Subject: Migration of VLC/GPF database from old server to new server.

Sir,

In inviting a reference to your offer dated 14th January, 2020 regarding proposal for Migration of VLC/GPF database from old server to new server, this office is pleased to award the job contract to you at a cost of ₹ 53,100/- (including GST) subject to the following conditions.

1. Detailed scope of work is given in Annexure-A.
2. An undertaking should be given by your firm to rectify any errors to the existing application arising from the migration free of cost.
3. Your firm is responsible for complete migration of the package including database, application, data, configuration of all servers and other activities required for smooth functioning of the application.
4. Your firm is responsible for re-installation of the application, operating system, databases including Oracle 11g, fine tuning of the database and other connected DBA activities and any other problems that may arise due to migration till the warranty of the present scope of work is over without any additional payment.
5. No travelling allowance, lodging, etc will be provided.
6. The following documents should be provided :
 - a) Installation Manual
 - b) System Administration Manual
 - c) User Manual
 - d) Two sets of soft copies of Source Code
 - e) Training as required by the office.
7. Completion certificate shall be issued only after full scale implementation of migrated application.
8. Payment will be made on completion of the work.
9. Database and application may be hosted on the same server and second server may be used for backup.

Yours faithfully,

[Handwritten Signature]
26/5/20
