## **Annexure-I**

### **TERMS & CONDITIONS OF THE AGREEMENT FOR ANNUAL MAINTENANCE OF COMPUTER HARDWARE AND PERIPHERALS**

#### **I. GENERAL**

1. The contract will be effective from the date of agreement (up to 31<sup>st</sup> March, 2024).
2. Earnest Money Deposit (EMD) of Rs. 17,000/- in the form of DD/FDR in favour of the Principal Accountant General (Audit-I), Madhya Pradesh, Gwalior is to be furnished along with the bid.
3. Performance deposit of Rs.....(10% of the value of AMC which will be awarded to the firm) in the form of Bank Guarantee/FDR issued by any National/Scheduled Bank in favour of the Principal Accountant General (Audit-I), Madhya Pradesh, Gwalior shall have to be deposited by successful bidder at the time of contract and the same will be refunded on expiry of terms of contract/agreement.
4. Principal Accountant General (Audit-I), Madhya Pradesh, Gwalior shall have the right to terminate Annual Maintenance Contract Agreement at any time as and when occasion arises without assigning any reason(s).
5. The contractor alone shall be responsible to comply with all statutory provisions of all the relevant Labor and Taxation Laws in connection with the staff employed by him for performance of his obligations under the contract agreement.
6. The contractor alone shall also be responsible for all the acts of omissions and commissions of his staff deployed for performance of his obligations under the contract agreement.
7. The contract period shall initially be for one year only after the execution of the agreement for the contract. The contract may be renewed for further two years, one year at a time, at the discretion of this office and based on satisfactory services provided by the contractor. However, the firm has to provide services at the same rate for the period up to finalization of new agreement.
8. This office reserves the right to increase or reduce the number of items offered for maintenance contract during the currency of AMC. The proportionate amount of contract will be increased or decreased, accordingly.
9. If the contractor does not perform satisfactorily, this office reserves the right to get the balance contract executed by another party of its choice by giving one- month notice for the same.
10. This office reserves the right to recover any dues payable by the contractor from any amount outstanding to his credit, including the pending bills and/or invoking Bank Guarantee/FDR, if any, under this contract or any other contract/order.
11. This office shall be entitled and it shall be lawful on its part to forfeit the amount of Performance deposit in whole or in part in the event of any default, failure or neglect on part of the contractor in fulfilment or performance of the contract under reference in all respects satisfaction to this office. This office shall be entitled to deduct amount from Performance deposit any loss or damage which this office may suffer or be put by any reason of or due to any act or other default recoverable by this office from the contract.

#### **II SCOPE OF AMC**

1. The AMC shall be comprehensive and maintenance service shall consist of preventive and corrective maintenance of machines as mentioned in **Annexure- II** and will include replacement of all the spares parts except the parts which are not covered under AMC mentioned in the **Annexure-A**. The replacement of defective spares with original spares or spares equivalent specification will be done by the firm, without any extra charge of any kind.
2. Contractor shall maintain the sufficient spares for maintaining required uptime guarantee.
3. The contractor would submit a report at the start of the contract of taking over all equipment (giving their configuration in working condition also). It shall be the responsibility of the firm/company to make all the computers, printers and peripherals work satisfactorily

- throughout the contract period and also to hand over the system to this office in working conditions on the expiry of the contract. In case any damage on the systems are found, compensation that would be determined by the Competent Authority will have to be paid by the firm.
4. Faulty parts shall be replaced with new working parts of the same type/capacity. New parts replaced by the contractor shall be the property of this office and the faulty part shall be the property of the contractor. Systems average uptime should not be less than 98%. Maximum allowable time of any system is three hours in case of minor problem and 24 hours for major problems.
  5. The AMC shall cover the comprehensive on-site residential support contract for all service and parts of the computers and other peripherals as specified in the Annexure-II. The vendor will provide at least 02(two) resident engineer/technician for all working days for attending and redressal of complaints in normal working hours of the office- 9.30 am to 6.00 pm-but in case emergency the Company has to undertake the work beyond office hours also. Their services may also be required on non-working days on some occasions to meet crisis situation. The contractor shall ensure that on such occasions additional personnel are deputed with no extra cost. The engineers should be equipped with mobile phones to ensure their availability.

The resident engineers would be interviewed by the competent authority and will be deployed only if found suitable by competent authority. In case the resident engineers are not found suitable by the competent authority, the firm will have to appoint other efficient resident engineers.

6. The service engineer provided by the contractor shall not be changed frequently (minimum six months). However, if this office finds the engineer/personnel incompetent, the contractor shall change the service engineer immediately. If the resident engineer is not available for any reason, the contractor shall be responsible for deputing another competent and experienced service engineer for that period to ensure continuity in services. An amount of Rs. 500.00 per day will be deducted if any service engineer remains absent/on leave without providing a proper substitute.
  - (a) Maintenance shall include installation and updating of all kinds of software including operating system, office application, antivirus etc. The firm is responsible to take care of the Computers, Printers, Peripherals, and UPSs, laptop and networking and its equipment etc.
  - (b) Preventive maintenance service is to be carried out every 60 days' period for all the computers and peripherals covered under the contract. Preventive maintenance report from the user would be submitted to the competent authority, failing which an amount of Rs.1,000/-(one thousand only) as a penalty may be imposed. Preventive maintenance means bi-monthly servicing of equipment irrespective of whether the equipment has undergone a breakdown or not and it would include:-
    - Defragmentation of hard disk drives and scanning for disk errors.
    - Checking and cleaning from inside and outside of all the computers and its peripherals as well.
    - Checking and fixing the network connectivity problems at client side such as IP address, finding loose contacts and fixing them inspection of cables and switches installed in the office. Further, new network points wherever are required may be fixed by the vendor.
    - Special cleaning of monitor, keyboard mouse etc.
    - Cleaning and examining interior and exterior of printers for smudges, dust etc. Accumulation of paper lint should be carefully removed. Paper dust should be cleaned off with the help of vacuum cleaner.
  - (c) AMC shall include the repair /replacement of defective parts with the parts of equivalent or higher specification and details of replacements should be provided to the competent authority. A standby arrangement is also mandatory in such cases. In

case, any equipment has to be taken out of repair, a standby equipment of similar configuration will be provided by the contractor. Carriage charges for taking away/bringing back the equipment will be borne by the company.

- (d) The systems that are not serviceable by the agency due to obsolescence of technology or non-availability of parts/assemblies/components will be withdrawn from the maintenance contract. The decision of the competent authority regarding non-availability and obsolescence of technology and withdrawal of these items from the maintenance contract will be final. Withdrawal of such systems shall be communicated to the firm and equivalent maintenance charges shall be deducted accordingly.
  - (e) The resident engineers should maintain a log register of all calls attended, pending issues, preventive maintenance records and details of all replaced spare parts. The register as prescribed by the competent authority will be submitted to Sr.AO (IS-Wing) on monthly basis and to competent authority on quarterly basis.
  - (f) In case, if it is absolutely essential to format the hard disk of a computer, the resident engineer should take proper backup of the data and only after the user is satisfied, the resident engineer should proceed with formatting of the Hard Disk.
  - (g) No replacement and repairing charges for the parts covered under the AMC shall be made.
  - (h) AMC holder is also responsible for works like installation/upgradation of software etc. in newly purchased hardware items during the warranty period.
  - (i) AMC holder is also accountable for co-ordination with OEMs for troubleshooting of the computer and other peripherals under warranty.
7. If during the currency of the contract the representative/contractor of the contract comes across confidential information, he will never disclose it to anybody else.
8. Replacement of consumable parts which are not covered in the scope of this agreement should be made available by the Company on charge basis as and when required by the office, but this office would be free to procure these items from any sources and the replacement will be done by contractor.

### **III. DURATION OF CONTRACT**

Subject to the right of the Principal Accountant General (Audit-I), M.P., Gwalior to terminate, the period of contract shall be for one year.

### **IV. PAYMENT TERMS**

Maintenance charges shall be for the total value of Rs. .... and maintenance charges will commence from the date of agreement i.e. Maintenance charges shall be payable on quarterly basis subject to availability of funds. In case of fractional period (i.e. not a complete quarter), the proportionate amount will be paid for that period.

### **V. FORCE MAJEURE**

- (a) The.....or the second party, against the other, in case of any failure or omission or calamities such as fires, floods, earthquakes, hurricanes, or civil strikes, under any statute or regulations of the Government, lock-outs, strikers, riots, embargoes from any political reasons beyond the control of any part including war (whether declared or not), civil war or state of insurrection shall give notice to other party within 15 days of the occurrence of such incident that on account of the above event the notifying party.
- (b) Has delayed the performance of its work as it was beyond its reasonable control, and it has not occurred due to negligence or default on its part.
- (c) Either party, as and when gives notice of force majeure shall provide confirmation of such event in the form of a certificate from the Government department or agency or chamber of

commerce. The parties shall be relieved of their respective obligations to perform, hereunder for so long as the event of force majeure continues and to the extent their performance is affected by such an event of force majeure provided notices as above are given and the event of force majeure is established as provided hereinabove.

#### **VI. TERMINATION**

If the company commits any breach of terms of contract including failure in providing the services of repair and maintenance and fails to rectify the complaint, the contract would be terminated and any pecuniary loss caused due to such termination would be recovered from the company. The security deposited would also be confiscated on the termination of such contract.

#### **VII. CANCELLATION**

The contract can be revoked at any time during the period of contract without assigning any reasons.

#### **VIII. EXTENSION**

The contract can be extended for further period subject to willingness of both the parties.

#### **IX. TAXES**

Service tax (GST) at the prevailing rate will be paid to the contractor and Income Tax, GST and other taxes will be deducted from the bill produced by firm as per office norms.

#### **X. DISPUTE/ (ARBITRATION)**

In case of any dispute the decision of the Principal Accountant General (Audit-I), Madhya Pradesh, Gwalior of this office would be final and binding on both the parties. The cause of dispute in writing must be presented before him within 15 days of occurring of such dispute.

It is clearly understood that for the purpose of adjudication, if occasion arises, the jurisdiction of the appropriate court will be at Gwalior (M.P.).

**Sd-  
Sr. Audit Officer (IS-Wing)**
