

## Report of the Comptroller and Auditor General of India on State Finances for the year 2023-24

Government of Himachal Pradesh Report No. 1 of 2025 (State Finances Audit Report)

# Report of the Comptroller and Auditor General of India on State Finances for the year 2023-24

Government of Himachal Pradesh Report No. 1 of 2025 (State Finances Audit Report)

#### TABLE OF CONTENTS

| Contents  | Paragraph(s) | Page(s) |
|---|--------------|---------|
| Preface   | -            | v       |
| <b>Executive Summary</b>  | -            | vii     |
| Chapter-I: Overview   |              |         |
| Profile of the State  | 1.1          | 1       |
| Basis and Approach to State Finances Audit Report   | 1.2          | 4       |
| Overview of Government Account Structure and Budgetary Processes  | 1.3          | 5       |
| Fiscal Balance: Achievement of deficit and total debt targets   | 1.4          | 9       |
| Performance of the State Government with respect to borrowings according to the limits fixed by Government of India | 1.5          | 14      |
| Deficits post examination by Audit  | 1.6          | 14      |
| Post Audit – Total Outstanding Debt   | 1.7          | 15      |
| Chapter-II: Finances of the Sta   | nte          |         |
| Major changes in key fiscal aggregates in 2023-24 vis-à-vis 2022-23   | 2.1          | 17      |
| Sources and Application of Funds  | 2.2          | 18      |
| Resources of the State  | 2.3          | 19      |
| Application of Resources  | 2.4          | 32      |
| Public Account  | 2.5          | 49      |
| Public Liability Management   | 2.6          | 54      |
| Debt Sustainability Analysis (DSA)  | 2.7          | 61      |
| Salient features  | 2.8          | 72      |
| Conclusions   | 2.9          | 72      |
| Recommendations   | 2.10         | 73      |
| Chapter-III: Budgetary Manager  | ment         |         |
| <b>Budget Process</b>   | 3.1          | 75      |
| Appropriation Accounts  | 3.2          | 78      |
| Comments on integrity of budgetary and accounting process   | 3.3          | 79      |
| Effectiveness of budgetary and accounting process   | 3.4          | 91      |
| Review of Selected Grants   | 3.5          | 97      |
| Conclusions   | 3.6          | 103     |
| Recommendations   | 3.7          | 104     |

#### **Preface**

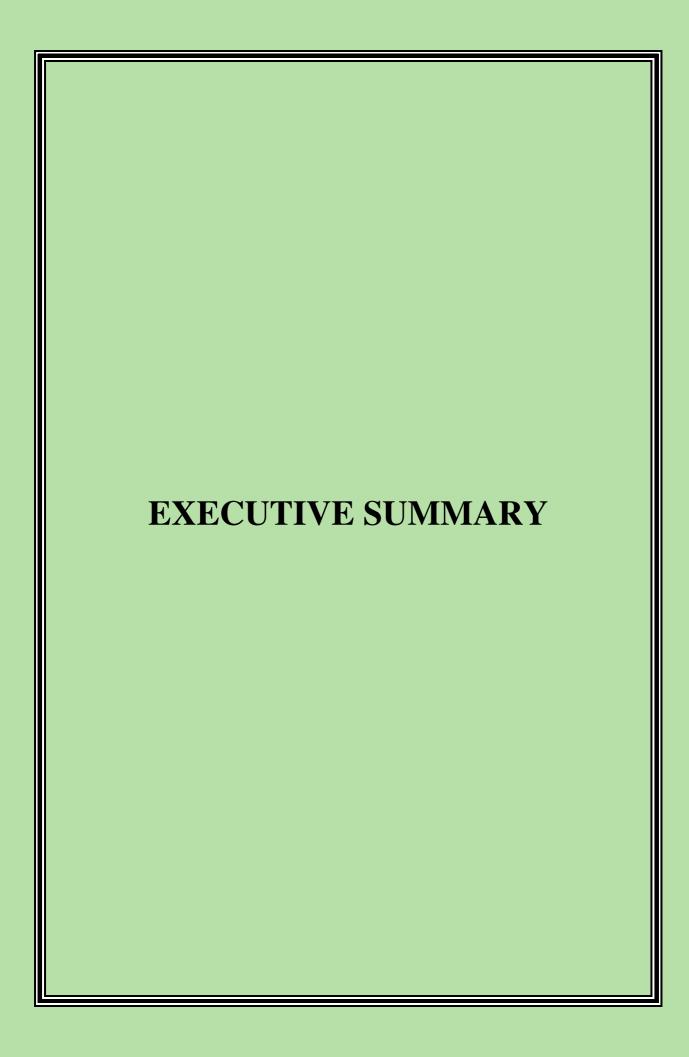

This Report is prepared for submission to the Governor of the State of Himachal Pradesh under Article 151 of the Constitution of India.

Chapter I provides an overview of the State, sectoral contribution to GSDP, structure of Government accounts and snapshot of the State's finances.

Chapters II and III of this Report contain audit observations on matters arising from examination of Finance Accounts and Appropriation Accounts respectively, of the State Government for the year ended 31 March 2024. Information has been obtained from the Government of Himachal Pradesh, wherever necessary.

Chapter IV on 'Quality of Accounts and Financial Reporting Practices' provides an overview and status of the State Government's compliance with various financial rules, procedures and directives relating to Financial Reporting during the current year.

The Report containing the findings of Performance Audit and audit of transactions in various Departments and Report on State Revenues are presented separately.

#### **EXECUTIVE SUMMARY**

#### About the Report

This Report of the CAG of India is on the State Finances, Government of Himachal Pradesh for the year 2023-24. It provides an overview of the finances, budgetary management and quality of accounts, financial reporting practices and other matters relevant to State Finances.

This Executive Summary highlights the contents of this Report and through snapshots of the important figures and aspects, provides insight into Fiscal sustainability, performance against the Budget intent, revenue and expenditure projection and the reasons for variations and its impact.

Gross State Domestic Product (GSDP) (at current prices) grew at an average annual rate of 7.13 *per cent* from ₹ 1,59,164 crore in 2019-20 to ₹ 2,07,430 crore in 2023-24. Budget Outlay of the State grew at an average annual rate of 7.99 *per cent* from ₹ 53,708 crore in 2019-20 to ₹ 66,991 crore in 2023-24. During 2023-24, there was 8.19 *per cent* growth in GSDP over 2022-23.

The Revenue receipts grew at 2.84 *percent* only and the percentage of Revenue receipts to GSDP decreased from 19.87 *per cent* in 2022-23 to 18.88 *per cent* in 2023-24. The growth rate of State's own receipts (Own Tax revenue + Non-Tax revenue) increased by one *per cent* from 9.29 *per cent* in 2022-23 to 10.28 *per cent* during 2023-24. The Total expenditure (Revenue expenditure, Capital expenditure, Loans and Advances) of the State of Himachal Pradesh decreased by ₹ 96.34 crore (0.19 *per cent*) from ₹ 50,564.71 crore in 2022-23 to ₹ 50,468.37 crore during 2023-24. Of this, the Revenue expenditure showed 0.69 *per cent* increase only from previous year 2022-23. But during the last year (2022-23), it had increased by 22.74 *per cent* from 2021-22. The State had huge Revenue Deficits of ₹ 6,336 crore in 2022-23 and ₹ 5,558.59 crore during 2023-24, even after receiving Post-Devolution Revenue Deficit Grant of ₹ 9,377 crore in 2022-23 and ₹ 8,058 crore in 2023-24. The Fiscal deficit also remained high at ₹ 12,380 crore and ₹ 11,266 crore during the same period.

#### Receipt-Expenditure Mismatch

The continuous mismatch between receipts and expenditure indicates rising Fiscal stress. The State has different sources of receipts such as State's Own Tax revenue, Non-Tax Revenue, Devolution of States' share in taxes, Grants in aid and transfers from the Union Government and non-debt Capital receipts. The State Government's expenditure includes expenditure on Revenue account as well as Capital account (assets creation, loans and advances, investments, etc.).

From 2019-20 to 2023-24, Revenue receipts grew from ₹ 30,742.41 crore to ₹ 39,173.04 crore, with an average annual growth rate of 4.92 *per cent*. Capital receipts (including net Public debt) also increased from ₹ 4,169.72 crore to ₹ 7,035.23 crore during this period. The share of Grants-in-aid in Revenue receipts ranged between

38.14 *per cent* and 55.06 *per cent* during 2019-24, indicating reliance on support from the Government of India. The State Government received ₹ 5,328.69 crore as Central share for the Centrally Sponsored Schemes (CSSs) in current year.

Revenue expenditure is incurred to maintain the current level of services and payment for past obligations. As such, it does not result in any addition to the State's infrastructure and service network. Between 2019-20 and 2023-24, Revenue expenditure increased from  $\stackrel{?}{\underset{?}{?}}$  30,730.43 crore (19.31 *per cent* of GSDP) to  $\stackrel{?}{\underset{?}{?}}$  44,731.63 crore (21.56 *per cent* of GSDP). It consistently made up a significant portion (85 to 89 *per cent*) of the total expenditure during this period, growing at an average annual rate of 8.97 *per cent*.

#### Result of expenditure beyond means

The gap between Revenue receipts and Revenue expenditure results in Revenue Deficit. After generating consistent Revenue surplus from 2015-16, the State recorded a negative Revenue balance (Revenue Deficit) in 2020-21 (₹ 96.66 crore), 2022-23 (₹ 6,335.76 crore) and 2023-24 (₹ 5,558.59 crore).

The State Government spent ₹ 5,629.79 crore only on Capital account. This was 11.16 *per cent* of the total expenditure in the year 2023-24. Capital expenditure was just 37.78 *per cent* of the total borrowings during 2023-24. Thus, the borrowed funds were being used mainly for meeting current consumption and repayment of borrowings instead of capital creation/ development activities.

The gap between total expenditure and total non-debt receipt of the State results in Fiscal Deficit. The Fiscal Deficit of the State increased to ₹ 11,266 crore (5.43 per cent of GSDP) in 2023-24 from ₹ 5,597.06 crore (3.52 per cent of GSDP) in 2019-20.

Under Revenue expenditure, the quantum of Committed expenditure constitutes the largest share. Committed expenditure has the first charge on resources and consists of interest payments, expenditure on salaries and wages and pensions. Committed expenditure on interest payments, salaries and pensions constituted 64-70 *per cent* of Revenue expenditure between 2019-20 and 2023-2024. The Committed expenditure increased at an average annual growth rate of 8.82 *per cent* from ₹ 21,466 crore in 2019-20 to ₹ 30,213.59 crore in 2023-24.

In addition to Committed expenditure, inflexible expenditure increased from 3.34 *per cent* to 4.58 *per cent* of Revenue expenditure during 2019-20 to 2023-24, indicating a rising trend. The inflexible expenditure increased from ₹ 2,019.65 crore in 2022-23 to ₹ 2,048.78 crore in 2023-24 registering an increase of 1.44 *per cent*.

Taken together, committed and inflexible expenditure in 2023-24 was ₹ 32,262.37 crore; 72.12 *per cent* of the Revenue expenditure. Upward trend on committed and inflexible expenditure leaves the Government with lesser flexibility for other priority sectors and capital creation.

#### Subsidies take away major portion of non-committed expenditure

Within non-committed expenditure, subsidies increased from ₹ 1,067.78 crore in 2019-20 to ₹ 1,768.35 crore in 2023-24 and constituted a share ranging between 9.16 *per cent* and 13.64 *per cent* of the non-committed Revenue expenditure during 2019-24. Power subsidies constituted a significant portion, ranging from 35 *per cent* to 53 *per cent* of the total subsidies during this period.

#### Contingent Liabilities on account of Guarantees

In 2023-24, the Government provided Guarantees against borrowings of ₹ 731.09 crore. During the year, the Government did not invoke any amount against the Guarantee.

#### Fiscal sustainability

Fiscal sustainability is examined in terms of macro-fiscal parameters such as deficits, level of debt and liabilities, guarantees, subsidies, etc. So far as revenue and expenditure mismatch is concerned, one of the important constraints is committed and inflexible expenditure, which includes salaries and wages, pension payments, interests, etc. and also other inflexible expenditure such as those arising out of commitment for Centrally Sponsored Schemes, transfer to reserve funds, transfer to local bodies, etc.

#### FRBM requirements and compliance with Fiscal parameters

The Fiscal Responsibility and Budget Management (FRBM) Act / Rules laid down targets for Revenue Deficit, Fiscal Deficit and Debt as a certain percentage of the Gross State Domestic Product (GSDP) and Guarantees provided have to be a certain percentage of Revenue receipts of the previous year. In 2023-24, the percentage of Revenue Deficit to GSDP was 2.68 *per cent* as against the target of being Revenue Surplus; Fiscal Deficit/GSDP was 5.43 *per cent* as against the target of 3.5 *per cent*; Debt/GSDP was 43.98 *per cent* as against the target of 38.98 *per cent*.

Further, as per the debt stabilisation analysis, the overall liability (which includes Public Debt and Public Account Liabilities) of Himachal Pradesh has grown at an average annual rate of 11.07 *per cent* between 2019-20 to 2023-24. The total Outstanding Debt-GSDP ratio of the Government has increased from 39.09 *per cent* in 2019-20 to 43.98 *per cent* in 2023-24. Going by the fiscal trends, the State Finances are heavily stressed.

The State Government had also notified and reverted to the Old Pension Scheme (OPS) with effect from 01.04.2023. The imminent financial burden on account of implementation of OPS, in coming years, also needs to be reckoned while assessing debt sustainability of the State.

As per the Domar criterion, average real growth remained higher than the average real interest rate, helping the Growth Interest Differential (GID) favourable during 2019-2024 which enabled the State to recover the cost of borrowing. Contrary to the nominal growth driven by the real growth, average inflation as measured by Current Price Index which remained in the upper tolerance limit of bandwidth of 2-6 *per cent* 

determined by the RBI helped the State to suppress the real rate of interest below the real growth and to keep the GID favourable.

Further, substantial proportion of public debt receipts was being used for repayment for borrowings, which ranged between 52.99 *per cent* and 74.11 *per cent* during the period 2019-2024. Thus, it becomes evident that depending solely on economic growth would not suffice to cover the debt obligations of the State.

Going by the analysis and results as discussed above, the finances of the State of Himachal Pradesh are stressed due to the continuous mismatch between receipt and expenditure coupled with an increasing trend of liabilities (debt repayments, guarantees, etc.) which poses risk to the target of debt stabilisation and debt sustainability.

#### Budget performance

#### Aggregate expenditure outturn

In the Revenue section, deviation in outturn compared with Budget Estimates (BE) was + 5.24 *per cent*. This was due to the excess of actual over original provision in 18 Grants. In three grants, deviation was more than + 100 *per cent*. In 14 grants, there was a shortage of actual over original, where deviation ranged from -0.58 *per cent* to -28.87 *per cent*.

In the Capital section, deviation in outturn compared with BE was + 27.28 per cent. This is due to the excess of actual over original provision in 19 Grants. In seven grants, deviation was more than +100 per cent. In 11 grants, there was a shortage of actual over original, where deviation ranged from -21.95 per cent to -100 per cent.

#### Expenditure composition outturn

Budget performance also looks at the extent to which the re-allocation between the main Budget categories during the execution have contributed to variance in expenditure composition. This measure indicates the extent of variation between the final Budget and the Actual expenditure. In the Revenue section, deviation in outturn compared with Revised Estimates (RE) was -5.11 *per cent*. This was due to shortage of Actual over Revised Estimates in 29 grants, with the deviation ranging from -1.03 *per cent* to -32.08 *per cent*. In the Capital section, deviation in outturn compared with Revised Estimates was -14.49 *per cent*. This was due to shortage of Actual over Revised Estimates in 20 grants and in four grants, deviation was more than -50 *per cent*.

It was noticed that supplementary provisions of ₹ 711 crore during the year 2023-24 in 14 cases (₹ one crore or more in each case) proved unnecessary, as the expenditure did not come up even to the level of original provisions.

Overall Budget reliability assessment indicates that there were many cases, where deviations between the actual expenditure and original Budget as well as between the actual expenditure and the final Budget were noticed. Moreover, it was also noticed that in several cases, there were supplementary grants where expenditure was not even

up to the original grant. A reliable budgetary practice is required to deal with such deviations.

#### Quality of Accounts and Financial Reporting

Quality of accounts and financial reporting covers items, transactions and events which relate to gaps in compliance, regularity weaknesses and issues relating to delay in receipt of those accounting records or adjustment records which evidence the actual expenditure. It also highlights issues pertaining to the accounts and financial reporting such as parking of funds outside the Government accounts, non/short – discharging of liabilities and misclassification of transactions and data gaps.

#### Regularization of Excess over Grants/ Appropriations

The State Government has to get excesses over grants/appropriations regularised by the State Legislature as per Articles 204 and 205 of the Constitution of India. It was observed that in 2023-24 there was excess expenditure of ₹ 1,255.80 crore under 10 grants and two appropriations which required regularisation. Further, excess disbursements of ₹ 2,444.31 crore pertaining to the year 2021-22 and 2022-23 were yet to be regularised.

#### Compliance with IGAS

As against the requirements of the Indian Government Accounting Standards (IGAS), the State Government did not make compliance partially with IGAS-2: Accounting and Classification of Grants-in-aid.

#### Funds to Single Nodal Agency

The Government of India and the State Government have introduced system of Single Nodal Agency (SNA) for implementation and fund flow for each Centrally Sponsored Scheme (CSS). The share of the Government of India and the State Government is transferred to the Bank Account of the SNA lying outside the Government Account. As per information available on the PFMS portal, the State Government received ₹ 4,856.54 crore for Centrally Sponsored schemes (CSSs). Total expenditure incurred on these schemes in current year was ₹ 6,048.18 crore leaving a ₹ 1,024.08 crore balance unspent in the bank accounts of SNAs.

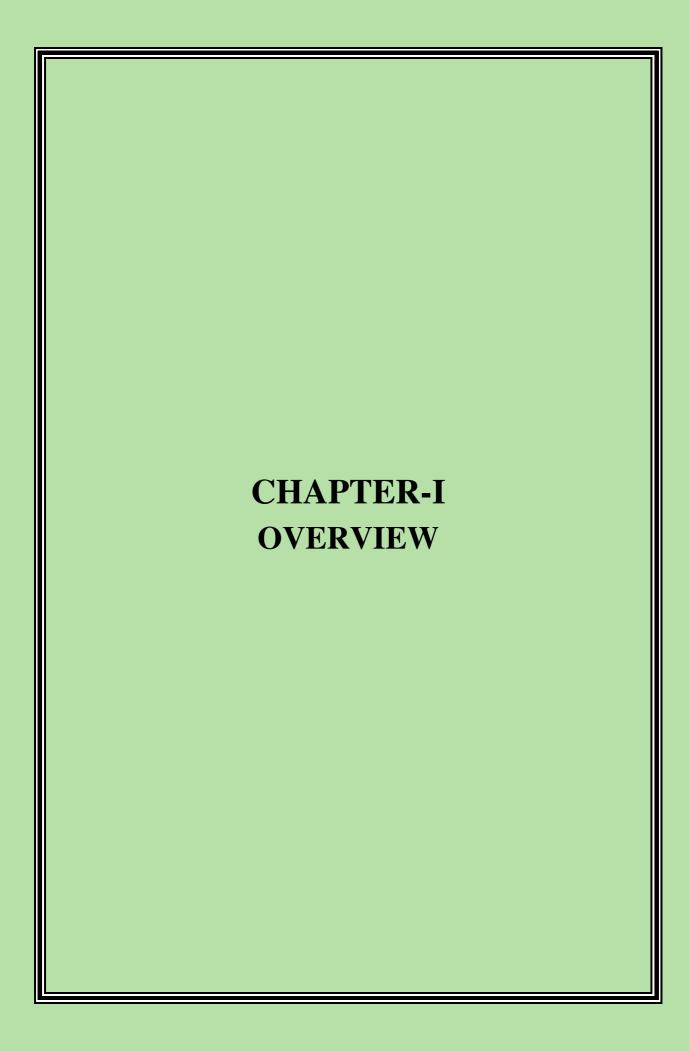

#### Utilisation Certificates against conditional grants

Despite the requirement of submitting Utilisation Certificates (UCs) against conditional grants within a stipulated time period, 2,990 outstanding UCs for an amount of ₹ 2,795.23 crore were pending as on 31 March 2024.

Utilisation Certificates (UCs) outstanding beyond the specified periods indicate absence of assurance on utilisation of the grants for intended purposes and the expenditure shown in the accounts to that extent cannot be treated as final.

Compliance with prevailing rules and codal provisions are meant to ensure control and accountability in accounting and financial reporting. Non-compliance or partially compliant and deviations from rules and codal provisions, non-timely submission of UCs against conditional grants, impact the quality of accounting and financial reporting adversely.

\*\*\*

#### **CHAPTER - I**

#### **OVERVIEW**

#### 1.1 Profile of the State

The State of Himachal Pradesh is located in the Himalayan region of the northern part of India. The altitude of the different areas of the State varies from 350 meters to 6,975 meters above the mean sea level, rendering the climate from humid sub-tropical to dry temperate alpine. Himachal Pradesh is the 17<sup>th</sup> largest State in terms of geographical area (55,673 sq. km). It has been organised into 12 districts. The districts have further been divided into 3 Divisions, 81 Sub-divisions, 113 Tehsils, 88 Blocks and 20,752 inhabited villages (as on 31<sup>st</sup> March 2024).

Himachal Pradesh falls under the category of 'North-Eastern and Himalayan States (NE&H States)' and therefore, sharing pattern (Government of India assistance with respect to the State share) for NE&H States is in the ratio of 90:10 (for core schemes) and 80:20 (for optional schemes), unlike General Category States which receive Government of India assistance with respect to the State share in the ratio of 60:40 (for core schemes) and 50:50 (for optional schemes).

As per projections for India and States (2011-36) by the National Commission on Population (Ministry of Health and Family Welfare), the State's population was 75.05 lakh (2024) which accounts for 0.54 *per cent* of the country's population (140.07 crore). The population density of the State at 135 persons per sq. km. was lower than the national average of 426 persons per sq. km (2023-24). The State's literacy rate was 82.80 *per cent* (**Appendix 1.1**).

#### 1.1.1 Gross State Domestic Product of the State

Gross State Domestic Product (GSDP) is the value of all the goods and services produced within the boundaries of the State in a given period of time. Growth of GSDP is an important indicator of the State's economy, as it denotes the extent of changes in the level of economic development of the State over a period of time.

Changes in sectoral contribution to GSDP is also important to understand the changing structure of economy. The economic activity is generally divided into primary, secondary and tertiary sectors, which primarily correspond to the agriculture, industry and service sectors respectively.

Trends in GSDP compared to Gross Domestic Product (GDP) are shown in **Table 1.1** and sectoral contribution and sectoral growth in GSDP during the period 2019-20 to 2023-24 are depicted in **Chart 1.2**.

Table 1.1: Trends in GSDP compared to the GDP (at current prices)

(₹ in crore)

Source: Provisional estimates released by the National Statistical Office (erstwhile CSO), Ministry of Statistics and Programme Implementation (MoSPI) and Department of Economics and Statistics, Himachal Pradesh.

a- Advance Estimate, b- First Revised Estimate, c- Second Revised Estimate, d- Third Revised Estimate.

The Gross State Domestic Product (GSDP) in 2023-24 at current prices was ₹ 2,07,430 crore and the GDP of India was ₹ 2,95,35,667 crore. Further, the per capita GSDP of the State for the year 2023-24 was ₹ 2.77 lakh while that of the country was ₹ 2.12 lakh. However, the growth in per capita GSDP of the State (27.49 *per cent*) during the period 2019-20 to 2023-24 could not keep pace with the growth in per capita GDP of the country (41.23 *per cent*) during the same period. This is evidenced from the fact that the percentage of per capita GSDP of the State which was 44.90 *per cent* more than the per capita GDP of the country during 2019-20 had decreased to 30.80 *per cent* more than the per capita GDP of the country at the end of 2023-24.

Gross Value Added (GVA) is defined as the value of output less the value of intermediate consumption. It is used to measure the output or contribution of a particular sector. It is being used for economic analysis by Government of India and international organisations like International Monetary Fund (IMF) and World Bank as it is considered a better indicator of economic growth compared to GDP as it ignores the impact of taxes and subsidies. While GDP can be and is also computed as the sum/ total of the various expenditures incurred in the economy including private consumption spending, government consumption spending and gross fixed Capital formation or investment spending, reflecting essentially on the demand conditions in the economy, GVA represents the supply side. Both measures have differences in treatment of net taxes as a result of which the inclusion of taxes in GDP may differ from the real output situation.

From a policymaker's perspective, it is therefore vital to have a comparison of the GVA and GSVA data for better analysis and for making policy interventions.

The trends of GSDP and GSVA for the period from 2019-20 to 2023-24 are indicated in the Chart below:

13.56 13.23

7.27 7.24

2019-20

Source: Department of Economics and Statistics, Himachal Pradesh.

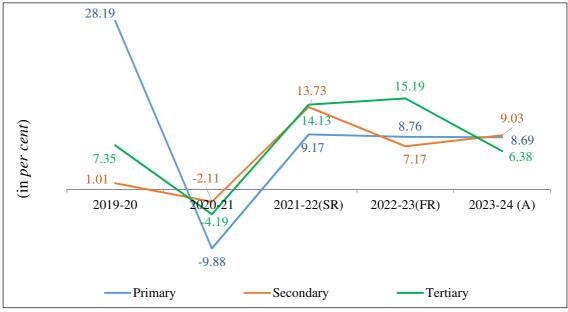

Chart 1.2: Sectoral growth in GSDP

Source: Department of Economics and Statistics, Himachal Pradesh.

SR- Second Revised Estimate, FR- First Revised Estimate, A- Advance Estimate.

**Chart 1.2** shows that during 2021-22, there was significant growth and "V" shape recovery in all the sectors contributing to GSDP viz., primary, secondary and tertiary activity, post Covid-19 pandemic. After that the economy showed a mixed trend in all three sectors.

From 2021-22 to 2023-24, the primary sector showed almost static growth of 9.17 *per cent*, 8.76 *per cent* and 8.69 *per cent* in 2021-22, 2022-23 and 2023-24 respectively. During 2023-24 there is a growth of 1.86 percentage points in the secondary

sector mainly due to increase in manufacturing and construction. In the tertiary sector growth rate decreased by 8.81 percentage points from 15.19 *per cent* in 2022-23 to 6.38 *per cent* during 2023-24 due to decrease in growth rate (-1.02 *per cent*) in Public Administration this year as compared to previous year's growth of 25.25 *per cent* in this sector.

#### 1.2 Basis and Approach to State Finances Audit Report

In terms of Article 151 (2) of the Constitution of India, the Reports of the Comptroller and Auditor General of India (CAG) relating to the accounts of a State are to be submitted to the Governor of the State, who shall cause them to be laid before the Legislature of the State. The State Finances Audit Report (SFAR) of Himachal Pradesh for the year ended 31<sup>st</sup> March 2024 has been prepared by the CAG for submission to the Governor of the State under Article 151 (2) of the Constitution of India.

The Principal Accountant General (Accounts & Entitlements) compiles the Finance Accounts and Appropriation Accounts of the State annually, from vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for keeping of such accounts functioning under the control of the State Government, and statements received from the Reserve Bank of India. These accounts are audited independently by the Principal Accountant General (Audit) and certified by the CAG.

The Finance Accounts and Appropriation Accounts of the State for the year 2023-24 constitute the core data for this Report. Other sources include:

- Budget of the State for the year 2023-24: for assessing fiscal parameters and allocative priorities *vis-à-vis* projections, evaluating the effectiveness of Budget implementation and compliance with the relevant rules and prescribed procedures,
- Results of audit carried out by the office of the Pr. Accountant General (Audit), Himachal Pradesh,
- Other data with departmental authorities and treasuries (accounting as well as MIS),
- GSDP data and State related other statistics; and
- Various Audit Reports of the CAG of India.

The analysis in this Report has also been carried out based on the recommendations of the Fourteenth and Fifteenth Finance Commissions, State Fiscal Responsibility and Budget Management (FRBM) Act, 2005 and best practices and guidelines of the Government of India.

The audit analysis/ findings of State Finances Audit Report were sent to the State Government in September 2024 for obtaining their replies/views; replies were not received from the State Government as of February 2025.

### 1.3 Overview of Government Account Structure and Budgetary Processes

The Accounts of the State Government are kept in three parts as described below:

#### Part I: Consolidated Fund of the State (Article 266(1) of the Constitution of India)

This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from financial institutions, special securities issued to National Small Savings Fund, etc.), Ways and Means Advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of constitutional authorities, loan repayments, etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

#### Part II: Contingency Fund of the State (Article 267(2) of the Constitution of India)

This Fund is in the nature of an imprest, established by the State Legislature by law, and placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the functional major head concerned relating to the Consolidated Fund of the State. In Himachal Pradesh, the corpus of this fund is ₹ 5.00 crore.

#### Part III: Public Account of the State (Article 266 (2) of the Constitution of India)

Apart from the above, all other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account is not subject to the vote of the Legislature.

#### **Budget Document**

There is a constitutional requirement in India (Article 202) to present before the House or Houses of the Legislature of the State, a statement of estimated receipts and expenditures of the Government in respect of every financial year. This 'Annual Financial Statement' constitutes the main Budget document. Further, the Budget must distinguish expenditure on the Revenue account from other expenditures.

**Revenue receipts** consist of Tax revenue (Own Tax revenue plus share of Union Taxes/Duties), Non Tax revenue and grants from Government of India.

**Revenue expenditure** consists of all those expenditures of the Government which do not result in creation of physical or financial assets. It relates to those expenses incurred for the normal functioning of the Government departments and various services, interest payments on debt incurred by the Government, and grants given to various institutions (even though some of the grants may be meant for creation of assets).

#### Capital receipts consist of:

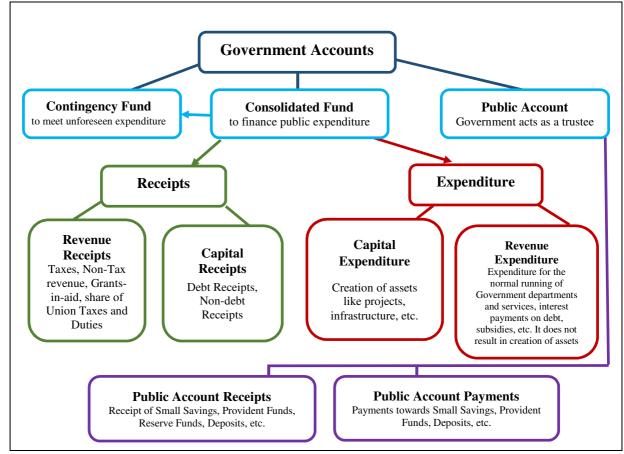

- Public Debt receipts: Market loans, bonds, loans from financial institutions, net transaction under Ways and Means Advances, Loans and Advances from Central Government, etc., and
- **Non-debt receipts:** Proceeds from disinvestment, recoveries of Loans and Advances, etc.

**Capital expenditure** includes expenditure on the acquisition of land, building, machinery, equipment and investment by the Government in shares and Loans and Advances by the government to Public Sector Undertakings (PSUs) and other parties.

At present, there is an accounting classification system in Government that has both functional and economic dimensions.

| Adopted by              | Attribute of transaction                        | Classification                                    |  |  |
|-------------------------|---|---|--|--|
| Standardised in List of | Function - Education, Health, etc. / Department | Major Head under Grants (4-digit)                 |  |  |
| Major and<br>Minor      | Sub-Function                                    | Sub Major Head (2-digit)                          |  |  |
| Heads by<br>CGA         | Programme                                       | Minor Head (3-digit)                              |  |  |
| Flexibility             | Scheme  | Sub-Head (2-digit)                                |  |  |
| left for the<br>States  | Sub-scheme                                      | Detailed Head (2-digit)                           |  |  |
|                         | Economic nature/ Activity                       | Object Head - Salary, Minor Works, etc. (2-digit) |  |  |

The functional classification lets one know the Department, function, scheme or programme, and object of the expenditure. Economic classification helps organise these payments as Revenue, Capital, Debt, etc. Economic classification is achieved by the numbering logic embedded in the first digit of 4-digit Major Heads. For instance, 0 and 1 are for Revenue Receipts, 2 and 3 for Revenue expenditure, etc. Economic classification is also achieved by an inherent definition and distribution of some object heads. For instance, generally "Salary" object head is Revenue expenditure, while "Construction" object head is Capital expenditure. Object head is the primary unit of appropriation in the Budget documents.

**Chart 1.3: Structure of Government Accounts** 

Source: Finance Accounts.

**Public Debt and Public Liability:** In this Report, 'Public Debt' has been taken to comprise market borrowings, institutional loans, special securities issued to National Small Savings Fund (NSSF), loans given by the Central Government etc. For this purpose, the major heads 6003 and 6004 - Public Debt have been taken into consideration.

Further, the transactions relating to 'Small Savings, Provident Fund, etc.', 'Reserve Funds' and 'Deposit and Advances' under Public Account are such that the Government incurs a liability to repay the moneys received or has a claim to recover the amounts paid. The transactions relating to 'Remittances' and 'Suspense' under Public Account, includes merely adjusting heads such as transactions as remittances of cash between treasuries and currency chests and transfer between different accounting circles.

In this Report, 'Public Liability' has been taken to include the transactions under major heads 8001 to 8554 relating to 'Small Savings, Provident Fund, etc.', 'Reserve Funds' and 'Deposit and Advances' along with the transactions under major heads 6003 and 6004.

#### **Budgetary Processes**

In terms of Article 202 of the Constitution of India, the Governor of State causes to be laid before the State Legislature, a statement of the estimated receipts and expenditure of the State, in the form of an **Annual Financial Statement**. In terms of Article 203, the statement is submitted to the State Legislature in the form of Demands for

Grants/Appropriations and after approval of these, the Appropriation Bill is passed by the Legislature under Article 204 to provide for appropriation of the required money out of the Consolidated Fund.

The State Budget Manual details the Budget formulation process and guides the State Government in preparing its budgetary estimates and monitoring its expenditure activities. Results of audit scrutiny of Budget and implementation of other budgetary initiatives of the State Government are detailed in Chapter-III of this Report.

#### 1.3.1 Snapshot of Finances

**Table 1.2** shows the details of actual financial results for the years 2022-23 and 2023-24 vis-à-vis Budget Estimates (BE) and GSDP for the year 2023-24.

**Table 1.2: Snapshot of Finances**

Source: Finance Accounts.

During the year 2023-24, the Revenue receipts of the State increased marginally by 2.84 *per cent* over the previous year and was 3.09 *per cent* more than the Budget Estimates. Grants-in-aid decreased by 10.71 *per cent* during this year. During the current year, there was excess of revenue expenditure (₹ 44,731.63 crore) over Revenue receipts (₹ 39,173.04 crore), thereby resulting in Revenue Deficit of ₹ 5,558.59 crore.

#### 1.3.2 Snapshot of Assets and Liabilities of the Government

Government accounts capture the financial liabilities of the Government and the assets created out of the expenditure incurred. **Appendix 1.2** gives an abstract of such liabilities and assets as on 31<sup>st</sup> March 2024, compared with the corresponding position of the previous year. The liabilities consist mainly of Internal Borrowings, Loans and Advances from Government of India, receipts from Public Account and Reserve Funds, and the assets comprise mainly the Capital expenditure and Loans and Advances given by the State Government and Cash Balances. Summarised position of assets and liabilities is depicted in **Table 1.3**.

#### 1.4 Fiscal Balance: Achievement of deficit and total debt targets

When a Government spends more than it collects by way of revenue, it incurs a deficit. There are various measures that capture Government deficit.

Deficits are financed by borrowing, giving rise to Government debt. The concepts of deficits and debt are closely related. Deficits can be thought of as a flow which adds to the stock of debt. If the Government continues to borrow year after year, it leads to the accumulation of debt and the Government has to pay more and more by way of interest. These interest payments themselves contribute to the debt.

<sup>\*</sup> This includes ₹ 4,412.22 crore (2020-21: ₹ 1,717 crore + 2021-22: ₹ 2,695.22 crore) as back-to-back loans to State from Government of India in lieu of GST compensation shortfall.

By borrowing, the Government entails the burden of reduced consumption on future generations. This is because it borrows by issuing bonds to the people living at present but may decide to pay off the bonds some twenty years later by raising taxes or reducing expenditure. Also, Government borrowing from the people reduces the savings available to the private sector. To the extent that this reduces Capital formation and growth, debt acts as a 'burden' on future generations.

However, if Government deficits succeed in their goal of raising production, there will be more income and, therefore, more saving. In this case, both Government and industry can borrow more. Also, if the Government invests in infrastructure, future generations may be better off, provided the return on such investments is greater than the rate of interest. The actual debt could be paid off by the growth in output. The debt should not then be considered burdensome. The growth in debt will have to be judged by the growth of the economy (State GDP) as a whole.

Government deficit can be reduced by increase in taxes or reduction in expenditure. However, the major thrust has been towards reduction in Government expenditure. This could be achieved through making Government activities more efficient through better planning of programmes and better administration.

The Central and individual State Governments have passed Fiscal Responsibility and Budget Management (FRBM) Act with the objective of ensuring prudence in fiscal management by eliminating Revenue Deficit, reducing Fiscal Deficit and overall/outstanding debt to acceptable level, establishing improved debt management and improving transparency in a medium-term framework. In this context, the Act provides quantitative targets to be adhered by the State with regard to deficit measures and debt level.

In April 2005, the State Government enacted the Himachal FRBM Act, 2005 to ensure long-term financial stability by achieving Revenue surplus, containing Fiscal Deficit and prudent debt management. Subsequently, in March 2011, the State Government amended the FRBM Act on the recommendations of the Thirteenth Finance Commission (TFC) and enacted FRBM (Amendment) Act, 2011, on the basis of which Fiscal targets up to the year 2014-15 were fixed.

The Fourteenth Finance Commission (14<sup>th</sup> FC) recommended that the State Government may amend its FRBM Act to provide for statutory flexible limits on Fiscal Deficit and also to provide a statutory ceiling on the sanction of new Capital works to an appropriate multiple of the annual Budget provision for ensuring that liabilities of incomplete and ongoing Capital projects do not accumulate.

The Fourteenth Finance Commission also recommended to the State Government to adopt a template for collating, analysing and annually reporting the total extended public debt in the Budget, as a supplement to the Budget, to assess the debt position of the State in the context of risks arising from guarantees, off-Budget borrowings and accumulated losses from financially weak public sector enterprises. In order to accord greater sanctity and legitimacy to fiscal management legislation, the State Government was recommended to

replace the existing FRBM Act with a Debt Ceiling and Fiscal Responsibility Legislation, specifically invoking Article 293(1) of the Constitution of India.

The Fifteenth Finance Commission (15<sup>th</sup> FC) recommended an additional one *per cent* conditional statutory flexible limit on Fiscal Deficit, above the limit fixed, subject to the reforms: (i) Implementation of One Nation One Ration Card System; (ii) Ease of doing business reforms; (iii) Urban Local body/utility reforms; and (iv) Power Sector reforms. The weightage of each reform was 0.25 *per cent* of GSDP totaling to one *per cent*.

Further, Ministry of Finance, Government of India considering the centrality of the financial strength of DISCOMs to the soundness of State finances recommended an additional ceiling space of 0.5 *per cent* of GSDP for the State for four-year period 2021-22 to 2024-25 linked to power sector reforms viz., (i) reduction in operational losses, (ii) reduction in revenue gap, (iii) reduction in payment of cash subsidy by adopting direct benefit transfer, and (iv) reduction in tariff subsidy as a percentage of revenue, etc.

As per the recommendations of the 15<sup>th</sup> FC, the State Government amended its FRBM Act in January 2023. The statutory flexible limit on Fiscal Deficit had been fixed at six *per cent* or less of GSDP in 2022-23, 3.5 *per cent* or less in 2023-24 and 2024-25 and to maintain thereafter at three *per cent* or less.

Further, the Medium Term Fiscal Plan Statement (MTFPS) as recommended under FRBM Act was prepared every year with three years rolling targets by the State Government. Compliance with the targets set in the HP-FRBM Act and MTFPS during the period 2019-20 to 2023-24 is shown in **Table 1.4 (a)**.

During the year 2023-24, the Government was unable to contain all fiscal indicators within the level projected in the MTFPS.

<sup>\*</sup> Excluding back-to-back loans of ₹ 4,412.22 crore received from Government of India in lieu of GST Compensation shortfall during 2020-21 and 2021-22.

Source: Finance Accounts.

**Revenue Deficit** indicates the excess of Revenue expenditure over Revenue receipts. Revenue surplus helps to decrease the borrowings. As per the HP-FRBM Act 2005 (amended in 2011), the State was to eliminate Revenue Deficit by financial year 2011-12 and maintain Revenue surplus thereafter. In the last two years, the Revenue Deficit of ₹ 6,336 crore (2022-23) and ₹ 5,559 crore (2023-24) of State Government is quite high.

**Fiscal Deficit** represents the net incremental liabilities of the Government or its additional borrowings. The shortfall could be met either by additional public debt (internal or external) or by the use of surplus funds from Public Account. In the last two years Fiscal Deficit (₹ 12,380 crore in 2022-23 and ₹ 11,266 crore in 2023-24) remains high and crossed the Fiscal Deficit-GSDP ratio limit 3.50 *per cent* (2022-23) and 3.00 *per cent* (2023-24) set by 15<sup>th</sup> Finance Commission.

**Primary deficit**, which indicates Fiscal Deficit for the current year minus interest payments on previous borrowings, was ₹ 7,551 crore in 2022-23 and ₹ 5,617 crore in 2023-24.

## 1.5 Performance of the State Government with respect to borrowings according to the limits fixed by Government of India

Article 293 (3) of the Constitution of India, *inter alia*, provides that a State may not raise any loan without the consent of Government of India, if any part of a loan which has been made to the State by Government of India, is still outstanding.

The Government of India, Ministry of Finance, Department of Expenditure fixed (February 2024) the net borrowing ceiling (NBC) of the State Government for the financial year 2023-24 as ₹ 6,342 crore and instructed the State Government to ensure that its incremental borrowings from all sources (as reflected in the Statement 6 of State's Finance Accounts) remained within this ceiling.

#### 1.6 Deficits post examination by Audit

As per the FRBM Act, the State Government must ensure compliance with the targets fixed for the fiscal indicators such as deficits, ceiling on debt and on guarantees, etc. The Revenue Deficit and Fiscal Deficit as worked out for the State get impacted due to various circumstances such as misclassification of Revenue expenditure as Capital expenditure and off-Budget fiscal operations. Besides, deferment of clear-cut liabilities, not depositing cess/ royalty to Consolidated Fund, etc., also impacts the Revenue and Fiscal Deficit figures. In order to arrive at actual deficit figures, the effect of the above needs to be included and the impact of such irregularities needs to be reversed. Analysis of deficits after examination in audit is given in **Table 1.6**.

Table 1.6: Revenue Deficit and Fiscal Deficit, post examination by Audit

(₹in crore)

| Particulars  | Impact on Revenue<br>Deficit (Understated<br>(+) / Overstated (-)) | Impact on Fiscal<br>Deficit (Understated<br>(+) / Overstated (-)) | Paragraph<br>Reference |
|--|--|---|------------------------|
| Non-discharge of liability in respect<br>of interest towards balances lying<br>under NPS | 1.19   | 1.19  | 2.4.1.2 (i)            |
| Non-provision/payment of interest on balances lying under SDRF                           | 11.36  | 11.36   | 2.5.2.2 (a)            |
| Non-transfer of contribution to State<br>Disaster Mitigation Fund (SDMF)                 | 9.71   | 9.71  | 2.5.2.2 (b)            |
| Non transfer of Grants to Central<br>Road and Infrastructure Fund                        | 136.32   | 136.32  | 2.5.2.6                |
| Total  | 158.58   | 158.58  |                        |

Source: Finance Accounts.

During 2023-24, the Revenue Deficit and Fiscal Deficit was  $\stackrel{?}{\underset{?}{?}}$  5,558.59 crore (2.68 *per cent* of GSDP) and  $\stackrel{?}{\underset{?}{?}}$  11,265.73 crore (5.43 *per cent* of GSDP) respectively, as shown in **Charts 1.4** and **1.5**. If the above transactions as shown in **Table 1.6** were taken into account, the actual Revenue Deficit and Fiscal Deficit would work out to  $\stackrel{?}{\underset{?}{?}}$  5,717.17 crore (2.76 *per cent* of GSDP) and  $\stackrel{?}{\underset{?}{?}}$  11,424.31 crore (5.51 *per cent* of GSDP) respectively.

#### 1.7 Post Audit – Total Outstanding Debt

As per the Himachal Pradesh Fiscal Responsibility and Budget Management Act, 2005, total liabilities mean the liabilities under the Consolidated Fund and the Public Account of the State referred to in Article 266 of the Constitution of India. The outstanding debt/liabilities can be split into various components as given in **Table 1.7**.

Table 1.7: Components of outstanding debt/liabilities as on 31 March 2024

(₹in crore)

| Borrowings and other liabilities as per Finance Accounts                               | Amount     |
|--|------------|
| Internal Debt (A)  | 61,439.29  |
| Market Loans bearing interest  | 52,147.00  |
| Market Loans not bearing interest  | 0.06       |
| Loan from Life Insurance Corporation of India  | 12.93      |
| Loan from NABARD   | 3,640.23   |
| Loan from National Cooperative Development Corporation                                 | 75.11      |
| Compensation and other Bonds   | 2,312.40   |
| Loans from other Institutions, etc.  | 0          |
| Special Securities issued to the National Small Savings Fund of the Central Government | 3,251.56   |
| Loans and Advances from Central Government (B)   | 8,929.83*  |
| Non-plan Loans   | 1.09       |
| Loans for State Plan Schemes   | 2,948.94*  |
| Others   | 5,979.80*  |
| Liabilities upon Public Accounts (C)   | 25,263.84  |
| Small Savings, Provident Funds, etc.   | 19,337.58  |
| Deposits   | 3,646.49   |
| Reserve Funds  | 2,279.77   |
| Total (A+B+C)  | 95,632.96* |

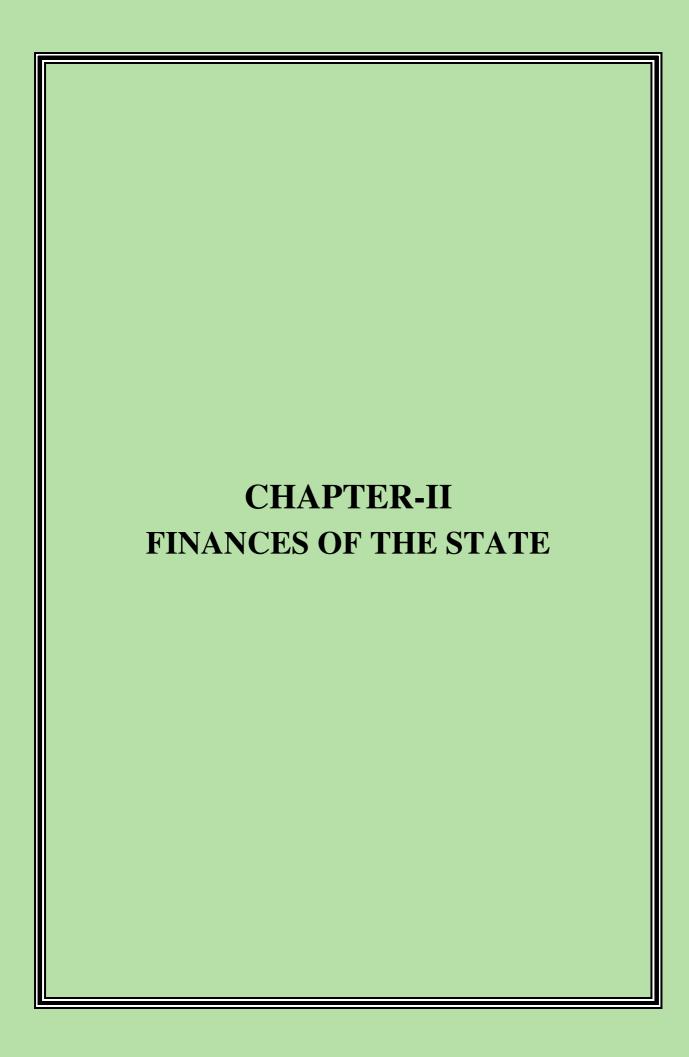

Source: Finance Accounts.

\* Includes back-to-back loans of ₹ 4,412.22 crore (₹ 1,717 crore in 2020-21 and ₹ 2,695.22 crore in 2021-22) from Government of India in lieu of GST Compensation shortfall.

At the end of the year 2023-24, the overall outstanding debt/liabilities of the State was ₹ 95,632.96 crore. There were no cases of off-Budget¹ fiscal operations such as borrowings by State PSUs or Special Purpose Vehicles (SPVs) on behalf of the State Government where principal and/or interest are to be serviced out of the State Budget; deployment of own funds by the State PSUs, SPVs, etc., for execution of deposit works

Source: Para 3 (xvii) of Notes to Finance Accounts 2023-24.

of the State Government which was to be financed by the State Government through borrowings; or non-reimbursement of principal/ interest component by the State Government to State PSUs, SPVs, etc., of the loan taken by them on behalf of the State Government. As such, there was no impact of these on the overall outstanding debt/ liabilities of the State Government.

Source: Finance Accounts.

**Appendices 2.1** and **2.2** provide details of receipts and disbursements and the overall fiscal position of the State during the current year as well as the previous years.

Composition and application of resources in the Consolidated Fund of the State during 2023-24 is given in **Charts 2.1** and **2.2**.

#### 2.3 Resources of the State

The resources of the State are described below:

- **1. Revenue receipts** consist of Tax revenue (Own Tax revenue plus share of Union Taxes/Duties), Non-Tax revenue and Grants-in-aid from the Government of India.
- 2. Capital receipts (debt and non-debt Capital receipts) comprise miscellaneous Capital receipts such as proceeds from disinvestments, recoveries of Loans and Advances, debt receipts from internal sources (market loans, borrowings from financial institutions/commercial banks) and Loans and Advances from Government of India.

Both Revenue and Capital receipts form part of the Consolidated Fund of the State.

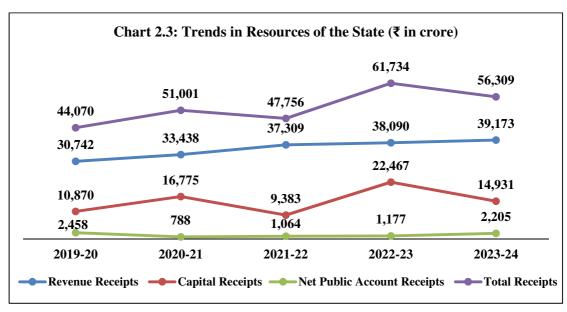

**3. Net Public Accounts receipts**: There are receipts and disbursements in respect of certain transactions such as small savings, provident fund, reserve funds, deposits, suspense, remittances, etc., which do not form part of the Consolidated Fund.

These are kept in the Public Account set up under Article 266 (2) of the Constitution and are not subject to vote by the State Legislature. Here, the Government acts as a banker. The balance after disbursements is the fund available with the Government for use.

# 2.3.1 Receipts of the State

This paragraph provides the composition of the overall receipts. Besides Capital and Revenue receipts, funds available in the Public Account (net of disbursements made from it) are also utilised by the Government to finance its Deficit.

Trends in various components of the receipts of the State during 2019-24 are given in **Chart 2.3**, while composition of total receipts of the State during 2023-24 is depicted in **Chart 2.4**.

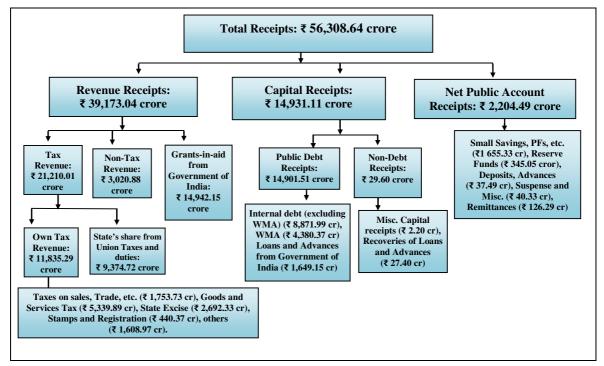

Chart 2.4: Composition of Receipts of the State during 2023-24

Source: Finance Accounts.

Out of the total resources of ₹ 56,308.64 crore of the State Government during the year 2023-24, Revenue receipts (₹ 39,173.04 crore) constituted 69.57 *per cent*. Capital Receipts (₹ 14,931.11 crore) and net Public Account Receipts (₹ 2,204.49 crore) constituted 26.52 *per cent* and 3.92 *per cent* respectively, of the total resources.

#### 2.3.2 State's Revenue receipts

#### 2.3.2.1 Trends and growth of Revenue receipts

Trends and growth of Revenue receipts with respect to Gross State Domestic Product (GSDP) over the five-year period (2019-24) are shown in **Table 2.3**.

**Table 2.3: Trends in Revenue receipts** 

(₹ in crore)

| Parameters  | 2019-20   | 2020-21   | 2021-22   | 2022-23   | 2023-24   |

#### **Table 2.3** shows the following:

- Revenue receipts increased by 27.42 per cent from ₹ 30,742.41 crore in 2019-20 to ₹ 39,173.04 crore in 2023-24 and the increase was ₹ 1,083.54 crore (2.84 per cent) during the current year (2023-24) over the previous year. During the period of the last five years 2019-24, it increased at an annual average growth rate of 4.92 per cent.
- Own Tax revenue and Non-Tax revenue increased by ₹1,240.03 crore (11.70 per cent) and ₹144.55 crore (5.03 per cent) respectively in 2023-24 as compared to 2022-23.
- The average growth rate of Own Tax revenue in last five years is 9.53 *per cent*, while the average growth rate of Non-Tax revenue is only 2.08 *per cent*.
- On the other hand, the Grants-in-aid is showing a decreasing trend in the last three years. It consistently decreased by 4.23 *per cent* in 2021-22, 5.10 *per cent* in 2022-23 and 10.71 *per cent* in 2023-24 over the previous year.
- Revenue buoyancy with reference to GSDP remained below one, from 2021-22 to 2023-24. The own Tax revenue buoyancy remained above one in two years (i.e. 2021-22 and 2023-24) out of four years.

Trends of Revenue receipts are shown in **Chart 2.5**.

# 2.3.2.2 State's Own Resources

## (i) Own Tax Revenue

Own Tax revenue of the State consists of State Goods and Services Tax (SGST), State Excise, Taxes on Vehicles, Stamp Duty and Registration fees, Land Revenue, Taxes on Goods and Passengers, etc.

Trends of own Tax revenue and analysis of its components during the period 2019-24 are shown in **Chart 2.7** and **Table 2.4** respectively.

| <b>Total Own Tax Revenue</b>        | 7,623.82 | 8,083.32 | 9,714.58 | 10,595.26 | 11,835.29 |

Source: Finance Accounts of respective years.

The total own Tax revenue increased by ₹ 1,240.03 crore (11.70 *per cent*) during the current year (2023-24) over the previous year. The major increase was in receipts under State excise (₹ 475.99 crore), Tax on sales, trade, etc. (₹ 383.44 crore), Taxes and duties on electricity (₹ 116.82 crore) and Taxes on Vehicles (₹ 106.57 crore).

#### The increase in -

- State excise was mainly on account of increase in receipts from Sale of Country Spirits, Foreign Liquors and Spirits.
- Tax on Sales, Trade, etc.- was mainly due to more receipt under VAT.
- Taxes and duties on electricity was mainly due to more receipt from Electricity Duty.
- Taxes on Vehicles was mainly due to more collection of registration fee of vehicles and receipts of Token Tax.

#### (a) State Goods and Services Tax (SGST)

During 2023-24, as per the books of RBI and the Finance Accounts, the amount of SGST was ₹ 5,339.89 crore, against the Budget Estimates of ₹ 6,263.77 crore.

## (b) Audit of GST Receipts

The Government of India's decision to provide access to Pan-India data at GSTN premises was conveyed on 22 June 2020. In case of Himachal Pradesh, access to back-end application was provided to the Office of the Principal Accountant General (Audit), Himachal Pradesh in December 2020. However, the access provided to this office was limited and based on VPN connection to access the Department's internal web-based GSTN portal as the same is accessible only through Himachal Statewide Area Network (HIMSWAN). Remote access to GSTN portal is being used for conducting performance/ Subject Specific Compliance audits under GST.

#### (c) Analysis of arrears of Revenue and arrears of assessment

The arrears of Revenue indicate delayed realisation of revenues due to the Government. Similarly, arrears of assessment indicate potential Revenue which is blocked due to delayed assessment. Both deprive the State of potential Revenue receipts and ultimately affect the Revenue Deficit.

#### **Arrears of Revenue**

As on 31<sup>st</sup> March 2024, the arrears of Revenue in respect of principal heads of Revenue were ₹ 6,289.46 crore, of which ₹ 3,126.21 crore (49.71 *per cent*) were outstanding for more than five years, as depicted in **Table 2.5**.

Source: Information supplied by State Excise and Taxation Department.

Percentage of disposal under various heads of Revenue ranged between 18 and 64 during the year 2023-24.

# Details of evasion of tax detected by the Department, refund cases, etc.

The cases of evasion of tax detected, cases finalised and the demands for additional tax raised are important indicators of Revenue collection efforts of the State Government. Promptness in disposal of refund cases is an important indicator of performance of the Department concerned.

The details of cases of evasion of tax detected by the State Excise and Taxation Department, cases finalised and the demand for additional tax raised; and details of refund cases during the year 2023-24, are depicted in **Tables 2.7** and **2.8** respectively.

| Percentage of Non-Tax revenue to Revenue receipts | 8.14     | 6.54     | 7.00     | 7.55     | 7.71        |

Source: Finance Accounts.

During the year 2023-24, there was an increase of ₹ 144.55 crore (5.03 per cent) in total Non-Tax revenue over the previous year. This was mainly due to increase in receipts under Power (₹ 239.07 crore), Non-ferrous Mining and Metallurgical Industries (₹ 45.39 crore), and interest receipts (₹ 40.76 crore), etc. However, the increase was counterbalanced partially by decrease in receipts mainly under Education, Sports, Arts and Culture (₹ 101.98 crore) and Other Administrative Services (₹ 49.55 crore).

The increase under -

 Power – was mainly due to increase in receipts from free power royalty from Satluj Jal Vidyut Nigam.

Whereas, decrease under -

- Education, Sports, Art and Culture was mainly due to non-receipts of reimbursement on account of Sarva Shiksha Abhiyan.
- Other Administrative Services was mainly due to less reimbursement from the Election Commission on account of expenditure incurred during State election.

#### 2.3.2.3 Transfers from the Centre

Transfers from the Centre mainly consists of (i) Share in Central taxes viz., Tax Devolution as per Finance Commission recommendations and (ii) Grants from Centre viz., Finance Commission grants, Central Government share in Centrally Sponsored Schemes, etc. The trends in Central transfers over the last 10 years are shown in Chart 2.8.

(₹ in crore) 24,982 24,618 24,317 23,167 20,618 20,547 17,895 17,508 18,413 17,633 16,734 14,907 15,117 14,942 13,094 13,164 15,940 11,296 9,375 7,884 7,349 5,430 4,801 4,678 4,754 4,344 3,611 2015-16 2021-22 2014-15 2016-17 2017-18 2018-19 2019-20 2022-23 2023-24 2020-21 ----Transfers from the Centre ---Share in Centre's taxes **→** Grants from Centre

The trends in the Central tax transfers i.e., Share in Union Taxes and Duties and Grants-in-aid from Government of India to State Government are discussed in the succeeding paragraphs.

#### (i) Share in Central taxes

The actual release of share in Union Taxes and Duties to the State Government vis-à-vis projections made by the Fourteenth Finance Commission and Fifteenth Finance Commission Reports (FCRs) during the period from 2015-16 to 2023-24 is tabulated in **Table 2.10**.

Table 2.10: State's share in Union Taxes and Duties: Actual devolution vis-à-vis Finance Commission projections

(₹ in crore)

| Year    | Finance Commission projections  | Projections in FCR | Actual tax devolution | Difference |
|---------|---|--------------------|-----------------------|------------|
| 1.      | 2.  | 3.                 | 4.                    | 5. (4-3)   |
| 2015-16 | 0.712   | 4,141              | 3,611                 | -530       |
| 2016-17 | 0.713 <i>per cent</i> of net proceeds of all shareable  | 4,778              | 4,344                 | -434       |
| 2017-18 | taxes excluding service tax and 0.722 per cent of net proceeds of shareable service tax (as per                     | 5,521              | 4,801                 | -720       |
| 2018-19 | recommendations of 14 <sup>th</sup> FC)   | 6,387              | 5,430                 | -957       |
| 2019-20 | recommendations of 14 TC)   | 7,398              | 4,678                 | -2,720     |
| 2020-21 | 0.799 <i>per cent</i> of net proceeds of the taxes (divisible pool) (as per recommendations of 15 <sup>th</sup> FC) | 6,833              | 4,754                 | -2,079     |
| 2021-22 | 0.830 per cent of net proceeds of all shareable   | 5,466              | 7,349                 | 1,882      |

Source: Report of 14<sup>th</sup> and 15<sup>th</sup> Finance Commission (FCRs), Finance Accounts and Annual Financial Statements.

The State Government's share in Union Taxes and Duties increased by ₹ 1,491 crore (18.91 *per cent*) during 2023-24 over the previous year.

It can be seen from the above table that during the four years (2020-24) of the period of Fifteenth Finance Commission (2020-26), State's share in Union Taxes and Duties amounting to  $\stackrel{?}{\stackrel{?}{}}$  29,362 crore was 28.42 *per cent* more than the total share ( $\stackrel{?}{\stackrel{?}{}}$  22,864 crore) during the period of Fourteenth Finance Commission (2015-20).

Trends in components of Central tax transfers to the State during 2019-24 are given in **Table 2.11**.

**Table 2.11: Composition of Central Tax Transfers** 

(₹ in crore)

| Service Tax   |           | 19.39    | 87.35    | 12.36    | 1.73     | -10.63                                  |
| Other Taxes <sup>1</sup>  | 3.03      | 3.19     | 7.57     | 12.97    | 11.47    | -1.50                                   |
| Central Tax Transfers   | 4,677.56  | 4,753.92 | 7,349.04 | 7,883.98 | 9,374.72 | 1,490.74                                |
| Percentage of increase (+)/<br>decrease (-) over the<br>previous year | (-) 13.85 | 1.63     | 54.59    | 7.28     | 18.91    |   |
| Percentage of Central Tax<br>Transfers to Revenue<br>receipts         | 15.22     | 14.22    | 19.70    | 20.70    | 23.93    |   |

Source: Finance Accounts.

**Table 2.11** shows that the percentage of change in the State Government's share in Union Taxes and Duties ranged between (-) 13.85 and 54.59 *per cent* during the last five years 2019-24. It increased by ₹ 1,490.74 crore (18.91 *per cent*) during 2023-24 over the previous year. Share in Union Taxes and Duties constituted 14 *per cent* to 24 *per cent* of the Revenue receipts of the State during 2019-24.

#### (ii) Grants-in-aid from Government of India

Trend of Grants-in-aid (GIA) from Government of India and its components are shown in **Table 2.12**.

Table 2.12: Grants-in-aid from Government of India

(₹ in crore)

|  |          |           |           |           | 1        |
|--|----------|-----------|-----------|-----------|----------|
| Particulars  | 2019-20  | 2020-21   | 2021-22   | 2022-23   | 2023-24  |
| Centrally Sponsored Schemes  | 4,915.06 | 4,221.29  | 5,420.75  | 4,736.66  | 5,328.69 |
| Finance Commission Grants*   | 8,617.82 | 12,424.10 | 11,044.26 | 10,489.70 | 8,738.16 |
| Other Transfer/Grants to State/ Union<br>Territories with Legislatures | 2,406.64 | 1,767.19  | 1,168.31  | 1,507.57  | 875.30   |

Includes Taxes on Wealth, Other Taxes on Income and Expenditure, Other Taxes and Duties on commodities and Services.

| Particulars  | 2019-20   | 2020-21   | 2021-22   | 2022-23   | 2023-24   |
|--|-----------|-----------|-----------|-----------|-----------|
| Total  | 15,939.52 | 18,412.58 | 17,633.32 | 16,733.93 | 14,942.15 |
| Percentage increase /decrease over the previous year | 5.44      | 15.52     | -4.23     | -5.10     | -10.71    |
| Percentage of GIA to Revenue receipts                | 51.85     | 55.06     | 47.26     | 43.93     | 38.14     |

Source: Finance Accounts for the respective years.

**Table 2.12** shows that the Grants-in-aid from Government of India decreased during the years 2021-22 (4.23 per cent), 2022-23 (5.10 per cent) and 2023-24 (10.71 per cent) as compared to the respective previous years. The decrease in GIA during the current year over the previous year was mainly due to a substantial decrease under Post-Devolution Revenue Deficit Grant by ₹ 1,319 crore (14.07 per cent) under Finance Commission Grants and Compensation to State Government for Revenue Loss on Roll out of GST by ₹ 1,205 crore. However, this was counterbalanced by increase of ₹ 572.99 crore in assistance to State from National Disaster Response Fund under Other Transfer/Grants to State/Union Territories with Legislature.

## (a) Grants for Centrally Sponsored Schemes

Out of the grants of ₹ 5,328.69 crore for Centrally Sponsored Schemes during 2023-24, the major amounts were given to:

- ➤ Pradhan Mantri Gram Sadak Yojana (PMGSY) ₹ 617.56 crore. It decreased by ₹ 7.20 crore (1.15 *per cent*) from the previous year (₹ 624.76 crore).
- ➤ Pradhan Mantri Krishi Sinchai Yojna- ₹ 599.98 crore. It increased by ₹ 546.62 crore (1471.84 *per cent*) from previous year (₹ 53.36 crore).
- Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) ₹ 402.54 crore. It decreased by ₹ 106.18 crore (20.87 *per cent*) from previous year (₹ 508.71 crore).

#### (b) Single Nodal Agency

The Government of India, Ministry of Finance, Department of Expenditure, New Delhi vide Office Memorandum No. 1 (13)/ PFMS/ FCD/2020 dated 8 December 2021 provided that every State Government is required to designate a Single Nodal Agency (SNA) for implementing each Centrally Sponsored Scheme (CSS). The Single Nodal Agency will open a Single Nodal Account for each CSS at the State level in a Scheduled Commercial Bank authorised to conduct business by the State Government. Further, as per the procedure, the State Government is to transfer the Central share received in its accounts to the SNA account concerned along with corresponding State share. It is the responsibility of the State Government concerned to ensure that the entire unspent amount is returned by all the Implementing Agencies (IAs) to the Single Nodal Account of the Single Nodal Agency.

In the year 2023-24, as per the SNA-01 Comprehensive Release and Expenditure Report the State Government received ₹ 4,856.54 crore (₹ 1.95 crore as reimbursement,

<sup>\*</sup> Finance Commission Grants include Post-Devolution Revenue Deficit Grant (₹ 8,058 crore), grants for Local Bodies (₹ 276.56 crore) and Grant-in-Aid for State Disaster Response Fund (₹ 360.80 crore); Grant-in-aid for State Disaster Mitigation Fund (₹ 42.80 crore).

₹ 19.17 crore as commodity, ₹ 608.79 crore released to implementing agencies, ₹ 3,824.29 crore to State Treasury and ₹ 402.34 crore to Escrow account) for Centrally Sponsored schemes (CSSs). The total amount released by Treasury to SNA was ₹ 3,983.08 crore. Total expenditure incurred on these schemes in current year was ₹ 6,048.18 crore leaving a ₹ 1,024.08 crore balance unspent in SNA bank accounts.

#### (c) Fifteenth Finance Commission Grants

The Fifteenth Finance Commission (15<sup>th</sup> FC) grants were provided to the States for local bodies and State Disaster Response Fund (SDRF) and post-devolution Revenue Deficit. Details of grants provided by Government of India during 2023-24 are given in **Table 2.13**.

Source: 15th FC Report and information provided by State Government departments.

- <sup>®</sup> The amount (₹ 118.51 crore) as appearing in Finance Accounts is different from this amount (₹ 317.42 crore) due to 2<sup>nd</sup> instalment of an amount of ₹ 198.91 crore of 2023-24 released during 2024-25.
- \$ The amount (₹ 158.04 crore) as appearing in Finance Accounts is different from the amount (₹ 157.43 crore) due to 2nd instalment of ₹ 81 crore of 2022-23 received and released by State Government during 2023-24 as this amount was released by Government of India on 31st March 2023 and 2nd instalment of ₹ 81.61 crore of 2023-24 received and released by State Government during 2024-25 as this amount was released by Government of India on 27th March 2024.
- \* The amounts includes ₹ 42.80 crore (as Central share) and ₹ 4.80 crore (as State share) for 2022-23 received during 2023-24.
- As against the amount of ₹ 332 crore recommended by the 15<sup>th</sup> FC in respect of PRIs, Government of India released ₹ 317.42 crore during 2023-24, and the same was released by Government of Himachal Pradesh during the same period.
- In respect of ULBs, against the recommended amount of ₹ 171 crore, Government of India released ₹ 157.43 crore during 2023-24, and the same was released by Government of Himachal Pradesh during the same period.

• In respect of SDRF, 15<sup>th</sup> FC recommended Central and State shares in the ratio of 90:10. As against the recommended share of ₹ 360.80 crore, Government of India released ₹ 360.80 crore and the State released ₹ 401 crore (Central share: ₹ 360.80 crore and State's share ₹ 40.20 crore) during 2023-24.

## 2.3.3 Capital Receipts

Capital receipts comprise Miscellaneous Capital Receipts such as proceeds from Disinvestments, recoveries of Loans and Advances, debt receipts from internal sources (market loans, borrowings from financial institutions/commercial banks) and Loans and Advances from Government of India.

Trends of Capital receipts and its components during 2019-20 to 2023-24 are shown in **Table 2.14**.

Table 2.14: Trends in growth and composition of Capital receipts

(₹ in crore)

#### 2.3.4 State's performance in mobilisation of resources

The State's performance in mobilisation of resources is assessed in terms of its own resources comprising Own Tax and Non-Tax sources.

The State's actual Own Tax and Non-Tax revenue for the year 2023-24 *vis-à-vis* assessment made by Fifteenth Finance Commission (15<sup>th</sup> FC) and Budget Estimates/ MTFPS are given in **Table 2.15**.

<sup>\*</sup> Excludes ₹ 1,717 crore during 2020-21 and ₹ 2,695.22 crore during 2021-22 as back-to-back loans to State from Government of India in lieu of GST compensation shortfall.

Table 2.15: Tax and Non-Tax revenue vis-à-vis projections during 2023-24

(₹ in crore)

|                 | 15 <sup>th</sup> FC | <b>Budget Estimates</b> |           | Percentag                       | e variation of actual<br>over               |
|-----------------|---------------------|-------------------------|-----------|---------------------------------|---|
| Particulars     | projections         | and MTFPS<br>projection | Actual    | 15 <sup>th</sup> FC projections | Budget Estimates<br>and MTFPS<br>projection |
| Own Tax revenue | 12,783              | 13,025.97               | 11,835.29 | -7.41                           | -9.14                                       |
| Non-Tax revenue | 4,896               | 3,447.20                | 3,020.88  | -38.30                          | -12.36                                      |

Source: Finance Accounts and Budget documents.

Actual own Tax revenue of the State Government fell short from 15<sup>th</sup> FC projections and Budget Estimates by 7.41 *per cent* and 9.14 *per cent* respectively. Actual realisation of Non-Tax revenue also fell short from 15<sup>th</sup> FC and Budget Estimates by 38.30 *per cent* and 12.36 *per cent* respectively.

# 2.4 Application of Resources

The State Government is vested with the responsibility of incurring expenditure within the framework of fiscal responsibility legislations, while at the same time ensuring that fiscal corrections/ consolidation processes are not at the cost of expenditure directed towards development. The application of resources is analysed in the succeeding paragraphs with regard to growth and composition of expenditure, Revenue expenditure, committed expenditure and financial assistance to local bodies and other institutions.

# Growth and composition of expenditure

**Revenue expenditure**: Charges on maintenance, repair, upkeep and working expenses, which are required to maintain the assets in a running order as also all other expenses incurred for the day-to-day running of the organisation, including establishment and administrative expenses shall be classified as Revenue expenditure.

**Capital expenditure**: All charges for the first construction of a project as well as charges for intermediate maintenance of the work while not opened for service and also charges for such further additions and improvements as may be sanctioned under the rules made by competent authority shall be classified as Capital expenditure.

**Loans and Advances**: Loans and Advances by the Government to Public Sector Undertakings (PSU) and other parties.

Trends of overall expenditure and its components are shown in **Table 2.16** and **Chart 2.9**.

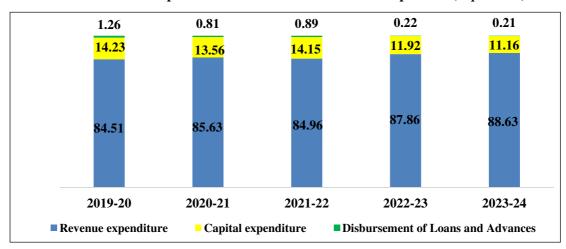

Table 2.16: Total expenditure and its composition

a- Second Revised Estimate, b – First Revised Estimate, c – Advance Estimate.

**Chart 2.9: Total Expenditure: Trends in share of its components (in** *per cent***)** 

**Table 2.16** shows that total expenditure increased by ₹ 14,105.82 crore (38.79 per cent) from ₹ 36,362.55 crore in 2019-20 to ₹ 50,468.37 crore in 2023-24, which ranged between 22.85 per cent and 26.37 per cent of GSDP during the period of five years. **Chart 2.9** shows that Revenue expenditure constituted the dominant proportion (85 to 89 per cent) of total expenditure. Capital expenditure, on the other hand, constituted between 11 per cent and 14 per cent of total expenditure.

Relative share of various sectors of expenditure during 2019-24 is depicted in **Table 2.17** and **Chart 2.10**.

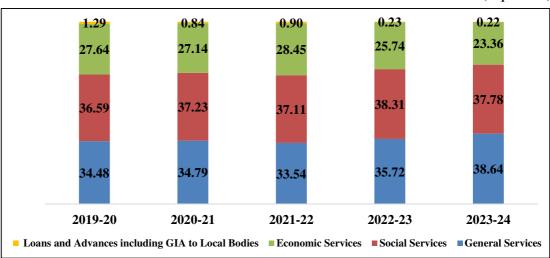

Table 2.17: Relative share of various sectors of expenditure

(₹in crore)

|                        |           |           |           |           | (till croic) |

Chart 2.10: Total expenditure- Expenditure by activities

(In per cent)

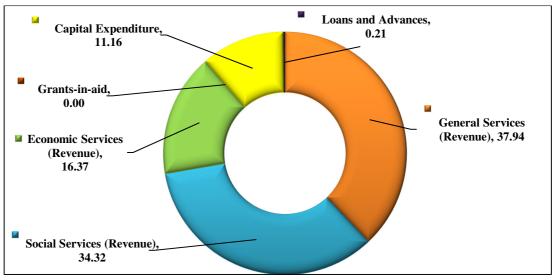

Source: Finance Accounts.

Chart 2.10 shows that the relative share of various components of expenditure in total expenditure fluctuated during the period 2019-24. The share of General Services and Social Services in total expenditure increased from 34.48 *per cent* and 36.59 *per cent* in 2019-20 to 38.64 *per cent* and 37.78 *per cent* respectively in 2023-24, while that of Economic Services decreased from 27.64 *per cent* to 23.36 *per cent* during the same period.

**Chart 2.11** shows composition of expenditure by function.

Chart 2.11: Composition of expenditure by function during 2023-24 (in per cent)

Source: Finance Accounts.

# 2.4.1 Revenue expenditure

Revenue expenditure is incurred to maintain the current level of services and payments for past obligations. As such, it does not result in any addition to the State's infrastructure and service network. The overall Revenue expenditure, its rate of growth,

its ratio to total expenditure and its rate of growth *vis-à-vis* GSDP and Revenue receipts during the period 2019-24 are indicated in **Table 2.18**.

Table 2.18: Growth of Revenue expenditure during 2019-24

(₹ in crore)

| Particulars                                 | 2019-20   | 2020-21   | 2021-22   | 2022-23               | 2023-24   |

Source: Finance Accounts of respective years.

Revenue expenditure increased by  $\ge$  14,001.20 crore (45.56 *per cent*) during 2019-24 and by  $\ge$  306.37 crore (0.69 *per cent*) during 2023-24 over the previous year. On the other hand, Revenue receipts of the State increased by  $\ge$  8,430.63 crore (27.42 *per cent*) during the 2019-24. The percentage of State's Revenue receipts to GSDP is 18.88 *per cent* while percentage of Revenue expenditure to GSDP is 21.56 *per cent* during 2023-24.

Buoyancy ratio of Revenue expenditure with reference to Revenue receipts which improved during 2021-22 (0.69), deteriorated during 2022-23 (10.88), mainly due to increase in Revenue expenditure on account of revision of pay/family pension. But in this year 2023-24, it again improved (0.24 *per cent*). On the other hand, buoyancy ratio of Revenue expenditure with reference to own Tax revenue of the State consistently decreased from 6.54 in 2019-20 to 0.06 in 2023-24 except during 2022-23 (2.51).

Revenue expenditure of  $\stackrel{?}{\stackrel{\checkmark}}$  44,731.63 crore during 2023-24 was above the projections made by the State in their Budget and MTFPS ( $\stackrel{?}{\stackrel{\checkmark}}$  42,704 crore) and normative assessment of 15<sup>th</sup> FC ( $\stackrel{?}{\stackrel{\checkmark}}$  34,033 crore).

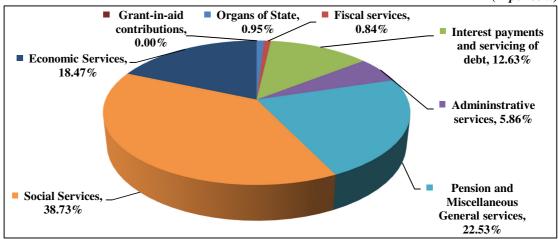

The sector-wise distribution of Revenue expenditure during 2023-24 is given in **Chart 2.12**.

*a-* Second Revised Estimate, b – First Revised Estimate, c – Advance Estimate.

<sup>\*</sup> Buoyancy ratio was not calculated as growth rate of GSDP/RR was negative.

Chart 2.12: Sector-wise distribution of Revenue expenditure during 2023-24

(in per cent)

Source: Finance Accounts.

## 2.4.1.1 Major changes in Revenue expenditure

In the year 2022-23 Revenue expenditure increased substantially by  $\stackrel{?}{\stackrel{?}{?}}$  8,230.72 crore (22.74 *per cent*) from  $\stackrel{?}{\stackrel{?}{?}}$  36,194.54 crore in 2021-22 to  $\stackrel{?}{\stackrel{?}{?}}$  44,425.26 crore. However, during 2023-24 Revenue expenditure increased marginally by  $\stackrel{?}{\stackrel{?}{?}}$  306.37 crore. Significant variations under Major Heads of Accounts with regard to Revenue expenditure of the State during the current year as compared to the previous year are depicted in **Table 2.19.** 

Table 2.19: Significant variations in Revenue expenditure during 2023-24 as compared to 2022-23

(₹ in crore)

Source: Finance Accounts of the respective years.

# Table 2.19 shows:

Increase of ₹ 771.98 crore under 'Pensions and Other Retirement Benefits', was mainly due to increase of ₹ 1,182.70 crore in 'Superannuation and Retirement Allowances', ₹ 235.13 crore in 'Commuted Value of Pensions', ₹ 244.63 crore in 'Family Pensions', counterbalanced by decrease of ₹ 939.50 crore in 'Government Contribution for Defined Contribution', as Himachal Pradesh reverted back to the Old Pension Scheme.

- Increase of ₹819.73 crore under 'Interest Payments' was mainly due to increase of ₹819.63 crore in 'Interest on Market Loans', as last year (2022-23) the State Government had resorted to huge amount of loan from market to meet out their expenses.
- Increase of ₹ 597.64 crore under 'Relief on Account of Natural Calamities' was mainly due to increase of ₹ 238.39 crore in 'Repairs and restoration of damaged roads and bridges' and ₹ 203.01 crore in 'Repair and restoration of damaged water supply, drainage and sewerage work'.
- Decrease of ₹ 535.19 crore in 'other Rural Development Programs' was mainly due to decrease of ₹ 256.72 crore in 'Assistance to Gram Panchayats' and ₹ 131.83 crore in 'Assistance to Zila Parishad'.
- Decrease of ₹510.27 crore in 'General Education' was due to decrease of ₹366.52 crore in 'Government Primary Schools' and ₹301.89 crore in 'Government Secondary Schools', partially counterbalanced by increase of ₹102.30 crore in 'Samagra Shiksha'.

# 2.4.1.2 Committed expenditure

The committed expenditure of the State Government on Revenue account consists of interest payments, expenditure on salaries and wages and pensions. It has the first charge on Government resources.

Apart from the above, there are certain items of *inflexible expenditure* which cannot be ordinarily altered or varied or are statutorily required on an annual basis, unlike for variable transactions such as Capital expenditure, etc. For example, the following items may be considered as inflexible expenditure:

- (i) Devolution to local bodies statutory devolutions to local bodies for pay and allowances (devolution / transfer for Capital expenditure).
- (ii) Statutory requirements of contribution to Reserve Funds Contribution to Consolidated Sinking Fund (CSF), Guarantee Redemption Fund (GRF), State Disaster Mitigation / Response Fund (SDMF/SDRF), etc.
- (iii) Recoupment of Contingency Fund Amount recouped within the year.
- (iv) Transfer of cess to reserve fund / other body, which are statutorily required.
- (v) State Share in CSS against the Central Fund received Amount of State share to be transferred to SNAs / spent by the State.
- (vi) Payment of interest on the balances of the interest-bearing funds as if they could have been invested and payment of interest on public debt as charged expenditure Interest payment.

The upward trend in committed expenditure leaves the Government with less flexibility in the development sector. Trend analysis of committed and inflexible expenditure and its components is depicted in **Table 2.20** and share of committed expenditure in Revenue expenditure is shown in **Chart 2.13**.

\*Salary: ₹ 15,046.97 crore, wages: ₹ 305.61 crore

Source: Finance Accounts and SFAR of respective years, PFMS and information received from State Government.

**Table 2.20** shows that there was a consistent rise in committed expenditure during the period 2019-20 to 2023-24. There was a significant increase of ₹ 6,731.16 crore (28.97 per cent) during 2022-23 as compared to the previous year (2021-22). But in current year (2023-24), the committed expenditure marginally increased by ₹ 250.21 crore (0.84 per cent) over the previous year. There was a decrease of ₹ 498.29 crore and ₹ 71.23 crore in salary and wages and pensions respectively during current year. During the period 2019-24, committed expenditure constituted a dominant share ranging between 64 and 70 per cent of Revenue expenditure and between 62 and 79 per cent of Revenue receipts. A dominant proportion of committed expenditure and subsidies from Revenue expenditure and Revenue receipts leaves the State Government with little flexibility for development activities.

In addition to the above, percentage of non-committed expenditure to Revenue expenditure shows inter-year fluctuation ranging between 30 *per cent* and 36 *per cent* during 2019-24. Subsidies constituted a proportion ranging from nine *per cent* to 14 *per cent* of non-committed expenditure during the same period.

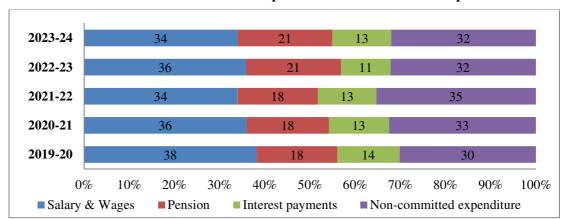

Chart 2.13: Share of Committed expenditure in total Revenue expenditure

## **Salaries and Wages**

The expenditure on salaries and wages increased from ₹ 11,742.23 crore in 2019-20 to ₹ 15,352.58 crore in 2023-24. During 2023-24, it decreased by ₹ 498.29 crore (3.14 per cent) over the previous year and consumed 39.19 per cent of Revenue receipts and 34.32 per cent of Revenue expenditure of the State. The previous year (2022-23) salary and wages increased substantially mainly due to revision of pay scales, pension/family pension and arrears on account of implementation of the HP 6<sup>th</sup> Pay Commission's recommendations w.e.f. 01.01.2016. This year no payment of arrears was given to employees. Due to this there is a decrease in salary and pension, the State Government has shifted liability for the coming years. The expenditure on salaries (₹ 15,352.58 crore) was substantially higher than the projections made in Medium Term Fiscal Plan Statement (MTFPS) (₹ 14,099.52 crore).

#### **Interest payments**

Interest payments increased by 33.40 per cent from ₹ 4,234.02 crore in 2019-20 to ₹ 5,648.37 crore in 2023-24 and ₹ 819.73 crore (16.98 per cent) in 2023-24 over the previous year. Interest payments consumed 14.42 per cent of Revenue receipts and 12.63 per cent of Revenue expenditure. Interest on Market loans (₹ 3,491.09 crore), Small Savings, Provident Funds etc. (₹ 1,284.16 crore) continued to be the major components of interest payments. Interest payments were slightly higher than the projections made in MTFPS (₹ 5,562.01 crore).

#### **Pensions**

The expenditure on pension and other retirement benefits to State Government pensioners increased by  $67.82 \, per \, cent$  from  $\stackrel{?}{\stackrel{?}{?}} 5,489.75$  crore in 2019-20 to  $\stackrel{?}{\stackrel{?}{?}} 9,212.64$  crore in 2023-24. It decreased by  $\stackrel{?}{\stackrel{?}{?}} 71.23$  crore (0.77  $\, per \, cent$ ) during the current year over the previous year. The expenditure on pension payments in the current

year (₹ 9,212.64 crore) was substantially higher than that projected in the MTFPS (₹ 7,709.19 crore).

# (i) Undischarged liabilities in National Pension System

The State Government employees recruited on or after 15<sup>th</sup> May 2003 are covered under the National Pension System (NPS), which is a Defined Contribution Pension Scheme (DCPS). In terms of the Scheme, the employee contributes 10 *per cent* of his/her basic pay and dearness allowance, and 14 *per cent* (w.e.f. 01 April 2019) of basic pay and dearness allowance is contributed by the State Government; and the entire amount is to be transferred to the designated fund manager through the National Securities Depository Limited (NSDL)/Trustee Bank.

During the year 2023-24, contribution from Government under MH-2071-Minor Head 117 was ₹ 93.73 crore and employee's contribution was ₹ 66.33 crore for NPS. This also included the contribution in relation to AIS (All India Services) officers. The Government transferred ₹ 159.90 crore (Employee share ₹ 66.33 crore and Government's share ₹ 93.57 crore) to the Public Account under Major Head 8342-117 Defined Contribution Pension scheme². The Government contribution to Defined Contribution Pension Scheme shown under MH-8342-117 (₹ 93.57 crore) differs with the amount shown under Major Head 2071-01-117 (₹ 93.73 crore) due to direct payment of last month NPS contribution to retiring subscribers by the DDO.

Further, the State Government is liable to pay interest on delayed transfer of NPS balances at the corresponding interest rates applicable to the General Provident Fund (GPF) subscribers. Thus, the State Government has created interest liability of ₹ 1.19 crore (interest calculated at the rate of 7.10 *per cent* as per interest payable to GPF) on the amount (₹ 17.39 crore on 1<sup>st</sup> April 2023 as per Finance Accounts) not transferred to NSDL. This also resulted in understatement of Revenue Deficit and Fiscal Deficit to that extent, as commented in **Paragraph 1.6**.

As per the information received from the State Government, the details of the receipts from employees' share, Government's contribution, interest accrued thereon and investment in pension fund of 5 years are given in **Table 2.21**.

Table 2.21: Details of contribution and investment under DCPS (period 2019-20 to 2023-24)

Source: Para 5(i) of Notes to Finance Account 2023-24.

However, Government of Himachal Pradesh has withdrawn from the defined contribution based National Pension System (NPS) and reverted to the Old Pension Scheme (OPS) with effect from 01.04.2023 vide Notification No. Fin (Pen) A (3)-1/2023, dated 04.05.2023, which provides a defined benefit.

In this regard, the State Government intimated that no separate pension fund has been created to deal with anticipated financial impact and fiscal burden/liability on account of restoration of OPS, on the State exchequer. The same will be met from State's own resources and its share lying with the Government of India/PFRDA will also be utilised partly to defray the future pension liabilities.

## Inflexible expenditure

The components of Inflexible expenditure which include among others Statutory devolution to local bodies and contribution to Reserve Funds showed a continued increase during the period 2019-20 to 2023-24. As a percentage of Revenue expenditure, the inflexible expenditure increased from 3.34 *per cent* to 4.58 *per cent*. Further, the inflexible expenditure (₹ 2,048.78 crore) increased by 1.44 *per cent* during 2023-24 over the previous year (₹ 2,019.65 crore).

#### 2.4.1.3 Subsidies

**Table 2.22** depicts the expenditure on subsidies during the period 2019-24. The subsidies during the current year decreased by ₹ 204.97 crore (10.39 *per cent*) from the previous year. The decrease was mainly due to decline in subsidies by ₹ 126.30 crore and ₹ 110.74 crore to Food and Supply, and Power projects respectively.

2019-20 2020-21 2021-22 **Particulars** 2022-23 2023-24 1,067.78 1,240.63 1,187.99 1,973.32 Subsidies (₹ in crore) 1,768.35 1,044.03 Power subsidy (₹ in crore) 400.00 419.99 933.29 520.45 Subsidies as percentage of Revenue 3.47 3.71 5.18 3.18 4.51 receipts Subsidies as percentage of Revenue 3.47 3.70 3.28 4.44 3.95 expenditure Subsidies as percentage of Total 2.94 3.17 2.79 3.90 3.50 Expenditure Subsidies as percentage to Revenue 1,283.50 31.15 31.81 Power subsidy as percentage to total 41.95 35.35 52.91 37.46 52.78 subsidy

Table 2.22: Expenditure on subsidies during 2019-24

Source: Finance Accounts.

Power subsidy constituted major portion of the total subsidies, ranging between 35.35 *per cent* and 52.91 *per cent* during the five-year period (2019-20 to 2023-24). The total subsidies contributed 31.81 *per cent* to the Revenue Deficit during 2023-24.

# 2.4.1.4 Financial assistance by the State Government to Local Bodies and Other Institutions

Assistance provided by way of grants to the local bodies and other institutions during the period 2019-20 to 2023-24 is presented in **Table 2.23**.

<sup>\*</sup> Not calculated as State had Revenue Surplus.

Source: Finance Accounts and information received from PAG (A&E).

During the current year, financial assistance to local bodies and other institutions decreased by ₹754.73 crore (12.91 *per cent*) over the previous year. The decrease was mainly due to a reduction in assistance to Panchayati Raj Institutions (₹560.20 crore:  $31.95 \ per \ cent$ ), Hospital and Other Charitable Institutions (₹224.62 crore:  $33.46 \ per \ cent$ ).

The financial assistance given for salary purposes during 2023-24 increased while assistance given for the creation of Capital assets and non-salary purpose decreased over the previous year. GIA for creation of Capital assets decreased by  $\stackrel{?}{\sim}$  465.57 crore (33.82 *per cent*) and GIA for non-salary decreased by  $\stackrel{?}{\sim}$  324.30 crore (11.86 *per cent*).

Major recipients of financial assistance are shown in **Table 2.24**.

Table 2.24: Major recipients of financial assistance during the year 2023-24

(₹ in crore)

| Recipients                     | Name of schemes                                  | Amount |
|--------------------------------|--|--------|
| 2202-Director Higher Education | Sarva Shiksha Abhiyan                            | 609.21 |
| Shimla                         | Sarva Shiksha Abhiyan                            | 009.21 |
| 2505-Rural Employment          | National Rural Employment Guarantee Schemes      | 511.45 |
| 3055-Road Transport            | Assistance to Transport Services                 | 320.55 |
| 2211-Family Welfare            | Provision under National Rural Health Mission    | 271.18 |
| 2217-Urban Development         | Grant to Municipal Corporation Shimla            | 160.06 |
| 2202-Finance Officer, H.P.     | Grant-in-aid to Himachal Pradesh University      | 152.20 |
| University                     | Grant-in-aid to Finiacital Fradesii University   | 132.20 |
| 2217-Urban Development         | Smart City Mission Shimla                        | 149.50 |
| 2415-Agriculture and Research  | Grant-in-aid to Dr. Y.S. Parmar University Solan | 134.84 |
| Education                      | Grant-in-aid to Dr. 1.5. Farmar University Solan | 134.64 |
| 2501-Special Programme for     | Himachal Dradach Vauchal Vilras Nigam            | 120.00 |
| Rural Development              | Himachal Pradesh Kaushal Vikas Nigam             | 120.00 |
| 2216-Housing                   | Pradhan Mantri Awas Yojna (Gramin)               | 115.80 |

## 2.4.2 Capital expenditure

Capital expenditure is primarily expenditure on creation of fixed infrastructure assets such as roads, buildings, etc. Capital expenditure, in both the Centre and the State, is being met from budgetary support and extra budgetary resources/ off-budget borrowings. It also includes investments made by the State Government in companies/corporations. Trend of Capital expenditure in the State over the last five years i.e., 2019-24, is given in **Chart 2.14**.

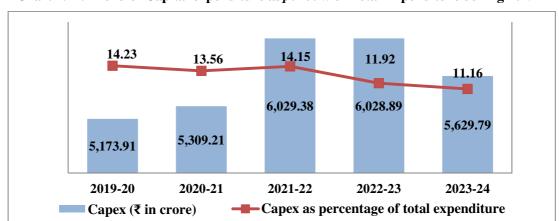

Chart 2.14: Trend of Capital expenditure as per cent of Total Expenditure during 2019-24

Chart 2.14 shows that Capital expenditure fluctuated over the last five-year period. During 2023-24, it decreased by ₹ 399.10 crore (6.62 *per cent*) over the previous year. Capital expenditure not only in absolute terms but as well as proportion of Total Expenditure observed a declining trend over the past two years. This declining trend can prove to be detrimental to the future economic growth. Capex constituted only 11 *per cent* to 14 *per cent* of total expenditure over the last five-year period (2019-24).

Besides, the State Government also gave Grants-in-aid of ₹ 5,005.39 crore during the period 2019-24 for creation of assets which is considered as part of Revenue expenditure (as shown in **Table 2.23**).

#### 2.4.2.1 Major changes in Capital expenditure

Major changes in Capital expenditure during 2023-24 compared to 2022-23 are depicted in **Table 2.25**.

Table 2.25: Capital expenditure during 2023-24 compared to 2022-23

(₹ in crore)

| Major Heads of Accounts                                   | 2022-23  | 2023-24  | Increase (+)/<br>Decrease (-) |
|---|----------|----------|-------------------------------|
| 5053-Capital Outlay on Civil Aviation                     | 21.68    | 315.82   | 294.14                        |
| 4215- Capital Outlay on Water Supply and Sanitation       | 812.04   | 1,022.97 | 210.93                        |
| 4202-Capital Outlay on Education, Sports, Art and Culture | 411.24   | 300.30   | -110.94                       |
| 5054-Capital Outlay on Roads and Bridges                  | 2,178.22 | 2,065.12 | -113.10                       |
| 4851-Capital Outlay on Village and Small Industries       | 198.28   | 72.09    | -126.19                       |
| 4210-Capital Outlay on Medical and Public Health          | 551.64   | 295.67   | -255.97                       |

• Increase in Capital Outlay on Civil Aviation was mainly due to increase of ₹ 193.40 crore under 'Aerodromes' from previous year.

- Increase in Capital Outlay on Water Supply and Sanitation was mainly due to increase of ₹155.20 crore under 'Rural Water Supply Schemes in various district' from previous year.
- Decrease in Capital Outlay on Medical and Public Health was mainly due to decrease of ₹ 203.77 crore under 'Allopathy' from previous year.
- Decrease in Capital Outlay on Village and Small Industries was mainly due to decrease of ₹ 111.86 crore in 'Other Expenditure' from previous year.

## 2.4.2.2 Quality of Capital expenditure

This section presents an analysis of investments and other Capital expenditure undertaken by the Government during the current year.

#### (i) Quality of investments in the companies, corporations and other bodies

Investments made and loans given to companies and corporations which are loss making and that where net worth has completely eroded, affect quality of Capital expenditure. Return on investment in share capital invested in Public Sector Undertakings (PSUs) and history of repayment of loans given to various bodies are important determinants of quality of Capital expenditure.

As per the latest financial accounts, total paid up capital of 28 working SPSEs stood at ₹ 5,899.78 crore at the end of 2023-24, of which the State Government's investment (equity) was ₹ 4,140.62 crore (70.18 *per cent*) (**Appendix 2.3**).

Twelve SPSEs (excluding two SPSEs i.e., one inactive and one under liquidation) in which the State Government held investment of  $\ge 4,038.33$  crore had aggregate accumulated losses of  $\ge 6,454.47$  crore (**Appendix 2.4**).

Of the above 12 SPSEs, net worth of seven SPSEs had completely eroded and had become negative. The net worth of these seven SPSEs (as per their finalised accounts) was (-)  $\stackrel{?}{\stackrel{?}{}}$  3,347.44 crore, against equity investment of  $\stackrel{?}{\stackrel{?}{}}$  2,354.75 crore in them, as on 31<sup>st</sup> March 2024. In two out of these seven SPSEs whose Capital had eroded, Government loan outstanding as on 31<sup>st</sup> March 2024 amounted to  $\stackrel{?}{\stackrel{?}{}}$  3,089.90 crore (**Appendix 2.4**).

#### (ii) Investment and returns

Trends of return on investment in companies, corporations, and co-operative banks and societies, difference between cost of Government borrowings and return on investments are depicted in **Table 2.26**.

Table 2.26: Details of Investment and return on Investment

| Investment/ Return/ cost of Borrowing                        | 2019-20  | 2020-21  | 2021-22  | 2022-23  | 2023-24  |
|--|----------|----------|----------|----------|----------|
| Investments at the end of the year (₹ in crore)              | 4,261.06 | 4,562.40 | 4,913.00 | 5,333.57 | 5,524.23 |
| Return (₹ in crore)  | 248.44   | 245.43   | 166.53   | 180.90   | 191.17   |
| Return (per cent)  | 5.83     | 5.38     | 3.39     | 3.39     | 3.46     |
| Average rate of interest on Government borrowings (per cent) | 7.98     | 7.59     | 7.51     | 6.74     | 6.88     |

| Investment/ Return/ cost of Borrowing      | 2019-20 | 2020-21 | 2021-22 | 2022-23 | 2023-24 |
|--|---------|---------|---------|---------|---------|
| Difference between return and average rate | -2.15   | -2.21   | -4.12   | -3.35   | -3.42   |
| of interest on borrowings (per cent)       | 2.13    | 2,21    | 7,12    | 3.33    | 3.12    |
| Notional loss due to difference between    |         |         |         |         |         |
| interest on Government borrowings and      | 91.61   | 100.83  | 202.42  | 178.67  | 188.93  |
| return on investment (₹ in crore) #        |         |         |         |         |         |

Source: Finance Accounts.

During 2023-24, the return on investment was ₹ 191.17 crore (3.46 per cent). The return on these investments ranged between 3.39 per cent and 5.83 per cent during 2019-24, while the average rate of interest paid by the State Government on its borrowings was between 6.74 per cent and 7.98 per cent during the same period. Out of total investment of ₹ 5,524.23 crore as on  $31^{st}$  March 2024, investment of ₹ 4,737.81 crore (85.76 per cent) was in five<sup>3</sup> companies. During 2023-24, Satluj Jal Vidyut Nigam contributed 97.68 per cent (₹ 186.74 crore) of total return. Over the past five years, the difference between cost of Government borrowings and return on investments in PSUs was to the tune of ₹ 762.46 crore.

# (iii) Reconciliation of Government Investments with Accounts of Companies

The figures of Government investments as equity in State Public Sector Enterprises (SPSEs) should agree with those appearing in the accounts of SPSEs. Reconciliation of figures is necessary to figure out the differences in accounts of SPSEs and Finance Accounts of the State Government. Scrutiny of both the accounts revealed that as per Finance Accounts, Government investment as equity in 28 SPSEs was ₹ 4,270.37 crore whereas as per records of SPSEs it was ₹ 4,160.32 crore. There was a difference of ₹ 110.05 crore (**Appendix 2.5**). Reconciliation should be carried out in a time-bound manner to explain the difference.

#### (iv) Loans and Advances by State Government

In addition to the investments in co-operative societies, corporations and companies, the State Government has also been providing Loans and Advances to many institutions/ organisations. **Table 2.27** presents the position of outstanding Loans and Advances as on  $31^{st}$  March 2024 and interest receipts vis-a-vis interest payments by the State Government on its borrowings during the last five years.

Table 2.27: Quantum of loans disbursed and recovered during 2019-24

(₹in crore)

| Quantum of loans/interest receipts/ cost of borrowings | 2019-20  | 2020-21  | 2021-22  | 2022-23  | 2023-24  |
|--|----------|----------|----------|----------|----------|
| Opening Balance of the loans outstanding*              | 6,953.33 | 7,390.49 | 7,687.59 | 8,024.83 | 8,052.62 |
| Amount advanced during the year                        | 458.21   | 320.12   | 377.97   | 110.57   | 106.95   |
| Amount recovered during the year                       | 21.03    | 23.02    | 40.73    | 82.79    | 27.40    |
| Closing Balance of the loans outstanding*              | 7,390.49 | 7,687.59 | 8,024.83 | 8,052.62 | 8,132.18 |
| Net addition   | 437.17   | 297.10   | 337.24   | 27.78    | 79.55    |

<sup>#</sup> Investment at the end of year X Difference between interest rate and return.

<sup>&</sup>lt;sup>3</sup> Satluj Jal Vidyut Nigam Ltd. (₹ 1,098.14 crore), Himachal Pradesh Power Transmission Corporation Ltd. (₹ 424.50 crore), Himachal Pradesh Power Corporation (₹ 1,024.71 crore), Himachal Pradesh State Electricity Board Ltd. (₹ 869.64 crore) and Himachal Road Transport Corporation (₹ 1,320.82 crore).

| Quantum of loans/interest receipts/ cost of borrowings  | 2019-20 | 2020-21 | 2021-22 | 2022-23 | 2023-24 |
|---|---------|---------|---------|---------|---------|
| Interest received   | 135.11  | 248.98  | 97.72   | 15.44   | 47.65   |
| Interest rate on Loans and Advances given by the Government (per cent)  | 1.94    | 3.37    | 1.24    | 0.19    | 0.59    |
| Interest payments as <i>per cent</i> to outstanding Fiscal liabilities of the previous year ( <i>per cent</i> ) | 7.80    | 7.19    | 6.91    | 6.99    | 6.87    |
| Difference between the rate of interest paid and interest received (per cent)                                   | 5.86    | 3.82    | 5.64    | 6.80    | 6.28    |

Source: Finance Accounts.

During 2023-24, an amount of ₹106.95 crore was advanced as loans against ₹110.57 crore during the previous year. The major portion of loans amounting to ₹98.35 crore (91.96 per cent) was given only to Power sector. Loans amounting to ₹7,743.37 crore were outstanding at the beginning of the year against Power sector. Over the last 10 years, repayment of earlier loans was not made by the Public Sector Undertakings under Power sector. However, further loans are being extended continuously to Power sector without recovery of earlier loans.

During the current year (2023-24), recovery of only ₹ 27.40 crore was made, in which major portion (₹ 21.49 crore i.e. 78.43 *per cent*) pertained to Co-operatives.

## (v) Capital blocked in incomplete projects

An assessment of trends in Capital blocked in incomplete Capital works would also indicate quality of Capital expenditure. Blocking of funds in incomplete projects/ works impinges negatively on the quality of expenditure and deprives the State of the intended benefits for prolonged periods. Further, the funds borrowed for implementation of these projects during the respective years lead to extra burden in terms of servicing of debt and interest liabilities. Details of age-wise and Department-wise incomplete projects, which were to be completed up to 2023-24 are shown in **Tables 2.28** and **2.29** respectively.

| Table 2.28: Age-profile of incomplete projects as on 31st March 2024 (₹ in crore) |                            |                |   |  |  |
|---|----------------------------|----------------|---|--|--|
| Year of commencement  | No. of incomplete projects | Estimated cost | Expenditure<br>(as on 31 <sup>st</sup><br>March 2024) |  |  |
| Up to 2015  | 15                         | 600.77         | 564.69  |  |  |
| 2016  | 4                          | 112.95         | 95.87   |  |  |
| 2017  | 5                          | 54.70          | 20.00   |  |  |
| 2018  | 8                          | 55.29          | 46.97   |  |  |
| 2019  | 2                          | 19.13          | 16.71   |  |  |
| 2021  | 3                          | 29.82          | 7.95  |  |  |
| 2022  | 5                          | 53.54          | 33.04   |  |  |
| 2023  | 8                          | 136.94         | 68.94   |  |  |
| 2024  | 1                          | 24.86          | 4.00  |  |  |
| Total   | 51                         | 1,088.00       | 858.17  |  |  |

| Table 2.29: Department-wise profile of incomplete projects as on 31 <sup>st</sup> March 2024 (₹in crore) |                            |                     |   |  |  |  |
|--|----------------------------|---------------------|---|--|--|--|
| Depart-<br>ment  | No. of incomplete projects | Estima-<br>ted cost | Expenditure<br>(as on 31st<br>March 2024) |  |  |  |
| I&PH   | 27                         | 752.75              | 679.97                                    |  |  |  |
| PWD<br>(Bridges<br>& Roads)  | 24                         | 335.25              | 178.20                                    |  |  |  |
| Total  | 51                         | 1,088.00            | 858.17                                    |  |  |  |

<sup>\*</sup> From 2016-17 onwards, closing and opening balance includes ₹ 2,890.50 crore of loans given to DISCOM under UDAY Scheme.

The expenditure of ₹858.17 crore incurred on 51 incomplete projects was yet to yield the intended benefits. Out of 51 incomplete projects, 15 projects on which expenditure of ₹564.69 crore had been incurred till 31.03.2024, pertained to the period prior to the year 2015.

Delay in completion of projects not only adversely affected the quality of expenditure but also deprived the State of intended benefits and economic growth.

# 2.4.2.3 Resource availability of the State under Public Private Partnership Projects

Public Private Partnership (PPP) is an arrangement between the Government or statutory entity and a private sector entity, to provide a framework that enables them to work together to meet the rising demand of the public for infrastructure development. Details of PPP projects (completed, ongoing and planned) as on 31<sup>st</sup> March 2024 are given in **Appendix 2.6**, and sector-wise details of PPP projects are given in **Table 2.30**.

Table 2.30: Sector-wise details of PPP projects

(₹ in crore)

| Sr. |                      | Completed |                 | Ong    | going           | Planned |                 |
|-----|----------------------|-----------|-----------------|--------|-----------------|---------|-----------------|
| No. | Sector               | Number    | Estimated Cost* | Number | Estimated Cost* | Number  | Estimated Cost* |
| 1.  | Urban Infrastructure | 7         | 124.00          | 9      | 383.00          | 3       |                 |
| 2.  | Energy               | 36        | 14,456.00       | 12     | 4,881.41        | 47      | 5,123.11        |
| 3.  | Social               | 4         | 115.00          | 0      | 0               | 0       | 0               |
| 4.  | Tourism              | 3         | 177.00          | 6      | 680.00          | 3       |                 |
| 5.  | Others               | 0         | 0               | 4      | 13.00           | 2       |                 |

Source: Departmental figures.

#### 2.4.3 Expenditure priorities

Enhancing human development levels requires the States to step up expenditure on key social services like education, health, etc. Low Fiscal priority (ratio of expenditure under a category to aggregate expenditure) can be said to be attached to a particular sector if the allocation is below the respective national average. The higher the ratio of these components to total expenditure, the better the quality of expenditure.

**Table 2.31** analyses expenditure priorities of the State Government in comparison with North Eastern & Himalayan (NE & H) States, with regard to aggregate expenditure, expenditure on Education and Health sectors and Capital expenditure during 2023-24, taking 2019-20 as base year.

Table 2.31: Expenditure priority of the State in 2019-20 and 2023-24

(in per cent)

| Fiscal priority of the State                          | TE/ GSDP | CE/TE | <b>Education/ TE</b> | Health/ TE |
|---|----------|-------|----------------------|------------|
| North Eastern & Himalayan (NE &H)<br>States (2019-20) | 26.21    | 14.94 | 17.08                | 6.37       |
| Himachal Pradesh (2019-20)                            | 22.85    | 15.49 | 17.43                | 6.34       |
| North Eastern & Himalayan (NE &H)<br>States (2023-24) | 25.19    | 17.61 | 15.93                | 6.43       |
| Himachal Pradesh (2023-24)                            | 24.33    | 11.37 | 16.47                | 6.34       |

Note: TE-Total expenditure and CE-Capital expenditure (includes Loans and Advances disbursed).

<sup>\*</sup> Project(s) for which cost is not known has(have) not been included in the Estimated Cost.

#### **Table 2.31** shows that:

- The State Government's total expenditure as proportion of GSDP, increased from 22.85 *per cent* in 2019-20 to 24.33 *per cent* in 2023-24 whereas for North Eastern & Himalayan (NE &H) States, it decreased from 26.21 *per cent* in 2019-20 to 25.19 *per cent* in 2023-24.
- Capital expenditure facilitates asset creation which generates opportunities for higher growth. The ratio of Capital expenditure to total expenditure decreased to 11.37 per cent in 2023-24 from 15.49 per cent in 2019-20. But this ratio for NE &H States increased to 17.61 per cent from 14.94 per cent during the same period.
- The ratio of expenditure on education to total expenditure in Himachal Pradesh decreased to 16.47 *per cent* in 2023-24 from 17.43 *per cent* in 2019-20 and in the case of NE &H States it also decreased to 15.93 *per cent* from 17.08 *per cent* during the same period.
- The ratio of expenditure on health to total expenditure in Himachal Pradesh remained static during 2019-20 and 2023-24, whereas in the case of NE &H States, it increased slightly to 6.43 *per cent* from 6.37 *per cent* during the same period.

#### 2.4.4 Object head-wise expenditure

Object head-wise expenditure gives information about the object/ purpose of the expenditure. Details of object head-wise expenditure for the year 2023-24 are provided in **Chart 2.15**.

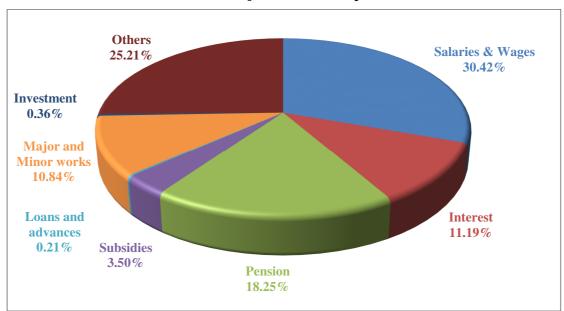

Chart 2.15: Object head-wise expenditure

# 2.5 Public Account

Receipts and Disbursements in respect of certain transactions such as Small Savings, Provident Funds, Reserve Funds, Deposits, Suspense, Remittances, etc., which do not form part of the Consolidated Fund, are kept in the Public Account set up under Article 266(2) of the Constitution and are not subject to vote by the State Legislature. The Government acts as a banker in respect of these. The balance after disbursements during the year is the fund available with the Government for use for various purposes.

#### 2.5.1 Net Public Account balances

The component-wise net balances in Public Account of the State are given in **Table 2.32** and yearly changes in composition of Public Account balances are depicted in **Chart 2.16**.

Table 2.32: Component-wise net balances in Public Account

(₹ in crore)

#### 2.5.2 Reserve Funds

Reserve Funds are created for specific and defined purposes under the Public Account of the State Government. These funds are met from contributions or grants from the Consolidated Fund or from outside agencies. It comprises interest bearing reserve funds and reserve funds not bearing interest.

Details of Reserve Funds are available in Statements 21 and 22 of the Finance Accounts. There were three interest bearing funds and four Reserve Funds not bearing interest as on 31<sup>st</sup> March 2024. The fund balances lying in these Reserve Funds as on 31<sup>st</sup> March 2024 are given in **Table 2.33**.

Table 2.33: Details of Reserve Fund

(₹ in crore)

| Sr. No. | Name of Reserve Fund                  | Balance as on 31st March 2024 |
|---------|---------------------------------------|-------------------------------|
| A       | Reserve Funds bearing Interest        | 1,969.07                      |
| 1       | State Disaster Response Fund          | 58.15                         |

\* ₹ 0.07 lakh only.

#### 2.5.2.1 Consolidated Sinking Fund

In terms of the recommendations of the Twelfth Finance Commission, State Governments were required to create Consolidated Sinking Fund to be administered by the Reserve Bank of India for redemption of outstanding liabilities. As per model Consolidated Sinking Fund scheme, circulated by RBI's guidelines of 2006 for voluntary adoption by the States, the State Government was to make minimum annual contributions to the Fund at the rate of 0.5 *per cent* of the outstanding liabilities at the end of the previous financial year.

As per the above directions, by the end of the year 2023-24 the State Government was required to contribute 0.5 *per cent* of the outstanding liabilities as on 31<sup>st</sup> March 2023. The outstanding liabilities of the State Government, as of 31<sup>st</sup> March 2023, was ₹82,177.21 crore. Thus, the State Government was required to contribute a minimum amount of ₹410.89 crore (0.5 *per cent* of ₹82,177.21 crore) in 2023-24 into the fund.

However, the State Government had not created the Consolidated Sinking Fund so far.

### 2.5.2.2 State Disaster Risk Management Fund

The Fifteenth Finance Commission (15<sup>th</sup> FC) recommended creation of a State Disaster Risk Management Fund (SDRMF) at State level, which would include State Disaster Response Fund (SDRF) and State Disaster Mitigation Fund (SDMF). The total State allocation for SDRMF would be divided into SDRF and SDMF, which together address the full cycle of disaster management needs – response and relief, recovery and reconstruction, preparedness and capacity building and mitigation. SDRF would receive 80 *per cent* of the total SDRMF, while SDMF would get 20 *per cent* of the allocation.

#### (a) State Disaster Response Fund

The Government of India replaced the erstwhile Calamity Relief Fund with the State Disaster Response Fund (SDRF) with effect from 1 April 2010. In terms of the guidelines of SDRF (September 2010, July 2015 and January 2022), the Centre and the State Governments are required to contribute to the Fund in the proportion of 90:10. The contributions are to be transferred under the Public Account to Major Head – 8121. Expenditure during the year is incurred by operating Major Head – 2245.

The State Governments are required to pay interest to the SDRF at the rate applicable to overdrafts under Overdraft Regulation Guidelines of the RBI. The interest is to be credited on a half yearly basis. The accretions to the SDRF together with the income earned on the investment of SDRF is to be invested in Central Government dated Securities, auctioned Treasury Bills and other interest earning deposits with Scheduled Commercial Banks.

The SDRF is to be used only for meeting expenditure for providing immediate relief to the victims of a disaster and provision for disaster preparedness, restoration, reconstruction and mitigation should not be a part of SDRF. Such expenditure has to be built into the normal budgetary heads/State Plan Funds, etc.

As per Finance Accounts, during the year 2023-24, the State Government received ₹ 360.80 crore as Central Government's share. The State Government's share during the year is ₹ 40.00 crore. The State Government transferred ₹401.00 crore {(Central share ₹ 360.80 crore, State share ₹ 40.20 crore (excess transfer ₹ 0.20 crore pertains to the year 2021-22)} to the Fund under Major Head 8121-122 SDRF.

In addition, the State received ₹ 787.25 crore from the Central Government towards NDRF, which was deposited / transferred to the Fund under Major Head 8235-125 NDRF as on 31<sup>st</sup> March 2024.

The balances of 31<sup>st</sup> March 2023 of ₹ 55.55 crore under SDRF were also not invested by the State Government. Interest of ₹ 11.36 crore {interest calculated at the rate of 8.50 *per cent* (average rate of W&MA during 2022-23, 6.50 plus 2 *per cent*)} would have been earned had these balances been invested, which resulted in understatement of Revenue Deficit and Fiscal Deficit to that extent.

Details of expenditure charged to SDRF during 2023-24 are given in **Table 2.34**.

Table 2.34: Details of expenditure charged to SDRF during 2023-24

(₹ in crore)

| <b>Major Head of Account</b> | Minor Head of Account                                    | Expenditure |  |

#### (b) State Disaster Mitigation Fund

The State Disaster Mitigation Fund (SDMF) is to be constituted under Section 48 (1) (c) of the Disaster Management Act, 2005. This Fund is exclusively for the purpose of mitigation projects in respect of disaster covered under State Disaster Response Fund (SDRF)/ National Disaster Response Fund (NDRF) guidelines and the State specific local disaster notified by the State Government from time to time. The State Government has created the SDMF (under Major Head- '8121 General and Other Reserve Funds' which is under interest bearing section) vide Notification No. Fin-G-C (2) 05/2022, dated 27.02.2023.

During the year 2023-24, the State Government received ₹ 42.80 crore as Central Government's share. The State Government's share during the year is ₹ 4.80 crore. The State Government transferred ₹ 95.20 crore (Central share: ₹ 85.60 crore {2022-23 (received on 31<sup>st</sup> March 2023): ₹ 42.80 crore and 2023-24: ₹ 42.80 crore}, State share ₹ 9.60 crore (2022-23 (received on 31<sup>st</sup> March 2023): ₹ 4.80 crore and 2023-24: ₹ 4.80 crore to the Fund under Major Head 8121-130 SDMF.

An amount of  $\stackrel{?}{\stackrel{?}{?}}$  93.78 crore was set off in the Major Head 2245 as expenditure met from the funds and no amount was invested from the Fund. The closing balance as on  $31^{st}$  March 2024 was  $\stackrel{?}{\stackrel{?}{?}}$  43.46 crore in the fund.

#### 2.5.2.3 Guarantee Redemption Fund

Guarantee Redemption Fund is to be constituted for meeting payment obligations arising out of guarantees issued by the Government in respect of bonds and other borrowings by State Public Sector Undertakings or other Bodies and invoked by beneficiaries. The accumulations in the Fund are to be utilised only towards payment of guarantees issued by the Government and not paid by the institutions on whose behalf guarantee was issued. The Reserve Bank of India circulated a draft scheme (August 2001) for voluntary adoption by States, as per which the State Government was to contribute an amount equivalent to at least 0.5 *per cent* of the outstanding guarantees at the end of the second financial year preceding the current financial year as reflected in the books of accounts maintained by the Pr. Accountant General (A&E). The State Government, however, had not set up a Guarantee Redemption Fund so far.

The outstanding guarantees at the close of the financial year 2023-24 was ₹ 1,744.81 crore. In case of default, by a PSU or other body, the State Government will have to bear the expenditure from other available resources in absence of Guarantee Redemption Fund, putting more stress on the finances. However, the outstanding guarantee accounted for 4.58 *per cent* of the total Revenue receipts of the previous year (2022-23) of the State, which was within the limit of the target 40 *per cent* of the total Revenue receipts of the previous year, as prescribed in the FRBM Act.

#### 2.5.2.4 State Compensatory Afforestation Fund

State Compensatory Afforestation Fund (SCAF) was required to be created for administering amounts received and utilising monies collected for undertaking compensatory afforestation, assisted natural regeneration, conservation and protection of forests, infrastructure development, wildlife conservation and protection and other related activities and for matters connected therewith or incidental thereto. Detailed guidelines for accounting under this Fund have been issued by Ministry of Environment, Forest and Climate Change, Government of India in November 2018.

During the year 2023-24, the State Government has not received any amount from the user agencies. Government received ₹ 308.30 crore (no amount *in previous year*) from National Compensatory Afforestation Deposit. The Government incurred an expenditure of ₹ 61.55 crore from the Fund and no amount was invested during the year. The State Government paid interest of ₹ 54.03 crore due for the year 2023-24 to the Fund under Major Head 8121-129-SCAF.

The balance in the State Compensatory Afforestation Fund as on 31<sup>st</sup> March, 2024 was ₹ 1,867.46 crore.

# 2.5.2.5 Central Road and Infrastructure Fund

The erstwhile Central Road Fund (CRF) has been renamed as the Central Road and Infrastructure Fund (CRIF) vide Government of India's Gazette notification dated 31.03.2018. The CRIF will be used for development and maintenance of National Highways, Railway projects, improvement of safety in Railways, State and Rural roads and other infrastructure, etc.

In terms of the extant accounting procedure, the grants received by the State from the Centre are to be initially booked as Revenue receipts under Major Head 1601.

Thereafter, the amount so received is to be transferred by the State Government to the Public Account under Major Head 8449-103- Subventions from Central Road and Infrastructure Fund through functional Major Head(s).

During the year 2023-24, the State Government received grants of ₹ 136.32 crore towards CRIF. The State Government did not transfer ₹ 136.32 crore to the Fund in the Public Account, as the Fund has not been yet created by the State Government. However, during the year, the State Government spent ₹ 148.04 crore on CRIF from Capital expenditure heads.

#### 2.5.3 Suspense and Miscellaneous

During the year 2023-24, an amount of ₹ 21.58 crore had been cleared from the Suspense and ₹ 5.73 crore remained outstanding under Suspense [Major Head 8658, Minor Head 110-Reserve Bank Suspense-Central Accounts Office] by the office of the Principal Accountant General (A&E), for want of documents like vouchers/challans/sanction letters, etc. The total expenditure of the Government is understated to that extent.

Further, an amount of ₹ 40.07 crore of Objection Book suspense of previous years (Revenue expenditure ₹ 34.94 crore and Capital expenditure ₹ 5.13 crore) has been cleared during 2023-24. Thus, the Revenue expenditure/Capital expenditure in the Finance Accounts and actual expenditure in the Appropriation Accounts against the Budget provisions for the year 2023-24 are overstated to that extent.

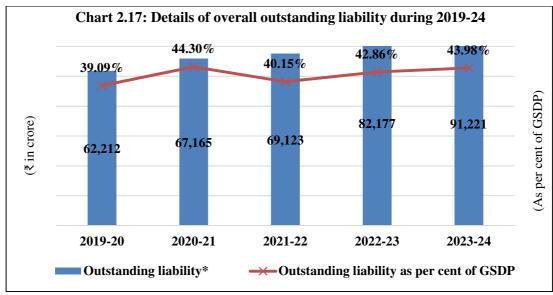

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balance under these heads, worked out by aggregating the outstanding debit and credit balances separately under various heads, was ₹ 885.53 crore (credit) under Suspense and Remittance Heads as on 31<sup>st</sup> March 2024 [₹718.90 crore (credit) as on 31<sup>st</sup> March 2023].

Non-clearance of outstanding balances under these heads affects the accuracy of receipt/expenditure figures and balances under different heads of Accounts (which are carried forward from year to year) of the State Government.

#### 2.6 Public Liability Management

Management of public liability is the process of establishing and executing a strategy for managing the Government's liabilities in order to raise the required amount of funding, achieve its risk and cost objectives, and to meet any other sovereign debt management goals that the Government may have set through enactment or Budget announcements.

The year-wise position of overall outstanding liability for the period 2019-20 to 2023-24 is given in **Chart 2.17**.

<sup>\*</sup> Total outstanding liabilities and ratio of total outstanding debt to GSDP excludes ₹ 1,717 crore for the year 2020-21 and ₹ 4,412.22 crore (2020-21: ₹ 1,717 crore and 2021-22: ₹ 2,695.22 crore) for the years 2021-22, 2022-23 and 2023-24 as back-to-back loans to State from Government of India in lieu of GST compensation shortfall.

#### 2.6.1 Liability profile: Components

Total liability of the State Government consists of Internal Debt of the State (Market Loans, Ways and Means Advances from RBI, Special Securities issued to National Small Savings Fund and Loans from Financial Institutions, etc.), Loans and Advances from the Central Government and Public Account Liabilities. The outstanding Fiscal liabilities of the State for the year 2023-24 are presented in **Chart 2.18**. The component-wise liability trends of the State for the five-year period from 2019-20 to 2023-24 are shown in **Table 2.35**.

Table 2.35: Component-wise liability trends

(₹ in crore)

Source: Finance Accounts of respective years.

The outstanding total liability of the State increased by ₹29,008.89 crore from ₹62,211.84 crore in 2019-20 to ₹91,220.73 crore in 2023-24 registering an increase of 46.63 per cent. Over the period of five years (2019-24), Internal debt of the State (which mainly included outstanding long term loans raised from open market, bonds issued for clearing debts of State Power Corporation Limited in compliance with the implementation of Ujwal Discom Assurance Yojna (UDAY) during 2016-17) increased by ₹21,911.52 crore (55 per cent); Loans from Government of India (which mainly included Block loans) increased by ₹3,473.80 crore (333 per cent); and Public Account Liability (which mainly included Small Savings, Provident Funds, Reserve Funds, Deposits, etc.) increased by ₹3,623.57 crore (17 per cent).

As shown in the table above, during the period 2019-24 the percentage of debt repayments to debt receipts ranged between 45.31 *per cent* and 74.11 *per cent* (at an average of 60 *per cent*). This means that the State Government used only 40 *per cent* (average) of debt receipts on developmental activities (in 2022-23 and 2023-24 debt receipts was also used for meeting Revenue expenditure).

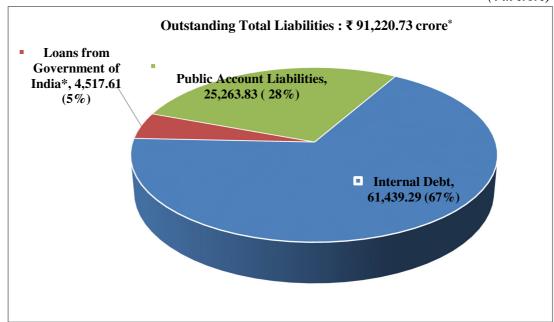

During 2023-24, total liability increased by 11 *per cent* (₹ 9,043.52 crore) as compared to 18.89 *per cent* (₹ 13,054.63 crore) in the previous year. The ratio of total liability to GSDP remained in the range between 39.09 *per cent* and 44.30 *percent* during the period of 5 years. The total liability/ GSDP ratio (43.98 *per cent*) was substantially higher than that of 15<sup>th</sup> FC projections (36.80 *per cent*) and targets set by State Government in its Budget/ MTFPS (38.98 *per cent*).

Break-up of outstanding total liabilities at the end of 2023-24 is shown in **Chart 2.18**.

<sup>\*</sup> Excludes ₹ 1,717 crore (2020-21) and ₹ 4,412.22 crore (2020-21: ₹ 1,717 crore and 2021-22: ₹ 2,695.22 crore) for the year 2021-22, 2022-23 and 2023-24 as back-to-back loans to State from Government of India in lieu of GST compensation shortfall.

a – Second Revised Estimate, b – First Revised Estimate, c – Advance Estimate.

Chart 2.18: Break-up of outstanding total liabilities at the end of 31st March 2024

<sup>\*</sup> Excludes ₹ 1,717 crore (2020-21) and ₹ 4,412.22 crore (2020-21: ₹ 1,717 crore and 2021-22: ₹ 2,695.22 crore) for the years 2020-22 as back-to-back loans to State from Government of India in lieu of GST compensation shortfall.

**Chart 2.19** depicts the quantum of internal debt taken *vis-à-vis* repaid during the period of five years i.e. 2019-24.

(₹ in crore) **■ Internal Debt Taken** ■ Internal Debt Repaid 21,632 14,437 13,252 10,777 11,047 10,033 7,788 6,612 5,747 4,290 2019-20 2020-21 2021-22 2022-23 2023-24

Chart 2.19: Year-wise details of internal debt taken vis-à-vis repaid

Source: Finance Accounts of the respective years.

Internal debt of the State Government (receipts) is showing a fluctuating trend in the period of 5 years (2019-24). During the year 2022-23, State Government raised substantial amount of loan (₹ 21,632 crore) as compared to the year 2021-22. But during current year the amount of loan decreased to ₹ 13,252 crore, a decrease of ₹ 8,380 crore.

**Table 2.36** depicts financing pattern of the Fiscal Deficit during 2019-24 and the financing of Fiscal Deficit during 2022-23 is expressed through a chart (**Chart 2.20**).

Table 2.36: Components of Fiscal Deficit and its financing pattern

Source: Finance Accounts.

It can be seen from the above table that as of March 2024, out of total outstanding public debt along with interest of ₹ 97,829.96 crore (principal: ₹ 62,372.17 crore and interest: ₹ 35,457.79 crore), 8.71 per cent (₹ 8,525.10 crore) is payable in the next one year; 17.77 per cent (₹ 17,380.62 crore) is payable in the next one to three years (upto 2026-27); 16.57 per cent (₹ 16,213.04 crore) is payable in the next three to five years (upto 2028-29); 16.20 per cent (₹ 15,848.24 crore) is payable in the next five to seven years (upto 2030-31); 18.85 per cent (₹ 18,443.08 crore) is payable in the next seven to

<sup>\*</sup> This amount excludes ₹ 4,412.22 crore received during 2020-21 and 2021-22 as back-to-back loans from Government of India in lieu of GST compensation shortfall, ₹ 1,333 crore as payment of loans under "Scheme for Special assistant to State for Capital expenditure, ₹ 2,166.77 crore as scheme for Special Assistance as Loan to State for Capital Investment, ₹ 0.13 crore pertains to pre 1984-85 loans and maturity of ₹ 84.77 crore and ₹ 5.80 lakh is uncertain.

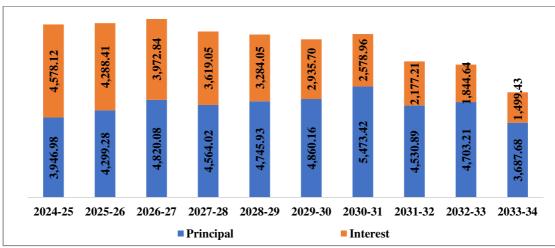

<sup>#</sup> Approximate interest calculated at an average interest rate of 7.34 per cent (average of interest rates for the last five years as given in Table 2.39).

10 years (upto 2033-34), while the remaining 21.90 *per cent* (₹ 21,419.89 crore) is to be paid after 10 years. Annual outgo on public debt repayment and interest will be approximately ₹ 8,423.75 crore during the next five years up to 2028-29 whereas current (2023-24) annual repayment of public debt (principal) including interest is ₹ 7,808.40 crore (excluding ways and means advances) which would fall short of meeting the debt liabilities.

Year-wise repayment schedule of Public Debt (including interest) during the next 10 years i.e. up to 2033-34 is given in **Chart 2.22**.

Chart 2.22: Year-wise Repayment schedule of Public Debt (including interest) during the next 10 years i.e. up to 2033-34 (₹ in crore)

# Market Borrowings / Loans

The repayment schedule of market loans and interest to be paid thereon is detailed in **Chart 2.23**.

(₹ in crore) .301.59 ,685.7 .331.7 6,446.7 17,572.00 ,255.50 11,600.00 .020.00 ,800.00 907.8 205.0 .950.0 0-1 year 2-3 years 4-5 years 6-7 years **8-10** years Above 10 years **■**Principal of Market Loans **■ Interest on Market Loans** 

Chart 2.23: Repayment schedule of market loans

Source: Finance Accounts.

*Note:* The maturity profile has been calculated for outstanding market loans as on 31<sup>st</sup> March 2023 and interest has been calculated upto the financial year in which the loans are going to mature.

Out of total outstanding market loans along with interest of  $\stackrel{?}{\underset{?}{?}}$  86,076 crore (principal:  $\stackrel{?}{\underset{?}{?}}$  52,147 crore and interest:  $\stackrel{?}{\underset{?}{?}}$  33,929 crore), the State will have to repay  $\stackrel{?}{\underset{?}{?}}$  6,155 crore of principal of market loans and interest of  $\stackrel{?}{\underset{?}{?}}$  11,163 crore in the next three financial years *i.e.* up to 2026-27. In the next two financial years,  $\stackrel{?}{\underset{?}{?}}$  7,800 crore principal and interest of  $\stackrel{?}{\underset{?}{?}}$  6,447 crore will be payable. Thus, the annual outgo on market loan repayment and interest will be approximately  $\stackrel{?}{\underset{?}{?}}$  6,313 crore during the next five years up to 2028-29. During 2023-24 repayment of market loans including interest was  $\stackrel{?}{\underset{?}{?}}$  5,418 crore.

# 2.7 Debt Sustainability Analysis (DSA)

Debt sustainability analysis has been carried out on the basis of Fiscal and Debt parameters; Domar approach and compliance of macro-fiscal parameters to the respective FRBM targets. The results of the analysis are given in the following paragraphs:

(A) Debt sustainability refers to the ability of the State to service its debt obligations now and in the future. Analysis of variations for a period of five years from 2019-20 to 2023-24 in debt sustainability indicators is given in **Table 2.39** and **Chart 2.24**.

Table 2.39: Trends in Debt Sustainability indicators

| Sr.<br>No. | Debt Sustainability Indicators   | 2019-20   | 2020-21   | 2021-22   | 2022-23   | 2023-24   |
|------------|--|-----------|-----------|-----------|-----------|-----------|
| 1          | Overall Liabilities or Overall Debt  | 62,211.84 | 67,164.75 | 69,122.58 | 82,177.21 | 91,220.73 |

Source: State Finance Accounts of the respective years.

Overall Liabilities or Overall debt consists of Public Debt (including Ways and Means Advances) and other liabilities including Public Account Liability (including interest and non-interest-bearing reserve funds and deposits)

PRB: Revenue receipts - Revenue expenditure + Interest Payment, where (-) PB implies Primary Deficit and viceversa.

PB: Total Receipts (net of borrowings) -Total Expenditure (net of interest payments), where (-) PB implies Primary Deficit and vice-versa.

Effective Rate of Interest: {Interest Payments/[(Average Outstanding Debt of Previous and Current Financial Year (excluding the non-interest-bearing liabilities)]}.

Quantum Spread: Interest Spread\*Debt

RoI: Return on Investment

Trends in debt sustainability indicators for the five-year period from 2019-20 to 2023-24 are shown in **Chart 2.24**.

(In per cent) 7.27 Rate of Growth of GSDP Rate of Growth of Debt as per cent of Percentage of Interest Percentage of overall Overall Debt GSDP Payments to Revenue **Debt repayments** Receipts (include interst payment) to overall Debt Receipts **2019-20 2020-21 2021-22 2022-23** 2023-24

Chart 2.24: Trends of Debt Sustainability indicators

Based on the data against each debt sustainability indicators given in **Table 2.39** above, the debt sustainability of the State can be analysed over the Fiscal years 2019-2024 as follows:

#### (i) Debt to GSDP Ratio

A low value of debt to GSDP ratio indicates that the State's economy is vibrant to pay the debt without incurring further debt. A high Debt to GSDP ratio signifies that the State's burden is substantial compared to its economic output/growth and indicates financial vulnerability and reduced Fiscal flexibility.

During 2019-20 to 2023-24, the Debt-to-GSDP ratio of the State fluctuated between 39.09 and 44.30 *per cent*, ending at 43.98 *per cent* in 2023-24. Although there was a reduction in the ratio during 2021-22, an increase to 42.86 *per cent* (2.71 percentage points) in 2022-23 and 43.98 *per cent* (1.12 percentage points) in 2023-24 implied rising financial vulnerability. Further, it can be observed from *Paragraph 1.4* that the State could not keep its debt to GSDP within the ceiling prescribed by the FC for the period 2019-24 and as per FRBM/MTFPS during 2019-24, except 2021-22.

A lower ratio would provide the State with greater Fiscal flexibility, allowing it to potentially handle economic shocks better without compromising on development or social spending. However, the current trend may indicate limited flexibility in meeting future debt obligations if economic growth does not keep pace with debt growth.

#### (ii) GSDP/Debt Growth Comparisons

When rate of nominal growth is more than the rate of growth of debt and rate of real growth is more than real rate of interest, GSDP growth is feasible for debt servicing; when these inequalities are reversed, the debt is on the sustainable path.

During 2019-20 to 2023-24 (except 2021-22), the State did not satisfy the sustainability conditions, as the growth rate of debt was well above the nominal growth rates in most years. However, for real growth rates, especially in 2020-21, the real growth was negative (-4.35 *per cent*) due to COVID pandemic, indicating difficulties in sustaining debt through real economic growth. The years 2021-22, 2022-23 and 2023-24 showed stronger real growth relative to the real effective interest rate, signaling a positive outlook for debt sustainability if this trend continues. This indicator suggests that while there may have been a setback in 2020-21, recent years demonstrated feasibility in debt servicing.

#### (iii) Primary Balances

A positive primary Revenue balance and primary balance indicates that the debt is on the sustainable path.

During 2019-20 to 2023-24, the State experienced negative primary balances (PBs) with highest negative PBs during the last two years. During the period, Primary Revenue balance (PRB) remains positive (except 2022-23), suggesting that the state's Revenue base can meet most Revenue expenditure needs before interest payments. A persistent negative PBs could add stress to debt sustainability.

#### (iv) Interest Payment Ratios

A declining trend in interest payment as percentage to Revenue receipts and interest payment as *per cent* to Revenue expenditure is an indication of sustainable debt whereas an increasing trend indicates an unsustainable debt trajectory.

Interest payments as a percentage of Revenue receipts showing decreasing trend during 2019-22, whereas it showing an increasing trend over the last two years i.e. 2022-23 and 2023-24 as compared to the previous year (2021-22).

#### (v) Maturity Profile

The longer average residual maturity period along with a small share of floating rate debt limits roll over risks and insulates interest rate volatility to maintain the debt sustainably.

The maturity profile of debt, with a significant portion (₹ 34,291 crore) maturing in the 5-10 years bracket, suggests moderate rollover risk. Debt maturing within 0-2 years (₹ 17,112 crore) and 2-5 years (₹ 25,006 crore) also adds to short-term pressures. The share of floating-rate debt is not provided explicitly but could affect the ability to withstand interest rate fluctuations, if significant. Ensuring that longer-maturity debt remains a larger proportion of the total debt profile would improve sustainability by minimising the pressure from immediate debt repayments and interest rate volatility.

#### (vi) Use of WMA and Overdraft Facilities

Sustainable use of Ways and Means Advances (WMA) and overdraft facility in large amount indicates poor liquidity management, which leads to poor Fiscal management and hinders short-term debt sustainability.

During 2019-20 to 2023-24, the number of occasions for liquidity accommodations, such as WMA or overdrafts, fluctuated between 16 and 70 occasions but declined during 2023-24 over the previous year, indicating better Fiscal management in current year. This declining trend reflects an improvement in liquidity management and a reduced reliance on short-term borrowing, thus enhancing short-term debt sustainability. Such a trend implies that the state's financial management practices are improving, allowing for a reduced dependency on temporary financial accommodation instruments.

#### (vii) Fiscal Imbalances

Fiscal Imbalance equals to zero indicates that Debt/GSDP ratio would remain constant. While positive Fiscal Imbalance signals fall in Debt/GSDP ratio and vice-versa.

During 2019-20 to 2023-24, the Fiscal imbalance has fluctuated, with the PB-to-GSDP ratio remaining negative, suggesting some strain on Fiscal sustainability. A zero or positive Fiscal imbalance would indicate a stable debt-to-GSDP ratio, but the negative PB-to-GSDP ratios over the period imply that more attention is needed to achieve a balanced Fiscal position. Maintaining a positive Fiscal Imbalances would contribute positively to debt sustainability.

#### (viii) Domar Criterion

As per the Domar criterion, average real growth remained higher than the average real interest rate, helping the Growth Interest Differential (GID) remaining favourable during 2019-2024 which enabled the State to recover the cost of borrowing. Contrary to the nominal growth driven by the real growth, average inflation as measured by Consumer Price Index which remained in the upper tolerance limit of bandwidth of 2-6 *per cent* determined by the RBI helped the State to suppress the real rate of interest below the real growth and to keep the GID favourable.

Thus, the DSA shows that debt to GSDP ratio of the State of Himachal Pradesh remained on the higher side to the indicative debt path or ceiling prescribed by the Finance Commission/ FRBM. The deterioration in Debt to GSDP ratio of the State, which witnessed a consistent increasing trend from 2021-22 to 2023-24 indicates that austerity measures need to be taken by the State to maintain the environment that it has created to stabilize debt to GSDP ratio and sustain the same in line with the indicating debt ceiling prescribed by the Finance Commission/FRBM.

Going by the analysis and results discussed above, the finances of the State of Himachal Pradesh is marked by increasing trend of liabilities, which pose risk to the target of debt stabilisation and debt sustainability.

(B) Details of the achievements *vis-à-vis* targets set in the HP-FRBM Act are shown in **Table 2.40**.

Table 2.40: Achievements vis-à-vis targets set in the HP-FRBM Act

| Fiscal Parameters                                     | Achievement vis a vis targets set in the HP-FRBM Act |             |                |             |                |              |  |

| debt <sup>@</sup> to GSDP (in per cent) <sup>\$</sup> | Α  | 39.09       | 44.30*         | 40.15*      | 42.86*         | 43.98*       |  |
| Guarantees in terms of                                | т  | 40 per cent | of total Rever | nue receipt | in the precedi | ng financial |  |
| percentage of Revenue receipts                        |  |             | year.          |             |                |              |  |
| of previous year                                      | Α  | 6.29        | 6.97           | 5.64        | 4.77           | 4.58         |  |

Total outstanding debt includes public debt plus other (Public Accounts) liabilities.

After generating consistent Revenue Surplus since 2015-16, the State recorded a negative Revenue balance (Revenue Deficit) in 2020-21 and continued to have a Revenue Deficit of around three *per cent* of its GSDP during 2022-2024, which shows that borrowings were largely used to finance the State's recurring expenditure and not for development-oriented spending. In the last two years the Revenue Deficit remained high at 3.30 *per cent* (2022-23) and 2.68 *per cent* (2023-24) of GSDP, while the Fiscal Deficit was 6.46 *per cent* and 5.43 *per cent* during the same period.

The State has been able to keep the overall liability-GSDP ratio within the indicative debt path prescribed by the 14<sup>th</sup> Finance Commission for 2019-20, but breached the same prescribed by the 15<sup>th</sup> Finance Commission during 2021-2024. Similarly, it breached the ceiling of total outstanding debt-GSDP ratio provided under the FRBM Act, except in the year 2021-22. Breaching the levels of the fiscal indicators continuously may lead to the risk of the fiscal situation becoming unmanageable, especially when the State Government is yet to contribute to reserve funds like Guarantee Redemption fund, payment of implicit subsidies, etc.

On the basis of analysis of Fiscal sustainability and Domar model analysis (**Table 2.39**), it is inferred that the State Fiscal sustainability has risks in the short to medium-term, unless remedial measures are taken to rationalise expenditure, explore further sources, expand Revenue base, and invest in Revenue generating assets.

# 2.7.1 Utilisation of borrowed funds

Borrowed funds should ideally be used to fund Capital creation and developmental activities. Using borrowed funds for meeting current consumption and repayment of

<sup>\*</sup> Calculated by excluding ₹ 1,717 crore during 2020-21 and ₹ 4,412.22 during 2020-22 to 2023-24 received as back-to-back loan from Government of India in lieu of GST compensation shortfall, as the Department of Expenditure, Government of India has decided that it will not be treated as debt of the State Government for any norms which may be prescribed by the Finance Commission.

Ratio of total outstanding debt to GSDP has been compared with the targets set in MTFPS, as the State Government did not specify the targets in the FRBM Act (after 2011 upto 2023, when amendments were made).

T- Target, A- Achievement.

interest on outstanding loans is not sustainable. Trend in utilisation of borrowed funds during the past five years is shown in **Table 2.41** below.

**Table 2.41: Utilisation of borrowed funds** 

(₹ in crore)

|            | (  |                     |                      |                     |                      |                     |

| 1          | Total Borrowings   | 10,847.39           | 15,032.21\$          | 6,639.75\$          | 22,371.82            | 14,901.51           |
| 2          | Repayment of earlier borrowings -Principal component                         | 6,700.75<br>(61.77) | 11,141.04<br>(74.11) | 4,387.28<br>(66.08) | 10,135.80<br>(45.31) | 7,895.87<br>(52.99) |
| 3          | Net Capital expenditure*   | 4,146.64<br>(38.23) | 3,891.17<br>(25.89)  | 2,252.47<br>(33.92) | 6,016.30<br>(26.89)  | 5,627.59<br>(37.76) |
| 4          | Loans and Advances disbursed   |                     |                      |                     | 110.57<br>(0.49)     | 106.95<br>(0.72)    |
| 5          | Portion of total borrowings utilised towards Revenue expenditure {1-(2+3+4)} |                     |                      |                     | 6,109.16<br>(27.31)  | 1271.10<br>(8.53)   |

Note: Figures in brackets indicate percentage with respect to the total borrowings.

Over the last three years' period i.e., 2019-20 to 2021-22, utilisation of borrowed funds mainly was for repayment of previous borrowings (principal) ranging between 62 *per cent* and 74 *per cent*, and for Capital expenditure between 26 *per cent* and 38 *per cent*. But from year 2022-23, repayments towards past obligations reduced to 45 *per cent* in 2022-23 and 53 *per cent* in 2023-24.

As per the Finance Commission, States are being given Revenue Deficit grants to reduce and ultimately eliminate Revenue Deficit and to enable all borrowings to be used for Capital expenditure. Up to the year 2021-22, no portion of debt receipts was used for meeting Revenue expenditure. But from 2022-23, which was the third year of the 15<sup>th</sup> Finance Commission period, a substantial portion of public borrowings i.e. 27.31 *per cent* (₹ 6,109.16 crore) and in 2023-24, 8.53 *per cent* (₹ 1,271.10 crore) had been utilised for meeting the current expenses.

As can be seen, the Capital outlay which remained stagnant at  $\[ \] 6,029 \]$  crore during 2021-2023 and then declined to  $\[ \] 5,630 \]$  crore in 2023-24, leading to a contraction (4.7 per cent in development expenditure compared to previous years) from  $\[ \] 32,504 \]$  crore in 2022-23 to  $\[ \] 30,965 \]$  crore in 2023-24 (**Appendix 2.1**). The 4.7 per cent decline in developmental expenditure was mainly due to cuts in expenditure on the economic sector and the social sector, which respectively contributed 3.8 percentage points and about one percentage point to the negative growth seen in developmental expenditure.

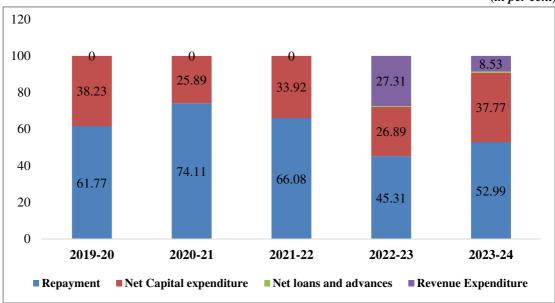

Trends of utilisation of borrowed funds during the period 2019-24 is depicted in **Chart 2.25**.

<sup>\$</sup> Excludes ₹ 1,717 crore (2020-21) and ₹ 2,695.22 crore (2021-22) as back-to-back loans to State from Government of India in lieu of GST compensation shortfall.

<sup>\*</sup> Net Capital expenditure = Total Capital expenditure-Misc. Capital Receipts Figures in brackets indicate percentage utilisation of borrowed funds

Chart 2.25: Trends in Utilisation of borrowed funds

(in per cent)

The State Government needs to take steps to reduce Revenue Deficit so that borrowed funds could be utilised in development activities and for creation of assets.

### 2.7.2 Status of Guarantees – Contingent Liabilities

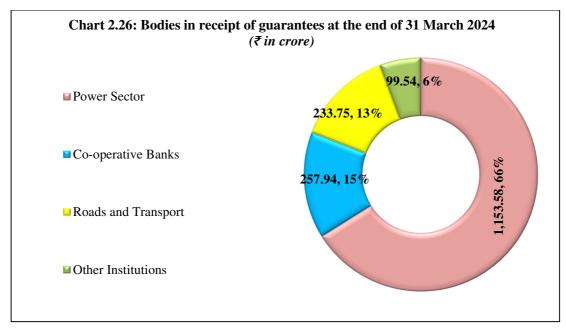

Guarantees are liabilities contingent on the Consolidated Fund of the State in case of default by the borrower for whom the guarantee has been extended. As per **Statement-9** and **20** of the Finance Accounts, the maximum amount for which guarantees were given by the State and outstanding guarantees for the last five years are given in **Table 2.42**. Details of recipients/bodies which have received guarantees from the State Government at the end of 31<sup>st</sup> March 2024 are given in **Chart 2.26**.

**Table 2.42: Guarantees given by the State Government** 

(₹ in crore)

| Guarantees   | 2019-20  | 2020-21  | 2021-22  | 2022-23  | 2023-24  |
|--|--|----------|----------|----------|----------|
| Outstanding amount of guarantees   | 1,947.07   | 2,141.76 | 1,884.61 | 1,780.64 | 1,744.81 |
| Additions during the year  | 639.70   | 418.03   | 289.46   | 643.61   | 731.09   |
| Deletions during the year  | 3,001.84*  | 165.60   | 283.09   | 747.58   | 766.91   |
| Invoked during the year  |  |          | 1        | 1        | 1        |
| Ceiling applicable to the outstanding<br>amount of guarantees including<br>interest (criterion)          | 40 per cent of total revenue receipt in the preceding financial year |          |          |          |          |
| Percentage of outstanding amount of guarantees to total Revenue receipts in the preceding financial year | 6.29   | 6.97     | 5.64     | 4.77     | 4.58     |

<sup>\*</sup> Includes an amount of ₹ 2,890.50 crore (loans to DISCOM) and ₹ 13.18 crore (interest charged on guaranteed amount) deleted from figures in the Finance Accounts 2019-20 as these amounts were included inadvertently, as intimated by the Department. The same is indicated in Statement No 20 of Finance Accounts of the Government of Himachal Pradesh for the year 2019-20.

No guarantee was invoked during 2023-24. As of 31<sup>st</sup> March 2024, outstanding amount of guarantees was ₹ 1,744.81 crore as per the Finance Accounts. During 2023-24, a total amount of ₹ 731.09 crore was extended to various bodies as Guarantees by the State Government. The main recipients of guarantees from the State Government during the year were Himachal Pradesh Power Corporation Limited (₹ 514.28 crore), Himachal Pradesh State Cooperative Agriculture and Rural Development Bank Ltd. (₹ 95.21 crore) and Himachal Pradesh Road and Transport Corporation (₹ 88.90 crore). The outstanding amount of guarantee (₹ 1,744.81 crore) at the close of 2023-24 accounted for 4.58 *per cent* of total Revenue receipts of previous year of the State, which was within the target of 40 *per cent* prescribed in the FRBM Act.

In addition, as per Himachal Pradesh Financial Rules, 2009 and Government instructions (6 March 1992) the guaranteed fees (one *per cent*) and commitment charges (0.2 *per cent*) are to be levied from the borrowers at the time of approval of the guarantee. The State Government did not have information about the receivable amount of guaranteed fees and commitment charges due from the bodies/ entities. Over the last 10 years (up to 2018-19), no amount of guaranteed fees and commitment charges had been received/ levied by the State Government. However, amounts of guaranteed fees and commitment charges of ₹ 0.72 lakh (in 2019-20), ₹ 2.16 crore (in 2020-21), ₹ 3.00 crore (in 2021-22) and ₹ 3.31 crore during 2022-23, were received. During the current year no guaranteed fees/ commitment charges was received.

#### 2.7.3 Management of Cash Balances

As per an agreement with the Reserve Bank of India (RBI), State Governments have to maintain a minimum daily cash balance with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary Ways and Means Advances (WMA) / Special Ways and Means Advances (SWMA) / Overdrafts (OD) from time to time. The limit for ordinary WMA to the State Government is revised by the RBI from time to time.

The State Government has to maintain minimum Cash balance of ₹ 0.55 crore with the Reserve Bank of India. The limit for ordinary WMA to the State Government is ₹ 880 crore from 17 April 2020 to 31<sup>st</sup> March 2022 and ₹ 656 crore with effect from 1<sup>st</sup> April 2022. RBI also gives SWMA to the State Government against pledging of Government securities.

During 2023-24, the State Government could maintain minimum daily cash balance for 324 days. The Government had to take a total of ₹ 3,504.59 crore of ordinary / special WMA on 36 occasions and ₹ 875.78 crore overdraft on five occasions from RBI, which were repaid during the year. There were no outstanding ways and means advances and overdrafts at the end of the year 2023-24. Against these, an amount of ₹ 2.51 crore was paid as interest during the year. **Table 2.43** depicts the cash balances and investments made out of these by the State Government during the year.

Table 2.43: Cash Balances and their investment

(₹ in crore)

| Particulars  | Opening balance<br>as on 1 <sup>st</sup> April<br>2023 | Closing balance<br>on 31 <sup>st</sup> March<br>2024 | Increase (+)/<br>Decrease (-) |
|--|--|--|-------------------------------|

| Cash in treasuries   | 0  | 0  | 0                             |
| Remittance in transit-Local  | 0  | 0  | 0                             |
| Deposits with RBI  | -89.33   | 42.44  | 131.77                        |
| Total  | -89.33   | 42.44  | 131.77                        |
| Investments held in cash balance Investment account  | 3,645.18   | 1,457.81   | -2,187.37                     |
| Total (a)  | 3,555.85   | 1,500.25   | -2,055.60                     |
| (b) Other cash balances and inv  | estments   | <u> </u>   | ,                             |
| Cash with Departmental Officers<br>viz., Public Works Department<br>Officers, Forest Department<br>Officers, District Collectors | 0.16   | 0.16   | 0                             |
| Permanent advances for contingent expenditure with Departmental Officers   | 0.03   | 0.03   | 0                             |
| Investment of earmarked funds  | 0  | 0  | 0                             |
| Total (b)  | 0.19   | 0.19   | 0                             |
| Total (a+b)  | 3,556.04   | 1,500.44   | -2,055.60                     |

Cash balances of the State Government at the year-end decreased by ₹ 2,055.60 crore from ₹ 3,556.04 crore in 2022-23 to ₹1,500.44 crore in 2023-24. The investments made out of cash balances also decreased from ₹ 3,645.18 crore to ₹ 1,457.81 crore.

State Government invests its surplus cash balances in short and long-term Government of India Securities and Treasury Bills. The profits derived from such investments are credited as receipts under the head '0049-Interest Receipts'.

The cash balance investments of the State during the five-year period 2019-20 to 2023-24 are given in **Table 2.44**.

Table 2.44: Cash Balance Investment Account (Major Head-8673)

| Year    | <b>Opening Balance</b> | Closing Balance | Increase (+) /<br>decrease (-) | Interest earned |

Source: Finance Accounts.

Analysis of the trend in cash balance investment of the State Government during the period 2019-20 to 2023-24 shows that the balances in the Cash Balance Investment Account increased during 2019-23 and in 2023-24 it decreased over the previous year.

Large cash balances at the year-end indicated sub-optimal cash management by the State Government, which had taken market loans despite having large cash balances which were not put to productive use.

**Chart 2.27** compares the Cash Balances and the Market Loans taken by the State during the period 2019-24. Market Loans were taken at higher interest rates, whereas investment in Treasury Bills yielded interest at lower rates.

Chart 2.27: Net Market loans vis-à-vis Cash Balance (₹in crore)

**Chart 2.28** compares the month-wise Cash Balance Investment Account with the Cash Balances during 2023-24.

#### 2.8 Salient features

Deficit indicators, revenue augmentation and expenditure management are major yardsticks for judging the Fiscal performance of the Government. Comparison of key parameters of State Finances during 2023-24 with that of the previous year i.e. 2022-23 is summarised in **Table 2.45**.

**Positive indicators Parameters requiring close watch** Increase in Grants-in-Aid from Government of tax receipts by 11.70 per cent India decreased by 10.71 per cent State's Share of Union tax and Capital expenditure decreased by Duties increased by 18.91 per cent 6.62 per cent Public Debt Receipts decreased by Revenue expenditure on Economic 33.39 *per cent*. services decreased by 10.65 per cent. Revenue Deficit and Fiscal Deficit remained higher than the target set by the 15<sup>th</sup> FC during 2022-23 and 2023-24.

**Table 2.45: Key parameters** 

#### 2.9 Conclusions

After generating consistent Revenue Surplus from 2015-16, the State recorded a negative Revenue balance (Revenue Deficit) in 2020-21 and continued to have a Revenue Deficit around three *per cent* of its GSDP during 2022-23 and 2023-24. This is more than 50 *per cent* of the Fiscal Deficit, which shows that borrowings were largely used to finance the State's recurring expenditure and not for development-oriented spending.

Fiscal Deficit of the State was ₹ 11,266 crore during 2023-24 which was 5.43 *per cent* of the GSDP. The Fiscal Deficit was mainly financed through market borrowings.

Revenue receipts increased by  $\stackrel{?}{\underset{?}{?}} 1,083.54$  crore (2.84 *per cent*) during the current year over the previous year whereas Revenue expenditure grew by  $\stackrel{?}{\underset{?}{?}} 306.37$  crore (0.69 *per cent*). Further, the State's own revenue registered a positive growth of 11.70 *per cent* over the previous year.

The State incurred 68 *per cent* of the total Revenue expenditure on committed liabilities like salaries and wages, pensions, interest payments, leaving only 32 *per cent* for priority sector expenditure.

Subsidies constituted 3-4 *per cent* of Revenue expenditure. Power subsidy constituted the major portion of total subsidies. Subsidies contributed 32 *per cent* to the Revenue Deficit during 2023-24.

The State Government earned 3.46 *per cent* return on its total investment (₹ 5,524.23 crore) in Statutory Corporations, Government Companies and Co-operatives up to 31<sup>st</sup> March 2024.

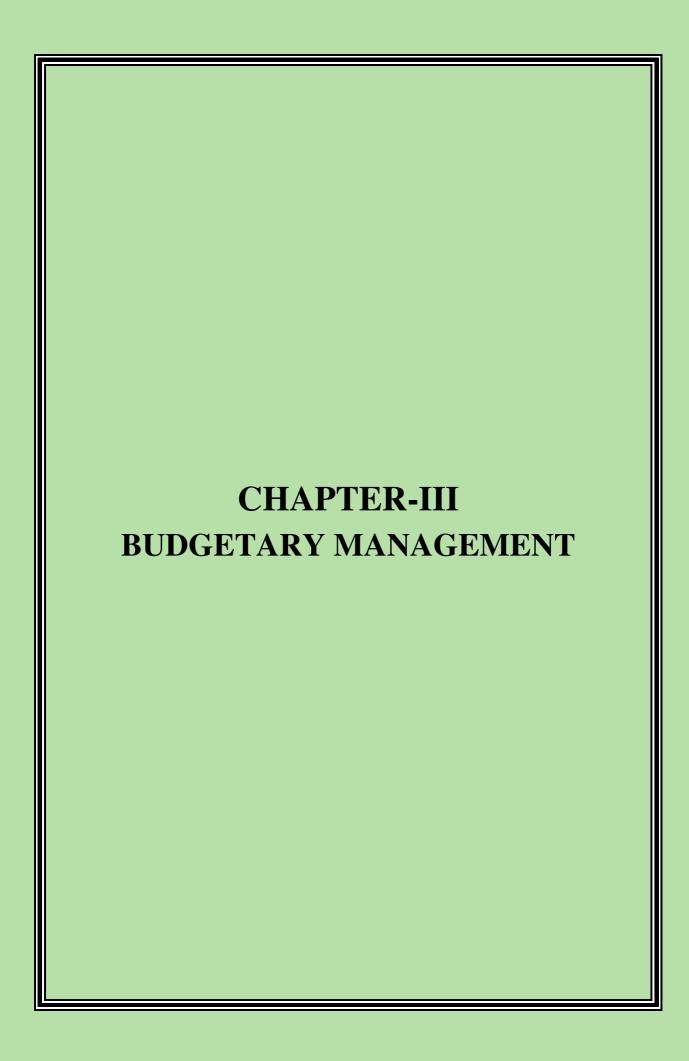

The State Government received ₹ 48 crore (0.60 per cent) as interest on outstanding loans during 2023-24, while it paid interest at 6.87 per cent on outstanding debt.

Total outstanding liabilities including public debt and Public Account liabilities were 43.98 *per cent* of GSDP. The total liability grew by 11 *per cent* over the previous year.

As many as 51 projects scheduled for completion up to 31<sup>st</sup> March 2024 were incomplete. The expenditure of ₹858.17 crore incurred on these incomplete projects was yet to yield the intended benefits.

#### 2.10 Recommendations

- 1. The State Government should make efforts to increase its own Revenues. It should settle pending tax claims in time, settle arrears in assessment of taxes, recover arrears of Revenue and improve Non-Tax revenues for better resource mobilization.
- 2. The State Government should assess the reasons for insufficient return on investment from statutory corporations, Government companies, cooperative banks and societies and take remedial measures.
- 3. The State should ensure time bound completion of the incomplete projects.

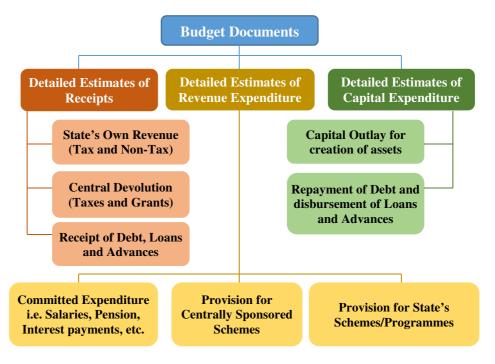

# CHAPTER – III BUDGETARY MANAGEMENT

# 3.1 Budget Process

In compliance with Article 202 of the Constitution of India, in respect of every financial year, the Governor shall cause to be laid before the State Legislature, a statement of the estimated receipts and expenditure of the State for that year, called "the Annual Financial Statement (Budget)". The estimates of the expenditure show 'charged' and 'voted' items<sup>1</sup> of expenditure separately and distinguish expenditure on Revenue account from other expenditure. Legislative authorisation is necessary before incurring any expenditure by the State Government. Glossary of important Budget related terms is given in **Appendix 3.1**.

As per the Himachal Pradesh Financial Rules, the Finance Department is responsible for preparation of the annual Budget by obtaining estimates from various departments. The Departmental estimates of receipts and expenditure are prepared by Controlling Officers on the advice of the heads of departments and submitted to the Finance Department on prescribed dates. The Finance Department consolidates the estimates and prepares the Detailed Estimates called 'Demand for Grants'. The State Budget comprises the following documents and components as given in **Chart 3.1**.

**Chart 3.1: Details of State Budget Documents and Components** 

are not subject to vote by the Legislature. **Voted expenditure:** All other expenditure is voted by the Legislature.

Charged expenditure: Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments, etc.), constitute a charge on the Consolidated Fund of the State and

A summary of the Budget implementation for the year 2023-24 is depicted in the **Chart 3.2** below:

#### 3.1.1 Gender Budgeting

Gender Budgeting is a tool that can be used to address gender sensitive vulnerabilities. It uses the Budget as an entry point to apply a gender lens to the entire policy of the Government. It also recognizes that the Budget is a powerful tool that can reduce the vulnerabilities of women and girls and transform their position and life. Gender Budgeting further recognizes that if gender disparities are to be addressed, it is not enough to formulate gender sensitive legislations, programmes and schemes only but to provide adequate monetary allocations is equally important for the achievement of desired outcomes. Usually, Governments express commitments to gender equality and to gender mainstreaming, but often there is a gap between policy statements and the ways in which Governments raise and spend money.

Hence, Gender Responsive Budget initiative can help to bridge these gaps by ensuring that public money is raised and spent more effectively. Working on this idea, the Government of India firstly, integrated Gender Responsive Budgeting in India's Budgeting Process in 2005-06 and since then it has been preparing & publishing the Gender Based Statements (GBSs) every year. Gender Budget Statement of the Government of India is divided into two parts - Part A i.e. Expenditure on 100 per cent Women-specific programmes and Part B i.e. Expenditure on programmes where at least 30 per cent women are covered.

The promotion of gender equality is also at the heart of the social as well as economic policies of the Government of Himachal Pradesh. In order to mainstream Gender Responsive Budgeting in legislations, policies and programmes, the State Government also envisages preparing Gender Budget Statements (Financial and Physical) annually starting from financial year 2022-23 so that a reporting mechanism is developed and adopted to review the progress of departmental schemes from a gender lens/perspective. Schemes targeting only women beneficiaries, or

100 *per cent* women-oriented schemes have been placed in Category-1 and schemes with less than 100 *per cent* women beneficiaries are in Category-2.

In Gender Budget document the Budget Estimate for Category-1 schemes was ₹415.05 crore. But in actual the total Budget allocated to these schemes was only ₹284.02 crore and expenditure on these schemes was ₹281.77 crore. Further there are total 33 schemes in Category-1, in which 12 schemes are central's schemes and 21 schemes are state's schemes. The details of these schemes are given in **Appendix 3.2**.

# 3.1.2 Summary of total provisions, actual disbursements and savings during financial year

The total Budget provision for expenditure in 2023-24 was  $\stackrel{?}{\sim} 66,991$  crore. The actual expenditure during the year was  $\stackrel{?}{\sim} 62,024$  crore (92.59 per cent). This resulted in savings of  $\stackrel{?}{\sim} 4,967$  crore (7.41 per cent). The summarised position of actual expenditure vis-à-vis budgetary provisions during 2023-24 for all 32 grants/appropriations is given in **Table 3.1**.

Table 3.1: Budget provision, actual disbursement and savings/excess during financial year 2023-24

(₹ in crore)

| Total Budget provision |         | Disburs | sements | Saving (-)/ Excess (+) |         |  |

Source: Appropriation Accounts

It can be seen from **Table 3.2**, there were savings in both segments viz., voted and charged. There was a decreasing trend in savings (voted) from the year 2019-20 to 2022-23, but it increased in 2023-24 over the previous year, while there was an increasing trend in savings (charged) from the year 2019-20 to 2022-23, but it decreased during 2023-24. Cases of substantial and persistent savings have been highlighted in **Paragraph 3.3.7**.

#### 3.1.4 Budget marksmanship

#### **Aggregate Budget Outturn**

Aggregate Budget Outturn measures the extent to which the aggregate Budget expenditure outturn/actual expenditure reflects the amount originally approved, both

in terms of less than approved and in excess of approved. For the year 2023-24 Aggregate Budget outturn is given in **Table 3.3**.

Table 3.3: Aggregate Budget outturn

(₹ in crore)

| Description | Original Approved Budget (BE) | Actual<br>Outturn | Difference between Actual and BE* |
|-------------|-------------------------------|-------------------|-----------------------------------|
| (1)         | (2)                           | (3)               | (4) (3-2)                         |
| Revenue     | 45,925.01                     | 48,330.68         | (+)2,405.67                       |
| Capital     | 10,758.68                     | 13,693.28         | (+)2,934.60                       |
| Total       | 56,683.69                     | 62,023.96         | (+)5,340.27                       |

<sup>\*</sup> Excess of actual over original provision is denoted as (+) figures and shortage of actuals over original is denoted as (-) figures.

In the Revenue section, deviation in outturn compared with Budget Estimates was +5.24 per cent. This was due to the excess of actual over original provision in 18 Grants. In three grants deviation was more than + 100 per cent. In 14 grants there was a shortage of actual over original, where deviation ranged from -0.58 per cent to -28.87 per cent.

In the Capital section, deviation in outturn compared with Budget Estimates was + 27.28 *per cent*. This is due to the excess of actual over original provision in 19 Grants. In seven grants deviation was more than +100 *per cent*. In 11 grants there was a shortage of actual over original, where deviation ranged from -21.95 *per cent* to -100 *per cent*.

# **Expenditure Composition Outturn**

Expenditure Composition Outturn measures the extent to which re-allocations between the main Budget categories during execution have contributed to variance in expenditure composition given in **Table 3.4**.

**Table 3.4: Expenditure Composition Outturn** 

(₹ in crore)

| Description | Original Approved Budget Estimate (BE) | Revised<br>Estimate<br>(RE) | Actual<br>Outturn | Difference<br>between RE<br>&BE | Difference<br>between<br>Actual and<br>RE* |  |
|-------------|--|-----------------------------|-------------------|---------------------------------|--|--|
| (1)         | (2)                                    | (3)                         | (4)               | (5) (3-2)                       | (6) (4-3)                                  |  |
| Revenue     | 45,925.01                              | 50,932.71                   | 48,330.68         | 5,007.70                        | -2,602.03                                  |  |
| Capital     | 10,758.68                              | 16,058.58                   | 13,693.28         | 5,299.90                        | -2,365.30                                  |  |
| Total       | 56,683.69                              | 66,991.29                   | 62,023.96         | 10,307.60                       | -4,967.33                                  |  |

<sup>\*</sup> Excess of actual over revised estimate is denoted as (+) figures and shortage of actuals over revised estimate is denoted as (-) figures.

In the Revenue section, deviation in outturn compared with Revised Estimates was -5.11 *per cent*. This was due to shortage of actual over revised estimates in 29 grants, with the deviation ranging from -1.03 *per cent* to -32.08 *per cent*.

In the Capital section, deviation in outturn compared with Revised Estimates was -14.49 *per cent*. This was due to shortage of actual over revised estimates in 20 grants and in four grants deviation was more than -50 *per cent*.

#### 3.2 Appropriation Accounts

Appropriation Accounts are accounts of the expenditure of the Government for each financial year, compared with the amounts of grants voted and appropriations charged

for different purposes. These Accounts depict the original Budget provision, supplementary grants, surrenders and re-appropriations distinctly and indicate actual capital and Revenue expenditure on various specified services *vis-à-vis* those authorised by the Appropriation Act in respect of both charged and voted items of Budget. Appropriation Accounts, thus, facilitate understanding of utilisation of funds, management of finances and monitoring of budgetary provisions, and are, therefore, complementary to the Finance Accounts.

Audit of appropriations by the CAG seeks to ascertain whether the expenditure actually incurred under various grants is in accordance with the authorisation given under the Appropriation Act and that the expenditure required to be charged under the provisions of the Constitution of India (Article 202) is so charged. It also seeks to ascertain whether the expenditure incurred is in conformity with relevant laws, rules, regulations and instructions.

# 3.3 Comments on integrity of budgetary and accounting process

#### 3.3.1 Expenditure incurred without authority of law

No money shall be withdrawn from the Consolidated Fund of the State except under appropriation made by law passed in accordance with the provisions of Article 204 of the Constitution of India. Further, expenditure should not be incurred on a scheme/service without provision of funds or after obtaining additional funds by re-appropriation, supplementary grant or appropriation or an advance from the Contingency Fund of the State.

**Table 3.5** shows the summarised position of expenditure incurred without any Budget provision in seven cases covering four grants. This is breach of constitutional provisions. State Government must avoid these expenditures. If under any circumstance expenditure is inevitable, the Finance Department must follow the provisions under Article 205 and 206 of the Constitution of India.

**Table 3.5: Summary of expenditure without Budget Provision** 

| Grant/<br>Appro-<br>priation | Head of Accounts    | Expenditure (amount in ₹) | Name of Schemes/Sub-Heads                               |
|------------------------------|---------------------|---------------------------|---|
|                              |                     | Voted                     |   |

|                              | Tatal               | 94,35,52,150              |   |
| Total                        |                     | or<br>(₹ 94.36 crore)     |   |

Source: Appropriation Accounts.

# 3.3.2 Transfers not mandated by the Appropriation Act (into Bank Accounts)

The withdrawal of funds and depositing of the same in bank accounts by DDOs is in violation of Rule 183(V) and Rule 184(1) of Himachal Pradesh Treasury Rules. This entails the risk of misappropriation as the funds remain outside the Government account without any monitoring and can be diverted or misused for unauthorised purposes.

The State Government has not provided information regarding funds transferred to/unutilised with DDOs.

# 3.3.3 Misclassification of expenditure

Misclassification of expenditures and receipts has a great impact on the integrity of the financial statements. State financial rules categorise the primary units of appropriation. There are specific object heads meant for obtaining provision for acquisition of Capital Assets and other Capital Expenditure. These object heads pertaining to booking of expenditure of Capital nature should correspond with Capital major heads only. Classification of expenditure of Revenue nature as Capital expenditure or vice-versa, results in overstatement/understatement of Revenue expenditure and Revenue Deficit/Surplus.

During the year 2023-24, no case of misclassification of expenditure was noticed.

#### 3.3.4 Unnecessary or insufficient supplementary grants

As per Article 205 of the Constitution, a Supplementary or Additional Grant or Appropriation over the provision made by the Appropriation Act for the year can be made during the current financial year but not after the expiry of the current financial year. When such additional expenditure is found to be inevitable and there is no possibility of effecting savings within the grant to cover the excess by re-appropriation, the Secretary in the Department concerned proposes to the Finance Department for supplementary or additional grant or appropriation.

During 2023-24, there were 14 cases (₹ one crore or more in each case) under 12 grants (Revenue/Capital-Voted) where supplementary provision of ₹ 711 crore proved unnecessary as expenditure did not reach the level of original provision (**Table 3.6**). In 10 cases (**Table 3.7**), supplementary provision of ₹ 1,318 crore proved insufficient as it was not adequate to meet the requirement, leaving aggregate uncovered excess expenditure of ₹ 1,191 crore (**Chart 3.3**).

14 Cases: Entire Supplemensupplemen-Original Unnecessary tary Provision: tary provision in Supplemenprovision ₹ 19,260 Cr; tary Grants these cases: Expenditure: proved ₹711 Cr ₹ 16,946 Cr unnecessary 10 Cases: Insufficient Supplemen-Insufficient Original supplementary Supplemen Provision: provision in tary ₹ 9,706 Cr; -tary provision: these cases: Grants Expenditure: ₹ 1,191 Cr ₹ 1,318 Cr ₹ 12,215 Cr

Source: Appropriation Accounts.

Although the demand for supplementary grants was made by the State Government on the reasoning that additional expenditure was to be incurred in various schemes under the respective grants, but the final expenditure was less than even the original provisions in the 14 cases indicated as above.

Table 3.7: Details of cases where supplementary provision (₹ one crore or more in each case) proved insufficient

| Sr.<br>No. | Name of the Grant                 | Original    | Supplementary | Actual expenditure | Excess   |  |  |  |  |  |  |
|------------|-----------------------------------|-------------|---------------|--------------------|----------|--|--|--|--|--|--|
|            | Revenue- Voted                    |             |               |                    |          |  |  |  |  |  |  |
| 1.         | 28-Urban Development              | 503.77      | 339.08        | 939.77             | 96.92    |  |  |  |  |  |  |

| 6          | 08-Education                      | 98.73       | 12.74         | 113.96             | 2.49     |  |  |  |  |  |  |
| 7          | 09-Health and Family Welfare      | 95.02       | 138.89        | 236.68             | 2.77     |  |  |  |  |  |  |
| 8          | 23-Power Development              | 65.85       | 40.48         | 110.98             | 4.65     |  |  |  |  |  |  |
| 9          | 27-Labour Employment and Training | 55.76       | 27.61         | 91.57              | 8.20     |  |  |  |  |  |  |
| 10         | 28-Urban Development              | 69.33       | 35.47         | 110.55             | 5.75     |  |  |  |  |  |  |
|            | Total                             | 9,705.67    | 1,318.22      | 12,214.69          | 1,190.80 |  |  |  |  |  |  |

As seen from the above, in 10 cases as indicated above, the supplementary provisions were insufficient as the actual expenditure was more than the total Budget provisions (original + supplementary).

Both the above type of cases (**Tables 3.6** and **3.7**) indicate that the Administrative Department could not realistically assess/estimate the actual requirement of funds for the remaining period of financial year due to poor monitoring of expenditure.

# 3.3.5 Re-appropriations requiring prior legislative authorisation

'Re-appropriation' refers to the transfer, by a competent authority, of savings from one unit of appropriation to meet additional expenditure under another unit within the same grant or charged appropriation. The Government is allowed to re-appropriate provisions from one unit of appropriation to another within the same Grant, thus altering the destination of an original provision for one purpose to another, subject to the limits and restrictions laid down. No re-appropriation should be made for any purpose whatsoever from Supplementary Grants voted by the Assembly for a definite purpose, so as to ensure that a Supplementary Grant shall be used for the purpose for which it is voted and for no other.

During the year 2023-24, there was no case of re-appropriation from one grant to another or from supplementary grants.

Cases of unnecessary / insufficient re-appropriation within grants are detailed below.

#### 3.3.6 Unnecessary, Inappropriate and insufficient re-appropriations

Re-appropriation is the transfer of funds within a grant from one unit of appropriation, where savings are anticipated, to another unit where additional funds are needed. During the year 2023-24, there were 123 cases (**Appendix 3.3**) where re-appropriation proved unnecessary, as the expenditure did not reach the level of Budget provision. In 14 cases (**Appendix 3.4**), re-appropriations were made inappropriately from those accounts where actual expenditure resulted in excess. In 36 cases (**Appendix 3.5**) re-appropriation proved insufficient, as actual expenditure

resulted in excess after making re-appropriation. Substantial cases (saving/excess more than ₹ 10 crore) are depicted in the **Tables 3.8**, **3.9** and **3.10** given below.

Table 3.8: Unnecessary re-appropriations resulting in savings

As per Rule 44 (2) of Himachal Pradesh Financial Rules, 2009, re-appropriation of funds may be made with approval of Finance Department only when it is known or anticipated that the appropriation for the unit from which funds are to be transferred will not be utilised in full or that savings can be affected in the appropriation for the said unit.

### 3.3.7 Savings

The golden rule for all Estimating Officers should be to provide in the budget for everything that can be foreseen and to provide only as much as is necessary. Complete accuracy of estimates may not always be possible; but where the omission or inaccuracy is the result of lack of forethought, neglect of the obvious or slipshod estimating, remedial actions may be needed. The Administrative and Finance departments should, in checking the estimates, apply unrelentingly the proven and well-tried check of average of previous actuals with known or reasonably foreseeable facts which may modify that average.

When the need for surrender manifests itself, the Controlling Officers should carefully estimate the amounts that they can surrender. The aim should be to surrender as much as they can so as to keep the expenditure just within the modified Grant.

Budgetary allocations based on unrealistic proposals, poor expenditure monitoring mechanism, weak scheme implementation capacities/ weak internal controls promote release of funds towards the end of the financial year and increase the propensity of the departments to retain huge balances outside the Government account in Bank Accounts. Excessive savings also deprive other departments of the funds which they could have utilised.

# (i) Savings vis-à-vis allocations

Analysis of appropriations showed that savings occurred in 62 cases as detailed in **Appendix 3.6**. Against the total provisions of ₹ 66,991 crore there was an overall savings of ₹ 4,967.34 crore which was the net result of saving of ₹ 6,223.14 crore offset by excess of ₹ 1,255.80 crore in various grants. Out of overall savings of ₹ 4,967.34 crore, substantial savings (₹100 crore and more in each case) were observed in 15 cases relating to 12 grants, details of which are given in **Table 3.11**.

Table 3.11: List of grants having savings of ₹ 100 crore or more during 2023-24

Source: Appropriation Accounts.

Major savings were noticed in Public Works, Education, Finance and Rural Development departments.

**Chart 3.4** categorises grants / appropriations according to percentage of savings against Budget allocations. It can be noted from the chart that in 10 grants, there were savings of ₹ 2,953.52 crore (five to 20 *per cent* in each grant) during the year.

\*Note: Amount shown less than zero (0) denotes excess.

No object is served by keeping back savings which should ideally be surrendered in time. For this reason, appropriations which are likely to remain unspent must be reported for surrender as early as possible. In the absence of surrender of savings, other spending departments are deprived of the funds which they could have utilised and thus demands for supplementary grants by such departments can be avoided. Surrenders are being made generally in the month of March, and a careful study of figures of expenditure incurred and keeping a watch over the progress of the previous month's expenditure can enable a Controlling Officer to arrive at his final requirements with a reasonable degree of exactness and accuracy.

## (ii) Persistent Savings

During the last five years, there were 25 cases (₹ one crore or more in each case) relating to 17 grants where persistent savings occurred (details given in **Appendix 3.7**), out of which seven cases (₹ 100 crore or more in each case) are depicted below in the **Table-3.12**.

**Table 3.12: Details of persistent savings cases (₹ 100 crore or more in each case)** 

(₹ in crore)

| Sr.<br>No. | Grant<br>Number | Name of Grant/<br>Appropriation                | 2019-20   | 2020-21   | 2021-22   | 2022-23 | 2023-24 |  |  |  |
|------------|-----------------|--|-----------|-----------|-----------|---------|---------|--|--|--|
|            | Revenue- Voted  |  |           |           |           |         |         |  |  |  |
| 1          | 08              | Education                                      | -1,110.61 | -1,362.09 | -1,096.43 | -121.60 | -800.57 |  |  |  |

| 7          | 32              | Scheduled Caste Sub Plan                       | -231.62   | -149.75   | -390.46   | -321.78 | -383.05 |  |  |  |

Source: Appropriation Accounts.

The substantial persistent savings in the grants above indicated that budgetary controls in these departments were not effective as they are unable to spend the allocated funds. The departments need to improve their capacity to spend as these are all social sector departments and even the previous years' trends were not being taken into account when allocating funds. This had also been pointed out in the previous State Finance Audit Reports too.

#### (iii) Details of surrenders of funds in excess of ₹ 10 crore

Instances of surrender of funds in excess of  $\ge 10$  crore in each case at the end of March are given in **Table 3.13**.

Table 3.13: Details of surrender of funds in excess of ₹ 10 crore during March 2024

(₹in crore)

| Sr.<br>No. | Grant<br>Number | Original  | Supplementary | Total<br>Provisions | Actual expenditure | Savings   | Amount<br>Surrendered |  |  |  |  |

| 12         | 15              | 681.61    | 0.00          | 681.61              | 336.41             | -345.20   | -290.95               |  |  |  |  |
| 13         | 26              | 484.44    | 5.99          | 490.43              | 274.48             | -215.95   | -33.06                |  |  |  |  |
| 14         | 31              | 498.14    | 0.00          | 498.14              | 309.16             | -188.98   | -19.21                |  |  |  |  |
| 15         | 32              | 1,240.21  | 21.00         | 1,261.21            | 878.17             | -383.04   | -265.32               |  |  |  |  |
| Total      |                 | 25,733.64 | 845.38        | 26,579.02           | 22,663.26          | -3,915.76 | -1,683.10             |  |  |  |  |

Source: Appropriation Accounts.

As given in the above table, in 15 cases, there was surrender of amounts (₹ 10 crore or more in each case) totaling ₹ 1,683.10 crore (6.54 *per cent* of original Budget allocation) during March 2024.

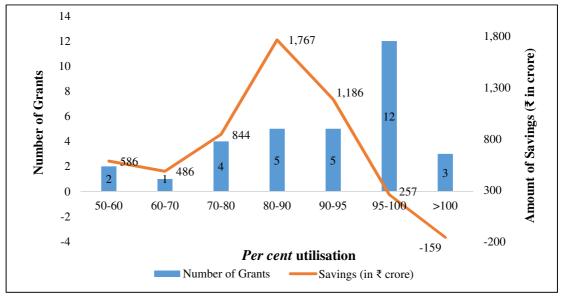

As per Rule 41 of Himachal Pradesh Financial Rule 2009, the saving as well as provisions that cannot be profitably utilised should be surrender to Government immediately when they are foreseen, without waiting till the end of the year. No savings should be held in reserve for possible future excesses.

During checking/scrutiny of surrender orders, it was noticed that all the surrender orders were made on the last day (i.e., 31<sup>st</sup> March) of the year. The surrender of funds at the end of the year indicated poor monitoring of expenditure, weak financial controls, and meant that funds could not be utilised for other purpose.

# (iv) Distribution of the number of Grants/ Appropriations grouped by percentage of utilisation.

The distribution of the number of Grants/ Appropriations grouped by percentage of utilisation is given in the **Chart 3.5**.

Chart 3.5: Distribution of the number of Grants/Appropriations grouped by percentage of utilisation

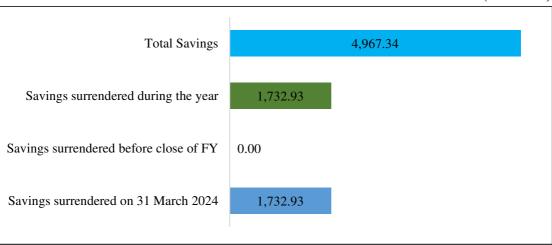

Note: Amount shown as less than zero (0) denotes excess.

In two grants (Grant No. 15-Planning and Backward Area Sub Plan and 26-Tourism and Civil Aviation), utilisation was below 60 *per cent* of the available funds, resulting in savings of ₹ 585.73 crore.

In three Grants (18, 28 and 29) utilisation was more than 100 per cent, resulting in excess of ₹ 159.29 crore.

Chart 3.6: Savings and surrenders before close/ last day of financial year 2023-24

(₹ in crore)

Analysis of **Chart 3.6** revealed that only 35 *per cent* of savings were surrendered. All the surrenders (₹ 1,732.93 crore) were made on 31<sup>st</sup> March 2024. This indicated poor management of funds resulting in sub-optimal utilisation of financial resources.

## 3.3.8 Excess expenditure and its regularisation

As per Article 204 of the Constitution of India, no money shall be withdrawn from Consolidated Fund of the State except under appropriation made by law passed in accordance with the provisions of the Article. Further, as per Article 205 of the Constitution of India, it is mandatory for a State Government to get excesses over grants/ appropriations regularised by the State Legislature. Although no time limit for regularisation of expenditure has been prescribed under the Article, the regularisation of excess expenditure is done after the completion of discussion of the Appropriation Accounts by the Public Accounts Committee.

# 3.3.8.1 Excess expenditure

Excess expenditure over Budget provision is not only in contravention of provisions requiring legislative sanction but is also indicative of poor planning. It can be avoided by keeping track of expenditure progression with reference to budgetary outlays. Details of excess expenditure over the Budget provision for the financial year 2023-24 are given in **Table 3.14**.

Table 3.14: Summary of excess disbursements over grants/ appropriation during 2023-24 (in ₹)

| Sr. | Name of Grant  | Vot             | ed                 | Char        | ged     |

| 9   | 23-Power Development   |                 | 4,65,29,000        |             |         |
| 10  | 27-Labour Employment and Training                            |                 | 8,20,06,000        |             |         |
| 11  | 28-Urban Development, Town and Country Planning and Housing  | 96,91,88,399    | 5,74,28,266        |             |         |
| 12  | 29-Finance   | 9,80,63,24,113  |                    |             |         |
|     | Total  | 10,77,55,12,512 | 1,78,23,04,724     | 2,10,000    | 344     |
|     | Grand Total  | 1255,80         | 0,27,580 or ₹ 1,25 | 55.80 crore |         |

Source: Appropriation Accounts.

As seen from the above, in 13 cases (relating to 12 grants/appropriations), excess expenditure of ₹ 1,255.80 crore over Budget provision was incurred in 2023-24,

which requires regularisation by the State Legislature. Detail of Major Head-wise excess is given in **Appendix 3.8** and cases of more than ₹ 50 crore are given in **Table 3.15**.

Table 3.15: Major-Head-wise disbursement over the authorisation during 2023-24

#### 3.3.8.2 Persistent excesses in certain grants

During the five-year period from 2019-20 to 2023-24, there were no cases of persistent excesses in any grants.

## 3.3.8.3 Regularisation of excess expenditure of previous financial years

Excess expenditure remaining un-regularised for extended periods dilutes legislative control over the executive.

As of January 2025, an excess expenditure of  $\mathbb{Z}$  11,262.78 crore incurred during the period 2014-15 to 2022-23 was pending for regularisation by the State Legislature. Out of which, an expenditure of  $\mathbb{Z}$  8,818.47 crore (pertained to the period 2014-15 to 2020-21) has been regularised by the State Legislature during February 2025. Thus, an excess expenditure of  $\mathbb{Z}$  2,444.31 crore for the year 2021-22 and 2022-23 is still pending for regularisation.

In addition to the above, excess expenditure of ₹1,255.80 crore incurred over authorisation made in 10 grants and two appropriations during the financial year 2023-24 also requires regularisation.

The year-wise summary of excess expenditure pending regularisation is given in **Table 3.16**.

Table 3.16: Excess expenditure relating to previous years

| Year   | Number of<br>Grants/<br>Appropriations                       | Grant/ Appropriation numbers               | Amount of excess required to be regularised as commented in the Appropriation Accounts (Figures in ₹) | Status of regularisation |  |  |

## 3.3.9 Grant-in-aid for creation of Capital assets

As per IGAS-2, grants-in-aid disbursed by a grantor to a grantee shall be classified and accounted for as Revenue expenditure irrespective of the purpose for which the funds disbursed as grants-in-aid are to be spent by the grantee, except in cases where it has been specifically authorised by the President on the advice of the Comptroller and Auditor General of India.

During 2023-24, an amount of ₹911.06 crore was extended as grants-in-aid for creation of Capital assets and the whole amount was booked under Revenue heads and classified as Revenue expenditure in the accounts in compliance with IGAS-2.

# 3.4 Effectiveness of budgetary and accounting process

# 3.4.1 Budget projection and gap between expectation and actual

Efficient management of tax administration/other receipts and public expenditure holds the balance for achievement of various Fiscal indicators. Budgetary allocations based on unrealistic proposals, poor expenditure monitoring mechanism, weak scheme implementation capacities and weak internal controls lead to sub-optimal

allocation among various developmental needs. Excessive savings in some departments deprive other departments of the funds which they could have utilised.

The summarised position of original and supplementary provisions *vis-à-vis* actual expenditure during 2023-24 in respect of 32 grants/ appropriations is given in **Table 3.17**.

Table 3.17: Summarised position of Budget (Original/ Supplementary) provisions *vis-à-vis* Actual Expenditure during 2023-24

Source: Appropriation Accounts.

As shown in the above table, the total provision for expenditure in 2023-24 was  $\stackrel{?}{\stackrel{?}{?}}$  66,991.29 crore. The actual gross expenditure during the year was  $\stackrel{?}{\stackrel{?}{?}}$  62,023.95 crore. There was an overall savings of  $\stackrel{?}{\stackrel{?}{?}}$  4,967.34 crore which was the net result of saving of  $\stackrel{?}{\stackrel{?}{?}}$  6,223.14 crore in 31 grants and 11 appropriations offset by excess of  $\stackrel{?}{\stackrel{?}{?}}$  1,255.80 crore in 12 grants/appropriations. Out of net savings of  $\stackrel{?}{\stackrel{?}{?}}$  4,967.34 crore, only  $\stackrel{?}{\stackrel{?}{?}}$  1,732.93 crore (35 *per cent*) were surrendered. All the surrenders were made on the last day of the financial year i.e.,  $31^{st}$  March 2024.

The position of Budget utilisation during the five years is given in **Chart 3.7**.

70,000 92.59% 100% 89.97% 93.69% 86.27% 84.77% 90% 60,000 Budget Utilisation (per cent) Budget allocation (₹ in crore) 80% 50,000 70% 60% 40,000 50% 67,733.00 66,991.29 61,597.00 30,000 55,715.00 40% 53,708.00 30% 20,000 20% 10,000 10% 0 0% 2019-20 2020-21 2021-22 2022-23 2023-24 Budget Utilisation (per cent) Budget (O+S) (₹ crore)

**Chart 3.7: Trend of Budget utilisation** 

As can be seen from the above table, the percentage of Budget utilisation against total allocation showed an increasing trend during 2019-20 to 2022-23, whereas it slightly decreased during 2023-24 over the previous year.

Details of original Budget, revised estimates, and actual expenditure during the five-year period from 2019-20 to 2023-24 are given in **Table 3.18**.

Table 3.18: Original Budget, Revised Estimate and Actual Expenditure during 2019-24

| (RE-AE) as a per cent of TB                                  | 7.75    | 0.52    | -2.32   | -0.87   | -0.60        |

Source: Appropriation Accounts and Budget documents of respective years.

**Table 3.17** shows that supplementary provisions of  $\ge$  10,307 crore during the year 2023-24 constituted 18.18 *per cent* of the original provision as against 24.07 *per cent* in the previous year.

The trend of Budget Estimates, Revised Estimates and utilisation there against is depicted in **Chart 3.8**.

80,000 67,733 66,991 70,000 61,597 55.715 62,024 60,000 53,708 62,871 53 460 61,625 Amount ( $\xi$  in crore) 50,000 48,834 45,528 40,000 30,000 20,000 10,000 0 2019-20 2020-21 2022-23 2023-24 2021-22 Total Budget Revised Estimate Actual Expenditure

Chart 3.8: Trend showing BE, RE and Actuals

Source: Appropriation Accounts.

From the above chart, it can be seen that Total Budget (TB) was always higher than the Revised Estimate (RE) and Actual Expenditure (AE) in these five years (2019-20

to 2023-24). The Revised Estimates were closer to Actual Expenditure, except in the year 2019-20.

In terms of percentage, the RE was lower than TB in the range between 7.18 *per cent* to 13.21 *per cent* during 2019-24. Further, the percentage of AE was lower than the RE during 2019-20 and 2020-21 by 7.75 *per cent* and 0.52 *per cent* respectively whereas in the last three years (2021-22 to 2023-24) RE was lower than the AE by 2.32 *per cent*, 0.87 *per cent* and 0.60 *per cent* respectively (as shown in **Table 3.18**). As such, the supplementary provisions during 2019-20 and 2021-22 proved unnecessary since the actual expenditure did not come up even to the level of original budget provisions.

This reflects that budgetary allocations were based on unrealistic proposals as Budget Estimates of the State were always inflated, and the actual expenditure was less than the budgetary provisions.

# 3.4.2 Supplementary Budget

While obtaining legislative authorisation for supplementary provisions, departments sometimes report large additional requirements for different purposes under various schemes/activities but are unable to spend not only the entire supplementary provision or parts thereof but also the original Budget provision. Detail of unutilised funds under 'Capital-Voted' section is given in **Table 3.19** below:

Table 3.19: Detail of unutilised funds under 'Capital-Voted' section

(₹ in crore)

| Sl.<br>No. | Name of the Grant                                    | Original allocation | Supplementary | Total    | Actual expenditure | Unutilised funds |

## 3.4.3 Major policy pronouncements in Budget and actual expenditure

The Government announces several new policies/ schemes for implementation through the Budget Speech and other Budget documents which are either for that particular financial year (one-time activity) or the subsequent financial years (of recurring nature).

Some of the major policies were pronounced in the Budget for 2023-24 but no Budget provisions were provided thereagainst. Details are given in **Table 3.20**.

Table 3.20: Major policy pronouncements in Budget and actual expenditure during 2023-24

| Sr. No. | Name of the Scheme                               | <b>Budget Provision</b> |
|---------|--|-------------------------|
| 1       | Mukhya Mantri Vidhwa Evam Ekal Nari Awas Yojna   |                         |
| 2       | Mukhya Mantri Surakshit Bachpan Abhiyaan         |                         |

# 3.4.4 Schemes and their actual funding for ensuring implementation

Several policy initiatives of the Government are partially executed or not executed due to non-approval of scheme guidelines/ modalities, non-commencement of works for want of administrative sanctions, non-release of Budget, etc. This deprives beneficiaries of the intended benefits. Savings in such schemes deprive other departments of funds which they could have utilised.

During 2023-24, there were 40 schemes where Budget provision (₹ one crore and above) was made but no expenditure was incurred (details given in **Appendix 3.9**). Details of eight major schemes (₹ 10 crore and above provision in each case) are depicted in **Table 3.21**.

Table 3.21: Detail of some schemes for which substantial provision (₹ 10 crore and above provision in each case) was made but no expenditure was incurred

(₹ in crore)

| Sr.<br>No. | Grant<br>No. | Scheme name   | Approved outlay | Remarks                     |
|------------|--------------|---|-----------------|-----------------------------|
| 1          | 20           | Performance Grant to Gram Panchayats under Finance Commission       | 129.52          |                             |
| 2          | 20           | Tied Grant to Zila Parishads under Central Finance<br>Commission    | 28.24           | No                          |

| 5          | 20           | Basic Grant to Zila Parishads under Central Finance Commission      |                 | schemes<br>during the       |
| 6          | 11           | Him Unnati  | 16.48           | year.                       |
| 7          | 08           | Srinivasa Ramanujan Student Digital Yojna                           | 16.45           |                             |
| 8          | 29           | Atal Pension Yojna  | 15.00           |                             |

Source: Appropriation Accounts.

Non-utilisation of funds on sanctioned schemes shows that the State Government departments had either not adequately planned for such schemes or did not have the capacity for their implementation. Poor scheme implementation capacities increase the tendency of departments to retain cash balances outside the Government Account in bank accounts or surrender funds at the end of the year, thereby depriving other departments of funds which could have been utilised.

# 3.4.5 Rush of expenditure

Government funds should be spent evenly throughout the year. Maintaining a steady pace of expenditure is a crucial component of sound public financial management, as it obviates Fiscal imbalances and temporary cash crunches arising out of unanticipated heavy expenditure.

The State Government prescribed (September 1995) quarter-wise percentages (1<sup>st</sup> Quarter-20 *per cent*; 2<sup>nd</sup> Quarter-25 *per cent*; 3<sup>rd</sup> Quarter-30 *per cent*; 4<sup>th</sup> Quarter-25 *per cent*) for incurring expenditure during the year, with the aim of regulating the expenditure in a phased manner.

During scrutiny, it was found that during 2023-24, under 19 Major Heads, more than 50 *per cent* of expenditure was incurred in the last quarter of the year against the target of 25 *per cent*. In four cases, more than 50 *per cent* of total expenditure was incurred in March alone. The details are given in **Appendix 3.10**.

It was also observed that under Major Head- 2801 (Power), out of total expenditure ₹ 1,148.23 crore, ₹ 721.71 crore (62.85 *per cent*) was incurred in the last quarter while ₹ 235.40 crore (21 *per cent*) was incurred in March 2024. Month-wise expenditure under Major Head 2801 – Power during 2023-24 is depicted in **Chart 3.9**.

278.57 300.00 235.40 250.00 207.74 200.00 164.98 130.69 150.00 126.93 100.00 50.00 0.62 0.82 0.60 0.63 0.66 0.61 0.00 February HIL Expenditure MH- 2801-Power

Chart 3.9: Month-wise expenditure under "2801-Power" during 2023-24

(₹ in crore)

The rush of expenditure during the last quarter, especially during the month of March, showed non-adherence to financial rules. Government funds should be spent evenly throughout the year. Maintaining a steady pace of expenditure is a crucial component of sound public financial management, as it obviates Fiscal imbalances and temporary cash crunches arising out of unanticipated heavy expenditure. The quarterly details of expenditures incurred across all Grants are shown in **Appendix 3.11**.

It is evident from the appendix that in case of 28 grants, compliance to the quarterly expenditure limits could not be ensured during the year. The details of grants where expenditure incurred was more than 40 per cent in the last quarter are given in **Table 3.22**.

Table 3.22: Details of grants where expenditure incurred more than 40 per cent in the last quarter during 2023-24

(₹ in crore)

| a          |   | Alloca-                   | Expenditure          |                         |                      |                      |             | Total<br>expendi-         | Expendi-<br>ture in 4 <sup>th</sup><br>Ouarter as | Expenditure in March                             |

| 2          | 13 Irrigation, Water Supply and Sanitation                        | 3,867.63                  | 731.69               | 645.95                  | 706.52               | 1,725.07             | 1,101.32    | 3,809.24                  | 45.29   | 28.91  |
| 3          | 23 Power Development  | 917.74                    | 88.61                | 228.37                  | 4.86                 | 553.69               | 156.66      | 875.54                    | 63.24   | 17.89  |
| 4          | 26 Tourism and Civil<br>Aviation                                  | 524.40                    | 34.55                | 19.32                   | 27.22                | 219.08               | 198.86      | 300.17                    | 72.99   | 66.25  |
| 5          | 28 Urban Development,<br>Town and Country Planning<br>and Housing | 948.03                    | 128.23               | 372.51                  | 68.25                | 481.69               | 304.15      | 1,050.69                  | 45.84   | 28.95  |

Rush of expenditure during the last quarter, especially during the month of March, showed non-adherence to financial rules. The State Government may consider devising suitable mechanism to avoid rush of expenditure in the last quarter/month of the financial year.

#### 3.5 Review of Selected Grants

A review of budgetary procedure and control over expenditure in respect of two grants viz., Grant No. 08 - 'Education' and Grant No. 20- 'Rural Development' for the year 2023-24 revealed the following:

#### 3.5.1 Grant No. 08 – Education

The Grant is administered by Education Department and includes Major Heads: 2059-Public Works, 2202-General Education, 2216-Housing, 4202-Capital Outlay on Education, Sports, Art and Culture.

## (i) Budget and Expenditure

The overall position of funds allotted, and expenditure incurred under Grant No. 08 during the financial years 2021-22 to 2023-24, as detailed in **Table 3.23**.

Table 3.23: Budget provision, expenditure, excess/savings

(₹ in crore)

| Year    | Voor Costion |               | Budget |          | liture  | Savings (-)/ Excess (+) |         |
|---------|--------------|---------------|--------|----------|---------|-------------------------|---------|
| i ear   | Section      | Section Voted |        | Voted    | Charged | Voted                   | Charged |
| 2021-22 | Revenue      | 7,087.45      | 0.10   | 5,991.02 | 0.10    | -1,096.43               | 0       |
| 2021-22 | Capital      | 224.69        | 0.13   | 239.73   | 0.13    | 15.04                   | 0       |
| 2022.22 | Revenue      | 7,891.90      | 0.23   | 7,770.30 | 0.43    | -121.60                 | 0.20    |
| 2022-23 | Capital      | 164.40        | 0      | 163.79   | 0       | -0.62                   | 0       |
| 2022.24 | Revenue      | 8,030.60      | 2.69   | 7,230.03 | 2.69    | -800.57                 | 0.0     |
| 2023-24 | Capital      | 111.47        | 0      | 113.96   | 0       | 2.49                    | 0       |

Source: Appropriation Accounts.

It can be seen from the above table that there were huge savings of ₹ 800.57 crore under Revenue-voted section and an excess of ₹ 2.49 crore under Capital-voted section in 2023-24.

## (ii) Unnecessary Re-appropriation

During 2023-24, there were 8 cases (**Table 3.24**), where re-appropriation proved unnecessary, as the expenditure did not reach the level of budget provision.

Table 3.24: Details of cases where Re-appropriation proved unnecessary

(₹ in crore)

| Sr.<br>No. | Heads of account    | Budget   | Re-appropriation | Actual<br>Expenditure | Savings |
|------------|---------------------|----------|------------------|-----------------------|---------|
| 1          | 2202-01-101-03-S00N | 1,663.03 | 4.62             | 1,487.01              | -180.64 |
| 2          | 2202-01-104-01-S00N | 21.05    | 0.17             | 19.12                 | -2.10   |
| 3          | 2202-01-104-02-S00N | 73.44    | 0.71             | 71.09                 | -3.05   |
| 4          | 2202-01-107-04-S00N | 24.99    | 0.89             | 21.96                 | -3.92   |
| 5          | 2202-01-112-01-C90N | 82.23    | 5.01             | 79.58                 | -7.67   |
| 6          | 2202-01-113-01-C90N | 137.78   | 28.13            | 36.27                 | -129.64 |
| 7          | 2202-02-001-01-S00N | 22.34    | 0.22             | 21.84                 | -0.72   |
| 8          | 2202-02-109-01-S00N | 2,839.01 | 7.87             | 2,804.56              | -42.32  |

Re-appropriation is the transfer of funds within a grant from one unit of appropriation, where savings are anticipated, to another unit where additional funds are needed. Savings in many heads could have been re-appropriated to meet the excess in cases where re-appropriation proved insufficient.

## (iii) Savings under Centrally Sponsored Schemes

Scrutiny of records revealed that four Centrally Sponsored schemes viz. (i) Mid-Day Meal, (ii) New India Literacy Programme, (iii) Smagra Shiksha Abhiyan and (iv) Strengthening Teaching Learning and Results for States, etc., are being implemented by the Elementary Education Department in the State. The major objectives of these schemes are to ensure quality education and enhancing learning outcomes of students; strengthening early-years education, learning assessment systems, teacher performance and classroom practice, school-to-work transition and governance and decentralised management for improved service delivery, enhancing teacher training programs, implementing effective learning methods in classrooms, and promoting inclusive education. The total Budget allocated under these schemes was ₹ 668.15 crore, against which only 53 *per cent* Budget was utilised. Details are given in the **Table 3.25**.

Table 3.25: Details of savings under Centrally Sponsored Schemes

(₹ in crore)

| Schemes   | Heads of account | Original<br>Budget | Supple-<br>mentary | Reappro-<br>priation | Total  | Expendi-<br>ture | Savings |
|---|------------------|--------------------|--------------------|----------------------|--------|------------------|---------|
| Mid-Day Meal  | 2202-01-112-01   | 139.35             | 0.00               | 7.67                 | 147.02 | 120.50           | 26.52   |
| New India Literacy<br>Programme                             | 2202-01-105-01   | 0.02               | 0.00               | 1.42                 | 1.44   | 0.36             | 1.08    |
| Smagra Shiksha<br>Abhiyan                                   | 2202-01-113-02   | 334.59             | 0.00               | 0.00                 | 334.59 | 193.50           | 141.09  |
| Strengthening Teaching Learning and Result for State (STAR) | 2202-01-113-01   | 6.76               | 150.21             | 28.13                | 185.10 | 40.30            | 144.80  |
| Total   | al               | 480.72             | 150.21             | 37.22                | 668.15 | 354.66           | 313.49  |

As we can see from the above table that huge savings under these schemes show insensitivity towards quality education by the State Government/Department. While confirming the facts and figures the Department stated that savings under these schemes were due to non-release of funds from Government of India. The Department's reply was not acceptable as expenditure was not incurred even when the Budget provision was available. This deprives beneficiaries of the intended benefits. Savings in such schemes deprive other departments of funds which could have been utilised.

## (iv) Entire Budget provisions remained unutilised

Scrutiny of the records revealed that during the year 2023-24, under six schemes total Budget provision of ₹ 31.85 crore was made but no expenditure was incurred by the Department. The details are given in the **Table 3.26**.

Table 3.26: Details of some schemes for which provision was made but no expenditure was incurred

| Sr.<br>No. | Heads of Account    | Schemes  | Budget<br>provision<br>(₹ in crore) | Expenditure                                  |
|------------|---------------------|--|-------------------------------------|--|
| 1          | 2202-02-109-38-S00N | Rajiv Gandhi Day Boarding school   | 9.74                                |  |
| 2          | 2202-02-107-03-S10N | PM Young Achiever Scholarship<br>award scheme for Vibrant India<br>for OBC and Other Post Matric | 0.66                                | N P.   |
| 3          | 2202-02-109-15-S00N | Srinivasa Ramanujan Student<br>Digital Yojna   | 16.45                               | No expenditure was incurred on these schemes |
| 4          | 2202-80-107-18-S00N | Kalpana Chawla Chatravriti<br>Yojna  | 2.47                                | during the year.                             |
| 5          | 2202-02-109-30-S00N | Khel se Swasthya Yojna   | 1.82                                |  |
| 6          | 2202-02-109-21-S00N | Mukhya Mantri Gyandeep Yojna   | 0.71                                |  |
|            | Total               |  |                                     |  |

Non-utilisation of funds on sanctioned schemes shows that the State Government departments had either not adequately planned for launching such schemes or did not have the capacity for their implementation.

In response, Director, Higher Education, Shimla stated that the bills were not passed by the treasury hence these schemes were not implemented by the Department. Further, previous years' liabilities were met out of these funds during the current financial year. The reply of the Department was not satisfactory as the Department did not produce any document as evidence for non-passing of bills by the treasury.

## (v) Excess expenditure over and above the Budget provision

As per Rule 37 (3) of HPFR 2009, no expenditure shall be incurred which may have the effect of exceeding the total grant or appropriation authorised by State legislature by law for a financial year except after obtaining a supplementary grant or appropriation or an advance from the Contingency Fund.

During test-check of the records of the Department it was noticed that during 2023-24, under Head 4202-01-202-01 against the total provision of ₹ 22.89 crore, ₹ 44.86 crore was incurred, resulting in excess expenditure over the approved Budget provision by ₹ 21.97 crore.

In response, Director of Higher Education, Shimla stated that additional funds amounting to ₹33.90 crore were received from the Government and same were withdrawn from the treasury but the same was not mentioned by the Finance Department in excess and surrender statement as well as re-appropriation order. The reply is not satisfactory as the same should have been included in supplementary grant or in re-appropriation orders.

## (vi) Delay in submission of excess and surrender statements

As per Himachal Pradesh Budget Manual, the Head of Department is required to submit Budget Estimates and the statement of excesses and surrenders to the Finance Department by 1<sup>st</sup> October and 15<sup>th</sup> January or well before the close of the financial year respectively.

Further, the Finance Department, Government of Himachal Pradesh issued (9<sup>th</sup> August 2023) instructions stipulating the dates of submission - first statements of excess and surrender was required to be submitted to the Finance Department on 31.10.2023 and second excess and surrender was required to submitted on 31.12.2023 and the third is to be submitted before 15.03.2024.

Scrutiny of excess and surrender statements for the year 2023-24 revealed that the Department of Higher Education submitted the first and second statement of excess and surrender to Finance Department on 15<sup>th</sup> November 2023 and 5<sup>th</sup> January 2024 with delays of 15 days and 5 days respectively.

In reply, the Directorate of Higher Education, Shimla stated that the delay in submission of Budget Estimates and returns was due to delays in receipt of data from the field offices and its consolidation at headquarters level. The reply is not satisfactory because instructions issued by the Finance Department are to be mandatorily followed and the Department should have instructed its regional/field offices to adhere to the timelines.

# 3.5.2 Grant No. 20 – Rural Development

The Grant is administered by Rural Development Department and includes Major Heads: 2216- Housing, 2230- Labour Employment and Skill Development, 2501- Special Programme for Rural Development, 2505- Rural Employment, 2515- Other Rural Development Programmes and 4515- Capital Outlay on Other Rural Development Programmes.

## (i) Budget and Expenditure

The overall position of funds allotted, and expenditure incurred under Grant No. 20 during the financial years 2021-22 to 2023-24, as detailed in **Table 3.27**.

Table 3.27: Budget provision, expenditure, excess/savings

(₹ in crore)

| Year    | Section      | Budget   |         | Expenditure |         | Savings (-)/ Excess (+) |         |
|---------|--------------|----------|---------|-------------|---------|-------------------------|---------|
| теаг    | rear Section |          | Charged | Voted       | Charged | Voted                   | Charged |
| 2021-22 | Revenue      | 1,229.11 | 0.07    | 1,095.01    | 0.07    | -134.10                 | 0.00    |
| 2021-22 | Capital      | 14.01    | 0.00    | 18.85       | 0.00    | 4.84                    | 0.00    |
| 2022 22 | Revenue      | 1,771.88 | 0.06    | 1,651.86    | 0.06    | -120.02                 | 0.00    |
| 2022-23 | Capital      | 15.16    | 0.00    | 15.51       | 0.00    | 0.35                    | 0.00    |
| 2022.24 | Revenue      | 1,506.15 | 0.00    | 1,022.95    | 0.00    | -483.20                 | 0.00    |
| 2023-24 | Capital      | 12.25    | 0.00    | 9.52        | 0.00    | -2.73                   | 0.00    |

Source: Appropriation Accounts

It can be seen from the above table that there were persistent savings in Revenue section from 2021-22 to 2023-24 ranging from seven *per cent* to 32 *per cent*.

#### (ii) Entire Budget provision remained unutilised

Scrutiny of the records revealed that during the year 2023-24, in eight cases total Budget provision of ₹ 246.45 crore was made but no expenditure was incurred by the Department. The details are given in the **Table 3.28**.

Table 3.28: Details of some schemes for which provision was made but no expenditure was incurred

(₹ in crore)

| Sr.<br>No. | Heads of Account    | Original | Supple-<br>mentary | Re-appropria-<br>tion | Expenditure      |
|------------|---------------------|----------|--------------------|-----------------------|------------------|
| 1          | 2501-06-101-08-C90N | 3.29     | 0.00               | -3.29                 |                  |
| 2          | 2501-06-800-09-S00N | 2.63     | 0.00               | 0.00                  |                  |
| 3          | 2505-01-702-06-S00N | 32.90    | 0.00               | -32.90                |                  |
| 4          | 2515-00-102-24-S00N | 3.30     | 0.00               | -3.30                 | No expenditure   |
| 5          | 2515-00-196-06-S00N | 18.82    | 0.00               | 0.00                  | was incurred     |
| 6          | 2515-00-196-07-S00N | 28.24    | 0.00               | 0.00                  | during the year. |
| 7          | 2515-00-197-07-S00N | 27.75    | 0.00               | 0.00                  |                  |
| 8          | 2515-00-198-06-S00N | 129.52   | 0.00               | 0.00                  |                  |
|            | Total               | 246.45   | 0                  | -39.49                |                  |

Non-utilisation of funds on sanctioned schemes shows that the State Government departments had either not adequately planned for launching such schemes or did not have the capacity for their implementation.

In reply, Department stated that the non-utilisation is due to vacant posts in different categories, non-release of dearness allowance, revised pay arrears and non-release of fund form State Government.

# (iii) Budget reduced under Centrally Sponsored Schemes (CSS)

Scrutiny of the records revealed that during 2023-24, in three schemes, original Budget provision of ₹ 132.84 crore was reduced to ₹ 51.63 crore by re-appropriation even then there was a savings of ₹ 12.09 crore. This shows the Department either made unrealistic Budget provisions or did not disburse/surrendered the amount of

Centrally Sponsored Schemes as per prescribed procedure/rule. The details of these schemes are given in **Table 3.29**.

**Table 3.29: Budget under Centrally Sponsored Schemes** 

(₹ in crore)

| Name of Schemes                             | Heads of account    | Original<br>Budget | Re-appro-<br>priation | Total | Expen-<br>diture | Savings |
|---|---------------------|--------------------|-----------------------|-------|------------------|---------|
| Deen Dayal                                  | 2501-06-101-07-C90N | 45.52              | -28.02                | 17.50 | 13.16            | -4.34   |
| Upadhyay Grameen<br>Kaushal Yojana          | 2501-06-101-07-S10N | 5.06               | -3.34                 | 1.72  | 0.03             | -1.69   |
| Shyama Prasad<br>Mukherji Rurban<br>Mission | 2501-06-101-08-C90N | 3.29               | -3.29                 | 0.00  | 0.00             | 0.00    |
| Swachh Bharat<br>Mission (Gramin)           | 2515-00-102-23-C90N | 78.97              | -46.56                | 32.41 | 26.35            | -6.06   |
| T   | Total               |                    | 81.21                 | 51.63 | 39.54            | 12.09   |

In reply, the Department confirmed the facts and figures as correct and stated that during the drafting process of Annual Action Plan, considerable emphasis was given to integrating targets that remained unmet in the preceding year. However, all the unachieved targets for the year 2023-24 will be encompassed and addressed in the upcoming year.

## (iv) Excess expenditure over and above the Budget provision

Excess expenditure over Budget provision is not only in contravention of provisions requiring legislative sanction, but also indicative of poor planning. It can be avoided by keeping track of expenditure progression with reference to Budgetary outlays. Details of excess expenditure over the Budget provision for the financial year 2023-24 are given in **Table 3.30**.

Table 3.30: Details of excess expenditure over Budget provision

(₹ in crore)

| Sr.<br>No. | Heads of Account    | Original provision | Supple-<br>mentary | Re-<br>appro-<br>priation | Total<br>Budget<br>provision | Actual<br>Expenditure | Excess |
|------------|---------------------|--------------------|--------------------|---------------------------|------------------------------|-----------------------|--------|
| 1          | 2216-03-102-07-C90N | 10.41              | 9.20               | 28.02                     | 47.63                        | 64.36                 | 16.73  |
| 2          | 2216-03-102-07-S10N | 0.71               | 1.24               | 3.34                      | 5.29                         | 7.15                  | 1.86   |
| 3          | 2501-06-101-05-C90N | 27.64              | 0.00               | 0.00                      | 27.64                        | 28.14                 | 0.50   |
| 4          | 2501-06-101-05-S10N | 1.97               | 0.37               | 0.00                      | 2.34                         | 3.13                  | 0.79   |
| 5          | 2505-02-101-01-S25N | 59.23              | 0.00               | 0.00                      | 59.23                        | 81.21                 | 21.98  |
| 6          | 2515-00-102-23-S10N | 0.12               | 1.38               | 0.70                      | 2.20                         | 2.93                  | 0.73   |
| 7          | 4515-00-103-02-S00N | 0.40               | 0.00               | 0.00                      | 0.40                         | 0.70                  | 0.30   |
|            | Total               | 100.48             | 12.19              | 32.06                     | 144.73                       | 187.62                | 42.89  |

Scrutiny of the records revealed that under seven cases, the Department incurred ₹ 42.89 crore excess over and above the Budget provision, which shows that the formulation of Budget by the Department was not on realistic basis and there was laxity to control the expenditure.

# (v) Delay in submission of excess and surrender statements

As per Himachal Pradesh Budget Manual, the Head of Department is required to submit Budget estimates and the statement of excesses and surrenders to the Finance Department by 1<sup>st</sup> October and 15<sup>th</sup> January or well before the close of the financial year respectively.

Further, the Finance Department, Government of Himachal Pradesh issued (9<sup>th</sup> August 2023) instructions stipulating the dates of submission - first statements of excess and surrender was required to be submitted to the Finance Department on 31.10.2023 and second excess and surrender was required to submitted on 31.12.2023 and the third is to be submitted before 15.03.2024. The details of submission of the statements are given in **Table 3.31**.

| Sr.<br>No. | Particular                            | Due date   | Submission date | Delay<br>(in days) |
|------------|---------------------------------------|------------|-----------------|--------------------|
| 1          | First excess and surrender statement  | 31.10.2023 | 10.01.2024      | 71                 |
| 2          | Second excess and surrender statement | 31.12.2023 | 10.01.2024      | 10                 |
| 3          | Final excess and surrender statement  | 15.03.2024 | 30.03.2024      | 15                 |

Table 3.31: Delay in submission of excess and surrender statements

Scrutiny of excess and surrender statements for the year 2023-24 revealed that the Rural Development Department submitted the first, second and third statement of excess and surrender to Finance Department on 10<sup>th</sup> January 2024 and 30<sup>th</sup> March 2024 with delays of 10 days and 71 days.

In reply, the Department stated that there are 91 blocks under the jurisdiction of the Department and the delay in submission of budgetary estimates and returns were due to delays in receipt of data from the field offices and its consolidation at headquarters level. The reply is not acceptable because instructions issued by the Finance Department are to be mandatorily followed and the Department should have instructed its regional/field offices to adhere to the timelines.

#### 3.6 Conclusions

The overall utilisation of Budget was 92.59 *per cent* of total grants and appropriations during 2023-24.

Expenditure of ₹ 94.36 crore was incurred in seven cases under four grants during the year 2023-24 without having any provision in the original Budget Estimates/ supplementary demands and without issuing any re-appropriation orders to this effect.

Supplementary provisions were also not on a realistic basis as in 14 cases, the supplementary provisions of ₹710.55 crore proved unnecessary as the expenditure

did not come up even to the level of the original provisions. Budgetary allocations were based on unrealistic proposals as in 15 cases pertaining to 12 grants, savings excluding surrenders were more than ₹ 100 crore.

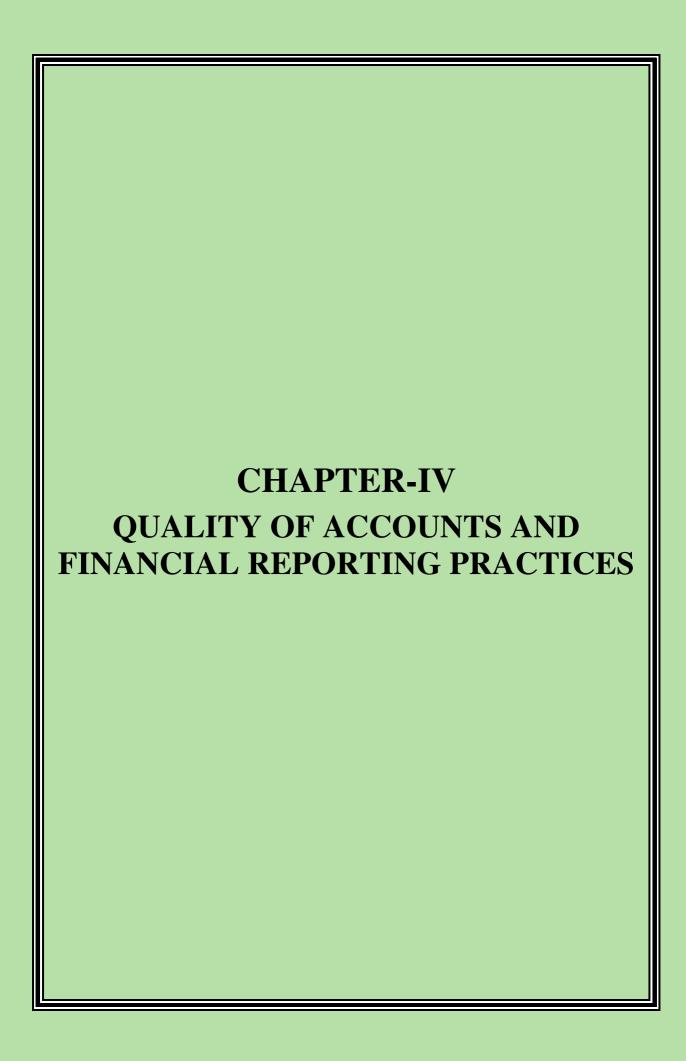

During 2023-24, there were 40 schemes where Budget provision (₹ one crore and above in each cases) was made but no expenditure was incurred.

The excess expenditure of  $\stackrel{?}{\underset{?}{?}}$  2,444.31 crore for the period 2021-23 and  $\stackrel{?}{\underset{?}{?}}$  1,255.80 crore for the current year 2023-24 was required to be regularised by the State Legislature.

There was rush of expenditure at fag end of the year. In 19 major heads, more than 50 *per cent* of the expenditure under each major head was incurred in the last quarter and in four cases more than 50 *per cent* of the expenditure incurred in the month of March 2024. All surrenders were made on the last day i.e.  $31^{st}$  March 2024.

## 3.7 Recommendations

- 1. The State Government should be accurate in its assumptions for preparing Budget Estimates.
- 2. Government should ensure strict compliance with Budget Manual in preparation of supplementary provisions and ensure transparency in estimation for avoiding unnecessary supplementary provisions.
- 3. Government should consider formulating strategies for actual execution of major policy decisions in the State at the time of preparing budgetary estimates.
- 4. The State Government should ensure regular monitoring to ascertain the progress of expenditure with reference to the stipulated quarterly targets and assess anticipated savings/excess. Surrenders of anticipated savings should be made well before the close of the financial year so that they can be utilised for other schemes.
- 5. Excess expenditure over authorisation approved by the Legislature must be avoided and all the excesses should be regularised in time bound manner.

## **CHAPTER - IV**

# QUALITY OF ACCOUNTS AND FINANCIAL REPORTING PRACTICES

A sound internal financial reporting system with relevant and reliable information significantly contributes to efficient and effective governance by the State Government. Compliance with Financial Rules, procedures and directives as well as the timeliness and quality of reporting on the status of such compliance is, thus, one of the attributes of good governance. Reports on compliance and controls, if effective and operational, assist the Government in meeting its basic stewardship responsibilities, including strategic planning and decision-making.

# Issues related to completeness of accounts

# 4.1 Non-discharge of liability in respect of interest towards interest bearing deposits/ Reserve Funds

The Government has a liability to provide and pay interest on the amounts in the Interest-bearing Deposits/Reserve Funds.

Audit observed that ₹ 22.26 crore were required to be paid as interest on the balance of ₹ 114.98 crore lying under interest bearing deposits/Reserve Funds as on 1<sup>st</sup> April 2023 as shown in **Table 4.1.** However, the same has not been paid. Non-payment of interest liability has resulted in understatement of Revenue Deficit and Fiscal Deficit to that extent.

Table 4.1: Details of non-discharge of liability in respect of interest towards interest bearing deposits/Reserve Funds

(₹ in crore)

| Sr.<br>No. | Name/Head of the interest bearing deposit                    | Opening<br>Balance as on<br>1st April 2023 | Basis for calculation of interest   | Amount of interest not paid |

## 4.2 Funds transferred directly to State implementing agencies

The Government of India has been transferring sizeable funds directly to the State implementing agencies for implementation of various schemes. Government of India decided to route these funds through the State Budget from 2014-15 onwards. However, during the year 2023-24, ₹ 1,946.42 crore under 41 Central Schemes (including Centrally

Sponsored Schemes) as detailed in **Appendix 4.1** was transferred directly to the implementing agencies in the State bypassing the Consolidated Fund of the State and State Budget. This constituted 4.97 *per cent* and 13.03 *per cent* of total Revenue receipts (₹ 39,173.04 crore) and Grants-in-aid (₹ 14,942.15 crore) respectively for the year 2023-24. During 2023-24, the direct transfer of fund to the implementing agencies has decreased by 33.76 *per cent* as compared to 2022-23 (from ₹ 2,938.36 crore in 2022-23 to ₹ 1,946.42 crore in 2023-24). During the year 2023-24, Centrally Sponsored Schemes, where funds transferred directly exceeded ₹ 400 crore were Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) (₹ 604.57 crore), Pradhan Mantri Kisan Samman Nidhi (PM-Kisan) (₹ 544.71 crore) and Jal Jeevan Mission (JJM) (₹ 402.34 crore).

The State Government accounts for the year 2023-24 depicts only ₹ 5,328.69 crore under Central share of Centrally Sponsored Schemes. Besides contracting the budget and expenditure of the State Government to the extent of ₹ 1,946.42 crore, the assets created and expenditure for the public were out of the State Government accounts making them incomplete.

## **Issues related to transparency**

# 4.3 Delay in submission of Utilisation Certificates

Rule 157 of HPFR 2009 prescribes that institutions or organisations receiving grants shall furnish audited utilisation certificate to the Government after utilisation of Grants-in-aid. Utilisation Certificates (UCs) outstanding beyond the specified periods indicate absence of assurance on utilisation of the grants for intended purposes and the expenditure shown in the accounts to that extent cannot be treated as final. A total number of 2,990 UCs amounting to ₹ 2,795.23 crore were pending as of March 2024 (**Appendix 4.2**). Out of which, 1,648 UCs for grants of ₹ 1,050.63 crore pertained to the period 2017-22. The age-wise and year-wise arrears in submission of UCs are summarised in **Tables 4.2** and **4.3**.

Table 4.2: Age-wise arrears in submission of Utilisation Certificates

(₹ in crore)

| Year*         | Opening Balance |           | Clear      | rance    | Due for submission |           |
|---------------|-----------------|-----------|------------|----------|--------------------|-----------|
| i ear         | No. of UCs      | Amount    | No. of UCs | Amount   | No. of UCs         | Amount    |
| Up to 2021-22 | 2,260           | 1,688.92  | 1,400      | 1,208.67 | 860                | 480.25    |
| 2022-23       | 1,846           | 2,553.59  | 1,058      | 1,983.21 | 788                | 570.38    |
| 2023-24       | 18,804          | 5,846.94  | 17,462     | 4,102.34 | 1,342              | 1,744.60  |
| Total         | 22,910          | 10,089.45 | 19,920     | 7,294.22 | 2,990#             | 2,795.23# |

Note: \*UCs for GIA disbursed during 2022-23 become due only during 2023-24 i.e. the year mentioned above relates to "Due year" i.e., after 12 months of actual withdrawal.

<sup>#</sup> It includes 128 number of GIA vouchers on account of C.S.S. amounting to ₹ 579.47 crore.

Table 4.3: Year-wise break-up of outstanding UCs

| Year in which GIA transferred | Number of outstanding UCs | Amount (₹ in crore) |
|-------------------------------|---------------------------|---------------------|
| Up to 2017-18                 | 102                       | 50.88               |
| 2018-19                       | 147                       | 66.84               |
| 2019-20                       | 199                       | 75.08               |
| 2020-21                       | 412                       | 287.45              |
| 2021-22                       | 788                       | 570.38              |
| 2022-23                       | 1,342                     | 1,744.60            |
| Total                         | 2,990                     | 2,795.23            |

Chart 4.1: Outstanding UCs in respect of 10 major departments as on 31st March 2024

From **Chart 4.1**, it is evident that 2,512 UCs amounting to ₹ 2,733.35 crore i.e. 97.79 *per cent* of the total outstanding UCs (₹ 2,795.23 crore) pertains to 10 departments. Out of which, 1,493 UCs amounting to ₹ 2,547.54 crore pertains to five departments viz. - Urban Development (45.71 *per cent*, ₹ 1,277.77 crore), Panchayati Raj (25.80 *per cent*, ₹ 721.08 crore), Education (nine *per cent*, ₹ 251.46 crore), Ayush (7.13 *per cent*, ₹ 199.33 crore) and Women & Child Dev. & SC, OBC & Spl. Abled (3.50 *per cent*, ₹ 97.90 crore).

Out of above, two major departments i.e. Urban Development (308 UCs: ₹ 1,277.77 crore), and Panchayati Raj (757 UCs: ₹ 721.08 crore), the following number of UCs were selected for substantive audit/ test-check during 2023-24:

- (i) Urban Development (142 UCs- ₹ 1,078.16 crore),
- (ii) Panchayati Raj (135 UCs ₹41.64 crore),

During scrutiny of 277 UCs amounting to ₹ 1,119.80 crore, selected for test-check, 39 UCs amounting to ₹ 152.43 crore had been fully or partially adjusted with supporting documents (i.e., sub-vouchers, bills and sanction orders, etc.). The remaining 238 UCs amounting to ₹ 967.37 crore were also partially/fully utilised/ adjusted but supporting documents were not available with the departments. The UCs to the extent of the utilised amount were being sent by the grantees (implementing/executing agencies) to the Heads of Department (HoDs) as and when the work got completed. However, at the HoDs level, the UCs and amount of grant utilised by the grantees are not being reconciled/ co-related with the sanctioned grant. This is also due to lack of monitoring and non-reconciliation of position of grants at various levels.

In addition to the above, following points also emerged from the substantive/ test-check of records of the above departments:

- There is no provision mentioned in the HPFR, 2009 that the UCs should, after verification, be sent to Pr. Accountant General (A&E). Therefore, in these cases the HoDs did not forward the UCs to the Pr. Accountant General (A&E), as a result of which these UCs are remained shown as outstanding in the Accounts.
- Sanctions were found incomplete to the extent that in the test-checked UCs which had the supporting documents, the sanction orders did not mention (i) whether grants were recurring or non-recurring, (ii) periodicity of submission of UCs and (iii) whether the UCs were required to be submitted or not.
- Lack of correlation/reconciliation was noticed between the total grants extended to the grantees (implementing/executing agencies) and the UCs of partial grant utilised as received in the Department. This is due to submission of UCs for partial grant without any supporting documents.

The status of outstanding UCs should be monitored closely by the Heads of Departments (HoDs) and the same should reconciled with the office of the Pr. Accountant General (A&E), to ensure submission of UCs in a time bound manner.

# 4.4 Abstract Contingent bills

Rule 183(3)(V) of Himachal Pradesh Treasury Rules 2017 envisages that no moneys should be drawn from Government treasury unless it is required for immediate disbursement. In emergent circumstances, Drawing and Disbursing Officers (DDOs) are authorised to draw sums of money through Abstract Contingent (AC) bills. In terms of Rule 187 of ibid Rule DDOs are required to present Detailed Contingent (DC) bills containing vouchers in support of final expenditure with same financial year. Delayed submission or prolonged non-submission of DC bills may affect the completeness and correctness of accounts.

It has been observed that a total of 368 AC bills amounting to ₹ 5.93 crore were drawn during 2023-24, out of which 31 AC bills amounting to ₹ 0.04 crore (0.67 *per cent*) were drawn in March 2024. One AC bill amounting to ₹ 0.12 crore relating to MH-2851 (Village and Small Industry) is still pending for adjustment/by way of submission of DC bill as of 31<sup>st</sup> December 2024.

## 4.5 Indiscriminate use of Minor Head-800

Minor Head-800 relating to Other Receipts and Other Expenditure is intended to be operated only when the appropriate minor head has not been provided in the accounts. Routine operation of Minor Head-800 is to be discouraged since it renders the accounts opaque. Classification of large amounts under the omnibus Minor Head-800 affects transparency in financial reporting and distorts proper analysis of allocative priorities and quality of expenditure.

It was observed that during 2023-24, the booking of expenditure under Minor Head-800 decreased to ₹ 530.09 crore (in 19 Major Heads of accounts) from ₹ 654.61 crore (28 Major Heads of accounts) over the previous year. This constituted 1.05 *per cent* (1.30 *per cent* during 2022-23) of the total Revenue and Capital expenditure ₹ 50,361.42 crore during 2023-24. Out of which, substantial expenditure (20 *per cent* and above) had been booked under 05 Major Heads of account (**Appendix 4.3**). Further, in terms of amount, 75 *per cent* bookings have been made in the following three Major Heads - MH-2230-Labour, Employment and Skill Development (₹ 92.37 crore), MH-2235-Social Security and Welfare (₹ 97.58 crore) and MH-2801-Power (₹ 207.23 crore).

However, during 2023-24, the booking of receipts under 800 - Other Receipts under 47 Major Heads of Account had increased to ₹ 2,425.22 crore from ₹ 2,277.32 crore over the previous year. This constituted 6.19 *per cent* (5.98 *per cent* during 2022-23) of the total Revenue receipts (₹ 39,173.05 crore). Out of these 47 Major Heads, substantial receipts (20 *per cent* and above) had been booked under the Minor Head 800-Other Receipts in 32 Major Heads (**Appendix 4.4**). Further, in terms of amount, 86 *per cent* had been booked under the following three Major Heads - MH-0071-Contribution and recoveries towards Pension and other retirement benefits (₹ 150.88 crore), MH-0045-Other Taxes and Duties on Commodities and Services (₹ 274.95 crore) and MH-0801-Power (₹ 1,667.36 crore). Out of above, Power alone accounts for 69 *per cent* of such bookings.

## Issues related to measurement

# 4.6 Outstanding balances under major Suspense and DDR heads

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under various heads. Significant suspense items have been shown as gross debit and credit balances for the last three years, in **Table 4.4**.

**Table 4.4: Balances under Suspense and Remittance Heads** 

(₹ in crore)

| Head of Account |                                  | 202    | 1-22   | 2022-23 |        | 2023-24 |       |

Source: Finance Accounts.

The Suspense balances (Debit/Credit) under the Minor heads 101-PAO Suspense, 102-Suspense Account (Civil) and 129-Material Purchase Settlement Suspense Account under Major Head 8658-Suspense Account and 102-Public Works Remittances and 103-Forest Remittances under 8782-Cash Remittances appearing in the Finance Accounts for the year 2023-24 are detailed below:

Pay and Accounts Office (PAO)— Suspense (Minor Head 101): This Minor Head is operated for the settlement of inter-departmental and inter-governmental transactions arising in the books of PAOs under the Union Government, PAOs of the Union Territories and the Accountants General. Outstanding debit balance under this Head means that payments have been made by the PAO on behalf of other PAO(s), which are yet to be recovered. The outstanding debit balance (31<sup>st</sup> March 2024) under this Head decreased to ₹ 52.93 crore from ₹ 56.70 crore debit balance of the previous year.

Suspense Account - Civil (Minor Head 102): The transactions which cannot be taken to final Head of expenditure/receipt accounts for want of certain information/ documents (challans, vouchers etc.) are initially booked under this suspense head. Receipts are credited and expenditure is debited to this account and cleared on receipt of required information by minus credit and minus debit respectively during the financial year. There was an outstanding debit balance of ₹ 46.27 crore under this minor head as of  $31^{st}$  March 2024 that implies 'payment made' but could not be debited to the final head of expenditure for want of certain particulars.

Material Purchase Settlement Suspense Account (Minor Head 129): There was an outstanding credit balance of ₹ 328.95 crore under this minor head as of 31<sup>st</sup> March 2024. This was on account of pending adjustment in respect of value of material received in advance by the divisions, but the payment is yet to be made. On clearance/ settlement of the case, the cash balances of the State will increase.

**Public Works Remittances** (**Minor Head 102**): There was net credit balance of ₹ 605.30 crore under this head as of 2023-24. On clearance/settlement, the cash balances of the State Government will increase. The remittances relate to cheques deposited by PWD into Treasury.

Forest Remittances (Minor Head 103): The net credit balance under this head was ₹ 16.67 crore. On clearance/settlement, the cash balance of the State Government will decrease. The remittances relate to cheques issued by Forest Division to the parties.

Huge balances under these Heads (Public Account) at the end of the year distorts the financial position of the State Government to that extent, as these expenditure(s)/receipt(s) could not be booked to their final heads of account and remained outside the Consolidated Fund of the State.

#### 4.7 Reconciliation of Cash Balances

The Cash Balance of the State Government as on 31<sup>st</sup> March 2024 as per Accounts of the Principal Accountant General (A&E) was ₹ 42.44 crore (Debit) while the same was reported as ₹ 33.38 crore (Credit) by the Reserve Bank of India (RBI). As such, there was a net un-reconciled difference of ₹ 9.06 crore (Debit).

The difference was mainly due to pending reconciliation of figures between the Treasury/RBI/ Agency Bank and AG Office.

# 4.8 Unspent amount lying with divisional officers

As per Codal provisions, funds received by Public Works Divisions towards Deposit Works from Non-Government Agencies are required to be credited under Minor Head 108 - Public Works Deposits below Major Head 8443 - Civil Deposits. The expenditure for related Deposit Works is also met from the same head of account. In the Monthly Divisional Accounts, un-remitted amount of such deposits are classified under Major Head 8671 -Departmental Balances, 101 - Civil, by the PW Divisions, under Public Account of the State and then form part of the Government Accounts. However, the funds received towards Deposit Works are being kept in the bank accounts of Divisional Officers operated by Public Works Divisions instead of remitting them into Government Account and are thus not forming part of cash balance of the State with Reserve Bank of India.

As on 31<sup>st</sup> March 2024, as per Finance Accounts, a small amount of ₹ 0.16 crore (Debit) was lying under Major Head 8671 (Public Accounts).

## Issues related to disclosure

# 4.9 Compliance with Accounting Standards

As per Article 150 of the Constitution of India, the President of India may, on the advice of the Comptroller and Auditor General of India (CAG), prescribe the form of accounts of the Union and of the States. On the advice of the CAG, the President of India has so far notified three Indian Government Accounting Standards (IGASs). Compliance to these Accounting Standards by Government of Himachal Pradesh as well as deficiencies therein during 2023-24 is detailed in **Table 4.5**.

**Table 4.5: Compliance to Accounting Standards** 

| Sr.<br>No. | Accounting Standards | Essence of IGAS  | Compliance by<br>State Government                     | Remarks   |
|------------|----------------------|--|---|---|
| 1.         | IGAS-1               | Guarantees given by the Government - Disclosure requirements | Complied (Statements 9 and 20 of Finance Accounts)    | Sector wise details are disclosed in the Statement 9 whereas sector and classwise details are depicted in Statement 20 of the Finance Accounts. |
| 2.         | IGAS-2               | Accounting and Classification of Grants-in-aid               | Partially complied (Statement 10 of Finance Accounts) | Information regarding the total value of Grants-in-aid given in kind was not provided by the State Government.                                  |
| 3.         | IGAS-3               | Loans and Advances made by the Government                    | Complied (Statements 7 and 18 of Finance Accounts)    | Details of Loans and Advances made<br>by Government are disclosed in<br>Statements 7 and 18.  |

Source: Finance Accounts.

# 4.10 Submission of accounts of Autonomous Bodies

Several autonomous bodies/authorities have been set up by the State Government in the fields of Education, Welfare, Law and Justice, Health, etc. Audit of accounts in respect of 31 autonomous bodies/authorities in the State has been entrusted to the Comptroller and Auditor General of India. Audit of these 31 bodies is conducted under section 19(3) of the C&AG's (Duties, Powers and Conditions of Service) Act and Separate Audit Reports are prepared for the same (**Appendix 4.5**). Details of bodies/authorities whose accounts are in arrears are given in **Table 4.6**.

Table 4.6: Arrears of accounts of Autonomous Bodies as on 31st March 2024

| Sr.<br>No. | Name of Body or Authority   | Accounts pending since | No. of Accounts pending |  |  |  |  |
|------------|---|------------------------|-------------------------|--|--|--|--|
| 1.         | HP Khadi and Village Industries Board                                     | 2013-14                | 10                      |  |  |  |  |
| 2.         | Compensatory Afforestation Fund Management and Planning Authority (CAMPA) | 2021-22                | 02                      |  |  |  |  |
|            | Total   |                        |                         |  |  |  |  |

Source: Departmental data/information.

It can be seen from the above table that accounts of two bodies/authorities were in arrears for two and ten years.

Delay in finalisation of accounts carries the risk of financial irregularities going undetected and, therefore, the accounts need to be finalised and submitted to Audit at the earliest. The State Government may consider evolving a system to expedite the process of compilation and submission of annual accounts by autonomous bodies/authorities in order to assess their financial position.

# 4.11 Non-submission of details of grants/loans given to bodies and authorities

In order to identify institutions that attract audit under Section 14 of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, the

Government/ Heads of the Departments are required to furnish to Audit every year, detailed information about the financial assistance given to various institutions, purpose for which such assistance was granted, and the total expenditure of the institutions.

Further, Para 88 of Regulations on Audit and Accounts (Amendments) 2020 provides that the Government and Heads of Departments which sanction grants and/or loans to bodies or authorities shall furnish to the Audit Office, by the end of July every year, a statement of such bodies and authorities to which grants and/or loans aggregating to ₹ 10 lakh or more were paid during the preceding year indicating (a) the amount of assistance, (b) the purpose for which the assistance was sanctioned, and (c) the total expenditure of the body or authority.

The State Government did not furnish information pertaining to grants aggregating to ₹ 10 lakh or more extended to Autonomous Bodies/Authorities in the State of Himachal Pradesh. However, information was sought by Audit from the bodies/authorities concerned and only five¹ bodies/authorities (out of 39), furnished the information to Audit (**Appendix 4.5**).

Non-furnishing of information by the State Government/Heads of the Department to Audit was in violation of Regulations on Audit and Accounts (Amendments) 2020 and Section 14 of the CAG's (DPC) Act.

# 4.12 Departmental Commercial Undertakings/Corporations/Companies

According to Section 394 and 395 of the Companies Act, 2013, Annual Report on the working and affairs of a Government Company is to be prepared within three months of its Annual General Meeting (AGM). As soon as may be after such preparation, the Annual Report should be laid before the State Legislature together with a copy of the Audit Report and any comments upon or supplement to the Audit Report, made by the CAG. Almost similar provisions exist in the respective Acts regulating Statutory Corporations. The above mechanism provides the necessary legislative control over the utilisation of public funds invested in the companies and corporations from the Consolidated Fund of the State.

It was observed that 54 accounts were in arrears in case of 18 Public Sector Undertakings (PSUs)/ Corporations (including two inactive PSUs) upto 30<sup>th</sup> September 2024 (**Appendix 4.6**), of which five² were loss making (as per their latest/last accounts). Further, audit noticed that out of five loss making companies, a budgetary support of ₹ 146.48 crore was provided to two SPSEs during the last three years, despite their accounts being in arrears as detailed in **Table 4.7**.

| >5             | 2                            | 15                            |
| Total          | 18                           | 54                            |

Source: Information supplied by the PSUs.

**Table 4.8** shows that accounts in respect of two SPSEs were in arrears for more than five years which are inactive companies. In the absence of timely finalisation of accounts, results of investments of the Government remain outside the purview of State Legislature and escape scrutiny by audit. Consequently, corrective measures, if any, required for ensuring accountability and improving efficiency cannot be taken in time. Risk of fraud and mis-utilisation of public money cannot be ruled out.

It is recommended that the State Government should evolve a system and direct the authorities of the SPSEs to complete its up-to date accounts (i.e., last preceding year).

#### **Other Issues**

# 4.13 Misappropriations, losses, thefts, etc.

Rules 23 and 24 of Himachal Pradesh Financial Rules 2009 provide that a detailed enquiry by the authority concerned on the cause of loss of moveable and immoveable property, as the case may be, shall be conducted, and after a detailed enquiry has been completed, the detailed report shall be sent by the authority concerned to the Government through proper channels for appropriate action with a copy to the Accountant General. Rule 145 (5) stipulates that in case goods become unserviceable due to negligence, fraud

or mischief on the part of the Government servant, responsibility for the same shall be fixed.

There were 30 cases of misappropriation, losses, theft, etc., involving  $\stackrel{?}{\underset{?}{?}}$  49.56 lakh as of 31<sup>st</sup> March 2023. Out of this, 15 cases amounting to  $\stackrel{?}{\underset{?}{?}}$  11.17 lakh relating to Public Works Department were settled/ cleared during the year 2023-24. During the year none of any new case has been reported. However, 15 cases involving  $\stackrel{?}{\underset{?}{?}}$  38.39 lakh were still pending as on 31<sup>st</sup> March 2024. The department-wise break-up of pending cases is given in **Table 4.9**.

Table 4.9: Department-wise break up of pending cases and reasons for pendency of action in cases of misappropriation, losses, theft, etc.

 $Source: Information\ received\ from\ departments\ and\ compiled\ by\ Audit.$ 

The State Government may devise an effective mechanism to ensure speedy and time-bound settlement of cases relating to misappropriation/loss, theft, etc.

The age-profile of the pending cases and the number of cases pending in each category-theft and misappropriation/loss of Government material is summarised in **Table 4.10**.

Table 4.10: Profile of misappropriation, losses, defalcations, etc.

| Age-profile of the pending cases |                 |                                |  |  |  |
|----------------------------------|-----------------|--------------------------------|--|--|--|
| Range in years                   | Number of cases | Amount involved<br>(₹ in lakh) |  |  |  |
| 0-5                              | 0               | 0.00                           |  |  |  |
| 5-10                             | 3               | 4.81                           |  |  |  |
| 10-15                            | 5               | 4.81                           |  |  |  |
| 15-20                            | 7               | 28.77                          |  |  |  |
| Total                            | 15              | 38.39                          |  |  |  |

| Nature of the pending cases                         |    |       |  |  |  |
|---|----|-------|--|--|--|
| Number of cases (₹ in lakh                          |    |       |  |  |  |
| Theft cases   | 3  | 1.13  |  |  |  |
| Misappropriation/<br>loss of Government<br>material | 12 | 37.26 |  |  |  |
| Total   | 15 | 38.39 |  |  |  |

Out of the total 15 cases of misappropriation, losses, theft etc., 80 *per cent* cases were related to misappropriation/ loss of Government material and the remaining 20 *per cent* were theft cases. Out of these 15 cases, 40 *per cent* (six cases) were pending due to delays in finalising/ initiating departmental and criminal investigation. It was further noticed that all 15 cases were more than five years old, including seven cases, which were more than 15 years old.

The Government may consider preparing a time bound framework for taking prompt action to ensure speedy settlement of above cases relating to theft, misappropriation, losses, etc., so that accountability can be fixed.

# 4.14 Follow up action on State Finances Audit Report

In the State of Himachal Pradesh, the Public Accounts Committee (PAC)/ Finance Department require the line departments to provide Action Taken Notes (ATNs)/ *suo-motu* Explanatory Note (EN) on the paragraphs featuring in the Audit Reports within three months of placing the Reports in the Legislature. The line departments are also required to provide a copy (in triplicate) of the same to the Accountant General for vetting and further observations thereon, if any, and onward transmission to the PAC.

In Himachal Pradesh, State Finances Audit Report (SFAR) is being prepared separately and presented to the State Legislature from the year 2008-09 onwards. The State Government submitted ATNs/ *suo-motu* Explanatory Notes of SFARs up to 2021-22. The SFARs for the year 2008-09 to 2021-22 have been discussed by the Public Accounts Committee (PAC) on 19.11.2024. Action Taken Reports on the recommendations of the PAC on these reports have not been received yet.

## 4.15 Conclusions

Utilisation Certificates (UCs), 2,990 in number, for Grants-in-aid amounting to ₹ 2,795.23 crore were awaited which indicates lack of internal control by the administrative departments and tendency on the part of the Government to disburse fresh grants without ascertaining proper utilisation of earlier grants.

Two autonomous bodies and 18 Public Sector Undertakings/ Corporations did not submit their final accounts for considerable periods. As a result, their financial position could not be assessed and results of investments of the Government remained outside the purview of the State Legislature.

Further, in 15 cases of theft, misappropriation and loss of Government material, departmental action was pending for long periods.

#### 4.16 Recommendations

- 1. The Government should ensure timely submission of Utilisation Certificates by the Departments in respect of the grants released for specific purposes.
- 2. The Finance Department should put in place a system to expedite the process of compilation and submission of annual accounts by autonomous bodies and departmentally run undertakings in order to assess their financial position.

3. The Government should prepare a time bound framework for taking prompt action in cases of misappropriation, loss, theft, etc. and strengthening the internal control system to prevent recurrence of such cases.

#### Glossary of important Budget related terms

- 1. 'Accounts' or 'actuals' of a year are the amounts of receipts and disbursements for the financial year beginning on April 1st and ending on March 31st following, as finally recorded in the accounting authority's books (as audited by C&AG). Provisional Accounts refers to the unaudited accounts.
- 2. 'Administrative approval' of a scheme, proposal or work is the formal acceptance thereof by the competent authority for the purpose of incurring expenditure. Taken with the provision of funds in the budget, it operates as a financial sanction to the work during that particular year in which the Administrative Approval is issued.
- 3. 'Annual financial statement' Also referred to as Budget means the statement of estimated receipts and expenditure of the Central/State Government for each financial year, laid before the Parliament /State Legislature.
- 4. 'Appropriation' means the amount authorised by the Parliament/State Legislature for expenditure under different primary unit of appropriation or part thereof placed at the disposal of a disbursing officer.
- 5. 'Charged Expenditure' means such expenditure as is not to be submitted to the vote of the Legislature under the provisions of the Constitution.
- 6. 'Consolidated Fund of India/ State' All revenues of the Union/State Government, loans raised by it and all moneys received in repayment of loans form the Consolidated Fund of India/ State. No moneys out of this Fund can be appropriated except in accordance with the law and for the purposes and in the manner provided in the Constitution.
- 7. 'Contingency Fund' is in the nature of an imprest. The Contingency Fund is intended to provide advances to the executive /Government to meet unforeseen expenditure arising in the course of a year pending its authorisation by the Parliament/State Legislature. The amounts drawn from the Contingency Fund are recouped after the Parliament/State Legislature approves it through the Supplementary Demands.
- 8. 'Controlling Officer (budget)' means an officer entrusted by a department with the responsibility of controlling the incurring of expenditure and/or the collection of revenue. The term includes the Heads of Department and also the Administrators.
- 9. 'Drawing and Disbursing Officer' (DDO) means a Head of Office and also any other Officer so designated by the Finance Department of the State Government, to draw bills and make payments on behalf of the State Government. The term shall also include a Head of Department where he himself discharges such function.
- 10. 'Excess Grant' Excess grant means the amount of expenditure over and above the provision allowed through the original/supplementary grant, that requires regularisation by obtaining excess grant from the Parliament /State Legislature under Article 115/205 of the Constitution.
- 11. 'New Service' As appearing in Article 115(1)(a)/205(1)(a) of the Constitution, New Service means expenditure arising out of a new policy decision, not brought to the notice

- of Parliament/State Legislature earlier, including a new activity or a new form of investment.
- 12. 'New Instrument of Service'- means relatively large expenditure arising out of important expansion of an existing activity.
- 13. 'Public Accounts'- means the Public Account referred to in Article 266(2) of the Constitution. The receipts and disbursements such as deposits, reserve funds, remittances, etc. which do not form part of the Consolidated Fund are included in the Public Account. Disbursements from the Public Account are not subject to vote by the Parliament/State Legislature, as they are not moneys issued out of the Consolidated Fund of India/State.
- 14. 'Re-appropriation' means the transfer, by a competent authority, of savings from one unit of appropriation to meet additional expenditure under another unit within the same grant or charged appropriation.
- 15. 'Revised Estimate' is an estimate of the probable receipts or expenditure for a financial year, framed in the course of that year, with reference to the transactions already recorded and anticipation for the remainder of the year in the light of the orders already issued.
- 16. 'Supplementary Demands for Grants'- means the statement of supplementary demands laid before the legislature, showing the estimated amount of further expenditure necessary in respect of a financial year over and above the expenditure authorised in the Annual Financial Statement for that year. The demand for supplementary may be token, technical or substantive/cash.
  - a) **Cash Supplementary** is over and above the original Budget provisions and results in enhancement of the allocation for the Demand/Grant. It should be obtained as a last resort and after proper due diligence. Presently, this method is followed by the State.
  - b) There are four Sections in each Demand i.e., Revenue Voted, Revenue Charged, Capital Voted and Capital Charged. **Technical Supplementary**, after obtaining the approval of the State Legislature, allows to utilise the savings of one of the Sections for any other Section.
  - c) **Token Supplementary** allows to utilise the savings within the same section of the grant.
- 17. 'Major Head' means a Major Head of account for the purpose of recording and classifying the receipts and disbursements of the State. A Major Head, particularly the one falling within the Consolidated Fund, generally corresponds to a 'function' of Government such as Agriculture, Education, Health, etc.
- 18. "Sub-Major Head" means an intermediate head of account introduced between a Major Head and the Minor Heads under it, when the Minor Heads are numerous and can conveniently be grouped together under such intermediate Head.
- 19. 'Minor Head' means a head subordinate to a Major Head or a Sub-Major Head. A Minor Head subordinate to a Major Head identifies a "programme" undertaken to achieve the objectives of the function represented by the Major Head.
- 20. "Sub-Head" means a unit of account next subordinate to a Minor Head which normally denotes the scheme or organisation under that Minor Head or programme.

- 21. 'Major Work' means an original work, the estimated cost of which exclusive of departmental charges exceeds the amount as notified by the Government from time to time.
- 22. 'Minor Work' means an original work, the estimated cost of which exclusive of departmental charges does not exceed the amount as notified by the Government from time to time.
- 23. "Modified Grant or Appropriation" means the sum allotted to any Sub-Head of Appropriation as it stands after Re-Appropriation or the sanction of an Additional or Supplementary Grant by competent authority.
- 24. "Supplementary or Additional Grant or Appropriation" means a provision included in an Appropriation Act, during the course of a financial year, to meet expenditure in excess of the amount previously included in an Appropriation Act for that year.
- 25. "Schedule of New Expenditure" means a statement of items of new expenditure proposed for inclusion in the Budget for the ensuing year.
- 26. "Token demand" means a demand made to the Assembly for a nominal or token sum when, for example, it is proposed to meet the entire expenditure on a new service from savings out of the sanctioned Budget grant.
