time.

Examination Centres:

- The vendor has to arrange to identify and provide test centres which are certified and audited by the vendor in the city where the examinations would be conducted.
- The vendor has to submit a complete finalized list of the centres at least 45 days before the commencement of the examinations.
- There could be more than one centre in the city depending on the number of candidates taking the tests and the capacity of the centres.
- The vendor has to provide for Reception areas, halls for seating candidates before commencement of tests, clean wash rooms / toilets, and drinking water facilities at all the test centres be provided free of cost.
- Basic snacks, tea /coffee is to be provided on payment basis to candidates.

(iv) Examination Infrastructure

- The vendor has to provide for servers necessary to conduct the examination at each Test centre. There should be at least one main server and one backup server for every 200 candidates and part thereof at a Test Centre.
- The vendor has to provide for the client systems necessary to conduct the examination at each Test Center. One client system will be available for every candidate registered at each Test Centre. There will be a reserve pool of client systems. The client system should have the required configurations to conduct the tests.
- There must be adequate spacing between two adjacent seats. In addition, partitions of appropriate size between the adjacent seats wherever required be provided.
- A functional local area network and a power backup generator so as to ensure the continuous access to the systems made available to each candidate during the course of the online Examination.
- The main server, backup server and client systems at each test centre would be provided with functional UPS. Uninterrupted power should be made available for the period of each session and for 30 minutes prior to and after each session on the day of examination.

(v) Personnel

- The vendor would provide adequately trained Test Administrators (TAs) in every Test Centre who should be the staff of the vendor, temporary staffs are not acceptable. The TAs will administer the conduct of test and provide the technical support for maintaining the servers used in the conduct of examination at a Test Center.
- In addition vendor is required to provide Proctors, Invigilators, trained support Staff for smooth conduct of the examinations. They should be commensurate with the number of candidates taking the test at one time and facilitate candidates taking the tests from arrival to conclusion of test.
- CAG will provide his Representatives who shall only be available for monitoring the conduct of the examinations and will in no way assist the vendor to conduct the examinations. Minimal oversight staff from CAG will be present.

2. Test Delivery:

Test will be delivered over the intranet at a Test Centre. The Examination Software developed and used by the vendor must support the following two modes of loading the Question paper Packs (QPs):

- (i) Locally at the server via a Compact Disc/ pen drive collected from CAG Representative
- (ii) Over the network from Master Control Room. The vendor must ensure confidentiality and protection of the QPs content both at the Master Control Room as well as during transfer over a network.

The loading of a Question paper Packs into the Online Examination Software on the servers at a Test Centre must be password protected.

- a. Pre Examination formalities:

- ii Assign client systems randomly to candidates taking the examinations.
- b. Invigilation
- i Announcement of instructions to the candidates, admit card check, candidate identity verification, attendance recording of candidates will be carried out by Invigilators.
- ii Proctors/ Invigilators should also ensure proper conduct of examination and ensure that candidates use no unfair means.
- c. Zero Loss of Data

The vendor will ensure that there is no loss of response related data for any candidate or any other data related to the examination either from the client systems or from the main and backup servers.

d. Generation of Event based Log (Audit Trail)

The vendor will ensure that the event (click) based log (audit trail) for every candidate will be generated and saved on the servers. The audit trail for every candidate would be provided at the end of session in the format agreed upon.

e. Saving of Response

The vendor will ensure that the click-based activity of every candidate will be saved on servers. This means that the answer responses which have been effectively tagged with candidates details for each question at that click time will be only saved/updated. The question clicks by candidates without a response is also recorded in the database. The final response data should be uploaded to the server in the Master Control Room at CAG headquarters.

- f. Security
 - i The computers administering the examinations shall be disconnected from the Internet and any other network other than the one on which the examinations is being conducted.
 - ii No computers other than the client systems used for the examination shall be on this network during the examination.
 - iii The computers shall be sanitized during pre-examination preparations.
- g. Monitoring
 - i The server shall have the capability to start the examination for all candidates, monitor the status of each candidate (whether logged in, examination started, idle/active, disconnected, submitted, etc.), and close the examination.
 - ii The server MUST maintain an audit trail of every operation on the server. All server side audit trails shall be the property of CAG.
 - h. Master Control Facility
 - i There will be a Master Control Facility in the Examination Wing of the CAG.
 - ii The activities at each Test Center will be monitored in the Master Control Facility.
 - iii At each Master Control Room, the vendor should provide at least 2 technical personnel who are well versed with the Examination Software. These personnel will interact with the Test Administrators in each of the Test Centers for smooth conduct of the examinations.
 - iv Provide the daily attendance reports session wise, batch wise, paper wise, both at the test centres as well as to the Examination Wing at Headquarters.
